STRUCTURE, GOVERNANCE AND MANAGEMENT

The Parish is a part of the Church of England, within the Diocese of Southwark. It was registered as a distinct charity (reg no 1138266) on 5 October 2010.

The Parish is governed by the Parochial Church Council (PCC), which is elected annually by those members of the congregations of St Mary's Church and All Saints' Church who are on the Parish electoral roll.

PCCs are established under the following Church of England Measures:

- The Parochial Church Councils (Powers) Measure 1956 as amended
- The Church Representation Rules (contained in Schedule 3 to the Synodical Government Measure 1969 as amended).

OBJECTIVES AND ACTIVITIES

The objectives of the Parish are the promotion of Christianity and the welfare of the local community.

The objectives are achieved by:

- The provision of regular public worship open to all
- The provision of sacred space for personal prayer and contemplation
- Pastoral work, including visiting the sick and the bereaved
- Teaching Christianity through sermons, courses and small groups
- The provision of activities for children and young people
- Promoting the mission of the church through the provision of activities for senior citizens
- Supporting other charities in the UK and overseas

Much of the work of the Parish is undertaken by volunteers, of which we are fortunate to have a considerable number in all areas, but particularly in the children's activities.

Brief History

There has been a church on the St Mary's site since at least the eleventh century. The 1837 building was almost entirely destroyed by fire in 1973. It was rebuilt in a reordered design and was reopened in 1982. A community hall was opened next to the church in 2006, which is widely used by local voluntary organisations. The hall is managed by St Mary's Parish Trust, a related charity. St Mary's has a thriving all-age congregation, including large numbers of children.

All Saints', Putney Common, was consecrated in 1874 to serve the north-western area of the Parish. In the 1980s the attendance dwindled and the church was almost closed, but it was relaunched in 1993 and now also has a substantial, mainly family, congregation. The church celebrated its 150th birthday in 2024, with special services and events. Generous parishioners contributed to a list of birthday gifts for the church.

TRUSTEES' ANNUAL REPORT *(continued)*

ACTIVITIES IN 2024

- **Summary**

As the report that follows illustrates, there was a great deal of activity in both our churches in 2024. The highlight was probably All Saints' celebration of the 150th anniversary of its consecration, with special concerts, well known visiting preachers, social events and a 'birthday gift list', which received a very generous response from many members of the congregation.

At St Mary's, the Rector continued the planning for YMIC Southwark (see page 6) and we were delighted to welcome the Archbishop of Canterbury to a memorable, and very well attended, YMIC event, culminating in a Eucharist at which the Archbishop presided.

The clergy team and the Parochial Church Council have continued to develop the Mission Action Plan that was launched in 2023.

- **Team**

In October 2024 the Revd Jane Andrews, our Pioneer Curate, left the Parish to take up the role of Team Vicar of St Mark's Wimbledon, in the Wimbledon Team Ministry. Jane was a very valuable member of the team and during her three years in Putney she initiated a number of projects which have now been picked up by lay members of the church.

Sharon Hunt, who has been with us since October 2023 as ordinand in training, was ordained deacon in June 2025 and she has now joined the team as a full-time curate.

The Rev'd Kieron Rowley has been appointed as Director of Youth Ministry in Communion for Southwark, and is based in the Parish. Although his responsibilities cover a wide area in the diocese he will be assisting the Putney ministry team when his other duties permit.

- **Volunteers**

The life of a very active Parish relies heavily on a substantial team of volunteers. The Parish wardens, Andrew Grocott at St Mary's and Sarah Thomas at All Saints', have led by example and they have been well supported by Deputy Wardens in both churches.

The Wardens commit very substantial amounts of their time to the smooth running of services as well as having formal responsibilities in most other areas of church life. They, together with the clergy and the other lay members of the Parochial Church Council, are the legal trustees of the charity. The PCC normally meets quarterly.

Both our churches also have District Church Councils, appointed at the church annual meetings. The DCCs appoint their own honorary secretaries and treasurers and they also meet four times a year.

