### **DIRECTORS' REPORT (Cont.) FOR THE YEAR ENDED 31 AUGUST 2023**

#### **e. RISK MANAGEMENT**

The Directors have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

The risks and impact of the cost of living crisis have been assessed by the Directors and they are satisfied that risks have been mitigated wherever possible. We have confirmed grant commitments from our major funders covering the period up to and beyond August 2022.

The Directors consider that Oasis Community Hub: Wintringham has adequate resources to continue in operational existence for the foreseeable future and, for this reason, the Directors continue to adopt the going concern basis in preparing the accounts.

#### **Objectives and Activities**

The objective of the company is to operate as a catalyst for community transformation by facilitating improvements in the lives of individuals and growth in community activity and cohesion. This will be achieved by identify and understanding the needs and strengths within the community and by applying the Oasis Ethos to everything. The Oasis Ethos is:

- A passion to include everyone
- A desire to treat everyone equally, respecting differences
- A commitment to healthy and open relationships
- A deep sense of hope that things can change and be transformed
- A sense of perseverance to keep going for the long haul

Oasis Hubs will typically include activities in education, youth and children's work, community empowerment, housing, advice and support, personal and spiritual development and health and wellbeing.

#### **Achievements and Performance 2022/23**

The vision for Oasis Community Hub: Wintringham is to endeavour to bring about community transformation; helping to create a local community where people of all ages and situations feel included, know they can contribute and realise a deep sense of belonging. We aim to achieve this through the delivery of a range of services and opportunities that respond to local need. Our Hub is particularly focussed on the South Ward of Grimsby

The work of the hub incorporates two Oasis Academies, OA Nunsthorpe and OA Wintringham, as well as the variety of projects and services that are run through the Oasis Community Hub. We are an organisation striving to be "of" its community and our staff, volunteers and trustees have connections to our local area or have lived experience of the kinds of social difficulties we support people to overcome.

As with every other charity, Oasis Community Hub Wintringham has been heavily impacted by the current issues in the last few year, especially as we have had to respond quickly to the national cost of living crisis. This has had a substantial impact on our work; most of the family support has again become focused around food and fuel poverty support, and we quickly had to adjust how we work. Our priority was making sure that our vital food, fuel poverty and pastoral support services were able to continue, whilst delivery of activities that enable people to come together again such as baby massage and peer to peer support also happened. Whilst this time has been significantly challenging; it has presented us with opportunities to serve our community in unique ways and allowed us to listen to the community needs and build great community empowerment.

### DIRECTORS' REPORT (Cont.) FOR THE YEAR ENDED 31 AUGUST 2023

**Breakfast club:** Hub funding secured via Greggs provided free breakfasts for students at Oasis Academy Nunsthorpe before school as part of the talking breakfast. The breakfast club is important in two ways, it ensures that several vulnerable students are provided with something to fuel them first thing in the morning, and it enables Hub staff and volunteers to spend a bit of extra time building developmental relationships. Talking Breakfast allows us to offer breakfast to every student at Oasis Academy Nunsthorpe during term time we have seen a increase in the take up on this over the last year with the following take up in each year group. Nursery and Reception = 97%

Year 1 = 91%

Year 2 = 94%

Year 3 = 87%

Year 4 = 81%

Year 5 = 92%

Year 6 = 89%

**Community Pantry & Food parcels:** Through our partnerships with Fairshare, volunteer collections from Aldi and some amazing community donations this year the Hub runs a food pantry which opens two days a week on a Tuesday and Friday 10-12noon. Direct referral access to the food parcel scheme is provided as well as referrals from local agencies such as children's services, health visitors etc. If a family is identified as urgently in need of a food parcel due to difficult circumstances, they can access support within 24 hours. This service has been vital during the past 12 months, providing 1134 adults and 1248 (2382) with 4 meals for 4 day = 38,112 meal meals. We also have a free food scheme as part of our community zero waste projects (funded by Orsted) which provides fresh goods such as bread, fruit, veg etc that is still good but would have been thrown away due to supermarkets best before dates these items are put outside the community space and people are able to help themselves with no judgement or questions. On average we have distribute 10-12 supermarkets crates a week of fresh food to the local community.

