Trustees' Annual Report

Year Ended 31 July 2022

The Trustees present their report and the financial statements of the charity for the year ended 31st July 2022. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

Trustees of the charity

The directors of the charitable company are its trustees for the purposes of charity law. The trustees who have served during the year and since the year end were as follows:

Mrs B Middleton
Mr S Matthews
Mr P Eldridge

Structure, governance and management

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

Trustees are appointed each year at the Annual General Meeting. All parents of the children at the pre-school or from the local community are eligible to be elected.

Induction and training of the new trustees

New trustees receive a handover from outgoing trustees who remain contactable in case of need.

Organisational structure

The pre-school is run by a management committee made of a maximum of twelve parents and three volunteers from the local community. A minimum of five members of the committee are elected at the AGM to be Directors and Trustees of the company/charity.

The following roles are assigned within the committee:

Chairperson
Vice Chairperson
Secretary
Treasurer
Fees Administrator

The pre-school manager forms part of the committee and manages 6 members of staff, all of which have their own individual roles including Health and Safety, Child Protection and SEN. Sub committees are formed as and when required for ad hoc project work.

Wider network

The pre-school is registered with OFSTED and in 2016 received a GOOD rating. The charity is also a member of the Pre School Learning Alliance.

Alec Hunter Pre-School

Trustees' Annual Report

Year Ended 31 July 2022

Related parties

The pre-school has close links with the Carousel Children's Centre and the local library. We also have close links with local primary schools, which allow smooth transition when the children leave us to start school.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The pre-school holds a contingency fund of 4 months running costs as well as full insurance.

Objectives and activities

Objectives and aims

The aims of the charity are to enhance the development and education of the children primarily under statutory school age by encouraging parents to understand and provide for the need of their children through community groups and by:

1. Offering appropriate play, education and care facilities and training courses, together with the right of parents to take responsibility for and to become involved in the activities of such groups, ensuring that such groups offer opportunities for all children whatever their race, culture, religion, means or ability.
2. Encouraging the study of needs of such children and their families and promoting public interest in and recognition of such needs.
3. Instigating and adhering to and furthering the aims and objects of the pre-school learning alliance.

Public benefit

The pre-school provides services to pre-school children aged 2 – 5 years in support of the local need and therefore deemed to be acting for public benefit.

Volunteers

The management committee is made up entirely of volunteers who help run the pre-school and arrange and manage fund raising events.

The pre-school is fortunate to have many parent helpers in sessions.

Achievement and performance

Charitable activities

Fundraising activities are undertaken and donations received for specific needs. This year's events have seen Christmas presents for parents, Mother's Day presents fundraisers and a colouring competition. Fundraising has proved to be difficult this year due to the economic situation that people are in.

Investment Income

The charity holds funds in current bank accounts, which generates a minimal amount of interest. The contingency fund is held in a savings bank account, which generates interest annually. These funds are held to ensure that the charity has a sufficient amount to ensure that it can continue to carry out its day to day operations in order to fulfil its charitable objectives.

Alec Hunter Pre-School
Trustees' Annual Report
Year Ended 31 July 2022

Financial review

Reserves policy

The pre-school maintains to hold a contingency fund, which now covers four months running costs. The Trustees of the charity aim to ensure that it has sufficient reserves to ensure that it can continue to carry out its day to day operations in order to fulfil its charity objectives.

Principle funding sources

The pre-school receives the majority of its income from the Early Years funding and also charges a nominal fee to parents for children of pre funded age.

SEN Funding is received to help support the children with Special Education Needs.

Future Developments

The charity will continue fundraising to further the development of the Pre School. We also are continuing to apply for grants so we can continue to update the outdoor space including water play, a new shed and replacing the astro turf. We also want to look at possible alternative options for the heating of the Pre School.

The charity will continue to encourage new parents to join the committee or as parent helpers.

Staff training and development will continue in order to maintain the high level service provided.

The Trustees of the charity continue to take on board comments made by Ofsted and will work towards improvements for the charity as a whole.

These financial statements have been prepared in accordance with the provisions in part 15 of the Companies Act 2006, applicable to companies subject to the small companies regime.

On behalf of the board

Paul Eldridge, Director and Trustee

Independent Examiner's Report to the Trustees of Alec Hunter Pre-School

Year Ended 31 July 2022

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 July 2022 which are set out on pages 6 to 15.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Paul Eldridge, Director and Trustee

Approved by the board of trustees on 3rd April 2023

The notes attached on pages 9 to 15 form an integral part of these accounts.

1 Summary of significant accounting policies

(a) General information and basis of preparation

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in February 2016), (The SORP), published by the Charity Commission in England & Wales (CCEW) , effective January 2016 and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in February 2016), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

(b) Income recognition

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations are recognised when the Charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the Charity before the Charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the Charity and it is probable that these conditions will be fulfilled in the reporting period.

Grants are recognised when the Charity has an entitlement to the funds and any conditions linked to the grant have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

(c) Expenditure recognition

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities and is decreased by the utilisation of any provision within the period and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

(d) Volunteers

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity.

However, the trustees value the significant contribution made to the activities of the charity by unpaid volunteers and this is described more fully in note 6.

Alec Hunter Pre-School

Notes to the Financial Statements

Year Ended 31 July 2022

(e) Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over estimated useful lives.

Furniture and equipment	20% straight line
-------------------------	-------------------

(f) Financial instruments including cash and bank balances

Cash held by the charity is included at the amount held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

(g) Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

(h) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

6 The contribution of volunteers

The charity depends on the support of its volunteers, which is much appreciated.

7 Remuneration and payments to Trustees and persons connected with them

One Trustee received remuneration from the charity (£18,254) as authorised by the governing document. The remuneration was paid for services provided to the Charity in order to assist the achievements of its objectives, but over and above the services provided by their role as a Trustee.