On Sundays we benefit from the contributions made by choirs, welcomers, stewards, Sunday School teachers, servers, deacons, flower arrangers, bellringers, sacristans, chalice assistants, readers and intercessors. We are very grateful for the support of so many committed volunteers.

- **Worship and Services**

Average Sunday attendance in the Parish in 2024 was 207 adults and 53 children. Both figures are slightly higher than in 2023.

The worshipping community across the Parish, as reflected in the electoral roll, numbered 286 at the APCM in 2025. This was substantially lower than 2024's total of 517, due to the legal requirement that the roll has to be completely renewed every six years, starting in 2025.

Over 1,200 people attended the services held in the two churches on Christmas Eve and Christmas Day.

TRUSTEES' ANNUAL REPORT *(continued)*

YEAR ENDED 31 DECEMBER 2024

ACTIVITIES IN 2024 – *Worship and Services (continued)*

The regular Sunday services at St Mary's are a morning family-friendly Eucharist and in the evening, Caritas – a quiet contemplative eucharist. All Saints' has a said Book of Common Prayer communion service and a full choral family communion every Sunday and also a monthly choral service of Evensong, which has attendance of 35 - 40.

Morning Prayer is said five days a week and there is a midweek midday Communion service at St Mary's, which is attended by about a dozen people.

In 2024 our clergy baptised 61 people, including several adults, conducted 19 weddings and officiated at 21 funerals, committals and memorial services. 11 people were prepared for confirmation and 22 Year 3 – Year 5 children for Admission to Communion before Confirmation.

• *Teaching*

The main teaching medium during 2024 was, as usual, sermons at the four services held in the Parish every Sunday. Both churches welcomed guest preachers several times in 2024. As part of the programme of special services to mark All Saints' 150th anniversary, the former Archbishop of Canterbury, Rowan Williams, preached at the Dedication Festival in April, and the Very Revd Mark Oakley, Dean of Southwark, on All Saints' Sunday in November.

Short courses for adults were run during Lent and Advent, including an Exploring Faith course, designed for adults who are considering confirmation.

Active and well attended Sunday schools operate in both churches during term times.

All children seeking Admission to Communion before Confirmation take part in a thorough preparatory course, as do candidates (adults and children) for Confirmation.

In 2024 two house groups continued to meet fortnightly for Bible study in a social setting.

Cafe Theology, an informal discussion group of up to 12 people, meets regularly at the Pantry at St Mary's.

• *Children and Young People*

Both churches aim to be child friendly. We have a large team of volunteers leading the Sunday Schools (for children of 3+) and some Sunday services are designed to be suitable for all ages, which allows children to remain in those services throughout.

In 2024, St Mary's had 70 children on its roll, with an average attendance of 23. Attendance at All Saints' was usually between 15 and 20 each Sunday.

Creche facilities are provided at both churches, staffed by a rota of volunteers.

Children are also encouraged to participate in services as crucifer or acolyte.

The Tuesday Toddler Social at St Mary's attracts up to 25 adults, with accompanying toddlers, and All Saints' has a weekly Baby & Toddler playgroup, which includes a Eucharist.

The Godly Play room at St Mary's is used regularly on Sundays and also in term time by St Mary's and Brandlehow primary schools.

We continue to work closely with the two outstanding church schools in the Parish. The Parochial Church Council appoints several Foundation Governors and our clergy regularly lead assemblies at both schools.

Camino is a social group for young people in years six and seven from both churches, which also provides an opportunity for discussion and thinking about the Christian faith.

Study Space, a project started in 2023 to make St Mary's available as a quiet area for teenagers revising for exams, supported by tutors, continues. Fifty young people used this facility in 2024.

ACTIVITIES IN 2024 *(continued)*

- ***Youth Ministry in Communion***

Youth Ministry in Communion (YMIC) is a project started in the Diocese of London to develop sacramental and collaborative youth ministry that enables evangelism and growth among young people aged 11-18. The Parish's participation in YMIC in 2023 led to the Rector submitting a proposal to the Diocese of Southwark for funding for the creation of YMIC Southwark. This was approved and a substantial grant has been awarded to the project from the Church of England's development funds.

