#### **Trustees**

### **Trustees' responsibilities**

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable laws and regulations. Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards) and applicable law. The Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Trust.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are also responsible for keeping adequate accounting records that are sufficient to show and explain the Trust's transactions and disclose with reasonable accuracy at any time the financial position of the charity. They are also responsible for safeguarding the assets of the charity, and, hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for ensuring that adequate arrangements are in place to manage risk and uncertainty, as expanded further on page 5. The Trustees confirm that they have paid due regard to the guidance contained in the Charity Commission's general guidance on public benefit when setting the charity's objectives and planning its activities. This report explains the Charity's activities and demonstrates how they contribute to the Charity's purposes and provide public benefit.

## **Trustees' report - continued for the year ended 31 December 2022**

### **Strategic report**

**The main activities are undertaken in relation to those purposes during the year:**

- Deliver onsite courses
- Deliver online courses
- Produce and broadcast educational publications

**The main activities were undertaken during the year to further the charity's purpose for the public benefit:**

The charity has benefited the public by carrying out its objectives. Courses were established and open to residents of Tower Hamlets, Newham, and other boroughs. All courses were freely accessible to the public, online and onsite; they were delivered in various languages to reach an ethnically diverse population.

In addition, educational materials were published in both short and long form media. Courses tailored to women were also a key area of delivery to facilitate the growing female student base.

The trustees have had regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

**The main achievements of the charity were as follows:**

- Regular courses throughout the year
- Courses especially tailored for women
- Provision of online and onsite programmes and courses
- Courses are available free of charge for the public to benefit
- Production of educational materials
- Maintenance of fundraising activities

**The difference the charity's performance during the year has made to the beneficiaries of the charity:**

The beneficiaries have benefited in many ways because of the performance of the charity. They have received training in personal development, Islamic academia, upskilling and spirituality.

**The degree to which the achievements and performance during the year have benefited wider society:**

The courses provided by the charity have benefited society by facilitating learning in areas of personal development, Islamic academia, upskilling and spirituality, and ultimately increasing the utilitarian impact of our students and participants on the wider society.

**The methods used to recruit and appoint new charity trustees:**

There must be at least three trustees. Apart from the first trustees, every trustee must be appointed by a resolution of the trustees passed at a special meeting.

In selecting individuals for appointment as trustees, the trustees must have regard for the skills, knowledge and experience needed for the effective administration of the charity.

# **DAR-AL-ARQAM (HOUSE OF ARQAM) TRUST**

## **Trustees' report - continued for the year ended 31 December 2022**

The trustees must make available to each new trustee, on his or her first appointment:

- a copy of this deed and any amendments made to it;
- a copy of the charity's latest report and statement of accounts.

### **Financial review**

The financial results are set out in the statement of financial activities on page 8.

The total income for the year amounted to £93,267.

### **Financial reserves**

The Trustees will review reserves at least annually and maintain unrestricted reserves sufficient to maintain the Charity's operations in the event that income is unexpectedly reduced from current levels. The Trustees consider the probability of a reduction in and security of each source of income together with the ability to reduce the expenses.

### **Going concern**

The Trustees consider that the Charity is in a strong position and is well placed to manage the operational risks. The current year surplus indicates that trustees have put adequate measures in place, such as increased online and onsite courses, fundraising initiatives and cash flow projections taking into consideration the current economic climate and its potential impact on the various sources of income and planned expenditure.

The Trustees, therefore, have a reasonable expectation that the organisation has sufficient resources to continue in operational existence for the foreseeable future and believe that there are no reasonable uncertainties that call into doubt the ability of Dar-Al-Arqam (House of Arqam) Trust to continue as a going concern.

### **Risk and uncertainty**

The Trustees have overall responsibility for ensuring that the Charity has an appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable the financial statements to comply with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102). They are also responsible for safeguarding the assets of Dar-Al-Arqam (House of Arqam) Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities and to provide reasonable assurance that:

- The Charity is operating efficiently and effectively
- Its assets are safeguarded against unauthorised use or disposition
- Proper records are maintained and financial information used within the charity or for publication is reliable
- The Trust complies with relevant laws and regulations

## Trustees' report - continued for the year ended 31 December 2022

The systems of internal control are designed to provide reasonable, but not absolute, assurance against material misstatement or loss. They include:

- Consideration by the Trustees of financial results and cash flow forecasts
- Delegation of authority and segregation of duties, including that all payments require the approval of two authorised signatories
- Identification and management of risks

The Trustees have examined the major risks that Dar-Al-Arqam (House of Arqam) Trust faces and confirm they have established procedures to ensure regular reporting takes place so that necessary steps can be undertaken to minimise risks.

### Independent examiner

Each of the persons who is a Trustee at the date when this report is approved confirms that:

- So far as the Trustee is aware, there is no relevant information of which the independent examiner is unaware: and
- The Trustee has taken all the steps he/she ought to have taken as a Trustee to make himself/herself aware of any relevant information and to establish that the charity's independent examiner is aware of that information.

Kabir Ahmed, Royal Associates, has expressed its willingness to continue as an independent examiner for the next financial year.

### Acknowledgements

The Trustees would like to take this opportunity to thank everyone who has shown their dedication and commitment to our charity.

The Trustees' Report therein has been approved by the Trustees on 26/10/2023 after independent examination and signed on their behalf by:

## Independent examiner's report to the trustees of Dar-Al-Arqam (House of Arqam) Trust for the year ended 31 December 2022

I report on the accounts of the charity for the year ended 31 December 2022, which are set out on pages 8 to 12.

### Responsibilities and basis of report

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

### It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general Directions given by the commission under section 145(5)(b) of the 2011 Act
- to state whether particular matters have come to my attention

### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts do not accord with those records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the financial statements

For the year ended 31 December 2022

### 1 Charity information

Dar-Al-Arqam (House of Arqam) Trust is a UK registered charity (charity number 1138665) constituted under a Trust Deed dated 1 September 2010. The address of the registered office is 543-545 Cable Street, London E1W 3HB.

### 2 Accounting policies

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing documents, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland, FRS 102 (as amended for accounting years commencing from 1 January 2016).

The principal accounting policies adopted in the preparation of the accounts are as follows:

#### a) *Basis of accounting*

The accounts are prepared in accordance with the historical cost convention as modified by the inclusion of investments at market value. After making enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue its activities for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements as outlined in the Financial Review on page 5.

#### b) *Incoming resources*

All income is recognised once the charity has an entitlement to the income, there is sufficient certainty or receipt and so it is probable that the income will be received, and the amount of income can be measured reliably.

#### c) *Resources expended*

Liabilities are recognised as expenditures; as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required, and the amount of obligation can be measured reliably.

#### d) *Cash and cash equivalents*

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are shown within borrowings in the current liabilities.

#### e) *Property, plant and equipment*

Property, plant and equipment are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	25% straight line
