Report of the Trustees
for the Year Ended 31 May 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 May 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's purposes, as set out in the Articles of Association, are to;

- promote understanding of ex-service personnel,
- advance the care of ex-service personnel,
- organise events and activities to generate income for the charity, and
- facilitate the purchase or management of short term accommodation for ex-service personnel.

Significant activities

In common with most other charities this was a particularly difficult year in view of Covid 19 & related restrictions, which curtailed many normal activities & events, affecting our ability to raise funds from donations at those events etc, which is normally a major source of income.

Never the less the trustees & volunteers rose to the challenge & we were able to continue to provide support & counselling services along with food & supplies via our outreach services helping to feed the homeless at the times were were permitted to do so.

We would also like to thank;

Hargolds Trading Limited, who have continued to support UK Homes 4 Heroes Pride & Passion Since 2013 to include monthly donations to the Charity through the Sales of Squaddie Bars (flapjacks), which are made on the premises down in The Grove , Derril, Holsworthy, EX22 6YA.

The charity acquired a Mobile Home in a residential park in February 2020 to provide weekly breaks to ex service personnel, who it is considered would benefit from the opportunity of some respite from their daily lives.

Bookings were taken & the unit was brought into immediate use, however Covid 19 restrictions introduced in March 20 resulting in booking cancellations as it was not possible to provide this service throughout most of the financial year. However bookings were ultimately commenced during 2021/22.

In view of the demand for the service, a second Mobile Home was also acquired in May 2021 in order to increase the availability of the service as & when restrictions are lifted to enable us to do so.

In April 2022 a Third Mobile Home with special provisions for disabled access & facilities was acquired.

for the Year Ended 31 May 2022

OBJECTIVES AND ACTIVITIES

Public benefit

How our activities deliver public benefit

In accordance with section 4 of the Charities Act 2006, the directors have due regard to the guidance published by the Charity Commission on the requirement that the objectives and work undertaken by the charity are in line with charitable objectives and do provide for benefit for the public.

The charity has enabled homeless ex-service personnel, both men and women, to move towards enjoying a fulfilling life.

By working with individuals and organisation, the charity has enabled them to be re-housed and settled back into the community. There is ongoing support from the charity's outreach teams, including a feed the homeless project during the year.

More information can be found on our website www.ukhomes4heroes.org.uk.

Volunteers

The Trustees would like to express their thanks to the volunteers, who are an essential part of the charity's infrastructure and without whose support, the charity could not continue to operate.

Principal sources of funds:

Normally the main funding of the charity during the year is from donations, primarily from the **Just Giving website: (<https://www.justgiving.com/UKhomes4heroes>)** £26,089 inclusive of Gift Aid (2021 £16,749), plus this year £5,955 (2021 £5,173) was also generated from the **Paypal Giving Fund UK, with a further £3,277 (2021 1671) from Giving.com**

Corporate donations to the value of £7,753 were also provided.

We were successful in obtaining Grant finance during the year totalling (£17,760) with the assistance of a specialist Fund Raiser.

This included restricted grants to assist specifically with our Outreach service for provision of food to the homeless, plus an element of unrestricted Core-funding to enable the charity to continue on despite the difficulties experienced during the year.

In addition the charity also normally relies upon collections at events, along with the sale of merchandising, which was considerably down during the year due to cancellation of events etc.

We are particularly grateful for all who have donated and or generated sponsorship income during this difficult time.

FINANCIAL REVIEW

Reserves policy

The directors have reviewed the free level of reserves maintained, which are represented by unrestricted funds not committed or invested in tangible fixed assets. The aim is to maintain reserves at a level to ensure that there should not be a reduction in income that the service could continue for at least three months at current rates of expenditure.

The unrestricted reserves at the balance sheet date were **£110,599** (2021 £122,880) which covers at least three months regular expenditure.

Report of the Trustees
for the Year Ended 31 May 2022

FINANCIAL REVIEW

Review of The Financial Position.

The results for the year are set out on pages 6 to 13.

The charity is generally dependent entirely on voluntary donations and we are grateful all of the support given this year.

In addition grants were received during the year to support the charity's outreach work & outdoor soup kitchen during Covid 19 restrictions.

Income decreased to £123,948 (2021 £134,342), in part due to a legacy received in that previous year.

Expenditure increased to £136,229 (2021 £100,924) in view of the new mobile home units coming on stream.

This has meant that there was an overall funds outflow of £12,281 (2021 £33,418). **leaving total funds carried forward of £110,599** (2021 £122,880) .

FUTURE PLANS

Given the restrictions imposed in March 2020 the charity were unable to physically attend events for most of that year & the effect was felt on into 2021/22

However, the trustees & volunteers concentrated their efforts on outreach services providing meals to those in need in the community during lockdown, over & above the levels already normally provided pre lockdown.

The charity is looking to expand its activities & hoping to be in a position to participate in Events as restrictions hopefully remain lifted during 2022/23.

From April 2017 Michelle Thorpe has started to draw a salary as disclosed in these financial statements in respect of administrative services, event management and the provision of services to Homeless Ex Service Personnel.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

The cost of improvements to the Surdoc Centre (donated services) were depreciated in full during the year of acquisition (2015) as no formal lease was in place, although negotiations at the time were underway for a three year lease.