*"We have a new baby and my wife is currently on maternity leave and I'm at college in my last year studying to be an electrician.*

*We saw your post about the free food outside, that is why I rang you to see where you were.*

*We're really struggling at the moment to feed ourselves as maternity pay isn't much and this is a god send.*

*With this food we can create a few dishes to see us through the next few days.*

**Youth Provision:** We provide a year-round open access youth club facility and holiday provision, which is attended by up to 80 young people registered between aged 8-16. The programme includes; outreach community projects supporting disadvantaged young people; opportunities to engage in activities such as sports, creative arts; provision of a programme of holiday activities including family day trips; early intervention projects with younger children aged 8-13, building positive relationships and creating pathways into wider youth provision; Developing leadership programmes such as young people leading local social action programmes within the community; developing local and global citizenship.

We have ran Activities: 9 (Mentoring, Pop up Boxing, Cycle Maintenance, Discos, youth clubs), we have ran 238 sessions and had 213 Participants.

**Family Support:** The social and economic pressures of cost of living have been enormous for our families on low income, creating a perfect storm of financial hardship, lack of work, children not in school and trying to rebuild their normal support networks. Our parents struggled with loss of income and the rising cost of living, struggling to pay for food, utilities, housing, and child related costs.

Our two main priorities this year continue to be pastoral support and emergency food, recognising that mental health, hunger and warmth were the real issues that families were dealing with. Our Family Support team were able to remove the barriers for families to navigate the support services available. This approach was invaluable in enabling us to identify families who were struggling, we were able to build relationships and provide holistic support to meet their needs and prevent escalation of challenges that families were experiencing.

### **DIRECTORS' REPORT (Cont.) FOR THE YEAR ENDED 31 AUGUST 2023**

We have listened to what our families have been telling us and grown our offer to ensure that we are able to engage with whole families in activities that supported health and wellbeing and education. We ran 17 different activities with 705 sessions being delivered, such as parent and baby session including stay and play, baby massage, Holiday activities, Training course such as First Aid, Makaton family link nurture programmes. Family support sessions linked with partners such as Employment, Benefit checks, housing support. Wellbeing sessions such as gardening, and cooking.

We have been able to support over 469 individuals through these sessions and can see the positive impact that it has had on their own household, wellbeing and the wider community.

**Community empowerment and Zero waste projects:** We have continued to work alongside the community to empower and support them to set up and own their own projects including a group of volunteers who now run the day-to-day work of the food pantry. We have worked with a local group Branches for Change who are developing our pre-loved baby and small toddler clothes which are cleaned, steamed, and packaged then promoted on Facebook.

In June we teamed up with R-evolution charity to pursue the development of a community bike barn allowing us to repair and repurpose bikes back into the community in the first 5 weeks we saw the following outputs,

Number of Bike Fixes 68.

Number of people engaged on the project 170.

Number bike loans 21. (12 children bikes gifted to the project due to the demand for children's bikes)

Number of volunteer hours added to the project 35hrs.

**Community space:** The Hub operates from a community space at OA Nunsthorpe which is being developed into a fully functioning multi-purpose space. This space is focused on community needs and several community projects are being developed to run from this space. We are looking into developing a letting strategy to support sustainability.

#### **Relationship of Oasis Community Hub: Wintringham to other Oasis companies**

The Hub has three relationships with the wider Oasis group:

1. With the national group of Oasis organisations
2. With the Oasis Community Partnerships group
3. With the local Oasis Academies

These are described below as follows:

#### **1. The national Oasis Group**

The Oasis family of charities in the UK has been structured to enable the entire group to benefit from working together towards national objectives while at the same time being able to deliver maximum impact in local communities. The challenge of running a national charity is in ensuring the correct needs are being addressed in local communities, while the advantage is working collaboratively at a national level to minimise cost locally and benefitting from the value of interdependent working. This 'hybrid structure' has been developed to ensure that local ownership and oversight is achieved whilst leveraging economies of scale.

