Trustees' Annual Report

Structure, Governance and Management

The Trustees are responsible for the day-to-day management of the Trust and meet formally on a regular basis and liaise constantly between meetings.

Governing Document

The organisation is a private company limited by guarantee and is governed by its Articles of Association.

Charitable Status

The company received charitable status on 2 August 2010.

Risk Management

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Recruitment and Appointment of Trustees

New Trustees are elected by the members at the AGM or are co-opted by the existing Trustees, who assess what skills and experience are required. New Trustees receive an induction pack with a copy of the Memorandum and Articles, recent accounts and minutes.

Objectives, Aims and Activities for the public benefit

As Trustees of the charitable company, the Directors confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance and have referred to the Charity Commission's general guidance on public benefit when reviewing aims and objectives and in planning future activities.

The object for which the Company is established is to promote the religious and charitable work of the Church of England by providing additional support for all or any of the charitable purposes to which the capitular revenues of the Dean and Chapter of the Cathedral Church of St Mary the Virgin in Blackburn are applicable.

Financial Review, Achievements and Future Plans

The past twelve months have seen the Trust continuing with its charitable fundraising and support of the Cathedral. During the year, it has received personal and trust donations of £2,743 (2023 - £3,811), secured grants of £54,000 (2023 - £4,000) and received a legacy of £2,500. During the year it made grants of £160,100 (2023 - £16,760) to Blackburn Cathedral to continue the funding of the Education Officer and to support the Crypt Development.

Events held during 2024 generated a surplus of £19,284 (2023 £28,904).

The financial statements show that for the year ended 31 December 2024 there was net expenditure of £84,324 (2023 net income - £10,381) and total funds at the year-end were £76,583 (2023 - £160,907).

The Trustees have resolved to designate £50,614 (2023 - £134,456) towards the development of the Cathedral Crypt. There was net expenditure on Unrestricted Funds of £81,350 (2023 net income - £22,141) and net expenditure of £2,974 (2023 - £11,760) on Restricted Funds.

Blackburn Cathedral Trust

Annual Report and Accounts

For the year ended 31 December 2024

Trustees' Annual Report

The balance of the Unrestricted General Funds at 31 December 2024 was a surplus of £21,069 (2023 - £18,577) and the surplus on the Restricted Funds at that date was £4,900 (2023 - £7,874).

It is expected that during the coming year the Trust will continue to support the Cathedral by carrying out fundraising activities to enable ongoing projects to be fulfilled and continue to identify additional funders who can offer their support.

Reserves Policy and Going Concern

Since the primary objective is to raise funds for the Cathedral Church of St Mary the Virgin, Blackburn, it is not the policy to hold reserves of more than an adequate amount to enable the Trust to have sufficient working capital to enable it to continue in operation. Unrestricted General Funds were in surplus of £21,069 (2023 - £18,577) at 31 December 2024. The Trustees are satisfied that future donations and fundraising efforts will cover costs and allow the surplus position to be maintained.

Statement of Trustees' Responsibilities

The Trustees (who are also Directors of Blackburn Cathedral Trust for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report on the unaudited accounts of Blackburn Cathedral Trust

I report to the charity Trustees on my examination of the accounts of the company for the year ended 31 December 2024, which are set out on pages 4 to 13.

Responsibilities and basis of report

As the charity Trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination. I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the company as required by section 145;
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than other than any requirement that the accounts give a "true and fair" view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustees' Annual Report

Structure, Governance and Management

The Trustees are responsible for the day-to-day management of the Trust and meet formally on a regular basis and liaise constantly between meetings.

Governing Document

The organisation is a private company limited by guarantee and is governed by its Articles of Association.

Charitable Status

The company received charitable status on 2 August 2010.

Risk Management

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Recruitment and Appointment of Trustees

New Trustees are elected by the members at the AGM or are co-opted by the existing Trustees, who assess what skills and experience are required. New Trustees receive an induction pack with a copy of the Memorandum and Articles, recent accounts and minutes.

Objectives, Aims and Activities for the public benefit

As Trustees of the charitable company, the Directors confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance and have referred to the Charity Commission's general guidance on public benefit when reviewing aims and objectives and in planning future activities.

The object for which the Company is established is to promote the religious and charitable work of the Church of England by providing additional support for all or any of the charitable purposes to which the capitular revenues of the Dean and Chapter of the Cathedral Church of St Mary the Virgin in Blackburn are applicable.

Financial Review, Achievements and Future Plans

The past twelve months have seen the Trust continuing with its charitable fundraising and support of the Cathedral. During the year, it has received personal and trust donations of £3,811 (2022 - £3,835), secured grants of £4,000 (2022 - £4,500), claimed gift aid of £502 (2022 - £363) and received bank interest of £1,657 (2022 - £285).

During the year it made grants of £27,077 (2022 - £26,416) to Blackburn Cathedral to continue the funding of the Choral Scholars, the Education Officer, and support of the musical life of the Cathedral and administration costs totaled £1,416 (2022 - £2,130).

Events held during 2023 generated a surplus of £28,904 (2022 £14,258).

