Achievements and performance

The board of trustees are very happy with the progress that the charity has continued to make during the period to the 31st March 2024, and consider that the charity remains well placed to build on the work being done by the charity in the pursuit of its objects and aims. The charity retains the adequate assets necessary for it to meet its obligations. The charity is hugely encouraged to build on the progress of the previous years and are advancing further with other programmes geared to help the people in attendance and the community in general.

During the period the charity pursued its main objectives over its advancement of Christian Faith through various events run within the church premises and in other locations.

The assistance in prevention of or relief of poverty, whether that be financial, spiritual, emotional, physical, or psychological has continued. Several families are being helped to be debt free through our financial management and helps programme. Counselling and support have been provided to families who are struggling with debt.

The advancement of health and the relief of those in need by reason of youth, age, ill-health, disability, financial hardship, or other disadvantages.

An explanation of the charity's main objectives for the year

The charity's main focus has been to continue build up the charity and its members, whilst at one and the same time meeting the needs of those members. This will continue through the next twelve months. Numbers began to increase as we lockdown ended and more restrictions were lifted.

We continued with giving out food hampers to those in need around the Keighley area. As we are a food bank, we go out with giving hope to those struggling and offering help in any way we can assist them with. Especially offering help with their finances.

The Christmas concert was held to reach out to the local community has been a tremendous success with a large number of people in attendance.

Weekly Bible Studies have been taken place to teach the Word of God in a deeper way. Monthly prayer meetings are held for the church on the first Monday, Tuesday & Wednesday of every month. With a prayer meeting held on the Monday night at 7:30pm in the building.

Achievements and performance *(continued)*

Presence in social media and website has been well published.

Based in Keighley we are seeing a substantial benefit in this location, drawing people from Bradford, Leeds and further afield from Lancashire.

An explanation of the charity's strategies for achieving its stated objectives

The extent to which the charity can meet its stated objectives is down to the speed at which growth in the core membership occurs. This growth is occurring faster than anticipated, as stated last year all aspects of the charities main objectives are utterly scalable and to that end all the educational, and the relief of poverty objectives are being met on a one to one basis with Pastors Reeba and Joshua expending considerable time with those in need and with the educational needs of the body of people who form the congregation of The Aroma of Jesus Ministries.

The contribution of volunteers

All works undertaken by the Charity other than one member of for the church administration and the primary provision of time and teaching by Reeba Samuel, are the result of voluntary contribution.

Fundraising activities

The charity relies on grants aid from the donors identified in the accounts whose support is valued and from one weekly collection from those attending and also during any special midweek events. The biblical giving during our services has been the only way the charity has been funded, There have been no other fundraising activities.

Investment performance

There have been no investments made by the charity within the period.

Summary of main activities of the charity in relation to its objects

Within this period, the Charity, has revolved around the establishment of the church as stated above.

Financial review

Principal funding resources

Donations and gifts are our principal sources of funding. This funding has supported our outreach in our youth and children's work. Prevented poverty and provided relief to families in financial hardship.

The Statement of Financial Activities show net incoming resources for the year of a deficit of £16,357 (2023: surplus of £81,579). The total reserves at the yearend stand £150,815 (2023: £167,172).

Reserves policy

The trustees kept, sufficient assets to fund activities for the next 6 month.

Funds in deficit

No funds are in deficit.

Plans for future periods

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Aroma of Jesus Ministries

Company Limited by Guarantee

Notes to the Financial Statements (continued)

Year ended 31 March 2024

3. Accounting policies (continued)

Tangible assets (continued)

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings	- 20% reducing balance
Computer equipment	- 33% reducing balance

4. Limited by guarantee

Aroma of Jesus Ministries is a company limited by guarantee and accordingly does not have a share capital. Every member of the company undertakes to contribute such amount as may be required not exceeding £1 to the assets of the charitable company in the event of its being wound up, while he or she is a member or within one year after he or she ceases to be a member.
