Heckington Windmill Trust
Report of the Trustees for the Year Ending 31st March 2025

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and Activities

1. To preserve, restore and maintain Heckington Windmill for the public benefit as a building of architectural and historical importance.
2. To advance the education of the public in the history and operation of the Windmill.

Public benefit

The trustees confirm that they are aware of the guidance contained in the Charity Commission's general guidance on public benefit and consider that the ongoing operation and development of the mill provides significant educational and conservation benefits to the public.

Achievement and Performance

The Trust continues to be successful in its objective to open and operate the windmill as a high quality attraction for the benefit of the Public. The windmill was opened on approximately 180 days during the year, and has the highest Tripadvisor rating in the area. Milling operations have been significantly expanded with a wide range of products. This has increased the ability to demonstrate milling for our visitors as well as keeping milling skills alive and generating revenue.

The National Lottery Heritage Funded Engagement & Development Project is being successfully delivered supporting and building the volunteer base of the Trust and widening the audience and activities on site. The Trust had another strong year financially generating a surplus of £21,416, taking the total reserves to £190,064.

Volunteers

The operation and success of the Trust is underpinned by a very substantial contribution from its volunteers. Of the 85 registered volunteers most contribute more than 50 hours per year, and many substantially more. This equates to approximately £48,620 per annum.

Financial Review

Principal funding sources

The principal funding sources for the charity are by way of profits made on sales in the shop and tea room, entrance fees, donations and rental income from the Brewery.

Investment policy and objectives

Cash is held in interest earning deposits at banks and other institutions. Funds not required to be immediately accessed are held in higher interest rate deposits at varying periods of notice relating to the likely timescale on which they would need to be accessed.

This policy is reviewed annually.

Reserves policy

At 31st March 2025 the charity had £190,064 (2024: £168,648) in reserves. £190,064 (2024: £166,676) is unrestricted and £0 (2024: £1,972) were restricted.

The reserves policy is to transfer 50% of the annual surplus into a Repair & Renewals Fund. This is retained to fund ongoing major repairs and renewals of equipment across the site.

The target is to maintain a cash reserve equal to 6 months of normal operating costs.

The reserves policy is reviewed annually.

Heckington Windmill Trust
Report of the Trustees continued for the Year Ending 31st March 2025

Future Plans

To continue to open the windmill and promote it to the widest possible audience. This includes promotion to visitors to the area as well as development of an educational programme. To work alongside Lincolnshire County Council to complete the windmill's current repair programme, returning it to operation at the earliest possible opportunity. To successfully complete the NLHF Engagement and Development Project and to develop a robust plan for continuation at the end of the current funding cycle.

Structure, Governance and Management

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The governing document of the charity is its Memorandum and Articles of Association.

The charity is managed by the trustees who meet on a regular basis and decisions are made at these meetings

Key management remuneration

The total amount of employee benefits received by key management personnel is £Nil (2024 £Nil).

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

**Heckington Windmill Trust
Independent Examiner's Report to the Trustees**

Independent examiner's report to the trustees of Heckington Windmill Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The company was entitled to exemption from audit under s477 of the Companies Act 2006 relating to small companies.

The members have not required the company to obtain an audit in accordance with section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to small companies subject to the small companies regime and in accordance with FRS 102 SORP.

C A Pinchbeck - Chair
20th June, 2025

Heckington Windmill Trust
Notes to the Accounts for the Year Ending 31st March 2025

1. Accounting policies

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

Recognition of income

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Grants and donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP). In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

Legacies

Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Government grants

The charity has received government grants in the reporting period

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Contractual income and performance related grants

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

Donated goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

Heckington Windmill Trust
Notes to the Accounts Continued for the Year Ending 31st March 2025

1. Accounting policies continued

Donated services and facilities

Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SoFA.

Support costs

The charity has incurred expenditure on support costs.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Income from interest, royalties and dividends

This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

Income from membership subscriptions

Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.

Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.

Settlement of insurance claims

Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP) and are included as an item of other income in the SoFA.

Investment gains and losses

This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

Redundancy cost

The charity made no redundancy payments during the reporting period.

Deferred income

No material item of deferred income has been included in the accounts.

Creditors

The charity has creditors which are measured at settlement amounts less any trade discounts

1. Accounting policies continued

Provisions for liabilities

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date

Basic financial instruments

The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS 102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS 102 SORP.

Tangible fixed assets for use by the Charity

These are capitalised if they can be used for more than one year, and cost at least £1,000.

They are valued at cost.

The depreciation rates and methods used are disclosed in note 7.

Stocks and Work in Progress

Stocks held for sale as part of non-charitable trade are measured at the lower of cost or net realisable value.

Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.

Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Designated funds are funds set aside by trustees out of unrestricted funds for specific future purposes or projects.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The Charity operates a defined contribution pension scheme. Contributions payable to the Charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