## **OASIS COMMUNITY HUB: WINTRINGHAM**

**(A company limited by guarantee)**

### **DIRECTORS' REPORT (Cont.) FOR THE YEAR ENDED 31 AUGUST 2023**

At a national level, Oasis Charitable Trust is responsible for all Oasis' activities in the UK and is the parent company for three national subsidiaries. These are:

1. Oasis Community Learning – a multi-academy chain running 53 academies across England
2. Oasis Community Partnerships – a charity delivering community development work
3. Oasis Community Housing – a housing charity supporting vulnerable adults and young people

#### **2. The Oasis Community Partnerships Group**

Within this group structure, Oasis Community Partnerships is responsible for all of Oasis' community development work in the UK. It is the national holding company for 19 local Oasis Community Hubs and one Trading Company, delivering integrated community development work in a number of targeted neighbourhoods across the country.

Oasis Community Hub: Wintringham is a local subsidiary of Oasis Community Partnerships, which, in the same way as the group structure, is also a hybrid model. This enables sharing of resources, best practice and central support functions while Oasis Community Hub: Wintringham operates locally in order to respond appropriately to the needs of the local area. As a result, Oasis Community Hub: Wintringham benefits from higher quality and cheaper infrastructure than it would be able to access as entirely standalone organisation.

#### **3. Oasis Community Hub: Wintringham and its partnership with Oasis Academies**

Oasis Community Hub: Wintringham is governed by a local board of trustees, who are accountable for the financial management of the hub, overseeing the development of projects to meet local needs and ensuring that those projects benefit from any funds raised. As explained above, Oasis Community Hub: Wintringham is a subsidiary of Oasis Community Partnerships, which, in turn, is a subsidiary of Oasis Charitable Trust.

Oasis Community Hub: Wintringham integrates community development in the local area and in particular the communities surrounding Oasis Academies Nunsthorpe (primary school), and Wintringham (secondary school). One objective of Oasis Community Hub: Wintringham is to provide wrap around care for students and their parents/carers at the Academies. Therefore, Oasis Community Hub: Wintringham works in close partnership with Oasis Academies Nunsthorpe and Wintringham in order to provide integrated and holistic community transformation.

Because both Academies are able to articulate strong educational outcomes from the role of Hub Leader, a portion of their salary is funded from the Academy budgets. The Academies are accountable to the Department for Education and Education Funding Agency, who rigorously regulate the spend of statutory funds and are therefore only able to fund community roles which have clear and identifiable educational outcomes for students. However, Oasis Community Hub: Wintringham has a broader purpose in providing community interventions for the entire area and therefore there are a range of additional community roles and programmes which must to be funded in other ways. Therefore, Oasis Community Hub: Wintringham has been specifically established to govern our charitable community activities in the area.

#### **Financial review**

These financial reports demonstrate the financial activity in the period September 2022 to August 2023. In the coming year there is a desire to further generate sufficient funds to grow and build on activities. The total incoming resources during the year ended 31st August 2023 amounted to £187,595 (2022: £102,050).

## **OASIS COMMUNITY HUB: WINTRINGHAM**

**(A company limited by guarantee)**

### **DIRECTORS' REPORT (Cont.) FOR THE YEAR ENDED 31 AUGUST 2023**

Expenditure amounted to £173,234 (2022: £100,672). The overall result is a profit of £14,361 (2022: £1,378) leaving retained funds of £58,849 (2022: £44,488).

It is the intention of the Directors that in due course Oasis Community Hub: Wintringham will establish and retain sufficient funds to cover the running costs for three months.

#### **Going concern**

The Directors have considered the risks to the Hub, including the impact of the cost of living crisis. The Directors have confirmed that the major sources of grant funding are committed. Furthermore, the Directors are confident that costs will only be incurred to the extent that funding is secured. The Directors are confident that the Hub has adequate resources to continue operating for the foreseeable future and, for this reason, the Trustees continue to adopt the going concern basis in preparing the accounts. Many staff are working on restricted projects and therefore the three months running costs are held within both unrestricted and restricted funds. We have sufficient reserves to guard against unexpected downturns in financial performance.

