### Additional governance issues

The working arrangements for the management of the work of the Free Grace Evangelistic Association (FGEA) are set out in bye-laws approved under the Constitution. These bye-laws set out the policy for furthering the charity's objects, roles and responsibilities of the officers, criteria for giving grants, rules governing membership and record keeping. These have been kept under review during the year. At the October 2023 Annual General Meeting (AGM) an amendment to the Constitution and a revised set of bye-laws were approved to clarify the conduct of remote Trustee meetings and to provide legal validity to appointing trustees who were not resident in the UK. Subsidiary policies and procedures have also been updated, most notably adding a policy on social media and copyright compliance.

The agreed policy for meeting the charitable objects is to make grants to locally based Partner Associations in Africa and Asia, that are linked via partnership agreements and a common Declaration of Faith to the UK charity. Grants are also made to appointed FGEA Representatives, trusted contacts or other partner organisations as approved by the Trustees. The International Co-ordinator acts as the focal point for the Bible and literature distribution, and for literature translation. The Chairman takes the lead with the Bible translation projects that are done in partnership with the Trinitarian Bible Society (TBS). The routine decisions on grant giving and priorities are taken by an Overseas Operations Sub-Group that is chaired by the Chairman and consists of the International Co-ordinator, Treasurer and another trustee who assists the Treasurer. The Sub-Group decisions and discussions are reported back to the Management Committee. The arrangement was first set up in 2020, and throughout this reporting period it has continued to be effective, with an additional Trustee joining the Sub-Group.

During the reporting period, the Management Committee was strengthened by the appointment of Mrs Jackelyn Krol from Canada (who has experience of charitable work in both Canada and Africa) and Mrs Karen Pocock (who is an Accountant and is assisting the Treasurer).

The Trustees have agreed a policy for verifying the correct use of grants, which includes detailed record keeping, receipt of photographs and reports, and visits by a representative of the Association. During the reporting year foreign visits were made by Trustees on behalf of the Association to Burundi, Kenya and Zambia. *(Note: Further visits to Malawi, Burundi and Kenya took place in May and June 2024)*

Regular contact is maintained by use of remote communication (messaging, audio/video calls) via the internet, which is now generally available to the Association's representatives abroad.

Although the Association is legally governed by the subscribing members, from whom the Trustees are elected, the Trustees continue to encourage wider interest and support for the work of the Association. The Trustees have sought to arrange in-person meetings and visits to churches in addition to the use of the FGEA website and a Facebook page. Meetings have been held in England, Northern Ireland, the Republic of Ireland and Australia. The category of Sponsor is also open to all regardless of their beliefs. This enables all to have the opportunity to support and follow the work of FGEA.

## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

The advancement of the Christian religion worldwide for the honour and glory of God the Father, God the Son and God the Holy Ghost, in obedience to the great commission (Mark 16. 15, 2 Timothy 2. 2), showing compassion and providing assistance to the poor, orphans, widows and the sick (James 1. 27).

### Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The main activities undertaken for the public benefit in relation to these objects were the provision of grants for the following purposes:

- Free distribution of Bibles and Christian literature to churches and individuals in poor communities in Africa and Asia, where otherwise they were either unaffordable or unobtainable. Wherever possible, distribution is accompanied by teaching on the Word of God.
- Provision of food, clothing, school materials, medical and other associated needs for orphaned children in an orphanage in India. As of June 2024, the number cared for is 56 orphans (33 boys and 23 girls).

- Meetings and seminars for teaching and distribution of the scriptures, mostly led by overseas Co-ordinators and Representatives.

- Issuing of newsletters and updates has continued in the UK to increase awareness and to raise funds. This now includes a printed colour newsletter issued every 6 months. The Website and Facebook page continue to advertise more widely the Association's work. In-person Open Meetings and deputation style meetings have taken place in multiple parts of England. A series of meetings was held in Northern Ireland and the Republic of Ireland in March 2024. One of the Trustees also spoke on the work of the Association at meetings in Australia.
- Grants have been requested from other charities to send Bibles and literature directly to trusted contacts in Africa and Asia.

The Trustees have due regard to guidance issued by the Charity Commission on public benefit. This is subject to annual review, but Trustees have also given this specific attention during the review of the organisation and operations of the Association and its work with Partner Associations.

During the reporting period, the Association's financial operations and controls were subject to a detailed review by the Bank for compliance with financial duties relating to sanctions and money laundering. This was successfully completed. It is evident that this type of review will be an annual activity, and therefore the active maintenance of robust financial procedures (especially relating to overseas transactions) is necessary to retain banking facilities in the present climate. Therefore, in early 2024 the Chairman requested a review by Mr De Vogel (Treasurer) and Mrs Pocock (Trustee / Accountant). This concluded that the FGEA accounting and reporting procedures met the various requirements.

