STRUCTURE GOVERNANCE and MANAGEMENT

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on 25 May 2010 and registered as a charity on 21 December 2010, and amended on 29 March 2022. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £10.

There are no restrictions in the governing documents on the operation of the Charity or on its investment powers other than those imposed by Charity Law. No changes were made to the Governing Document in the past 12 months.

Recruitment and Appointment of Management Committee

The Charity is made up of affiliated sports organisations who nominate directors to act as a Management Committee with the overall responsibility of running the organisation and making key decisions. The directors of the company are also charity trustees for the purposes of charity law and under the company's Articles are known as members of the Management Committee. The trustees are all individuals. From time to time, we also have the odd independent person, not attached to any affiliated organisation, who are prepared to serve as a director/trustee. The ethos of balancing the number of trustees who are independent from the clubs involved with the association continues will always be a slight issue but even with a leaning towards trustees from the sports organisations, those who are involved are generally able to look at things with a relatively balanced and unbiased view so that the interests of the wider community are taken into consideration alongside those of the clubs. All members of the Management Committee give their time voluntarily and receive no benefits from the charity.

Under the Articles of Association, at each AGM, one quarter of the directors must retire from office. However, the Articles do permit a director who is retiring to be re-elected for a further period with a recommendation from the remaining directors of the Management Committee.

The more traditional business skills are well represented on the Management Committee and to maintain this broad skill mix, members of the Management Committee are requested to provide a list of their skills and in the event of a particular skill being lost due to retirements, we would look to individuals with similar skills to those lost for election to the Management Committee. Nevertheless, the Management Committee is always on the lookout for new blood with skills which compliment those held by the existing Committee.

Members of the Management Committee

The Management Committee, who are directors for the purpose of company law and trustees for the purpose of charity law, who served during the year, and where applicable, their dates of appointment or resignation during the year, are shown above on page 1.

Director/Trustee Induction and Training

Most trustees are already familiar with the practical work of the Charity having been encouraged to join by affiliated organisations of which they are active members, so are reasonably familiar with activities across the sites.

A Q&A pack has been prepared drawing information from the various Charity Commission publications signposted through the Commission's guide "the Essential Trustee". This is distributed to all new trustees along with copies the Governance paperwork relating to the Charity.

Members

In addition to the Management Committee, each affiliated organisation is also asked to select Members to the Charity. This therefore creates a different group of people whose responsibility it is to;

- provide an independent oversight or challenge to the Management Committee
- voice opinions about the running of the Charity
- vote on decisions at AGM's and other general meetings. Whilst not entitled to vote in Management Committee meetings, they can still attend on invite

The Members who served the Charity during the year in question are set out on page 1 of this document.

Risk Management

Where required, systems or procedures have been established to mitigate the risks the Charity faces. Internal control risks are minimised by the implementation of procedures for the authorisation of all transactions and projects. Procedures are in place to ensure compliance with those policies we have in place. These procedures are periodically reviewed to ensure that they continue to meet the needs of the Charity.

Organisational Structure

The Management Committee meets monthly and is responsible for the strategic direction and policy of the charity. At present the Committee has six members from a variety of professional backgrounds relevant to the work of the charity. From time to time, individuals such as staff and personnel from South Gloucestershire Council and other individuals with an interest in a subject to be discussed can be invited to attend and speak but are not entitled to vote.

A scheme of delegation is in place. Day to day responsibility for the operational management across the site rests with a paid Centre Manager who provides a detailed report to the monthly meetings around what has happened on site. The Centre Manager is also responsible for individual supervision of the staff team and is one of 2 contracted members of staff. The remainder of the staff team who either work in the bar or the hatch area are on zero hours contracts.

OUR AIMS and OBJECTIVES

Our charity's purposes as set out in the objects contained in the company's memorandum and articles of association are to:

- promote for the inhabitants of Mangotsfield and the wider surrounding area the provision of facilities for, recreation, sport or other leisure time occupation of individuals who have need of such facilities and for the public at large in the interests of healthy life styles, social welfare and with the object of increasing accessibility and of advancing education, sport and improving the condition of life of the said inhabitants
- establish or to secure the establishment of a community building and to maintain and manage such a building for all activities promoted by Pomphrey Hill Community Sports Association

Our aims fully reflect the purposes that the charity was set up to further.