#### **Plans for the future**

Building on learning and feedback from our community and moving forward our strategy over the next year is to build on our Community Empowerment and Zero waste work alongside looking at the way we sustain our youth work. There will be two strands to our strategy:

A youth empowerment programme which is aimed at young people aged 8-15 living in south ward, who are identified as vulnerable and where SEND/school exclusions/alternative education provision/NEET is an identified risk. We will aim to deliver 2 evenings a week a targeted youth provision that provides opportunities to broaden horizons through engaging in new activities such as sports, creative arts, and bike projects.

We will deliver a youth leadership project supporting young people to develop leadership skills through incentivised volunteering & community action campaigns in the local neighbourhood. In addition, we will build on our mentoring programme supporting young people to progress towards a future where they are actively engaged and contributing.

Our passion is to empower local people to develop their skills and knowledge and so as part of our youth programme we will be working with partners to develop a foundation course for youthwork, which will provide a great opportunity for community volunteers with aspirations to develop as Youth workers. We will also continue to provide a family holiday programme throughout the year.

Our family empowerment programme will be aimed at families living in south ward, supporting them to overcome social and economic disadvantages and achieving their full potential. As part of the programme, we will continue to develop our family learning programme that empowers parents to look after the health, wellbeing, and education of their children. We will also continue to develop and deliver our activities that empower parents to develop positive social networks, take care of their own health and well-being, manage their home and money, and develop skills, knowledge, and confidence to be actively engaged and contributing.

The cost-of-living emergency is a huge priority again for our hub in 2023/24 by opening our doors as an Oasis Living Room throughout the week. Offering a safe, warm space that feels like a home from home, hub users can come in, make a drink, use the kitchen, use our computers, read a book, or play a game, all things that make our hub truly theirs. Our community food projects will address food poverty issues and provide a sustainable food provision.

## **OASIS COMMUNITY HUB: WINTRINGHAM**

**(A company limited by guarantee)**

### **DIRECTORS' REPORT (Cont.) FOR THE YEAR ENDED 31 AUGUST 2023**

Together as a team, with our community work, links with Oasis Academies, we will champion character transformation and personal and spiritual wellbeing throughout the Hub, focussing on developing people socially, spiritually, and morally through Oasis' '9 Habits' and Oasis Ethos.

#### **DIRECTORS' RESPONSIBILITIES STATEMENT**

The Directors (who are also Trustees of Oasis Community Hub: Wintringham for the purposes of charity law) are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Directors to prepare financial statements for each financial year. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

For the financial year in question the company was entitled to exemption under section 479a of the Companies Act 2006. No members have required the company to obtain an audit of its accounts for the year in question in accordance with section 476 of the Companies Act 2006.

The directors acknowledge their responsibility for complying with the requirements of the Act with respect to accounting records and for the preparation of accounts.

In preparing this report, the Directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

**EXAMINERS' REPORT  
FOR THE YEAR ENDED 31 AUGUST 2023**

I report on the accounts of the charity for the year ended 31 August 2023

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

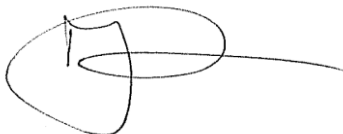

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- 1) which give me reasonable cause to believe that in any material respect the requirements:
  - a. to keep accounting records in accordance with section 130 of the 2011 Act; and
  - b. to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Financial liabilities held at amortised cost comprise bank loans and overdrafts, trade and other creditors.

#### **1.10 Critical accounting judgements and key sources of estimation uncertainty**

In the application of the company's accounting policies, the directors are required to make judgements, estimates, assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects the current and future periods.

In the view of the directors, no assumptions concerning the future or estimation uncertainty affecting assets and liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

#### **1.11 Reconciliation with previously accepted Generally Accepted Accounting Practice**

In preparing the accounts, the directors have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required.

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required. In their estimation, the impact of transitioning is not material to the financial statements and therefore the restatement of comparative items is not required. The transition date was 1 September 2014.
