BALEAP supports the professional development of those involved in learning, teaching, scholarship and research in English for Academic Purposes (EAP). The organisation was founded in 1972 as SELMOUS (Special English Language Materials for Overseas University Students) and became The British Association of Lecturers in English for Academic Purposes in 1989. It became a company and charity in 2010, changing its name to BALEAP.

The trustees are not aware of any related parties.

The trustees have assessed the major risks to the charity and are satisfied that adequate systems are in place to mitigate these risks.

BALEAP has until now carried out its work through the activities of sub-committees and working parties which report regularly to an executive committee, which in turn reports to an Annual General Meeting. The sub-committees currently comprise the BALEAP Accreditation Scheme (BAS) committee, which deals with both individual and institutional accreditation, and the Research and Publications (RP) committee. Working Parties have also been established to carry out time-bound project work, including the BALEAP Vision and Values in Practice Working Party, the BALEAP UCU Working Group and the TEAP Working Party, noting that the latter is a more stable entity that may benefit from re-constitution as a committee. The Special Interest Groups (SIGs) are also organised around a Committee structure. Work is ongoing to ensure that all entities within BALEAP's governance structure are supported by appropriate terms of reference.

Objectives and Activities

The charity's objects are, for the benefit of the public, the advancement of learning, teaching and research in the field of English for Academic Purposes (EAP) including, without being limited to:

1. enhancing the quality of learning and teaching of English for Academic Purposes in further and higher education;
2. supporting the professional development of those involved in learning, teaching, scholarship and research in English for Academic Purposes;
3. providing an accreditation scheme for courses in English for Academic Purposes and
4. promoting and disseminating understanding of English for Academic Purposes to relevant stakeholders.

BALEAP

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

BALEAP achieves its objectives through various activities including events, conferences, workshops, the publication of research, and the provision of our individual and institutional accreditation schemes. Professional development is facilitated through Professional Issues Meetings (PIMs), biennial conferences, and webinars. The SIGs offer specialised focus areas to support a diverse range of interests. The current SIGs are:

- Academic Literacies

- English Medium Instruction
- In-Sessional EAP
- Law
- Social Justice
- STEM
- Teacher Education in EAP

Professional Issues Meetings (PIMs) and Special Interest Groups (SIGs):

PIMs:

Three PIMs were held as follows, using a mix of in-person and online formats in order to support inclusion and access:

- November 2024 - Challenges and Tensions in Materials Design for English for Academic Purposes (University of Portsmouth)
- March 2025 - Transitions and Transformations: The key roles of the EAP Practitioner (University of Hertfordshire)
- June 2025 - Professional Growth and Development in EAP: Exploring Current Practices and Imagining Future Possibilities (QMUL)

SIGs:

The SIGs are active, expanding their reach and hosting events. Examples of SIG events include:

- Academic Literacies SIG Webinar – Designing Embedded EAP/Academic Literacies

In order to promote inclusion and access, and mindful of a somewhat crowded event landscape, BALEAP Executive Committee took a decision to reduce the number of future PIMs from three per year to two per year, with one online by default. All events are now listed on the BALEAP website in order to provide clear information to members on the wide variety of free and online events available.

Conferences

The 2025 BALEAP Conference was hosted by the University of Plymouth 14th-17th April 2025 on the theme of co-construction and collaboration. The Conference invited exploration of unique positionings, 'third spaces', and collaborative projects that reach across and beyond the university, and aimed to explore questions such as:

- What does it mean to engage in co-creation in EAP teaching and research?
- How are participation, voice and agency linked?
- What are the conditions of possibility for collaboration across disciplines and among participants who are differently positioned within institutions or society?

**TRUSTEES' REPORT (INCLUDING DIRECTOR'S REPORT)
FOR THE YEAR ENDED 31 JULY 2025**

A host was also identified for the 2027 Conference, which will be held in London in April 2027 hosted jointly by King's College London and the University of Westminster. The conference theme is 'From Precarity to Possibility: Community and creativity in EAP'.

