TRINITY CHURCH HARROW

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustees present their annual report and financial statements for the year ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Church's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

Objectives

The Constitution states that the Purpose of the Charity (Church) is to advance the Christian faith in the Area of Benefit in accordance with the principles and practices of the participating churches.

The mission of Trinity Church is:

- to worship God;
- to support one another with prayer and pastoral care;
- to bring others to Christ by sharing our faith; and
- to serve God in the world.

Activities

The Church continues to review its Mission and reconsider whether its previous activities remain relevant to the proposed way forward and to develop new ones.

Achievements and performance

In the area of Worship

Live streaming of the weekly 10.30am worship service which had been introduced during the Pandemic had been continuing for those unable to attend in person, but had to be paused for a period during the year, because consent had to be obtained from parents of all children present. The position of the cameras meant that they pick up everyone who goes in and out of the door to the Link during the Service which includes children. Services continued to be recorded over this period. A solution was found by re-siting the cameras and making it clear in which areas those present will be on camera.

Home Groups continue to meet at various times

The daily and weekly prayer ministries continue remotely with the member secure page on the website for pastoral news, providing the foundation of prayer both for the world and the Church.

Weekly prayer meetings are held in the Chapel on Tuesday evenings and staff lead daily prayers from 9.30 – 10am in the Chapel where anyone who wants to join is welcome.

The Trinity Worship Band has developed and progressed over the year. Engage Nights led by the Worship Pastor and musicians took place on a regular basis and were well attended. These included a Christmas Concert in December. At Christmas, a Christingle Service was held and the service of Lessons and Carols took place as part of the Midnight Communion Service on 24 December.

We thank all the many people in the life of Trinity for their input throughout the year, for without them, the richness and spiritual growth that we enjoy would not be possible. We are blessed with an amazing array of musicians, singers, preachers, worship leaders, and others who serve in so many different ways which helps to make Trinity the special place that it is.

In the area of Children and Young People

It has been such a blessing to see our young people explore and grow in their faith throughout the year. Children's ministry at the church has been continued following the departure of the Children and Family Pastor, thanks to all the work put in by Ineke Varcoe and a team of volunteers who have continued to minister week by week and invest in our young people. Our heartfelt thanks go to each one of them. As usual, arts and crafts were made available through the services in the summer months, and new volunteers were welcomed at the start of the autumn term.

At various times in the year, children from two of the local schools were welcomed for half a day to discover what goes on in a local church.

Joyful Noise continued to grow in the year with many new parents/carers and their young pre-school age children attending a time of play, Christian story, singing and fellowship. Beyond the Group, parents of those who attend are able to make connections with one another.

The year concluded with the impromptu nativity service which is a fantastic conglomeration of children and adults working together in a fun environment to remember the Christmas story. A "thank you" party was held the week afterwards to end the year... thanking God for the young people, the wonderful team of volunteers and above all the Lord's presence and guidance in the growth of this amazing ministry in 2024.

Regarding the Property

All improvements accord with current standards and Trustees are very grateful for the time and work put into the planning and supervision by the Minister and Church Treasurer.

Further to the earlier decision made both by Trustees and at a Church Meeting to build a balcony, discussions took place with the Architect and a preliminary estimate received for the Project covering the Balcony, the heating and cooling systems. The Project Vision Fund already set up would finance preparatory work and appropriate sources of funding to finance the Project are being pursued.

New chairs were ordered for the Sanctuary which would enable these to be moved more easily and create a more flexible space. Some reorganisation took place in the Link area. Trustees' photos together with those of staff were displayed on a notice board near the entrance and a 'Welcome to Trinity' Sign erected above the entrance.

Lettings

In April the Welldon Activity Group sadly had to close and give notice to Trinity to terminate its lease of the Activity Hall in which it had met since the new building was completed. The Pre School had been asking for more space to meet increased need following the Government's decision provide funding for children aged 9 months. With the Activity Hall becoming vacant the Pre School confirmed that they would like to use the area from 8am – 6pm Monday to Friday for 46 weeks per year. They also continued to meet in the Main Hall 5 days a week from 7.30am – 4.30pm during term time.

Discussions took place with Firm Foundation about their use of Welldon from August as a base to provide a drop-in centre and advice for homeless people. This would require some adaptations to the Centre.

Little Learners Pre School ceased to meet in July, but AA would continue to meet at the Centre.

