Friends of Mangochi Orphans Education

Trustees' Report

Objectives and activities for the public benefit

The purpose of the charity is to advance the education, relieve poverty and sickness and enhance the preservation and protection of vulnerable and orphaned children in Malawi; in particular by helping to fund a school known as Mangochi Orphans Education and Training ("MOET"), located in Mangochi, Malawi.

Public benefit

The Charities Act 2011 introduced the requirement for charities to show they provide a public benefit. The trustees have periodically reviewed the goals, services and objectives of the charity in light of this requirement. This trustees' annual report clearly evidences how the charity strives to meet that need.

Friends of Mangochi Orphans Education ("FOMOE") continues to focus on raising funds for MOET, a primary school for orphan children supporting communities in the Mangochi district in Malawi. Additionally, FOMOE finds sponsors for MOET pupils with the necessary grades to attend secondary school and seeks funding for exceptional pupils to continue onward to tertiary education.

At MOET, class sizes are small enough to enable focused pastoral care and meetings are often held with guardians regarding the children's progress. A meal is provided every day at break time as the children are from extremely poor backgrounds; this may be their only meal. Lunch is provided once a week, whereupon clubs and activities are held in the afternoon. In their last year ('Standard 8') children board at MOET school to focus on their studies. A boarding house was built to accommodate them with the support of FOMOE. The school also strives to anticipate hunger problems by building food reserves and will provide extra meals to children during famine crises. During dire famine it also helps in local communities with food aid.

The trustees thus confirm that they have complied, in full, with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance as published by the Charity Commission for England and Wales.

Achievements and performance

In 2022, FOMOE raised £47,267 (2021: £46,016) with the help of many people of all ages undertaking a variety of fundraising activities. As always, we are very grateful to those generous enough to give via recurring payments, whether on a monthly or annual basis.

At MOET school

MOET carries on with its academy success. Out of all the 334 Primary School pupils, 289 passed; a pass rate of 86%. In addition, MOET continues to achieve excellent selection rates to allow its pupils to continue to secondary school. FOMOE found sponsors for 33 former MOET students to go to secondary education and nine to go into tertiary education.

Part of MOET's education programme provides pupils with vocational skills, should they not continue their studies at secondary school. Tailoring, welding, computer, and cooking workshops take place in the afternoon once academic classes have finished. FOMOE funded the tailoring and welding centres with additional capital so that they are able to generate income through the sale of door and window frames and school uniforms.

Friends of Mangochi Orphans Education

Trustees' Report (continued)

MOET does not only teach learners academics skills, but also imparts them with codes of conduct and ethics, hence they are expected to behave well as they are part MOET. This ensures that learners are well mannered at school. In addition, student counseling typically happens once per term.

In an effort to ensure that at least everyone at MOET, both staff members and students, are physically fit, sporting activities are organized weekly in addition to an annual sports day. The grand sporting day took place in June 2022 having been postponed for two years due to COVID 19 pandemic restrictions.

MOET students perform various activities upon every end of term. They displayed some of the skills acquired throughout the months such as their achievements in drama, poetry and music. Students expressed themselves in English fluently, which is an indication of a more improved education quality at MOET.

MOET has a passion for not only sustaining its operation of education institutions such as elementary and Primary Education but also for maintaining its quality of education by improving teaching standards. To achieve this, teachers underwent a series of training courses on Special Needs Education (SNE) and on Formulation and Marking of Examinations Training in February 2022.

Vocation skills

MOET learners undergo extra-curricular accomplishments after normal classes in order to cultivate their potential skills including; painting, drawing, cooking, welding and computer operation.

As one way of raising its funds, MOET produces goods locally and sells them to people in the community. Learners are trained to process raw materials found in the local environment in order to make food, medicine and other products. Such products are also sold to increase MOET's revenues.