A full-time director, the Revd Kieron Rowley, has been appointed and he started work in April 2025. St Mary's will be the hub church for this work and Fr Keiron is busy canvassing support from other churches, mainly in the north-western part of the diocese.

In October we were delighted to welcome the then Archbishop of Canterbury, the Most Revd Justin Welby to a milestone YMIC event with 120 young people from churches in the dioceses of London and Southwark.

- ***Music***

Music plays a major role in the life and worship of the Parish. Both churches have adult and children's choirs and we are very fortunate in having exceptional Directors and Assistant Directors of Music. The choirs of the two churches have sung together at concerts.

All Saints' adult choir is supported by choral scholars and there is also a choir for Y6 – Y11 children (AS Choristers) and one for Y3 – Y6 (Treblemakers), with 11 and 18 young people involved. The choir sang at Evensong in Southwark Cathedral in 2024.

The children's choir at St Mary's (Harmonic Minors) involves around 10 children.

All Saints' birthday events programme started with a performance of Handel's Messiah, with the church packed to overflowing.

Both churches hosted music recitals in 2024 – All Saints' monthly and St Mary's on a more occasional basis.

- ***Bell ringing***

A strong team of bellringers at St Mary's has continued to ring every Sunday, as well as for weddings and special events.

The team regularly visits other bell towers and welcomes guests to St Mary's. One of our former bell captains is supporting the establishment of a team in the neighbouring parish of Roehampton. New ringers are being actively recruited through the 'Ring for the King' initiative.

- ***Parish Action***

PA is a group within the Parish that raises funds for, and also awareness of, a group of charities, which are chosen by the congregations every three years. In 2024 the charities we supported were the Charlie Waller Trust, Christian Aid, Glass Door, Regenerate, and Wandsworth Foodbank. Funds were also raised for the Bishop of Southwark's Lent Appeal. Half of the Christmas collections at both churches was donated to charities, including Embrace the Middle East.

ACTIVITIES IN 2024 – *Parish Action (continued)*

PA will also continue to support Vulindlela Guardians, which cares for orphans in Zimbabwe, with funds for food and education.

In 2024 the group generated over £10,500, as well as running regular monthly collections of food and household goods for Wandsworth Foodbank.

- ***The Scrubbery***

The Scrubbery was set up as a Parish Action project early in the Covid pandemic. Rosie Taylor-Davies organised a team of local volunteers to fulfil requests for scrubs from NHS hospitals and healthcare providers across London and wherever there was need.

After the pandemic abated, Rosie's team started to support Ukraine. In 2024, with the help of volunteers and partners like Medical Lifelines Ukraine, Pickups for Peace, and Embrace Me, they:

- Delivered over a dozen aid shipments to hospitals, battalions, and children's homes
- Supplied trench candles, generators, warm clothing, adapted garments, and camouflage nets
- Built new relationships with Ukrainian MPs and humanitarian charities to ensure secure, needs-based delivery.

The Scrubbery is based at the Oasis Academy primary school in Putney where Rosie and other volunteers play an active part in the school community.

The group has received formal awards from Ukrainian organisations, as well as recognition from local community bodies.

- ***Wider Church***

Our Rector is now the chair of Wandsworth Deanery Synod and he has recruited Sarah Tyler, from the St Mary's congregation, to be synod secretary. Topics covered at meetings during 2024 included the Assisted Dying Bill and the Diocesan Anti-racism Charter.

Other members of both churches are on deanery and diocesan synods. We continue to be involved in Churches Together in Putney and Roehampton, sharing in the Advent carol service, held at St Mary's, in the World Day of Prayer and in a Lent course.

We continue as a member of Inclusive Church, of which we were one of the founders.

- ***Community***

At St Mary's, the church and the Brewer Building community hub, operated by St Mary's Parish Trust, an associated charity, are used intensively. Busy Bees nursery school is a permanent fixture, as is Putney Pantry, which, while being a commercial operation run by an independent caterer, enables us to offer hospitality of a professional quality, seven days a week, as well as for functions.