Thanks are due to Richard and Jenny Fischer for their valuable assistance with the administration of lettings.

In the area of Church events and work with the local community

A small team took part in regular Saturday morning sessions of litter picking in the area around Trinity. The purpose of this is not only to beautify the area, but also provide an opportunity to speak with passerby, a number of whom live nearby.

The monthly Saturday coffee morning continued to take place to coincide with the litter picking.

Along with a number of other Churches, Trinity opened its premises for a Warm Hub during the period January – March. Attendees were made welcome with warm drinks and soup lunch with the opportunity to speak with Church Staff and members.

A successful Community Fun Day was held in September.

In the area of Outreach

Together with other churches, we continued to support Harrow Street Pastors, both out on the streets and through prayer support. The Church also continued to support Regeneration's Christian Schools Work through providing Office space for one of their workers and an annual grant. In addition, a number of our members lead in various charities, including those mentioned above, through serving on Trustee Boards as School Governors and through voluntary activity in Harrow.

During the Winter months, volunteers from Trinity together with those from several other churches, helped to the Firm Foundation Night Shelter which ran between January and the end of March. This provided overnight accommodation and an evening meal for homeless men at Trinity (with the women sleeping at Welldon) and a cooked breakfast for all, served at Trinity the next day. We were blessed with generous contributions of food and money to assist this.

Trinity also continues to support and play its part in both the Methodist Circuit and the URC through its Local Area Group and Synod, as well as Churches Together in Central Harrow.

The partnership between Trinity and Union Church, Totteridge entered its fifth year in January. The Church holds a weekly Sunday Service and monthly Saturday worship nights.

Trustees continued to monitor the Church's budget and policies and a support group provides regular support for the Church's Mission Enabler Rony Padilla who remains an employee of Trinity. In addition, the Minister meets with him .

The grant from the URC Synod was renewed for a further 3 years in 2022 with a commitment from Trinity to continue the partnership with Union Church as at present. We are grateful for the financial support provided by the Synod which has enabled this Church to continue to go forward and thrive.

Looking to the future it was planned for Totteridge to become more independent with Rony as Church Leaders and Elders ordained who will be the Leadership Team.

Rony and his wife Karen are to be congratulated on the progress made with numbers attending continuing to increase. We thank all involved in supporting the Partnership.

Financial review

There is a budget process that the Trustees approve and monitor throughout the year. The responsibility for all the ministry areas, including the finances remains with the Trustees.

A reserve of £100k is held, which allows for expenditure to continue for several months whilst any alternative budget, and any other measures, are put in place if any of the major income streams was to underperform. In addition to these reserves the Charity had general reserves (unrestricted and designated reserves less the book value of assets) of £299,642 and total free reserves of £94,728 (2023: £130,243).

Expenditure of any of the reserve will either be identified in the following year's budget, approved by the Trustees prior to the new year, or for some designated funds allocated by the Trustees throughout the year. It is not anticipated that any tangible fixed assets or investments need to be disposed of, for any fund to achieve its objectives.

A Finance Committee is in place to support the Trustees, and give advice as appropriate.

The Charity's income increased during the year, up from £343,176 in 2023 to £351,817 in the current year. Expenditure also increased during the year, up from £348,778 in 2023 to £354,114 in the current year. At the end of the year, the Charity held funds totalling £415,245 split as £23,275 (Restricted), £304,914 (Designated) (including £100,000 Reserve is Unrestricted - Designated) and £87,056 (Unrestricted) (For 2023 the Total was £417,541 and the split, £30,411 (Restricted), £304,543 (Designated) (including £100,000 Reserve is Unrestricted - Designated) and £82,587 (Unrestricted). In 2024 there were transfer of £37,000 Welldon Fund to Benevolence Fund £2,000 and Project Vision Fund £35,000 (In 2023 there were no transfers.)

No grants were made to institutions during the year; however, several mainly local charities benefited from donations of no more than £500 per charity.

The Charity's main income continued to come from donations from individuals, hall lets and interest from investments. Hall Lets have recovered to approximately 90% of pre-pandemic levels, taking inflation into account. Donations still remain at approximately 50% of pre-pandemic levels. Interest from investments continues to increase by approximately 2% to 3% each year.

The Charity has invested funds in the Charity Official Investment Fund operated by CCLA who provide ethical and responsible investments for Charities. These funds are managed by URC North Thames Trust. The value of the funds at the end of 2024 is £3,043,244.

