Financial review

The mission of Essex Cricket Foundation (ECF) is to support the game of cricket in the communities of Essex and East London in providing finance and expertise to enable all to reach their potential in County, Academy or Club cricket, through funding programmes for youth of all abilities, provide cricket opportunities in deprived areas and support disabled and minority groups. It aims to create the opportunity for all to participate and enjoy the game of cricket through Club and community experience. Additionally to give support to former Essex cricketers due to financial hardship.

ECF is the official Essex County Cricket Club charity and is an integral part of the Essex Cricket in the Community's (formerly Essex County Cricket Board's) strategy of 'Inspiring Essex to Choose Cricket', by providing grants across a whole range of cricketing abilities. The over-riding theme of 'Inspiring Essex to Choose Cricket' embraces young people to develop their skills through the Graham Gooch Essex Cricket Academy, as well as local clubs mentoring young cricketers. ECF's programmes embrace those with disabilities, those in deprived areas and the promotion of girl's and women's cricket.

The main contributor to income of the Charity in previous years has been the activities of the Graham Gooch Scholarship Fund. Due to the continuing impact of Covid-19, there were no Graham Gooch dinners and events or donations during the year. ECF received donations of £29,405 into the General Fund.

In 2020 ECF made donations of £75,507 (2019: £154,733). The Club Academy was the principal beneficiary from the Graham Gooch Scholarship Fund, but grants were also made to the District Cricket Boards to enable them to coach and identify talented young cricketers who may eventually make an Essex squad. Financial support of £14,000 was provided for Street Cricket, Disability and Girl's cricket through programs organised and facilitated by Essex Cricket in the Community, which would not have been possible before the formation of the Foundation. Total grants and donations made by the Foundation total £1,224,574 at 31 December 2020.

In previous years the Trustees agreed to commit £47,000 to support community cricket projects. This includes £35,000 for the Essex Cricket in the Community to carry out further Street20, girls and disability programmes, together with £2,000 which is provided to each of the Essex District Boards so that they can provide a development programme for youngsters through coaching and competition. Additionally the Graham Gooch Scholarship Fund supports the Club Academy with a minimum of £30,000 each year.

In 2020 the Foundation continued to play a key part in the development of programmes across the county that linked into the Club's values of Excite, Engage and Enhance, the key focus areas for the work from the Foundation support links in the following clear areas, Mental and Physical Health, Community Cohesion and Education/Employability.

Mental & Physical Health

The Foundation support has enabled us to run a "One hit to another Hit" Rehab programme where around 20 individuals have been engaged via developing leadership, safeguarding and first aid skills to help develop confidence in their rehabilitation. One individual now volunteers 6 days a week on different cricket programmes.

ESSEX CRICKET FOUNDATION

TRUSTEES' ANNUAL REPORT

Financial review (continued)

The Foundation has also supported the setting up of Walking Cricket hubs around the county with over 50 senior community residence now able to break down isolation and lack of physical activity with weekly social cricket sessions.

Community Cohesion

Linking up with our Breaking Boundaries and Core City work as well as linking up with taking the learning from these areas the Foundation is supporting community programs that help to develop creating community cohesion across Gender, Diversity and Age. These range from mentoring days to small group activation and development. The work has started to see us link up with other stakeholders using the simple form of Tape Ball cricket to bring the communities together. As well as this the Foundation also supports a number of county wide competitions that bring people together from across the county to enjoy the benefit that cricket can have. In 2020 we had around 2000 participants.

Education and Employability

In 2020 the Foundation again supported the development of Women and Girl's cricket this was via supporting the running of the County programs across the county with over 150 girls engaged and with one of the beneficiaries going on to play for England in 2018. The Foundation also supported over 1800 girls engaged in Girl Guide badges and the delivery of cricket in secondary schools to over 30 schools that lead to a World Cup tape ball final on Hainault rec in London. The Foundation is also a key supporter in the development of ability cricket helping us to not only run a club and county program with around 500 participants but also support in the training opportunities for participants with coaching and other life skill qualifications.

The Foundation is also a key supporter of the county Academy helping it to be one of the leading counties for the development of players linking into the clubs wider home grown philosophy, the role of the Foundation is key in the availability of the Education support officer for the players as they transition through the age groups not only in terms of Cricket but their own Educational into Employment pathway too.

Total income for the year was £39,627 (2019: £237,894) and after deducting charitable donations and charity overhead expenditure, resulted in a deficit for the year of £66,048 (2019: surplus £4,919) before investment gains of £80,274 (2019: £108,168). The increase in net funds for the year was £14,226 (2019: £113,087). Total income from events decreased during the year due to the continuing effect of the covid-19 pandemic.

ECF funds at the end of 2020 stood at £1,068,812, but much of this represents restricted and endowment funds. The largest fund is the Graham Gooch Scholarship Fund, while smaller funds provide support to former players who need financial or medical support.

In common with most other charities, the principal risk currently facing us is Covid-19. Since the beginning of the pandemic in March 2020, our fundraising activities have been massively hit. As a result of our prudent financial management in the past, we have in place reserves which enable us to continue to operate for many months, but not indefinitely. The trustees are actively pursuing other possible sources of funding, including a Foundation Lottery.

My thanks to all the Trustees who give freely of their time and advice and to the staff of ECiC, led by Dan Feist, who run the various initiatives we support.

TRUSTEES' ANNUAL REPORT

Reserves policy

In accordance with the Charities Statement of Recommended Practice (SORP) the term reserves refers to that part of the Charity's income funds that is freely available. This definition therefore excludes restricted funds and that part of unrestricted funds not readily available.

The Trustees retain funds in order to ensure that there are sufficient funds to renew existing programmes to support community projects as in the early stages of the formation of the Charity, they are reliant on fundraising which in the current economic environment can fall short of expectations. The Trustees also need to retain funds to support existing projects of the Youth Trust where it does not have the resources. The cost of these projects is currently £10,000 per annum and will eventually be met from unrestricted reserves.

The Trustees have agreed to commit £45,000 next year to existing projects, of which a minimum of £17,500 per annum will be met from unrestricted reserves.

Unrestricted reserves in the accounts at 31 December 2020 were £88,217 (2019: £92,498).

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Independent examiner's report to the trustees of Essex Cricket Foundation

I report on the accounts of the company for the year ended 31 December 2020, which are set out on pages 8 to 14.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this period under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities. The accounts have not been prepared in accordance with the Charities SORP (FRS102)

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

1 ACCOUNTING POLICIES

1.1 ACCOUNTING CONVENTION

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities published on 16 July 2014, Financial Reporting Standard 102 1A (FRS102 1A) and the Companies Act 2006. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

1.2 FUND ACCOUNTING

The Charity maintains various types of funds as follows:

Unrestricted general funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity.

Designated funds are unrestricted funds that are set aside by the Trustees out of unrestricted general funds for particular projects or purposes. At the balance sheet date the Trustees had not established any designated funds.

Restricted funds are funds that can only be used for particular purposes within the objects of the Charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

1.3 INCOMING RESOURCES

All incoming resources are included in the Statement of Financial Activities when the Charity is entitled to the income and the amount can be quantified with reasonable accuracy.

1.4 RESOURCES EXPENDED

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate costs relating to that category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of the resources.

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs represent expenditure incurred in the compliance with statutory requirements.

1.5 VALUE ADDED TAX

The Charity's activities are classified as exempt for the purposes of value added tax and the Charity is unable to reclaim the value added tax which it suffers on its expenses. Expenditure in these financial statements is therefore shown inclusive of value added tax.