The focus of our work

The main activities across both sites continues to be the provision of wide-ranging sporting and other physical activities available to the wider local community. We are always seeking ways to realise the full potential of the sites thereby strengthening the communities of Mangotsfield, Emerson's Green, Downend, Bromley Heath and surrounding areas in ensuring that people of all races, abilities, gender, sexuality, and backgrounds are valued and able to participate on equal terms within the centre's activities thereby building a fair, prosperous, healthy and cohesive community in which everyone has a stake. We aim to achieve this in a safe, friendly and positive environment for all.

PUBLIC BENEFIT STATEMENT

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

How our activities deliver Public Benefit

Our main activities and who we help are described below.

Who used and benefited from our services?

There is a diverse group of people who benefit from using facilities up at Pomphrey Hill Community Sports Association and across both sites. These include:

- football clubs who encourage the strong involvement of both the youth and adult community (boys & men)
- a girls and ladies football club has added to the diversity on offer
- a cricket club where again we see the strong involvement of both a youth and adult community (both girls & boys)
- a local running club and a popular Park Run venue on Saturday mornings
- an outside play area for children
- outside hatch and patio area offering tea and coffee facilities and small snacks
- 2 inside function rooms which can be hired out for classes during the day and functions during the evenings

Ensuring our work delivers our aims

We review our aims, objectives and activities on a regular basis. This review looks at what we have achieved and the outcomes of our work in the previous months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help. The review also helps us ensure our aim, objectives and activities remain focused on our stated purposes.

Now in our 14th year, the management of the building and overall facilities has returned to a relatively settled state following the pandemic. We continue to have on-going reviews of all maintenance contracts to ensure that these are in place and where possible offer best value for money to the association. These are held with the centre manager alongside the identified trustees having overall responsibility for this aspect of the running of the facility. As such the buildings will continue to be maintained to the high standard users have become used to.

Priorities continue to be promoting the Association and the facilities available for hire to both local groups and private hirers and to develop the sporting aspect of the site, and whenever possible, encourage a greater variety of sports, to cater for the needs of the wider community. Activities to further these aims remain very much as they have in previous years and are unlikely to change greatly as the overall aims and of the objectives of the Association remain as set out previously. They are as follows;

- Continued promotion and advertising of the building and grounds to make sure that the use of the facility is maximised to the benefit of the local community, to both groups and individuals
- Ongoing promotion by the individual clubs to encourage those in the local community to become involved in a variety of sporting activities at an affordable cost and in a non-discriminatory environment
- Maintaining links with the local secondary school and encouraging the ten cluster primary schools in the area to make use of our open space available
- Ensuring that the bar facilities are maintained to the high standard people have come to expect. An important part of this is hiring the right bar staff to meet the needs of those using the facility and to make sure that they are able to offer assistance to hirers where necessary
- The Sports Bar when in use has encouraged more togetherness for all the clubs and teams using the facilities and has allowed them to have their own space to meet socially after matches. During the week when not in use by the clubs it is a valuable space for local community users to hire as well as offering an ideal space for businesses to hire for training and meeting purposes
- Demand for the Function Room continues to grow. This has been achieved namely through a mixture of marketing, word of mouth, people attending other functions and then hiring as a result of spending time in the room and some who just "drop in" for a look. The lovely aspect of this room makes it a popular venue for all types of function and the continuing efforts of staff and trustees to ensure it is kept in a good state of repair will only add to this
- The continued provision of catering for those using the premises at competitive prices as required

ACHIEVEMENTS

The trustees are constantly on the lookout to improve facilities at the site using outside funding. We have been very fortunate to be granted Section 106 Funding from SGC for the redevelopment of the French Drains. Now in place this should help the overall drainage on the site going forward, thereby improving our overall utilisation of the pitches throughout the year.

The continued success of the hatch has also been pleasing to see, providing useful sustenance to all in our community who continue to use the site.

As mentioned in previous reports, the Charity continues to employ a number of teenagers on our sites which is giving opportunities to young people in the community to gain invaluable work & life experiences.

Perhaps though the biggest achievement of the year has been the ability of the Charity to meet all our financial commitments in what has been a tumultuous & highly challenging year.

FINANCIAL REVIEW

The trustees continue to review regularly its income and expenditure and where possible we seek to increase its income streams whilst maintaining strict control on all expenditure going out.

Headline figures show a large deficit of £39,198 was made for the year, reducing our net worth to £35,629. Income from our Charitable activities was up 10% on previous year. However, fresh challenges have been seen in the running of the sites, particularly on the maintenance side, where one offs such as complete refit of our pump station, boiler remediation works on both sites, new gates, renovation of the damaged patio have had a serious impact on our trading figures. We have also had to contend with an increase of 90% in gas prices & the fall out from previous year where we were left with deficit owing because our new supplier had failed to set up our new account correctly.