The complex is used by many community groups offering a wide range of activities, including education, music, art, dance, fitness, wellness and social gatherings. Wandsworth Symphony Orchestra rehearses at St Mary's and St Mary's is one of the main venues for Wandsworth Arts Fringe, with many events taking place in the arches under Putney Bridge, which the Parish manage.

All Saints' has continued to run its much appreciated Senior Social programme, which had 17 regular members in 2024, supported by a committed team of helpers.

TRUSTEES' ANNUAL REPORT *(continued)*

YEAR ENDED 31 DECEMBER 2024

ACTIVITIES IN 2024 – *Community (continued)*

A social group for those in their 20s and 30s was launched in 2023 and it has already become firmly established. Our aim is to ensure that the Parish provides something for people of all ages. The Repair Café at St Mary's is open monthly, on the second Saturday of the month. A team of around ten volunteers repairs fabrics, electrical appliances, electronic gadgets, laptops, kitchen knives and bric-a-brac and, when the manpower is available, bicycles and clocks. At each session an average of 30 repairs are carried out.

- ***Safeguarding***

Safeguarding in relation to both children and vulnerable adults continues to be a priority throughout the Parish and both churches have highly competent safeguarding officers in place for both groups. We also benefit from the support of the diocesan safeguarding experts and we have recently participated in the diocesan safeguarding audit.

- ***Electoral Roll***

Every six years church electoral rolls have to be totally renewed. This process has been carried out in 2025.

The number of people on St Mary's electoral roll at the APCM in May 2025 stood at 164 and there were 122 on All Saints roll. These figures compare with 297 and 220 at the previous APCM.

- ***Church Buildings***

Fortunately, no major maintenance was required in either church in 2024, but we still managed to spend £34,000 between the two churches on routine works – and the occasional emergency – to buildings and the upkeep of the grounds. This included the pollarding of the trees that surround All Saints' Church, for the first time since 2019. All Saints' appreciated the support of the Friends of the V&A Museum to the repair of the font.

At St Mary's further preparatory work was carried out on the project to instal photovoltaic cells on the roof of the church.

- ***Finance (see also the Finance section of the report below)***

The accounts show a surplus for the year of £191,000, a substantial improvement on 2023's £17,500 surplus. The £161,000 increase in income was due to exceptionally generous legacies, totalling £116,600 (2023: £64,500) and also to increased giving by the congregations and other donors.

A net reduction of £12,000 in expenses was driven by a further agreed lowering in our contribution to the diocesan Parish Support Fund of £20,000 and by the fall in energy costs from the very high levels of 2023. We invested over £10,000 in the refurbishment of one of the Parish's properties, which is currently let commercially.

Investments showed an increase in value of £17,404 (2023: gain £977).

• *Communications*

The Church Mouse continues to be the main means of communication with most of the members of the community. Weekly newsletters are sent out by email and these are supplemented by single topic messages for special events and services.

The Parish Magazine, Bridge and Common, was published three times in 2024 and we are grateful for the work of the team that puts it together and for all the articles that have been provided by a wide variety of contributors.

PLANS FOR 2025 AND BEYOND

Our priorities for 2025 and beyond continue to be those set out in the Parish's Mission Action Plan. This identified three areas which are our primary focus:

- Ministry with youth
- Learning the faith
- Building community

As set out above, we have made good progress in the youth ministry area and the two house study groups, which started in 2023, have progressed well. Both churches are lively communities, with social events complementing those of a more religious nature.

Through services, music, social events and pastoral work we aim to attract as many people as possible from the Putney community to become part of the vibrant life of the church and there to experience God's love for everyone.

FINANCIAL REVIEW

Regular giving by the congregations, including the associated Gift Aid tax recovery, rose by £24,242 (8.0%) to £326,664, while Sunday plate collections increased by £3,211 (8.7%) to £40,312. Investment income was up £10,177 (4.6%) at £83,939 (2023: £73,762). Restricted income, relating mainly to fundraising for external charities, was £43,812 (2023: £25,040). The Parish's total incoming resources in 2024 were £161,541 higher than in the previous year at £806,768 (2023: £645,227), mainly due to the receipt of legacies totalling £116,628 (2023: £64,467). We are extremely grateful to our members who have continued to give generously despite all the current financial and economic pressures and also to those who have bequeathed funds to the Parish in their Wills.

