Report of the trustees

The Trustees present this report for the charity for the year ended 30th April 2025.

Structure, governance and management

The Trustees, appointed within the terms of the Foundation Constitution, form the management committee. Conversion to a Charitable Incorporated Organisation was made on 26 September 2024.

During the year we were pleased to welcome Paul Whitnall as a Trustee and Treasurer.

The day to day management of the library is undertaken by the Music Librarian working with experienced volunteers, following policies and procedures agreed by the Trustees.

Music Librarian: Ceri Mann

Objectives and activities

The Charity's principal object is the promotion, improvement, development and maintenance of public education in, and appreciation of, the art and science of music through the provision of a lending library of musical scores. In its current form, the library was formed by a group of patrons and directors who took over full management in 2010. CYML is a member of Making Music and of the International Association of Music Libraries (UK & Ireland Branch). CYML has a dedicated website which includes the full catalogue of printed music available. The catalogue is also included in Encore21, the IAML (UK & Irl) online national catalogue of performance sets.

Since the resumption of services following the Covid lockdowns, the demand for the library's service has continued to grow, as musical activities have returned to normal and the music lending resources of public libraries are reduced. A large proportion of our loans is made directly to groups who either visit the library or receive scores by post. Our clients range from professional, amateur and community groups to those based in schools and universities. Other loans are made in the form of inter-library loans via public library authorities throughout the UK.

Thanks to the commitment of the Music Librarian and a small number of volunteers, the quality of the overall service provided has been maintained in spite of the difficulty of finding additional regular volunteers. Obtaining funding to maintain operations has become more difficult as funding bodies have fewer resources. Many funders require either project-based bids or match funding, which we are unable to provide. We were pleased to be awarded a grant of £3000 from the Radcliffe Trust in August 2024 to be used for music by contemporary composers.

The library is staffed two days a week and emails are monitored all week. We acknowledge with grateful thanks the support we receive from our small team of highly experienced volunteers, who help ensure this full, and specialised, service is maintained. We are particularly grateful to Peter and Judy Smith, who have stepped down from their volunteer roles following exceptional service over many years.

Risk management

The Trustees regularly review the major risks to which the charity is exposed, particularly financial control and funding implications, and take action to minimise any potential impact.

Public benefit

It is widely accepted that participation in music-making contributes to the improvement of physical and mental health. As a service used almost entirely by community music-making groups, choirs and orchestras, as well as schools and colleges, the Trustees take seriously the need to provide a public benefit by ensuring our charges are reasonable, offering cost-effective solutions for those requiring sets of printed music. Co-operation with other libraries, particularly public libraries, is crucial to ensuring that music groups around the country have access to the music they need.

Financial review

The library has maintained financial stability in spite of decreased income during the Covid lockdowns. Our income from hires in 2024-25 was approximately 25% greater than 2023-24. This was helped by the resolution of IT problems at the British Library, as we were once again able to claim income from music loaned via that system. Loans of vocal sets increased by 35% over 2023-24.

Owing to Covid and staff changes, Haringey Council did not invoice the library for rent for a period, but funds were kept available and a payment plan was agreed.

Future plans

We continue to seek funds to secure our professional librarian post; we are looking at ways of modernising our loan administration linked to our catalogue; we will also be seeking funds to buy new music and ensure our existing stocks are maintained at sensible levels.

This Report and the Annual Accounts were approved by the Trustees on October 20 2025.

Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30 April 2025

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The COVID pandemic and subsequent lockdowns had a serious effect on the library's operation and income as music groups were not able to meet. Since then, however, the demand for the library's service has continued to grow, as musical activities have returned to normal and the music lending resources of public libraries are reduced. Financial review

The library has maintained financial stability in spite of decreased income during the Covid lockdowns. Our income from hires in 2023-24 was approximately 20% greater than 2018-19, the last full year before lockdown. We would have achieved a higher figure in 2023-24 but for the British Library cyber-attack, which meant that libraries, including CYML, were unable to claim income from music loaned via that system. Owing to Covid and staff changes, Haringey Council did not invoice the library for rent for a period, but funds were kept available and the situation is soon to be regularised.

Future plans

We continue to seek funds to secure our professional librarian post; we are looking at ways of modernising our loan administration linked to our catalogue; we will also be seeking funds to buy new music and ensure our existing stocks are maintained at sensible levels.