Going concern

Risk

The charity does not foresee any high risk scenarios and therefore there are no plans currently in place. If the risk is to income, the Reserve policy that is in place allows at least 6 months to review the situation and take appropriate actions. Risks associated with the impact of reduced income for any reason would be regularly reviewed by the Finance Committee and Trustees.

Reserves policy

It is the policy of the Church that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Church's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Plans for future periods

Plans for the Future:

The Trustees meet regularly to review the Charity's performance and to plan for the future following the Mission of the Church agreed and presented to the Congregation in 2022.

Discussions will continue to take forward Project Vision which is reviewing the needs of and further improvements for the Sanctuary and the church buildings in general. This Vision continues to be a focus for the Trustees as they look to grow the Charity both for the existing members, and all others within the community who wish to share the Christian Faith. As Church activities expand, there will be a need for more volunteers from the Congregation to come forward to support them.

Trustees meet regularly to ensure that the situation is carefully monitored and statutory obligations are met. Extra meetings are arranged if necessary. Urgent decisions required between meetings are made by email with Trustees required to indicate their wishes by email. Trustees who fail to respond will be recorded as abstentions. Both the decision and the voting figures are recorded in the following set of Board minutes. All Church policies are reviewed annually. The Finance Committee continues to regularly monitor the Budget in detail and identifies any significant issues, ensuring that Trustees are aware of these. Minutes are kept of all meetings.

Meetings of the Church Membership are held during the year to consider matters referred by Trustees and offer advice and guidance to the Board.

No payments are made to Trustees or members of their immediate family or businesses connected to them for providing services to the Charity.

Trustees are aware of the Charity Commission's Guidance on Public Benefit. The Church provides facilities for public worship for its members and anyone who wishes to share these with us. It also provides Christian values and service by its members for the benefit of individuals through outreach in the local community.

Trustees regularly review all financial and other risks associated with the operation of the Church, satisfy themselves that procedures are in place to manage these and also, annually review appropriate policies and procedures updating these as necessary.

Trustees are issued with a copy of Trinity Church's Governing Documents and can access the latest Annual Report and Accounts on the Charity Commission website. As well as the guidance for Trustees on the Charity Commission website, the Trustees are made aware of updates from the Charity Commission. Prior to becoming a Trustee, the Minister explains the responsibilities of the role of being a Trustee. Trustees can raise any issues regarding the role at the regular Church Board meeting.

Upon reappointment, Trustees are asked to sign a Declaration to confirm that they understand their responsibilities and are not disqualified from acting as a Trustee. They also sign a Code of Conduct for the Trustees of Trinity Church.

A Conflict of Interest Policy is in place. Declarations of Interest are recorded in the Minutes and in the Register of Interests with Trustees required to complete annually a list of interests which may affect their decision making on a regular basis.

Church Policies are reviewed annually by the Board. Trustees are all required to attend safeguarding training and update this regularly. Safeguarding is included as an item on the agenda for every meeting.

Trustees agree the aims and objectives of the Charity and the staff make the day to day decisions in running the Charity in accordance with these.

Trinity Church is a part of both the United Reformed and Methodist Churches. The Church works within the confines of both of these wherever possible. Where this is not possible, Trinity will either chose one (via Trustee decision), or decide its own way forwards in keeping with Charity Commission guidelines. In regards to property, Trinity follows the requirements of the denomination which owns the property.

Trinity Church seeks to partner with any like-minded charities in pursuance of its objectives. Any relationship will not formally impact the autonomy of Trinity Church.

Other matters

Staffing

The year began with Peter Bloxham our Children and Family Pastor continuing to lead weekly Sunday Streams alongside a team of wonderful volunteers. However, in May he decided to leave to move closer to family and so Trinity sadly had to say goodbye and wish him well in his future, but once again was left without paid leadership in this ministry. We immediately started the process of advertising and received several applications in June/July, but none were found to be suitable. A second round of advertising was undertaken in the Autumn and two candidates were interviewed, but again, neither were deemed suitable for the role.

An application was made and the URC subsequently agreed to extend the current grant by 2 years and increase the basic salary, providing a period of support over 4.25 years and Trinity is grateful for this support.

It had already been decided to review the current staffing structure to ensure that it met the current needs of the Church and the process was commenced in October.