Total resources expended were £12,074 (1.9%) lower than in 2023 at £615,617. After full consultation with the Diocese of Southwark we further reduced our pledge to the Parish Support Fund, which covers almost all clergy stipends and accommodation, by £20,000, to £278,000. A further reduction will follow in 2025 but we will continue to be one of the largest contributors to the PSF. The other significant change in unrestricted operating costs was lower utility costs, down by £12,959 as long-term contracts which we signed up to during the energy crisis expired. Lay staff salaries dropped by £3,447, due to a gap of several months between the departure of the Premises Manager at St Mary's and the recruitment of a full-time successor, now with a revised job description and the title of Church Operations Director. Expenditure details are set out in Note 11 to these financial statements. Unrealised gains on investments amounted to £17,404 (2023: gains £977).

There was an overall surplus on unrestricted funds of £195,234 (2023: surplus £47,515) and a surplus of £13,321 (2023: deficit £29,002) on Restricted funds. Net assets at the year-end amounted to £2,283,425 (2023: £2,074,870).

A substantial proportion of the main legacy received by St Mary's church has been earmarked to fund a scheme to install solar panels on the roof of the church.

PUBLIC BENEFIT

Section 17 of the Charities Act 2011 requires the Charity Commission to issue guidelines to charities that ensure that they are operating for the public benefit. The guidelines separate 'benefit' and 'public'. The PCC is satisfied that the Parish fully meets the requirements of the guidelines. Charities are required to 'benefit the public in general, or a sufficient section of the public (what is a 'sufficient section of the public' varies from purpose to purpose)'. The work of the Parish benefits the 517 members recorded on its electoral roll, as well as many others who participate in services or activities but who have not put their names on the roll. More importantly, the Parish is a spiritual resource and provides practical services for the entire Putney community through its pastoral care, its involvement in local church schools, its charity fundraising and other similar initiatives. Those who carry out the work, other than the clergy and a small team of lay staff, all but one of whom are part-time, derive no personal benefit from the thousands of volunteer hours they provide each year.

INVESTMENT POLICY

The Parish is a long-term investor. Its principal assets have historically been property, held for both functional and investment purposes. Two residential properties were owned at the end of 2024. One, which was originally acquired in 2015 as accommodation for the curate, has been let since December 2017, when a more conveniently situated house, owned by St Mary's Church of England Charity (an associated charity), became available for the curate's use. The other property, a long leasehold flat bought in 2011, is held as an investment asset.

The Parish has an investment in the Newton Real Return Fund which is designed to give a steady flow of income and appreciation in the underlying assets that at least matches inflation, but at a low level of risk. In 2024 income amounted to £12,930 (2023: £11,806) and there was an unrealised capital gain of £16,844 (2023: loss £2,863). Additional information on investments can be found in Note 19.

RISK REVIEW

The PCC's principal areas of risk are considered to be:

- Working with children and vulnerable adults - experienced Safeguarding Officers have been appointed and policies and working practices are reviewed regularly. All adults working with children and vulnerable adults are subject to DBS (Disclosure & Barring Service) checks. The Parish's Safeguarding Officers are supported by the Diocese's specialist team.
- Damage to the churches - the PCC asks its insurers, Ecclesiastical Insurance Group, to carry out regular risk reviews and insurance cover is updated annually. Fire and smoke alarms protect the buildings and valuable contents are security marked.
- Theft of church contents - St Mary's Church, which is open every day, is staffed during the opening hours. All Saints' Church is only open for services and other specific events, for which stewards are always present.
- Deterioration of the buildings - a full quinquennial survey is carried out in accordance with Church regulations. Both churches were surveyed by the Parish Architect during 2022.
- Fraud or financial loss - procedures are in place which ensure that at least two people are involved in relation to cash counting and banking, the approval of expenditure and the approval of payment. The PCC has a Finance Committee made up of the Rector, the Team Vicar and the treasurers of the Parish, St Mary's Church and All Saints' Church, two of whom are Chartered Accountants.
- Health and safety - both churches have health and safety manuals and risk assessments are carried out for those activities that are considered to pose any enhanced risk.