The financial statements show that for the year ended 31 December 2023 there was net income of £10,381 (2022- excess of expenditure over income of £5,305) and total funds at the year-end were £160,907 (2022 - £150,526).

Blackburn Cathedral Trust

Annual Report and Accounts

For the year ended 31 December 2023

The Trustees have resolved to designate £134,456 (2022 - £111,369) towards the development of the Cathedral Crypt. There was net income on Unrestricted Funds of £22,141 (2022 - £12,111) and net expenditure of £11,760 (2022 - £17,416) on Restricted Funds. The balance of the Unrestricted General Funds at 31 December 2023 was a surplus of £18,577 (2022 - £19,523) and the surplus on the Restricted Funds at that date was £7,874 (2022 - £19,634).

It is expected that during the coming year the Trust will continue to support the Cathedral by carrying out fundraising activities to enable ongoing projects to be fulfilled and continue to identify additional funders who can offer their support.

Reserves Policy and Going Concern

Since the primary objective is to raise funds for the Cathedral Church of St Mary the Virgin, Blackburn, it is not the policy to hold reserves of more than an adequate amount to enable the Trust to have sufficient working capital to enable it to continue in operation. Unrestricted General Funds were in surplus of £18,577 (2022 - £19,523) at 31 December 2023. The Trustees are satisfied that future donations and fundraising efforts will cover costs and allow the surplus position to be maintained.

Statement of Trustees' Responsibilities

The Trustees (who are also Directors of Blackburn Cathedral Trust for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law required the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period in preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the company as required by section 145;
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than other than any requirement that the accounts give a "true and fair" view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

During the year it made grants of £21,916 (2021 - £13,025) to Blackburn Cathedral to continue the funding of the Choral Scholars, the Education Officer, and support of the musical life of the Cathedral.

Events held during 2022 generated a surplus of £14,258 (2021 £15,564).

The financial statements show that for the year ended 31 December 2022 there was an excess of expenditure over income of £5,305 (2021 - net income £15,450) and total funds at the year-end were £150,526 (2021 - £155,831).

The Trustees have resolved to designate £111,369 (2021 - £96,111) towards the development of the Cathedral Crypt. There was net income on Unrestricted Funds of £12,111 (2021 - £28,362) and net expenditure of £17,416 (2021 - £12,912) on Restricted Funds.

Blackburn Cathedral Trust

Annual Report and Accounts

For the year ended 31 December 2022

Trustees' Annual Report

The balance of the Unrestricted General Funds at 31 December 2022 was a surplus of £19,523 (2021 - £22,670) and the surplus on the Restricted Funds at that date was £19,634 (2021 - £37,050).

It is expected that during the coming year the Trust will continue to support the Cathedral by carrying out fundraising activities to enable ongoing projects to be fulfilled and continue to identify additional funders who can offer their support.

Reserves Policy and Going Concern

Since the primary objective is to raise funds for the Cathedral Church of St Mary the Virgin, Blackburn, it is not the policy to hold reserves of more than an adequate amount to enable the Trust to have sufficient working capital to enable it to continue in operation. Unrestricted General Funds were in surplus of £19,523 (2021 - £22,670) at 31 December 2022. The Trustees are satisfied that future donations and fundraising efforts will cover costs and allow the surplus position to be maintained.

Statement of Trustees' Responsibilities

The Trustees (who are also Directors of Blackburn Cathedral Trust for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Trustees' Annual Report

Structure, Governance and Management

The Trustees are responsible for the day-to-day management of the Trust and meet formally on a regular basis and liaise constantly between meetings.

Governing Document

The organisation is a private company limited by guarantee and is governed by its Articles of Association.

Charitable Status

The company received charitable status on 2 August 2010.

Risk Management

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Recruitment and Appointment of Trustees

New Trustees are elected by the members at the AGM or are co-opted by the existing Trustees, who assess what skills and experience are required. New Trustees receive an induction pack with a copy of the Memorandum and Articles, recent accounts and minutes.

Objectives, Aims and Activities for the public benefit

As Trustees of the charitable company, the Directors confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance and have referred to the Charity Commission's general guidance on public benefit when reviewing aims and objectives and in planning future activities.

The object for which the Company is established is to promote the religious and charitable work of the Church of England by providing additional support for all or any of the charitable purposes to which the capitular revenues of the Dean and Chapter of the Cathedral Church of St Mary the Virgin in Blackburn are applicable.

Financial Review, Achievements and Future Plans

The past twelve months have seen the Trust continuing with its charitable fundraising and support of the Cathedral. During the year, it has received personal and trust donations of £7,502 (2020 - £17,169) and secured grants of £Nil (2020 - £24,500). During the year it made grants of £13,025 (2020 - £26,190) to Blackburn Cathedral to continue the funding of the Choral Scholars, the Education Officer, and support of the musical life of the Cathedral.

No events led fund raising was possible owing to the lockdown restrictions imposed by the COVID19 pandemic in 2020, however, events held during 2021 generated a surplus of £15,564.

The financial statements show that for the year ended 31 December 2021 net income totalled £15,450 (2020 - £10,967) and total funds at the year-end were £155,831 (2020 - £140,381).

