## **Trustees' Annual Report**

**Year ended 31st December 2022**

### **Objectives and activities**

The charity's aim and objective is to worship God, exemplify and further his teachings for the benefit of the church community and the greater public in accordance with the Reformed Church International's statement of beliefs.

This is achieved through enabling and encouraging the worship of God through Jesus Christ by the holding of public celebrations of services, prayer meetings and Christian conferences whilst providing opportunities for the mission and Christian Evangelism.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

### **Achievements and performance**

Year 2022 has been a great milestone in our history as the church congregation managed to grow significantly and membership has decided that the congregation needs to grow into two congregations in the United Kingdom. Our services continue to be rated highly by our stakeholders and such rating and delivery of key targets is testament to the hard work and dedication of all the church membership and volunteers who have all contributed to the continued success of the church. Ensuring that the church meet all the targets and deliver the best care possible has been a challenge that all our members have admirably undertaken from the beginning.

The membership of the Reformed Church International continues to grow steadily. The preaching points have remained intact as members and visitors have stepped up meetings every Sundays at local preaching posts in addition to the well-attended Big Sundays' gatherings held monthly. Holy Communion and Baptism continue to dominate events at our quarterly combined Big Sundays with fellowship groups i.e. Prayer Warriors, Couples, Youth, Men, Women, Singles and Children also organising and running successful events and meetings throughout the year.

In the spirit of continuous improvement, the church has reviewed and refreshed its governance arrangements under the guidance of two Reverends, residing and overseeing the church activities with branches in the Southern and Northern regions of England.

Sharper focus on the IT and the website has enabled changes and awareness to ensure we are maximising the benefits of new technology and better use of our existing resources. The church has continued to develop the website hence its invaluable contribution to a steady rise of our Christian membership - [www.rczi.org.uk](http://www.rczi.org.uk). Utilising the free charity Microsoft 365 provision has enabled secure processing of personal information.

#### **Plans for future periods**

Central to the church's objective we endeavour to continue building effective relationships and networks with local charity organisations, to establish a successful collective approach in support of the under privileged both locally and internationally. Growth of the church membership in the future months continues to be the church's aim so that many people might receive Jesus Christ and be part of the Charitable Christian community.

Our affiliation to the church in Zimbabwe (Reformed Church in Zimbabwe) continues to strengthen. The church became a member of the Reformed Church International Presbytery of the Reformed Church in Zimbabwe.

In line with our vision, the church membership continues to support fundraising scheme towards raising funds to invest in a Church building of our own. The church will also work to raise its profile in the local communities through participation at local events and helping to raise money for local needs. We are involved in charity activities and both local and national level helping members with both spiritual and material support.

**Independent Examiner's Report to the Trustees of Reformed Church**  
**International - United Kingdom**  
**Year ended 31st December 2022**

I report to the trustees on my examination of the financial statements of Reformed Church International - United Kingdom ('the charity') for the year ended 31st December 2022.

**Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

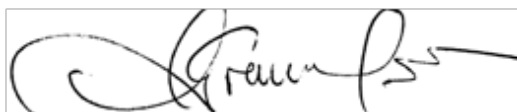

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### 1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is High Street, Lye, Stourbridge, West Midlands, DY9 8LT.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

#### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

### 3. Accounting policies *(continued)*

#### Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Tangible assets

All fixed assets are initially recorded at cost.

#### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Computer Equipment	- 25% straight line
Musical Equipment	- 25% straight line
Other Equipment	- 25% straight line

#### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

# Reformed Church International - United Kingdom

## Notes to the Financial Statements *(continued)*

Year ended 31st December 2022

### 3. Accounting policies *(continued)*

#### Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

#### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided.