Trustees are very grateful for the work undertaken by all four members of staff during the year.

Safeguarding

A Safeguarding Lead and Deputy are in place and Safeguarding is a regular item on the Agenda for Board meetings. The Policy is reviewed annually. All Trustees attend regular training provided by the URC and this was updated in October when they attended an online course. Mindful of an increase in activities for young people and also plans for the Night Shelter to start in January 2024, it was decided to install a filter on the WiFi system. All long term lets are required to have their own safeguarding policies in accordance with URC advice and provide a copy.

Conclusion

We give thanks to God for the continued guidance over the life of His church. We thank all the members of Trinity who made such a contribution to the lives of so many throughout the year as they served our Lord, bringing such blessing and encouragement through challenging times. As always, We look forwards with confidence to the unfolding plans of God for His church.

The Trustees' report was approved by the Board of Trustees.

TO THE TRUSTEES OF TRINITY CHURCH HARROW

I report to the Trustees on my examination of the financial statements of Trinity Church Harrow (the Church) for the year ended 31 December 2024.

Responsibilities and basis of report

As the Trustees of the Church you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Church's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

Since the Church's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Church as required by section 130 of the Charities Act 2011.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

TRINITY CHURCH HARROW

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

Charity information

Trinity Church Harrow is an unincorporated Charity registered with the Charity Commission in England and Wales (number 1139238); its principle address is detailed within the legal and administrative page.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Church's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The Church is a Public Benefit Entity as defined by FRS 102.

The Church has taken advantage of the provisions in the SORP for charities not to prepare a statement of cash flows.

The financial statements are prepared in sterling, which is the functional currency of the Church. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Church has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Designated funds are subject to specific conditions by donors that the capital must be maintained by the Church.

1.4 Income

Income is recognised when the Church is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Church has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Church has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

TRINITY CHURCH HARROW

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Plant and equipment:

Building Refurbishments - 10% SL,
Furniture & Furnishings - 20% or 10% SL
Electrical and Electronic - 33% or 20% SL

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the Church reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

URC Thames North holds investments on behalf of Trinity Church, these assets are not tangible assets of the church and are not included in the balance sheet.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

TRINITY CHURCH HARROW

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Church's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Church is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the Church's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. 18 Restricted funds

The charity's restricted funds are those where the donor has imposed restrictions on the use of the funds. These are:

Project Vision Fund: This fund is for the Sanctuary upgrade project, and any associated works in the Halls etc. This fund, as distinct from the Designated fund of same name, is for donations given specifically for this upgrade project

Appeals: This fund is to ensure that all money collected for other charities is identified and sent to the nominated charities. Each appeal is detailed in advance of requesting donations. The money donated is sent, with covering letter, to the relevant charity and, if appropriate, requesting it is for one of their specific appeals.

Overseas Mission Fund: This fund was set up when members of Trinity Church agreed to support activities in Tanzania by making visits to that country. The fund now is to support those who visit overseas countries for mission purposes, and other expenditure linked to those involved.

Flower Fund: This is the money donated for the purpose of providing flowers in the church on many Sundays throughout the year, and at other occasions when appropriate. The fund not only purchases the flowers, but also associated items such as vases to display them in, and wrapping paper to distribute them to church members after the services.

Music Room Fund: This is the money from a legacy and a URC grant to build a room within the upstairs areas with musical equipments.

Christmas Day Lunch Fund: This is money received from donors, both Church members and others within the community to enable the Church to provide a Christmas Day Lunch or Hamper to those who would otherwise be alone.

Pastoral Week Fund: This is money given in memory of a Church member to ensure that the Pastoral Week activities (held in October) continue for the immediate future.

The Welldon Fund contains money received from the letting of the Welldon Centre premises. After heating and lighting and relating to the premises, it is to be used to meet the cost of repairs and maintenance of the buildings. Any surplus can be assigned to repairs and maintenance of Hindes Road buildings.

The Legacy Fund is accounted for separately because it is intended to use it to provide tangible memoirs to the donors.

The Benevolence Fund is to support church members, and those in the local community, in times of hardship.

Project Vision Fund: This fund is for the Sanctuary upgrade project, and any associated works in the Halls etc. Prior to the Fund being set up in 2018, there was an initial payment of £1,200 to the architect for preliminary designs

The Reserve is intended to provide a contingency period if income significantly falls. This would include staff salaries and/or redundancy payments.
