LGA Foundation

(A company limited by guarantee)

Trustees' report

Year ended 5 April 2023

The trustees present their annual report together with the audited financial statements of the company for the 6 April 2022 to 5 April 2023. The trustees confirm that the annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Since the company qualifies as small under section 382 of the Companies Act 2006, the strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

• Policies and objectives

The object of the charity is to make grants for the benefit of the public for such charitable purposes as the trustees think fit. The trustees are particularly keen to support projects in the North East of England, reaching those in the region who are most disadvantaged.

The LGA Foundation supports causes helping the most disadvantaged through awarding grants across the North East of England with its main geographic focus on Tyneside and South Northumberland. During the year to 5 April 2023, its priority was raising awareness of its activities to generate applications directly rather than via other funders. The Foundation requests feedback from its beneficiaries to assess the impact of its grant making and to inform future decisions. The Foundation does not have a formal grant making policy, with grants awarded by trustees periodically following assessment and discussion.

The trustees confirm that they have had due regard to the law relating to public benefit and the Charity Commission's guidance on the subject.

• Main achievements of the company

During the year the Foundation gave a total of 36 (2022: 30) grants to support organisations. Larger grants are detailed below in the financial review. The grants aimed to ensure that key organisations were able to continue providing services in the current economic environment. The trustees consider that the grants made during the year met their objectives of supporting disadvantaged people across the North East and maintaining previous commitments to some organisations.

The trustees have continued to pursue the woodland creation project during the year, for which funds were designated in 2022 (see note 10).

• Key performance indicators

The entity's key performance indicators are the number of grants given in the financial year as outlined above.

LGA Foundation

(A company limited by guarantee)

Trustees' report (continued) Year ended 5 April 2023

Achievements and performance

• Going concern

The trustees have considered the ongoing impact of external environmental factors and the potential impact on investment returns over the coming months and are confident that the charity has sufficient liquidity to meet existing and future committed grant awards and charitable activities.

After considering the above and making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

• Reserves policy

The Foundation has no fixed cost base and employs no staff. Consequently it has no need to hold reserves to cover future costs. At 5 April 2023 unrestricted reserves stood at £6,100,820 (2022: £6,700,692) of which £6,041,130 (2022: £6,463,269) are tied up in investments held for future income generation and £106,089 (2022: £273,848) is held as cash.

General reserves of £4,608,025 (2022: £5,200,692) are held at high levels at year end due to the present and future uncertainty in the investment market. The trustees have taken into account this uncertainty and consider the levels of reserves held mitigates the risk that the charity can not fulfil its charitable purpose.

• Financial review

During the year the charity received investment income of £128,616 (2022: £105,593) and made grants totalling £249,734 (2022: £110,161).

Charitable causes supported include the welfare and development of vulnerable young people, carers and disadvantaged women. The following grants over £10,000 have been made in the year:

Lani GoFundMe donation	£16,644
Urban Green Leazes Park Pavilion	£16,561
Rape Crisis counselling services	£12,000
Key Project mental health support services	£10,000
Smart Works	£10,000
Newcastle Young Carers	£10,000
Footsteps Nursery	£10,000
Caring hands	£10,000
South Tyneside Churches Key project	£10,000

As well as supporting projects known to the Foundation, the trustees were keen to explore funding relationships with organisations that were new to them. More activity through the website, social media and the press was agreed in a bid to generate applications from new projects.

• Material investments policy

The trustees work closely with their appointed investment managers in order to maximise the future returns to the charity. Investments are held for income generation to support the activities of the charity in the long term. The trustees meet with the investment managers on an annual basis to discuss the portfolio including social, environmental and ethical considerations taken into account when investing.

LGA Foundation

(A company limited by guarantee)

Trustees' report (continued) **Year ended 5 April 2023**

• Plans for future periods

We will continue to focus on youth charities, women's charities and other community organisations that can help us deliver our purpose of building stronger, healthier communities in deprived areas of Tyneside and the wider North East region we support. It is our aim to elevate the Foundation's reputation to encourage more projects to come forward for funding. The trustees plan to review mental health provision and support for men and young boys in and identify any opportunities for funding in the future.

The woodland creation project remains firmly on the agenda, although there have been various delays and obstacles throughout the project. This has since moved forward post year end with an offer made currently on a 130-acre plot of land in Northumberland. This project has been approved to a cost of circa £1M, although government grants may be available to fund some parts of the project, the finer details of which are yet to be agreed.

Structure, governance and management

• Constitution

The company is a charitable company limited by guarantee. The company was incorporated on 9 November 2010 and is governed by the Memorandum and Articles of Association. The board of directors are the charity trustees and make decisions on behalf of the charity collectively.

• Method of appointment or election of trustees

The future appointment of trustees is to be made by the founding trustees during their lifetime.

