**DIRECTORS' REPORT**  
**GOVERNANCE**

**Governing Document**

The organisation is a charity, registered on 29<sup>th</sup> November 2010, and non-profit making company limited by guarantee, incorporated on 3<sup>rd</sup> May 2001. The company was established under a Memorandum of Association, which established the objects and powers of the company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

**Objectives**

The GoodWeave initiative has two objects:

- To relieve poverty suffering and distress in any part of the world; and
- To promote research into and education concerning the causes and effects of poverty particularly (without prejudice to that generality) in relation to the conduct of business and to the conditions of employment (including self-employment) of poor people in any part of the world, and to publish the useful results of that research.

In furtherance of these objects the organisation acts as the UK regional office of GoodWeave International, whose aims are:

- i) to eradicate illegal child labour in the carpet industry and such other products as certified by the GoodWeave label;
- ii) to provide children with concrete opportunities for education, vocational training, and other means for preparing to meet the future with hope;
- iii) to stimulate the employment of adults, so parents can support their families adequately;
- iv) to facilitate development programmes to improve the terms and conditions of employment for adult workers in the carpet and other industries with similar employment issues, consistent with internationally recognised labour standards. so that the industry can become a model for providing a living wage for skilled artisans and their families and for producing carpets using environmentally sound practices.

GoodWeave UK has exclusive licensing rights from GoodWeave International (the holder of the trademark) to the GoodWeave label in the United Kingdom and agrees to grant importers a licence to use the GoodWeave label to market carpets, rugs and other products manufactured according to the GoodWeave concept on the terms and conditions set out in the Licence Agreement.

**Statement of Directors' Responsibilities**

Company Law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure for the financial year. In preparing those financial statements, the directors are required to follow best practice and:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);

## **GOODWEAVE UK (A Company Limited by Guarantee)**

### **DIRECTORS' REPORT (continued)**

- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

### **Members of the Management Committee**

Members of the Management Committee, who are Directors for the purpose of company law, who served during the financial year and up to the date of this report are set out on page 3. The Directors are selected by the Board in the light of their knowledge and experience of the issues on which GoodWeave UK works.

In accordance with company law, as the company's directors, we certify that:

- so far as we are aware, there is no relevant audit information of which the company's independent examiner is unaware; and
- as the directors of the company, we have taken all steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that the company's independent examiner is aware of that information.

### **The Charities Activities and Achievements**

In 2022 marketing for GoodWeave UK continued to be managed by GWI, employing a part-time UK-based consultant to handle regular contacts with the licensees in the UK.

The total UK licence fees in 2022 were £63,566 of which £36,321 were used for education and rehabilitation work with children and their families by our partners in the carpet-producing areas of India and Nepal. This was a decrease of 10% over 2021, mainly as a result of order timing by one large importer and a general slowdown in the worldwide carpet market. GoodWeave signed five new carpet licensees in the UK in 2022 but this was offset by the termination of three small licensees.

To date, GWI and its associates have rescued more than 9,000 children from child labour, supported education for some 44,000 children, and now works with 190 importers worldwide to monitor their supply chains. More than 90,000 adults worked on some 6,000 sites licensed and inspected by GoodWeave International in Bangladesh, India, and Nepal in 2022. GWI has gradually promoted the GoodWeave methodology more widely and in 2022 the inspection and monitoring processes were trialled in the Bangladesh garment industry, brick kilns in Nepal, tea in India and sugar cane in Pakistan.

During 2022 GWI inspections gradually returned from remote inspections to on-site inspections and the number of inspections increased. The Covid support scheme for workers in the carpet and garment industries in India, Bangladesh and Nepal was run down. In the period 2020 to 2022 170,000 people were helped with remote learning for children, food aid, hygiene services and Covid health and safety information.

**DIRECTORS' REPORT (continued)**

**Financial Review**

The Directors of GoodWeave UK report a net surplus of £1,491 for the period under review. At the year-end there was a total reserve of £13,075; made up of £12,434 of unrestricted funds and £641 of restricted funds.

Details of the major items on the balance sheet can be found in the notes to the accounts. The fluctuations in debtors and creditors year on year are simply the result of the timing of receipts and payments around the year end.

**Reserves and Risk Management**

The trustees have agreed that GoodWeave UK can continue its operations and carry out its charitable activities with minimal reserves and as a result the reserves will be kept at a basic level during 2023. The trustees intend to allocate some of the existing unrestricted reserves as soon as GWI operations return to normal. The trustees are confident that, because of the current methods of operation, this policy does not create any significant risk for the charity or its beneficiaries.

The trustees regularly examine the major risks that the charity faces and seeks to control these risks to mitigate any impact they may have on the charity. The majority of GWUK income comes from licence payments made in arrears and non-payment is an obvious risk. However, in practice these fees are simply passed through the GWUK accounts when received and so any loss to GWUK debtors will be offset by the same reduction in creditors.

