## **TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)**

### **FOR THE YEAR ENDED 31 DECEMBER 2024**

---

The Trustees present their annual report and financial statements for the year ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Church's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

#### **Objectives and activities**

The Charity's objects are the advancement of the Christian faith in Worthing, the United Kingdom and other parts of the world as the Trustees may from time to time think fit and to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charitable work of the Charity.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Church should undertake.

#### **Achievements and performance**

During 2024 we have continued to hold our Sunday Morning Services in Oak Grove College, catering for adults, children and young people. We continue to record our services and air them on Facebook and YouTube. Life Groups facilitate fellowship and support, essential to our church family life, meeting on a regular basis. Further pastoral support is provided through home and hospital visits and assisting with appointments. The Jubilee Club outreach continues. It is a privilege to help and assist others and it is also part of our Christian principles.

CAP (Christians Against Poverty) services are still in place, our local New Life Church foodbank is functioning and our food help to a local school continues and is vital to the welfare of the community.

Whilst we support our own communities locally we also have a missionary undertaking where we support the work in other countries where we know that the donations that we give are used wisely to assist fully in that community. This system, has been in place for many years and will continue to be part of our offering.

As a Charity we have needed to continue with the suspension of some of our activities due to currently not having our own building, but we are still continuing to serve the community at large.

We have continued to experience difficulties with planning permissions over the year, and this has meant that we have been as yet unable to build our new church. It is our intention to do so enabling us to have a permanent home where we can restore the facilities and enhance the facilities previously provided.

As part of our annual reporting function additional reports are prepared for individual activities that are run within the Charity. All members receive the Reports in respect of all the Charity is doing.

#### **Financial review**

The overall results for the year showed a surplus on unrestricted funds after transfers of £17,203 (2023: surplus of £45,606) and a surplus on restricted funds of £22,520 (2023: surplus of £42,251). Unrestricted funds carried forward were £2,133,328 (2023: £2,116,125).

#### **Reserves policy**

It is the policy of the Church that free reserves should be maintained at a level equivalent to between three and six month's operating expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Church's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

#### **Structure, governance and management**

The Church is a company limited by guarantee, company number 07365200, incorporated on 3 September 2010. It is also a registered charity, number 1138263.

---

The Trustees, who are also the directors of New Life Church Worthing for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Church and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;

- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Church and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Church and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF NEW LIFE CHURCH WORTHING

---

I report to the Trustees on my examination of the financial statements of New Life Church Worthing (the Church) for the year ended 31 December 2024.

#### Responsibilities and basis of report

As the Trustees of the Church (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the Church are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Church's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Church as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 DECEMBER 2024

---

#### 1 Accounting policies

##### Company information

New Life Church Worthing is a charitable company by guarantee incorporated in England and Wales. The registered office is 10 Greenland Road, Durrington, Worthing, West Sussex, BN13 2RR.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the Church's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Church is a Public Benefit Entity as defined by FRS 102.

The Church has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Church. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention, modified to include certain financial instruments at fair value. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Church has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

#### 1.4 Income

Income is recognised when the Church is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Church has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Church has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Donated assets and services are recognised in the financial statements at the value when received.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

---

### 1 Accounting policies (Continued)

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

#### 1.6 Property, plant and equipment

Property and equipment are measured at cost, net of depreciation and any impairment losses. Items below £1,000 are not capitalised.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives.

Land and buildings	No depreciation
Computers	25% on a straight line basis

Freehold land and buildings are not depreciated as their residual value is considered to be greater than their book value. Legal and architects costs incurred on sites subject to future development are capitalised as they add value to the future resale amount achievable.

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

The Land and buildings are held on Trust with the Baptist Union.

#### 1.7 Impairment of non-current assets

At each reporting end date, the Church reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

#### 1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.9 Financial instruments

The Church only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 DECEMBER 2024

#### 1 Accounting policies (Continued)

##### 1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

#### 2 Critical accounting estimates and judgements

In the application of the Church's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