### Additional details of objectives and activities

Whilst in many parts of Africa and Asia, the official language is English and the more educated people can read this, the Free Grace Evangelistic Association knows the necessity of providing sound and reliable versions of the Bible and Christian literature in the native languages. The children and the poorest people often can only read in their native language. Therefore, the Free Grace Evangelistic Association has continued to support during the year the free distribution of the Scriptures and other Christian literature in native languages.

During the year, children's literature in Malawi was printed for the first time in Chichewa (Parables of Jesus). Translation work on a French edition was also completed, such that a first edition could be printed in Ivory Coast for West Africa.

The situation is different in major cities like Abidjan, because French is often the first language for many children. Therefore, translation work has started on a second book into French (Crucifixion of Jesus). "Bible Doctrines Simply Explained" has also been reprinted.

In partnership with the Trinitarian Bible Society (TBS), work has continued throughout the year on the translation of the Chichewa Bible with primary reference to the Authorised (King James) Version. The project is being led by the FGEA (Malawi) co-ordinator and supported by local checkers. During the period a detailed review and proof-reading was undertaken on the entire Bible, which included revisions to the previously published Chichewa NT to ensure consistency of the translation and text throughout the Bible. God willing, the final stages of type-setting and proof reading will be concluded by the end of 2024. During the period, FGEA and TBS

also continued work in Zambia on the Bemba New Testament, led by the FGEA (Zambia) co-ordinator. This work has progressed as far as Revelation, with two extra members being added to the team in Zambia.

The Free Grace Evangelistic Association most gratefully acknowledges the grants provided by the TBS and from other private grants:

These grants were sent to Africa and Asia at the request of the Free Grace Evangelistic Association, and they were distributed through FGEA representatives and contacts.

These represent a very significant assistance to the work of FGEA. The numbers of granted of Bibles in this reporting period was much higher than the previous year. FGEA particularly would note with much thankfulness four large Bible grants provided by TBS to Zambia, Zimbabwe and Malawi.

### Summary of the main achievements of the charity during the year

The Trustees must record that the Association is dependent upon the gracious hand of God to supply all our needs, both spiritual and material. The Lord has been gracious and merciful, in answer to prayer, when the charity has been hard pressed by the many genuine and urgent needs before us. During the period 2023/24, there have continued to be many unexpected challenges and unrest in certain countries where FGEA is working. However, the Lord has graciously sustained us and opened new doors or ways of working.

Recent years have seen an increase in our Representatives, with appointments in Ivory Coast (for French speaking West Africa), Burundi and Kenya. In early 2024 a Representative was also formally appointed in Cameroon. However, in Burundi we were greatly saddened in August 2023 by the death of our Representative, Nestor Bukuru. However, he had faithfully commenced a committee in Bujumbura, so that after his passing the work could continue and be developed into a partnership agreement with FGEA Burundi. It was therefore a priority to revisit and further establish relationships in Burundi and Kenya, which took place through the Chairman's visit in May 2024.

In May 2023, Mr Kinderman (International Co-ordinator) visited Zambia and was also able to meet with Representatives from Malawi, Zimbabwe and Dem Rep Congo. He and two other Trustees (Mr De Vogel and Mrs Krol) visited Malawi in June 2024 and met with Representatives from neighbouring countries. It was with much thankfulness to the Lord, that all of these visits were successful by the grace of God. They are an important step in building relationships with the FGEA Co-ordinators and Representatives overseas and gaining improved mutual understanding.

The following is a summary of the quantity of Bibles and literature that has been provided for free distribution during the reporting period through the charity's income. This includes Bibles and books that are either on order, in transit or being printed as of 31 March 2024, but have been fully paid for (as per the financial accounts). The figures in brackets give the numbers in the previous year. The totals are then categorised according to language. It is our prayer that the Lord would bless the word distributed. Although a comparison of totals is given, these are only a very rough guide. This is because in some languages (especially for Bibles), unit costs are much greater than others. Depending on where the Bibles and literature are most needed, transport costs may also be significant within the country of distribution.

In 2022/3 a very large financial grant was given to FGEA, which was used to purchase French NTs from TBS, whereas in 2023/4 very large grants of Bibles were given to FGEA by TBS. Therefore, the numbers of scriptures purchased has fallen, but the number of granted Bibles is very much greater this year.