Permaculture

MOET is an institution which follows principals of permaculture. Permaculture principles are recommended in ensuring sustainable conservation and utilization of forest, soil and water resources. These are critical in sustaining livelihood especially to people in rural areas. To make sure that every member of staff is conversant with the principle and is supportive to the interventions at the institution, training was organized for members of staff as well as the surrounding communities. These courses were conducted for two weeks in May 2022. In addition, water and waste management and farming were emphasized.

The Sustainable Livelihood for All (SULIA), a local organization that implements activities to support people living sustainably, decided to support MOET having seen potential synergies between the two organizations. This support included training to parents and guardians of pupils within its catchment area. The training was for a week and a total of 20 households participated.

Financial Review

In 2022, total incoming resources were £47,267 (2021: £46,016), derived from donations. Total expenditure for 2022 was £43,859 (2021: £49,257). Therefore, the total balance on reserves increased from £22,354 in 2021 to £25,762 in 2022.

Reserves are held in pounds sterling due to the volatility of the Malawi currency. Reserves are held due to donations from sponsors being held and passed on to the school in line with the budget. Donations received specifically for children going through the school are paid over each quarter as part of the aid package sent to MOET.

As at 31 December 2022, restricted reserves were £21,575 (31 December 2021: £22,006). The amount held in restricted reserves in relation to construction of the secondary school amounted to £16,524 as at 31 December 2022 (2021: £16,524). The amount held in restricted reserves in relation to sponsorship of secondary and tertiary education was £5,051 (2021: £5,482) as at 31 December 2022. As at 31 December 2022, unrestricted reserves were £4,187 (31 December 2021: £348).

Going concern

There is currently no uncertainty about the charity's ability to continue as a going concern. FOMOE functions on minimal running costs and owns no property nor has it any ongoing commitments; neither of a financial nor contractual nature.

Friends of Mangochi Orphans Education

Trustees' Report (continued)

Structure, Governance and management

The Friends of Mangochi Orphans Education is a charity established and governed by a Trust Deed dated 23 May 2010. It registered with the Charity Commission on 14 September 2010. The charity is an unincorporated charity whose business is conducted and managed by its committee of trustees. New trustees are voted in by way of members' vote.

Statement of Trustees' Responsibilities

The charity trustees are responsible for preparing a Trustees' Annual Report and financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 29 October 2023 and signed on its behalf by:

Independent Examiner's Report to the trustees of Friends of Mangochi Orphans Education

I report to the trustees on my examination of the accounts of the Friends of Mangochi Orphans Education for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity's trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Trust as required by section 130 of the Act;
- 2 the accounts do not accord with the accounting records; or
- 3 the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year Ended 31 December 2022

1 Accounting policies

Statement of compliance

The financial statements of the charity, which is a public benefit under FRS 102, have been prepared under the historical cost convention in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (issued October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

Friends of Mangochi Orphans Education meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Exemption from preparing a cash flow statement

The charity opted to adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Friends of Mangochi Orphans Education

Notes to the Financial Statements

Year Ended 31 December 2022

Grant expenditure

Grants payable are payments to third parties in the furtherance of the charitable objectives of the charity.

Grant provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees' meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Financial instruments

Classification

The charity holds the following financial instruments:

- Short-term other debtors and creditors;
- Cash and bank balances.

All financial instruments are classified as basic.

Recognition and measurement

The charity has chosen to apply the recognition and measurement principles in FRS102. Financial instruments are recognised when the charity becomes party to the contractual provisions of the instrument and derecognised when in the case of assets, the contractual rights to cash flows from the assets expire or substantially all the risks and rewards of ownership are transferred to another party, or in the case of liabilities, when the charity's obligations are discharged, expire or are cancelled. Such instruments are initially measured at transaction price, including transaction costs, and are subsequently carried at the undiscounted amount of the cash or other consideration expected to be paid or received, after taking account of impairment adjustments.

Judgements and key sources of estimate uncertainty

No key judgments, estimates or assumptions have been identified.
