The Church building at the junction of South Street and Victoria Road, and the Manse at 23 Hillary Road, are vested in the United Reformed Church (Wessex) Trust Ltd. as trustees and held for the benefit of Farnham United Reformed Church in accordance with the trusts applicable to United Reformed Church properties.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Since 1 September 2018, Farnham United Reformed Church formed a Local Ecumenical Partnership, called The Spire Church Farnham, with Farnham Methodist Church (a charity currently excepted from-registration). All worship and day-to-day activities have been handled by the two churches working together in The Spire Church since that date. Farnham United Reformed Church and Farnham Methodist Church both continue to exist as legal entities, but they share a completely common membership roll, and all their governance responsibilities have been formally delegated to The Spire Church. The trustees of The Spire Church are also trustees of the general funds of Farnham United Reformed Church. During 2020 a process of consolidation and simplification of funds and accounts began.

OBJECTIVES AND ACTIVITIES

The Spire Church, through which Farnham United Reformed Church operates, expresses its objectives thus: The Spire Church exists to help people experience the love of God through Jesus.

The trustees are aware of the Charity Commission's guidance on public benefit in "The Advancement of Religion for the Public Benefit" and had regard to it in the administration of the Church. The trustees believed that, the Church provided benefit to the public by providing resources and facilities for public worship, pastoral care and spiritual, moral and intellectual development, both for the congregation and for anyone else who wishes to benefit from what the Church offers; promoting Christian values and service by members of the congregation to the community, for the benefit of individuals and society as a whole.

REVIEW OF ACTIVITIES AND ACHIEVEMENTS

During the period of these accounts public worship was offered, the Gospel was preached, and the sacraments administered.

Study Groups took place.

Pastoral care was offered by the Ministers and others.

Members of the Church served the Community in a wide variety of roles, both within and beyond the Church.

The Spire Coffee bar and groups for toddlers, children, young people and adults, are open to everyone.

Rooms were made available for community use when not required for church use, requesting contributions towards the running of the Church to cover costs. Likewise charges in the coffee bar are kept as low as possible to encourage community use and fellowship as well as covering operating costs and making donations to other charities.

We have sought to improve our welcome to people, to enhance the premises, and to engage with the cultural life of the community to promote spiritual values.

We continued to work with all other local churches, specifically other churches in Farnham, and local Methodist and United Reformed Churches.

Plans for the refurbishment and development of the building, known as the Pilgrim Project, have developed considerably.

The coronavirus pandemic had a major effect upon the work of the charity during much of the year.

FINANCIAL REVIEW

During the period, the Accounts show that the church had a surplus in its funds of £66,508, compared to a deficit of £17,936 the previous year. Because of the consolidation of funding into the Spire Church, and the effects of the coronavirus pandemic, while these accounts are wholly accurate, they only show a part of the operation a combined entity.

This report was approved by the Trustees at their meeting on 29 September 2022 and authorised the Minister and Church Secretary to sign off the accounts and report.