ASSOCIATED CHARITIES

- Putney Parish Development Trust (charity no. 279868) - the Rector and two other members of the PCC are the trustees. The Trust was dormant throughout 2024.
- St Mary's Parish Trust (charity no. 1112724) - the Rector and the Wardens of St Mary's Church are trustees. The Trust manages the Brewer Building, which is a part of the St Mary's complex.
- Biggs-Wymondesold Trust (charity no. 254376) - the Rector and the Wardens of St Mary's Church are trustees. This is a small non-ecclesiastical grant making charity which holds some investments. No grants were made in 2023.
- St Mary's Church of England Charity (charity no. 1173135) - the Rector and the Parish Wardens are trustees. This charity owns a residential property which is used by a curate, when there is one in post, which there has been since May 2019, and which is let commercially at other times. When the property is let the charity normally makes a grant to the Parish equal to the net rent received. More information is provided in Note 25 to the financial statements.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE
PAROCHIAL CHURCH COUNCIL OF THE ECCLESIASTICAL PARISH OF ST
MARY WITH ALL SAINTS' PUTNEY**

YEAR ENDED 31 DECEMBER 2024

I report to the trustees on my examination of the financial statements of The Parochial Church Council of The Ecclesiastical Parish of St Mary with All Saints' Putney ('the charity') for the year ended 31 December 2024.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the charity, you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act'). The Trustees consider that an audit is not required this year under section 144(2) of the Act and that an independent examination is required.

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

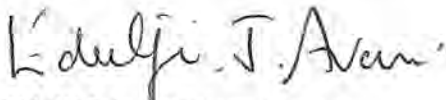

INDEPENDENT EXAMINER'S STATEMENT

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Association of Accounting Technicians, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 DECEMBER 2024

1. GENERAL INFORMATION

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is St Marys Church, Putney High Street, Putney, London, SW15 1SN.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Restricted Funds:

A restricted fund is a fund subject to specific trusts (e.g. by a letter from the donor at the time of gift). It may be a capital fund, which cannot be spent but must be retained for the benefit of the church, or it may be an income fund, which must be spent on the specified purpose within a reasonable time.

Unrestricted funds:

All funds held for general purposes are known as unrestricted funds to distinguish them from restricted funds. The church's unrestricted funds are therefore those which are held for spending at the PCC's discretion. These include any further funds which the PCC has designated for particular purposes.

Designated funds:

If the PCC sets aside part of its unrestricted funds for a particular project it may place these in a separate unrestricted fund called a designated fund. All unrestricted funds comprise income funds which the PCC must spend within a reasonable time.

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

YEAR ENDED 31 DECEMBER 2024

3. ACCOUNTING POLICIES *(continued)*

Incoming resources

Voluntary income:

Collections are recognised when received by or on behalf of the PCC. Tax recoverable under Gift Aid is recognised when the income is recognised. Other, non-specific donations are recognised when received. Funds raised by fetes, quiz nights and similar events are accounted for gross.

Other income:

Rental income from the letting of property is recognised when the rental is due. Sales of magazines are accounted gross.

Dividend income is accounted for when due and payable. Bank interest is recognised and recorded in the financial statements as the income accrues. Realised gains on properties are recognised when the properties are sold. Realised gains and losses on investments are recognised when the investments are sold. Unrealised gains or losses are accounted for on revaluation of investments at 31 December 2024.

Resources expended

Expenditure Generally

Expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure.

Grants

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding obligation on the PCC.

Activities directly relating to the work of the Church:

The Diocesan Parish Support Fund is accounted for in the year to which it relates. Any Parish Support Fund instalment unpaid at 31 December is provided for as an operational liability, and is shown as a creditor in the balance sheet.

