**TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024**

The trustees present their report and accounts for the year ended 31<sup>st</sup> December 2024. The accounts have been prepared in accordance with the accounting policies set out in note 3 to the accounts and comply with the charity's constitution, applicable law and the Statement of Recommended Practice Accounting and Reporting by Charities Financial Reporting Standard 102.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

The Great Comp Music Trust was incorporated on 6<sup>th</sup> January 2010 as a company limited by guarantee. It was registered as a charity on 2<sup>nd</sup> September 2010. It was converted to a Charitable Incorporated Organisation on 29<sup>th</sup> October 2019.

Control is vested in the trustees of the CIO.

The number of trustees shall be no less than 3 and there is no maximum. Trustees are appointed by ordinary resolution of the members at the annual general meeting, or by resolution of the existing trustees in accordance with the constitution. Office is held from the conclusion of the meeting at which they are appointed to the conclusion of the meeting at which they retire.

**OBJECTIVES AND ACTIVITIES**

The objects of the charity are to promote public education in, and appreciation of, culture and the arts by organising a music festival to be held annually at Great Comp, Borough Green, Kent; and by providing facilities for rehearsal and performance of music and for lectures; and by any other means that the trustees think fit.

**RESULTS**

Unrestricted funds increased by £4,299 to £65,761.

**ACHIEVEMENTS AND PERFORMANCE**

The charity took over the running of the Great Comp Festival from the Great Comp Society, which had run the festival since 1985, in 2011. Eight concerts and a study day were held at Great Comp in June, July and August. Events were well attended despite the effects of the economic downturn, and most of the 75 available seats in the building were sold for each event.

Income from the sale of concert tickets, donations from Friends and other donors and other sources enabled the charity to make a small surplus, despite increases in costs. The charity's financial position is satisfactory.

**THE GREAT COMP MUSIC TRUST****TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024 (CONT'D)****PUBLIC BENEFIT STATEMENT**

The charity gives the public access to classical music played to a high standard by leading ensembles and artists at a reasonable cost. Reduced price tickets are available for students and those claiming support allowances. Concerts are widely advertised, and anyone can buy tickets.

**RISK MANAGEMENT**

The trustees have examined the major strategic, business and operational risks to which the charity is exposed and can confirm that systems have been established and are in place to enable the early identification of issues so that the necessary steps can be taken to mitigate those risks.

**INVESTMENT POLICY**

The charity's funds are invested in units recommended by Killik & Co., its stockbrokers, and with CCLA with a view to generating income.

**RESERVES POLICY**

It is the policy of the trustees to maintain total reserves at a level which equates to approximately between three and six months of the total expenditure of the charity. The trustees believe that this provides a sufficient level of funding buffer to cover the expenditure arising in the furtherance of the charity's objectives, and in its management and administration.

**TRUSTEES' RESPONSIBILITIES**

The trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Charity law requires the members to prepare financial statements for each financial year. Under charity law the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;

**THE GREAT COMP MUSIC TRUST****TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024 (CONT'D)**

- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charities Statement of Recommended Practice (FRS 102). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees have complied with the duty in Section 4 of the 2011 Charities Act to have due regard to guidance published by the Charity Commission in respect of public benefit.

In so far as the trustees are aware they have taken all steps that they ought to have taken to make themselves aware of any relevant accounts information and to establish that the examiner is aware of that information.

**THE GREAT COMP MUSIC TRUST****NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2024 (CONT'D)****3. ACCOUNTING POLICIES (CONT'D)****Income recognition**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of donations and is included in full in the statement of financial activities when received.
- Incoming resources from charitable trading activity are accounted for when earned.

**Expenditure recognition**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes VAT, which cannot be recovered.

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Other costs include those costs associated with meeting constitutional and statutory requirements of the charity and include the independent examiners' fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the statement of financial activities on a basis designed to reflect the use of the resource.

**Tangible fixed assets and depreciation**

All fixed assets are initially recorded at cost. Depreciation is calculated so as to write off the cost of an asset less its residual value over its useful economic life as follows:-

Piano - 10% per annum on a straight-line basis

**THE GREAT COMP MUSIC TRUST****NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2024 (CONT'D)****Fixed asset investments**

Investments are a form of financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the mid-market value. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

**Investment gains and losses**

All gains and losses are taken to the statement of financial activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.

**Current assets**

Amounts owed to the charity in respect of membership, tickets or other income are shown as debtors, less provision for amounts that may prove uncollectable.

**Current liabilities**

Creditors and accruals represent sums irrevocably committed for payment prior to the balance sheet date that are not settled as at that date.