**Public Benefit Statement**

Directors of a charity have a duty to report in their annual report on their charity's public benefit. The Directors have concluded that the section above on "Activities and Achievements" demonstrates that GoodWeave UK's work benefits a wide range of people and organisations in both the UK and South Asia and as a result:

- the aims of the charity continue to be charitable;
- the benefits are for the public, are not unreasonably restricted in any way and certainly not by ability to pay and;
- there is no detriment or harm arising from the aims or activities.

**Fundraising Statement**

The trustees have taken note of Sections 13 and 14 of the Charities (Protection and Social Investment) Act of 2016. GoodWeave UK does not use professional fundraisers. Fundraising activity with the general public is limited to a donation button on the website and links to this from social information platforms. No complaints about such activity were received by the charity during 2022.

## **INDEPENDENT EXAMINER'S REPORT TO THE DIRECTORS OF GOODWEAVE UK LTD**

I report on the financial statements of GoodWeave UK Limited for the year ended 31<sup>st</sup> December 2022 set out on pages 9 - 11 and notes to the accounts on pages 12 to 15. These financial statements have been prepared in accordance with the Charities SORP (FRS 102) under the historical cost convention and the accounting policies set out therein.

This report is made solely to the charity's trustees, as a body, in accordance with Section 145 of the Charities Act 2011 and regulations made under that Act. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company and its trustees as a body, for my audit work, for this report, or for the opinions I have formed.

### **Respective responsibilities of directors and independent examiner**

As described on page 4 the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom accounting standards.

My responsibility is to examine the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Standards.

I report to you my opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with Companies Act 2006. I also report to you if, in my opinion, the Report of the Directors is not consistent with the financial statements, if the company has not kept proper accounting records, if I have not received all the information and explanations I require for the audit, or if information specified by law regarding directors' remunerations with the company is not disclosed. I read the Report of the Directors and consider the implications for my report, if I become aware of any apparent misstatement within it.

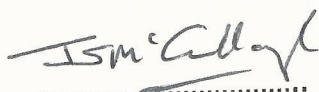

### **Basis of Opinion**

My work was conducted in accordance with the general directions given by the Charity Commission. An examination includes a review, on a test basis, of evidence relevant to the amount and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

I planned and performed the examination so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from misstatement, whether caused by fraud or other irregularity or error. In forming my opinion, I also evaluated adequately the presentation of information in the financial statements.

### **Opinion**

In my opinion the financial statements give a true and fair view of the company's affairs as at 31<sup>st</sup> December 2022 and of the surplus of incoming resources over resources expended for the year then ended and have been properly prepared in accordance with the Company's Act 2006 and principles of the Charities SORP (FRS 102).

**For the Year Ended 31<sup>st</sup> December 2022**

**1) Accounting policies**

**a) Basis of preparation**

- i) The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain fixed assets, and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2008) and the Companies Act 2006.
- ii) These accounts are the accounts of GoodWeave UK
- iii) These accounts have been prepared on an accruals basis and include income and expenditure as they are earned or incurred, rather than as cash is received or paid.

GoodWeave UK is a Public Benefit Entity as defined by FRS 102.

**b) Going concern**

At the time of approving the accounts, the Trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus, the Trustees' continue to adopt the going concern basis of accounting in preparing the accounts.

**b) Fund accounting**

- i) The company's unrestricted fund consists of funds, which the company may use for its purposes at its discretion.
- ii) The company's restricted funds are those where the licensee/donor has imposed restrictions on the use of the funds, which are legally binding.

**NOTES TO THE ACCOUNTS (continued)**  
**For the Year Ended 31<sup>st</sup> December 2022**

**2. Licence Fees:**

Importers must pay a fee to be able to use the trademarked GoodWeave label and logo. 57% of the fee is sent to the GoodWeave office in the relevant producer country to fund random inspections, and welfare, education and rehabilitation activities. 43% contributes to promotion of the GoodWeave mark and aims in the UK

Licensed importers must report on their imports and pay the licence fee within 30 days of each quarter day (March 31<sup>st</sup>, June 30<sup>th</sup>, September 30<sup>th</sup>, December 31<sup>st</sup>). Accounting is made for the quarter in which the licence fee is, or should have been, received for imports in the previous quarter.

Estimates of outstanding payments have been included in these accounts because they are a significant part of total assets and of the reserves. In 2022 GWUK had to write off £296 of licensee debts because the companies concerned had ceased GoodWeave related activity. This had no impact on the profit and loss as it reduced our GWI creditor by the same amount.

Licence fee payments owed to GWUK at year end = £29,590

Donations received included:  
Wyndham Charitable Trust = £1,000