• Principle risks and uncertainties

The trustees consider that they have identified the major risks to the charity and have established sufficient controls to mitigate these risks.

LGA Foundation

(A company limited by guarantee)

Trustees' report (continued) Year ended 5 April 2023

Statement of trustees' responsibilities

The trustees (who are also the directors of the company for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial . Under company law, the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditor

Each of the persons who are trustees at the time when this trustees' report is approved has confirmed that:

- so far as that trustee is aware, there is no relevant audit information of which the charitable charity's auditor is unaware, and
- that trustee has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the charitable company's auditor is aware of that information.

Auditor

The auditor, UNW LLP, has indicated its willingness to continue in office. The designated trustees will propose a motion reappointing the auditor at a meeting of the trustees.

Approved by order of the members of the board of trustees on 21 December 2023 and signed on their behalf by:

Trustee

Independent auditor's report to the Members of LGA Foundation

Opinion

We have audited the financial statements of LGA Foundation ('the charitable company') for the year ended 5 April 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 5 April 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ('ISAs (UK)') and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Independent auditor's report to the Members of LGA Foundation (continued)

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Independent auditor's report to the Members of LGA Foundation (continued)

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identified areas of law and regulations that could reasonably be expected to have a material effect on the financial statements from our general and sector experience and through discussions with the directors and other management (as required by Auditing Standards) and from inspection of the charity's legal correspondence and we discussed with the directors and other management the policies and procedures in place regarding compliance with the laws and regulations. We communicated identified laws and regulations throughout our audit team and remained alert to any indications of non-compliance throughout the audit.

Firstly, the charity is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies legislation) and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

Secondly, the charity is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of fines or litigation. We identified the following areas as those most likely to have such an effect; health and safety, data protection, environmental law and certain aspects of company legislation, recognising the nature of the charity's activities. Auditing Standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the directors and other management and inspection of regulatory and legal correspondence, if any. Through these procedures we did not become aware of any actual or suspected non-compliance material to the financial statements.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Independent auditor's report to the Members of LGA Foundation (continued)

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

A handwritten signature in dark ink, appearing to read 'Anne Hallowell', is positioned above the printed name and title of the auditor.

Trustee

The notes on pages 12 to 19 form part of these financial statements.

LGA Foundation

(A company limited by guarantee)

Notes to the financial statements Year ended 5 April 2023

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

LGA Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are prepared in pounds sterling which is the functional currency of the charity and are rounded to the nearest £1.

1.2 Company status

The company is a company limited by guarantee. The members of the company are the directors named on page 1. In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

1.3 Going concern

The financial statements have been prepared on a going concern basis.

Given the matters outlined in the trustees' report, the trustees have considered the additional risks presented and all factors they believe might reasonably impact upon the future outlook of the charity. The charity holds substantial investment assets but maintains sufficient cash reserves to allow it to meet its ongoing commitments. Investments remain high despite some strong market uncertainty consequently the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

1.4 Income

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

LGA Foundation

(A company limited by guarantee)

Notes to the financial statements Year ended 5 April 2023

1. Accounting policies (continued)

1.5 Expenditure

Expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity, including those incurred in connection with the administration of the charity and compliance with constitutional and statutory requirements.

Expenditure on raising funds includes all expenditure incurred by the company to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

1.6 Intangible assets and amortisation

Intangible assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably. Intangible assets are initially recognised at cost and are subsequently measured at cost net of amortisation and any provision for impairment.

Intangible assets are initially recognised at cost. After recognition, under the cost model, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Amortisation is provided on intangible fixed assets at rates calculated to write off the cost of each asset, less their estimated residual value, over their expected useful lives on the following basis:

Website - 3 years straight line

1.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the balance sheet date, unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'Gains/(losses) on investments' in the statement of financial activities incorporating income and expenditure account.

1.8 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the bank.

1.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

LGA Foundation
(A company limited by guarantee)

Notes to the financial statements
Year ended 5 April 2023

1. Accounting policies (continued)

1.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.11 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the directors in furtherance of the general objectives of the company and which have not been designated for other purposes.

1.12 Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

In preparing these financial statements the directors do not consider there were any significant areas of judgement or accounting estimates that were required in applying the company's accounting policies as set out above.

The woodland creation project is underway with an offer made on 120-acre plot of land in Northumberland. The aim of this project is to create a native woodland of at least 100 acres. This project will incur costs in addition to the purchase of the land relating to legal services, afforestation project management and grant applications. A budget of £1.5M restricted to this project will be used to purchase, the land, design the woodland, obtain all necessary approvals and available grants, facilitate stakeholder engagement processes, arrange and manage the woodland creation work on site and some future maintenance costs for ongoing upkeep.