BALEAP Accreditation Scheme (BAS):

From 1st August 2024 to 31st July 2025, re-accreditations were successfully completed at several institutions, as follows:

On Saturday 17th May 2025, the annual May Event, free to all members of BALEAP, was held at the University of Reading, with the programme including the sharing of best practice by recently accredited institutions, and BAS-related training (on preparation of visit Context Documentation and articulation of EAP Principles within this documentation).

Work continued on a collaborative project with the EMI SIG Convenor to improve BAS's international reach.

Research and Publications:

The **ResTES** series continued successfully this year, offering five webinars to support practitioner research in EAP:

- Why publish practice-based research and what makes practice-based research publishable?
- Selecting a journal and identifying the contribution
- Navigating the review process and life after publication
- Researching EAP practice: methodological choices and how to make them
- Dealing with ethics in EAP teacher research: positionality, power relationships, and micro-ethics in practice

The **BALEAP Journal of Research and Practice** was also launched as an open access publication providing a space for practitioner research in a range of multimodal formats. The journal aims to foster a dynamic space for EAP educators, researchers, and theorists to exchange and develop knowledge in creative and scholarly ways. It seeks to promote dialogue

that bridges theory and practice in EAP and related disciplines, while also encouraging interdisciplinary engagement that supports both academic understanding and practical teaching applications.

In addition, the **MA Dissertation Award** was completed, with the winner announced at the BALEAP Conference in Plymouth. The **Doctoral Studies Award** was launched in January 2025, further strengthening BALEAP's support for emerging researchers in the EAP community.

TEAP

The TEAP scheme saw a streamlining of processes and a focus on extending international engagement.

During this period, 11 applicants were awarded Associate Fellow, 3 were awarded Fellow and 2 Senior Fellow status.

Strategic Projects

Two strategic initiatives under the leadership of the BALEAP Chair reached milestones as follows:

Vision and Values in Practice Project

Endorsed by the BALEAP Executive Committee in October 2024, this project builds on BALEAP's Values and EDI Statement to create a Vision statement for the organisation and a Values in Practice framework to articulate BALEAP's commitment to ethical practice in all areas of our work. Endorsement was followed by the establishment of a Working Group and a series of consultation and engagement activities with members which took place up to and including summer 2025.

BALEAP BUILA Good Practice Guide

Following an approach by BUILA (the British Universities' International Liaison Association), the BALEAP Executive Committee endorsed a collaborative project to develop and jointly publish sectoral guidance to highlight good practice in the evaluation of English language tests and qualifications and to articulate the value and impact of good quality EAP pre-sessional and in-session provision.

A team of expert writers were appointed to work with the Chair and Outgoing Chair on the development of the content. This project is jointly funded by BALEAP and BUILA.

Reserves policy aims to maintain funds equivalent to three to six months' expenditure, ensuring sustainability amidst funding variability.

The financial review confirmed satisfaction with risk management systems in place.

The trustees, who are also the directors of BALEAP for the purpose of company law, are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent, and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

I report to the trustees on my examination of the financial statements of BALEAP (the charity) for the year ended 31 July 2025.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law), you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006.

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the Companies Act 2006 and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the Companies Act 2006;
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2025

1 Accounting policies

Charity information

BALEAP is a private company limited by guarantee incorporated in England and Wales. The registered office is Unit F1, Intec, Parc Menai, Bangor, Gwynedd, LL57 4FG, Wales.

1.1 Basis of preparation

The financial statements have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 JULY 2025

1 Accounting policies**1.5 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

During the year the charity operated a single unrestricted income fund. Accreditation, Professional Issues Meetings and similar meetings are regarded as integral to the charity's general objects and activities and are identified as components of the single unrestricted fund.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 JULY 2025

1 Accounting policies

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.8 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
