Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Our aims and objectives:

Rescue, rehabilitate and rehome dogs.

Provide long term care for dogs which are unable to be rehomed. We have a non-euthanasia policy and do not believe in putting healthy dogs down.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

K9 Crusaders believe that the aims and objectives listed above are for the public benefit.

In setting our objectives and planning our activities the trustees have given careful consideration to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

K9 Crusaders are very grateful to all our volunteers who have helped with the day to day care of the dogs, worked in our charity shop and helped with all aspects of fundraising including dog shows, quizzes, collections and events.

We are also very grateful to our many fosterers who have taken on the care of dogs who have found it difficult to settle in a kennel environment or have special medical needs.

Summary of the main achievements of the charity during the year

K9 Crusaders has supported the local community by providing advice and taking in as many dogs as possible that were in urgent need of our help. We have maintained our commitment to rescue, rehabilitate and re-home local dogs.

- **Rehoming**

Taking in unwanted dogs surrendered in Cornwall, helping people in crisis, often who have suffered loss of home, bereavement or failing health.

- **Rehabilitation**

We have rehabilitated dogs with physical and behavioural problems and endeavoured to re-home these dogs to new loving homes.

- **Working with local authorities**

The charity has an established involvement with local Social Services and Police Departments and is regularly asked to help with dog cases in the knowledge that, borne out of experience, we provide safe, responsible and reliable support. For example, we have taken on several dogs with serious medical problems whose owners have been found deceased or who require long term hospital care.

- **Work placements and community work**

We have continued to provide work placements for college students and people with additional needs.

Our dog behaviourist and trainer organised and trained a group of our dogs to take part in the Kennel Club's Good Citizens' Dog Training Scheme. This allowed us to educate our volunteers to train our dogs to get their Canine Good Citizens' Awards, hoping to make our dogs more re-homable. The scheme also included young adults from "The Outdoor Place" helping them to gain confidence in a safe environment through dog training, with the ultimate goal of having their dogs recognised as service dogs. K9 Crusaders are Kennel Club accredited and we value community outreach.

- **Telephone and advice line**

Our advice line is open 24 hours for emergency calls. We provide help and support with anything dog related and have seen a huge increase in the number of people needing our advice during these difficult times.

- **Charity shop**

The K9 Crusaders' charity shop in Redruth, run entirely by our amazing volunteers, is continuing from strength to strength despite most towns struggling with footfall these days.

Our shop is of course dog friendly and our Shop Manager, who is a qualified dog behaviourist, is able to offer a "drop-in" service and give advice and help to anyone who has problems with dog related issues.

The shop also provides opportunities for people to volunteer and gain new skills, as well as increasing their confidence and reducing their isolation. It continues to support three young people with additional needs. Two via United Response, a local organisation, and one through their carer.

Fundraising

K9 Crusaders is an independent charity funded by public donations and any grants they are able to secure. The K9 Crusaders Fundraising Committee and volunteers have worked tirelessly to bring in funds by various and varied means as listed below. The efforts of our volunteers and supporters have been invaluable.

- Volunteers have organised on-line events including auctions and on-line dog shows plus quizzes at a local venue. We also sold a calendar designed by one of our volunteers which included portraits of all our dogs.
- K9 Crusaders were delighted to be selected once again by our local Pets at Home store as their Charity of the Year. This was an exciting opportunity to work together with a specialist pet care business to raise awareness. We collect in store on a regular basis throughout the year and benefit from their Easter and Christmas fundraisers.
- K9 Crusaders are also proud to be one of the beneficiaries of the Pets At Home VIP scheme which allows customers to nominate a local charity to benefit from points they receive on purchases. We then receive "Lifelines" which are vouchers to purchase food and accessories from the store.
- We also have had great support again this year from many local businesses who are more than happy to display our collecting tins on their counters and have donated items for our online auctions.
- We are very grateful for financial donations from all supporters, whether £1 or £1,000.

Section E

Summary of the objects of the charity set out in its governing document

K9 Crusaders believe that the aims and objectives listed above are for the public benefit. In setting our objectives and planning our activities the trustees have given careful consideration to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

K9 Crusaders are very grateful to all our volunteers who have helped with the day to day care of the dogs, worked in our charity shop and helped with all aspects of fundraising including dog shows, bingo, quizzes, collections and events.

We are also very grateful to our many fosterers who have taken on the care of dogs who have found it difficult to settle in a kennel environment or have special medical needs.

Summary of the main achievements of the charity during the year

K9 Crusaders has supported the local community by providing advice and taking in as many dogs as possible that were in urgent need of our help. We have maintained our commitment to rescue, rehabilitate and re-home local dogs.

- **Rehoming**

Taking in unwanted dogs surrendered in Cornwall, helping people in crisis, often who have suffered loss of home, bereavement or failing health.

- **Rehabilitation**

We have rehabilitated dogs with physical and behavioural problems and endeavoured to re-home these dogs to new loving homes.

- **Working with local authorities**

The charity has an established involvement with local Social Services and Police Departments and is regularly asked to help with dog cases in the knowledge that, borne out of experience, we provide safe, responsible and reliable support. For example, we have taken on several dogs with serious medical problems whose owners have been found deceased or who require long term hospital care.