Tangible assets

Consecrated property and moveable church furnishings

Consecrated and beneficed property of any kind is excluded from the accounts by section 10 (2)(c) of the Charities Act 2011. This comprises mainly St Mary's Church, Putney High Street and the surrounding land, and All Saints' Church, Putney Common and its land. The Parish also owns the freehold of the Old Burial Ground, Upper Richmond Road, for the management of which the London Borough of Wandsworth has statutory responsibility.

Moveable church furnishings held by the Vicar and Church wardens on special trust for the PCC, and which require a faculty for disposal, are accounted as inalienable property unless consecrated. They are listed in the Church's inventory which can be inspected (at any reasonable time). For inalienable property acquired prior to 2000 there is insufficient cost information available and therefore such assets are not valued in the accounts. Items acquired since January 2000 have been capitalised and depreciated in the accounts over their currently anticipated useful economic life on a straight line basis.

THE PAROCHIAL CHURCH COUNCIL OF THE ECCLESIASTICAL PARISH OF ST MARY WITH ALL SAINTS' PUTNEY

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

YEAR ENDED 31 DECEMBER 2024

3. ACCOUNTING POLICIES *(continued)*

Tangible assets *(continued)*

Improvements to consecrated or beneficed buildings costing less than £1,000 are included in the resources expended in the year in which they are incurred. All maintenance and repairs are also included in the resources expended in the SOFA for the year in which the expenditure arises.

Other immoveable property

Other immoveable property comprises both functional and investment assets. Functional property is held with the primary purpose of housing clergy, although when it is not required for this purpose it is let in order to generate income for the Parish. Investment property is held to provide income and with the objective of obtaining capital appreciation over time. The Parish regards itself as a long term investor.

At the year end the Parish owned a long leasehold apartment, which was acquired during 2015 for clergy use, although it is currently let commercially, and a long leasehold apartment as an investment. The former is shown at cost and it has not been depreciated in the financial statements on the grounds of immateriality, due to the very long economic life and its expected residual value. Its value was estimated by Parkgate Estates (Richmond) Ltd on 24th October 2023 as being in the region of £350,000 to £375,000. Since the cost price falls within that range no revaluation gain or loss has been reflected in the accounts. The latter property is included in the accounts at fair value as of 31st December 2023, following revaluation by Parkgate Estates (Richmond) Ltd.

Church office equipment, including computers, office equipment and furniture used within the Church premises, is depreciated on a straight line basis over four years for IT equipment and ten years for other equipment and furniture. Individual items of equipment with a purchase price of £1,000 or below are not capitalised, and thus are included as revenue expenditure in the SOFA in the year of purchase.

Investments

Investments are revalued to market value at 31 December 2024.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Depreciation is provided on all tangible fixed assets at rates calculated to write off cost on a straight line basis over their expected useful economic lives as follows:

Church office equipment and computers	- 4 years.
Church furniture	- 10 years.
Godly Play equipment	- 20 years.

Current assets

Amounts owing to the PCC at 31 December 2024 in respect of fees, rents, or other income are shown as debtors, less provision for any amounts that may prove uncollectible.

Short term deposits include cash held on deposit with the CBF Church of England Funds, or at the bank.

PARISH OF ST MARY WITH ALL SAINTS' PUTNEY**

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

YEAR ENDED 31 DECEMBER 2024

3. ACCOUNTING POLICIES *(continued)*

Investment property

Investment property is initially recorded at cost, which includes purchase price and any directly attributable expenditure.

Investment property is revalued if the Parochial Church Council considers that there has been a material movement in the market value and any changes in fair value are recognised in income or expenditure.

If a reliable measure of fair value is no longer available without undue cost or effort for an item of investment property, it shall be transferred to tangible assets and treated as such until it is expected that fair value will be reliably measurable on an on-going basis.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date. Recoverable amount is the higher of fair value less costs that would be incurred in selling and the value in use.

If the recoverable amount of any asset is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of financial activities in the year, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years.