The Trustees have resolved to designate £96,111 (2020 - £76,175) towards the development of the Cathedral Crypt. There was net income on Unrestricted Funds of £28,362 (2020 - £11,839) and net expenditure of £12,912 (2020 - £872) on Restricted Funds.

Blackburn Cathedral Trust

Annual Report and Accounts

For the year ended 31 December 2021

Trustees' Annual Report

The balance of the Unrestricted General Funds at 31 December 2021 was a surplus of £22,670 (2020 - £14,244) and the surplus on the Restricted Funds at that date was £37,050 (2020 - £49,962).

It is expected that during the coming year the Trust will continue to support the Cathedral by carrying out fundraising activities to enable ongoing projects to be fulfilled and continue to identify additional funders who can offer their support.

Reserves Policy and Going Concern

Since the primary objective is to raise funds for the Cathedral Church of St Mary the Virgin, Blackburn, it is not the policy to hold reserves of more than an adequate amount to enable the Trust to have sufficient working capital to enable it to continue in operation. Unrestricted General Funds were in surplus of £22,670 (2020 - £14,244) at 31 December 2021. The Trustees are satisfied that future donations and fundraising efforts will cover costs and allow the surplus position to be maintained.

Statement of Trustees' Responsibilities

The Trustees (who are also Directors of Blackburn Cathedral Trust for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law required the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period in preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the company as required by section 145;
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than other than any requirement that the accounts give a "true and fair" view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustees' Annual Report

Structure, Governance and Management

The Trustees are responsible for the day to day management of the Trust and meet formally on a regular basis and liaise constantly between meetings.

Governing Document

The organisation is a private company limited by guarantee and is governed by its Articles of Association.

Charitable Status

The company received charitable status on 2 August 2010.

Risk Management

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Recruitment and Appointment of Trustees

New Trustees are elected by the members at the AGM or are co-opted by the existing Trustees, who assess what skills and experience are required. New Trustees receive induction pack with a copy of the Memorandum and Articles, recent accounts and minutes.

Objectives, Aims and Activities for the public benefit

As Trustees of the charitable company, the Directors confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance and have referred to the Charity Commission's general guidance on public benefit when reviewing aims and objectives and in planning future activities.

The object for which the Company is established is to promote the religious and charitable work of the Church of England by providing additional support for all or any of the charitable purposes to which the caputular revenues of the Dean and Chapter of the Cathedral Church of St Mary the Virgin in Blackburn are applicable.

Financial Review, Achievements and Future Plans

The past twelve months have seen the Trust continuing with its charitable fundraising and support of the Cathedral. During the year, it has received personal and trust donations of £17,169 (2019 - £28,085) and secured grants of £24,500 (2019 - £18,712). During the year it made grants of £26,190 (2019 - £46,785) to Blackburn Cathedral to continue the funding of the Choral Scholars, the Education Officer, and support of the musical life of the Cathedral.

No events led fund raising was possible owing to the lockdown restrictions imposed by the COVID19 pandemic. In 2019, these events generated a surplus of £20,789.

The financial statements show that for the year ended 31 December 2020 net income totalled £10,967 (2019 - £25,348) and total funds at the year-end were £140,381 (2019 - £129,414).

The Trustees have resolved to designate £76,175 (2019 - £62,579) towards the development of the Cathedral Crypt. There was net income on Unrestricted Funds of £11,839 (2019 - £41,458) and net expenditure of £872 (2019 - £16,110) on Restricted Funds.

Blackburn Cathedral Trust

Annual Report and Accounts

For the year ended 31 December 2020

Trustees' Annual Report

The balance of the Unrestricted General Funds at 31 December 2020 was a surplus of £14,244 (2019 - £16,001) and the surplus on the Restricted Funds at that date was £49,962 (2019 - £50,834).

It is expected that during the coming year the Trust will continue to support the Cathedral by carrying out fundraising activities to enable ongoing projects to be fulfilled and continue to identify additional funders who can offer their support. It is clear, however, that event led fundraising activities will continue to be restricted by the lockdown restrictions imposed by the COVID19 pandemic.

Reserves Policy and Going Concern

Since the primary objective is to raise funds for the Cathedral Church of St Mary the Virgin, Blackburn, it is not the policy to hold reserves of more than an adequate amount to enable the Trust to have sufficient working capital to enable it to continue in operation. Unrestricted General Funds were in surplus of £14,244 (2019 - £16,001) at 31 December 2020. The Trustees are satisfied that future donations and fundraising efforts will cover costs and allow the surplus position to be maintained.

Statement of Trustees' Responsibilities

The Trustees (who are also Directors of Blackburn Cathedral Trust for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law required the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period in preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and,
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report on the unaudited accounts of Blackburn Cathedral Trust

I report to the charity Trustees on my examination of the accounts of the company for the year ended 31 December 2020, which are set out on pages 4 to 13.

Responsibilities and basis of report

As the charity Trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination. I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the company as required by section 145;
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than other than any requirement that the accounts give a "true and fair" view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