A total of 3960 books/booklets (2023: 11731 books/booklets)

2700 French  
1000 Chichewa  
258 English  
7 Burmese

70 Scripture Posters

Due to greatly increased shipping costs and limited access to Mail Bag routes, second hand literature is no longer being shipped. Rather, the focus is on printing literature locally in Africa and Asia.

Free Grace Evangelistic Association only distributes Authorised (King James) Version (KJV) Bibles in English; and in other languages those available versions that are closest to the text and principles upon which the KJV was translated. Christian literature must also be consistent with the doctrinal position adopted by the Association.

A substantial proportion of the charity's funds have been expended on orphanage work. As in previous years, regular grants have continued to support orphans in India (currently 56 orphans), on average amounting to £2000 per month. We are very thankful to the brethren for the work carried out in India. Additional grants have been provided to cover the additional food costs during school holidays and for the new school year equipment. Some funds have also been provided for maintenance work in the orphanage.

FGEA co-ordinators and representatives have organised many meetings for distribution of Bibles and literature, which have been funded by FGEA and other granting organisations (principally supply of Bibles from TBS).

Further details on the work of FGEA are given on the charity's website [www.freegrace-ea.org](http://www.freegrace-ea.org).

Many individuals have kindly given of their time and resources freely in support of the Free Grace Evangelistic Association. This is most gratefully appreciated. We would give our profound thanks to the officers and members of the overseas' FGEA associations and representatives for all their labours.

## Brief statement of the charity's policy on reserves

As a relatively new charity, with requests for assistance that greatly exceed income, the policy is not to build up long-term reserves at this time, but to use incoming funds within a period of a few months. This position will be reviewed by the Trustees should a very large donation be received in the future.

## Details of any funds materially in deficit

No funds are in deficit.

## Further financial review details

A summary of the Association's income and expenditure is presented in the Receipts and Payments Accounts. Total income for the year 2023/24 was £94964, which is lower than the £124,230 previous year. The main reason for the difference is the one-off large grant from Providence Chapel Croydon Charity for the purchase of nearly 14000 French NTs in 2022/23. However, there has been an increase in Bible grants from TBS during the period 2023/24.

Correspondingly, expenditure was also lower at £89981 compared to £122210 in year 2022/23, but the income in 2023/24 was nevertheless above that in 2021/22 when (like 2023/24) there was no extraordinarily large item of income and expenditure.

The charity's income has been directed towards supporting the key objectives, namely free distribution of Bibles and Christian literature, teaching sound Christian doctrine, and support for orphans in India. Regular testimonies have been received from Africa and Asia expressing appreciation from many beneficiaries. Testimonies continue to be received from pastors and churches who have been given Bibles and books, that otherwise they could not have obtained, which by God's grace are helping them much in the ministry and churches. Testimonies have also been received from the orphans supported by FGEA, that the assistance has greatly helped these poor children to be fed, clothed, and cared for in a loving environment and to be prepared for adult life in their communities.

The majority of the charity's income is from individuals and other organisations (principally churches) giving donations or taking collections on behalf of the Free Grace Evangelistic Association. A sizeable income is also received from Gift Aid tax rebates. The facility for making on-line donations through the UK charity "Stewardship" has continued to provide significant funds, being 8% higher than the last annual period.

However, it must be stressed that much of the funds received are largely through one-off donations and grants, rather than regular income, and the funds currently held by the charity are mostly allocated for forthcoming expenditure on Bibles, literature, or orphans. Therefore, the Trustees' current policy is not to extend the humanitarian work of the Association any further at this time. In light of this funding situation the Trustees have continued to implement a system of contingency allocations, so that if donations were lower during a given month spare funds would still be available.

Significant donations are now received from churches in Canada, USA and Australia. The Association has (as of May 2024) submitted an application to register for fundraising in the Netherlands.

Expenses paid directly to Trustees have been included explicitly in the accounts amounting to £438. These consisted of reimbursement to the Secretary for materials (including laser printer cartridges) and to the Chairman for customs charges on a shipment of Bibles.

## Section F Other optional information

Whilst direct bank charges for international payments are identified in the Accounts, other charges are included within single international payments (e.g. exchange rates, foreign bank fees, transfer charges).

Some of the variation from one year to another in the accounts is due to major expenditure that falls either just before or just after the end of the financial year.

## Section G Declaration

The trustees declare that they have approved the trustees' report above.

**Respective  
responsibilities of  
trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent  
examiner's statement**

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent  
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in, any material respect:  
the accounting records were not kept in accordance with section 130 of the Charities Act; or

1. the accounts did not accord with the accounting records; or
2. the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.
