From: 01 August 2021

To: 31 July 2022

The Board of Trustees, who are also Directors of the charity for the purpose of the Companies Act 2006, present their annual report and financial statements for the year ended 31 July 2021. The financial statements comply with the Companies Act 2006 and Accounting and Reporting by Charities, Statement of Recommended Practice (SORP 2015).

Charity's full name Home-Start Craven

Registered Company number 7301263

Registered Charity number 1138830

Objectives and activities

Summary of the purposes of the charity set out in its governing document

To safeguard, protect and preserve the good health, both mental and physical, of children and parents of children. To prevent the cruelty or maltreatment of children. To relieve sickness, poverty, and the need for high level intervention amongst children and parents of children. To promote the education of the public and better standards of childcare within the area and its environs.

Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts

In all areas the Board of Trustees works for the sole public benefit as defined by the Charity Commission. The Home-Start Craven scheme offers a volunteer befriending service in the home to support families with young children. The strategy is one of early intervention and is therefore aimed at vulnerable families with children under the age of five. Home-Start Craven's aims are: to support families in their homes with a view to improving their emotional, mental and physical health, to give parents the opportunity to develop their parenting skills, to increase the confidence and independence of vulnerable families by building strong and sustainable social networks and by harnessing the volunteer capacity within the local community; to develop a culture of families supporting each other in the community, to support families in accessing health and social care services, to provide high quality volunteering opportunities to enable those who engage to gain experience which will benefit both the families they support and themselves in terms of general well-being and provision of more opportunities to access paid employment.

The trustees consider that they have complied with their duties to have due regard to the public benefit guidance published by the Charity Commission.

Additional details of objectives and activities

Home-Start Craven aims to help increase the confidence and empower families by building strong and sustainable social networks for vulnerable families by harnessing volunteer capacity within the local community. This is part of an early intervention strategy and is therefore targeted at families with children under the age of five. Families, with the support of their volunteer, are more likely to access health and social care services, have opportunities to develop their parenting skills, grow confidence and be more able to access activities and opportunities in their communities. Home-Start Craven also provides high-quality volunteering opportunities to enable those who engage to gain relevant experience to access employment opportunities and to enjoy improved physical, emotional and mental well being.

Achievements and performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.

In the twelfth year of operation, Home-Start Craven has continued to offer support to families throughout Craven and has consolidated links with partnership agencies. The team works consistently with members of the local community to promote the service and raise awareness of the scheme in a wide range of locations. The number of referrals received is significantly higher than in previous years, the current issues surrounding the Covid-19 pandemic and cost of living crisis are expected to lead to numbers rising even further in the near future. An increasing number of new referrers are working with the team and the scheme is well placed in terms of strategic development within family support provision in Craven. Staff attend local networking events and continue to meet with other Home-Start schemes throughout the county to share best practice and experiences and to ensure that future planning reflects the needs of the local community. Throughout the year, Home-Start Craven has provided support to 44 families, benefiting 157 people. The scheme has established opportunities to reduce isolation and loneliness in families and to encourage healthy lifestyles. In addition, Home-Start Craven works alongside the local Aldi store, through the Neighbourly scheme, to offer surplus food and household items to families on a weekly basis and has worked in partnership with Principle Trust to provide family holidays for those in need of a break away from home. Home-Start Craven continues to recruit high calibre volunteers and despite the restrictions imposed as a result of the pandemic, 11 volunteers attended our well respected Preparation Course. Volunteers report that they feel valued and are able to use their training to access employment opportunities to further their own professional development. We are confident that we will be able to retain regular support for the families who are referred to us, or who self refer and seek to extend the project work we undertake to include opportunities for socialising for both volunteers and families in Craven. The scheme has secured funding from Trusthouse, Children In Need, Volant and Henry Smith to cover our core and project costs and we feel confident that we have sufficient funding for the next two to three years of operation. We are confident that top-up funding will be sourced from a number of smaller funders to ensure that the financial situation remains stable and the charity will thrive in the coming years. The Trustees and Staff would like to express their thanks to all volunteers, families and partnership agencies for their continued support over the past year. In addition, sincere thanks must be given to the trusts, charitable organisations and personal donations which have provided the financial support required to allow us to enjoy continued success.

The Reserves may also be used for one-time, non-recurring expenses that will build long term capacity, such as staff development, research and development or investment in infrastructure. A full copy of the Reserves Policy, including a breakdown of operating costs is available on request by contacting the Home-Start Craven Office, Cowling Village Hall, Acre Road, Cowling, BD22 0FN.

Trustee responsibilities in relation to financial statements

Company law requires the directors (trustees) to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company and of the income and expenditure of the company for the year. In preparing those financial statements, the directors (trustees) are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles of the Charities SORP
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue on that basis.

The directors (trustees) are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Board of Trustees, who are Directors for the purpose of company law, and Trustees for the purpose of charity law, who served during the year and up to the date of this report are set out on page 3.

Independent examiner's report to the trustees of Home-Start Craven

I report on the accounts of: **Home-Start Craven**
for the year ended: **31 July 2022** which are set out on pages 7 to 16.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Trust as required by section 386 of the Act; or
- 2 the accounts do not accord with those records
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