- **Work placements and community work**

Applications for work placements from college students and people with additional needs have decreased following COVID but we hope they will increase in the next accounting year.

We were able to continue our work within the Community, especially assisting those most in need, providing support and donations where possible.

- **Telephone and advice line**

Our advice line is open 24 hours for emergency calls. We provide help and support with anything dog related and have seen a huge increase in the number of people needing our advice during these difficult times.

- **Charity shop**

The K9 Crusaders' charity shop in Redruth, run entirely by our amazing volunteers, has been very popular and has continued to expand. There had to be a move this year due to the previous building being renovated, Additional costs were incurred with the move to alternative premises where the rent and running costs are higher. However the first few weeks takings also increased. Our shop is of course dog friendly and our Shop Manager, who is a qualified dog behaviourist, is able to offer a "drop-in" service and give advice and help to anyone who has problems with dog related issues. The shop also provides opportunities for people to volunteer and gain new skills, as well as increasing their confidence and reducing isolation.

Fundraising

K9 Crusaders is an independent charity funded by public donations and any grants they are able to secure. The K9 Crusaders Fundraising Committee and volunteers have worked tirelessly to bring in funds by various and varied means as listed below. The efforts of our volunteers and supporters have been invaluable.

- Volunteers have organised on-line events including auctions and photo competitions.
- K9 Crusaders were delighted to be selected once again by our local Pets at Home store as their Charity of the Year. This was an exciting opportunity to work together with a specialist pet care business to raise funds and awareness. We collect in store on a monthly basis and benefit from their Christmas fund-raiser.
- K9 Crusaders are also proud to be one of the beneficiaries of the Pets At Home VIP scheme which allows customers to nominate a local charity to benefit from points they receive on purchases. We then receive "Lifelines" which are vouchers to purchase food and accessories from the store.
- We also have had great support again this year from many local businesses who are more than happy to display our collecting tins on their counters and have donated items for our online auctions.

Section E

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (~~other than that disclosed below~~ *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Summary of the objects of the charity set out in its governing document

Our aims and objectives:

Rescue, rehabilitate and rehome dogs

Provide long term care for dogs which are unable to be rehomed. We have a non-euthanasia policy and do not believe in putting healthy dogs down.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

K9 Crusaders believe that the aims and objectives listed above are for the public benefit. In setting our objectives and planning our activities the trustees have given careful consideration to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

K9 Crusaders has supported the local community by providing advice and taking in as many dogs as possible that were in urgent need of our help. We have maintained our commitment to rescue, rehabilitate and re-home local dogs through the difficult circumstances of the COVID pandemic.

- **REHOMING**

Taking in unwanted dogs surrendered in Cornwall helping people in crisis, often who have suffered loss of home, bereavement or failing health.

- **REHABILITATION**

We have rehabilitated dogs with physical and behavioural problems and endeavoured to re-home these dogs to new loving homes.

- **WORKING WITH LOCAL AUTHORITIES**

The charity has an established involvement with local Social Services and Police Departments and is regularly asked to help with animal cases in the knowledge that, borne out of experience, we provide safe, responsible and reliable support.

- **WORK PLACEMENTS & COMMUNITY WORK**

Unfortunately, we were unable to accept work placements or go out to the Community during most of this period as a result of restrictions placed upon us by the COVID pandemic.

- **TELEPHONE ADVICE LINE**

Our advice line is open 24 hours for emergency calls. We provide help and support with anything dog related and have seen a huge increase in the number of people needing our advice during these unusual times.

- **CHARITY SHOP**

The K9 Crusaders' charity shop in Redruth, run entirely by our amazing volunteers, has been very popular and has continued to expand. Our shop is of course dog friendly and our Shop Manager, who is a Dog Behaviourist, is able to offer a "drop-in" service and give advice and help to anyone who has problems with dog related issues. The shop also provides opportunities for people to volunteer and gain new skills, as well as increasing confidence and reducing isolation. Sadly, the pandemic restrictions forced us to close the shop for several months which had a devastating effect on our income.

FUNDRAISING

K9 Crusaders is funded entirely by public donations and any grants they are able to secure. The K9 Crusaders Fundraising Committee and volunteers have worked tirelessly to bring in funds by various and varied means as listed below. The efforts of our volunteers and supporters have been invaluable during these difficult times when a great deal of our events have been unable to take place during the pandemic.

- Volunteers have organised on-line events including auctions and photo competitions.
- K9 Crusaders were delighted to be selected once again by our local Pets at Home store as their Charity of the Year. This was an exciting opportunity to work together with a specialist pet care business to raise funds and awareness. Despite being unable to attend the store due to the COVID restrictions we were still able to benefit from their Summer and Christmas fund-raisers.
- K9 Crusaders are also proud to be one of the beneficiaries of the Pets At Home VIP scheme which allows customers to nominate a local charity to benefit from points they receive on purchases. We then receive "Lifelines" which are vouchers to purchase food and accessories from the store.
- We also have had great support again this year from many local businesses who are more than happy to display our collecting tins on their counters and have donated items for our online auctions.

Section E Financial review

Brief statement of the charity's policy on reserves

K9 Crusaders does not have any reserves but endeavours to hold funds equal to 6 months expenditure.