A reversal of an impairment loss is recognised immediately, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs. Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted. Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

**THE PAROCHIAL CHURCH COUNCIL OF THE ECCLESIASTICAL
PARISH OF ST MARY WITH ALL SAINTS' PUTNEY**

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

YEAR ENDED 31 DECEMBER 2024

3. ACCOUNTING POLICIES *(continued)*

Financial instruments (contd)

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Pensions - Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within twelve months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

Valuation of fixed assets

The leasehold land and buildings consist of a residential apartment at 88 Hayward Gardens, Putney, which was acquired in 2015 as accommodation for a curate. The property is let when, as in 2024, it is not required for Parish staff.

The property has been reviewed for impairment and no depreciation charge is being made on the grounds that:

- The PCC has a policy and practice of regular maintenance and repair of the property, and it is unlikely to suffer any economic or technical obsolescence.
- The estimated remaining useful life of the building will exceed 50 years.
- Any depreciation charge would be immaterial and would not reasonably influence the use of the accounts.

Investment properties

The Parish owns a residential long leasehold property at 143 Kenilworth Court, Lower Richmond Road, Putney, which is included in the accounts at fair value as of 31st December 2023, following revaluation by Parkgate Estates (Richmond) Ltd. The PCC is satisfied that this investment has suffered no long-term impairment in value.

The valuation is based on considerable experience of selling and letting flats in Kenilworth Court, an estate of 150 apartments which was built in 1905. The method was referencing recent sales on the estate and adjusting for dissimilar factors, such as the number of bedrooms and the condition of the property. The main assumptions were that vacant possession was available and that, as confirmed by the Parish, the flat was in good condition. It is the opinion of the trustees that there is no material change in the value of the property since the 31 December 2023 valuation.

Financial assets held at fair value

Other investment assets consist of:

- 294 Class B ordinary equity shares in Shell Plc.
- 585 units in the CBF Church of England investment fund.
- 223,692.415 Units in Newton Real Return Fund.

Stock exchange investments are revalued according to the published prices quoted in the Financial Times at 31 December 2024.

23. ANALYSIS OF CHARITABLE FUNDS *(continued)*

The Emily Peter Fund is the Parish's share of the proceeds of sale of a property used by Southwark Diocesan Welcare. This property had been acquired by Welcare, with the approval of the PCC, using the proceeds of sale of a previous home that been gifted by Emily Peter to the Parish specifically for use as a mother and baby home.

On the sale of the replacement property the PCC agreed that the bulk of the consideration should be gifted to Welcare to enable the work that it had been carrying on at the house to continue in alternative premises. The PCC has agreed to use the income from this fund for education and training purposes.

9. All Saints' Organ Fund: Donations received to fund the building of a new organ in the church. This project was still at the research stage in 2024.

In the year to 31 December 2024 the amount received by the Parish was £35,958 (2023: £34,171). The Trust Deed requires that at least two trustees should be members of the Parochial Church Council.

ST. MARY'S PARISH TRUST (1112724)

The Rector and the churchwardens of St. Mary's Church are also trustees and directors of St Mary's Parish Trust (a charitable company).

The objects of the charity are to "further the religious and other charitable work of the Church of England in the Ecclesiastical Parish of St Mary Putney". The trustees are the Vicar and Wardens of the Parish.

This charity owns a residential property at 8 Deodar Road and also the freehold of 120 Putney Bridge Road, on which a 99 year lease was granted in 1982, for a premium of £50,000, at an annual ground rent of £200 from 2015 to 2048, when it rises to £300.

The Trustees of the charity resolved to make a grant to the Parish of the net rental income from these properties in 2017. From 15 August 2017 8 Deodar Road has been made available to the Parish rent-free as accommodation for a curate.

Part of the premium, which was held by the Rochester & Southwark Diocesan Church Trust as custodian trustee, was released to the Parish in 1999 to assist in the funding of major improvements to All Saints' Church and the remainder, with the accumulated interest, was drawn down by the Parish in part funding of a new Hall next to St. Mary's Church.