There are sufficient funds in the Charity's reserve accounts to meet the challenge this deficit could have posed, but Trustees will need to continue to keep a strict monitor on all unnecessary expenditure for the foreseeable future.

At the year end, we still have £7,384 in Restricted Funds in our accounts to be spent, the vast majority of which needs to be spent on Ground Improvements across the site.

Principal Funding Sources

Overall sales rose by about 10% during the past year. Bar sales saw a small increase & continues to be our principal income source, accounting for about 50% of our annual income. During past 12 months, hatch sales have also increased by £10,000 (25%) & now accounts for a further 20% of our income. The remainder of our sales income is made up of pitch hire, our regular Community users & party hire. The trustees/directors are always looking for outside sources to fund any major improvements across the sites and a grant of £30,000 was received during the year to improve the French Drains on the main site.

Reserves Policy

The Charity has a requirement under the terms of its lease with South Gloucestershire Council (SGC) to maintain a Reserves account in a sum of not less than £3,500 to provide for payment of cost of maintenance to the site. As we have 2 leases across our sites, this relates to us maintaining a total sum of £7,000 in the account. During the 2023/2024 financial year, due to cashflow shortages & with the permission of SGC, part of these monies have been used to pay for the new Pump Station. A monthly transfer has been set up to top up this account back to agreed levels over a period of time.

Plans for Future Periods

The Charity plans to continue all the activities outlined above in the short term subject to regular reviews as to performance. We will continue to look at ways at increasing both the capability and efficiency across the sites and searching for various sources of funding to help us in the process. We are particularly keen at present to enhance the capabilities of the hatch which is doing really well & there are plans in the short/medium term to turn this into a café.

Responsibilities of the Management Committee

Company law requires the Management Committee to prepare financial statements for each financial year which gives a true and fair view of the state of the affairs of the charitable company as at the balance sheet date and of its incoming resources and application of funds, including income and expenditure, for the financial year. In preparing those financial statements, the management committee should follow best practice and:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is not appropriate to assume that the company will continue on that basis

The Management Committee is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 1985. The Management Committee is also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Method of Preparation of Accounts – Small Company Provisions

The financial statements are set out on pages 9 to 29.

The financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime.

Approved by the Management Committee on 14TH OCTOBER 2024 and signed on its behalf by:

MIKE NORRIS - TREASURER

Pomphrey Hill Community Sports Association

Report of the Independent Examiner to the Trustees of the charitable company on the accounts for the year ended 31 March 2024

I report to the Trustees on my examination of the financial statements of the charitable company on pages 9 to 28 for the year ended 31 March 2024 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , and under the historical cost convention and the accounting policies set out on page 15.

Respective responsibilities of the Trustees and the Independent Examiner and the basis of the report

As described on page 6, you, the charitable company's Trustees, who are also the Directors of the Company for the purposes of Company law, are responsible for the preparation of the financial statements in accordance with the Companies Act 2006, the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to Section 476 of the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited under any legal provision, or otherwise, and are eligible for independent examination, it is my responsibility to:-

- a) examine the financial statements of the charity under Section 145 of the Act;
- b) follow the applicable procedures in the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of Independent Examiner's Statement and scope of work undertaken

Since the charitable company's gross income exceeded £250,000, the charitable company's examiner must be a member of a body listed in section 145 of the Act. I confirm that I am qualified to undertake the examination because I am an authorised member of Chartered Accountant, which is one of the listed bodies.

I report in respect of my examination of the charity's financial statements carried out under s145 of the Act. In carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries and does not cover all the matters that an auditor would consider in arriving at an opinion. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide

Pomphrey Hill Community Sports Association

Consequently, I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Independent Examiner's Statement, Report and Opinion

Subject to the limitations upon the scope of my work as detailed above, I have completed my examination: and can confirm that:-

The accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;

The gross income of the charitable company in the year ended 31 March 2024 appears to exceed the sum specified in Section 145(3) of the Act, namely £250000, and that I am qualified to act as Independent Examiner in accordance with that section by virtue of my being a qualified member of Chartered Accountant;

This is a report in respect of an examination carried out under 145 of the Act and in accordance with Directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable;

and that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:-

accounting records were not kept in respect of the charity as required by Section 386 of the Companies Act 2006 and Section 130 of The Charities Act 2011;

the financial statements do not accord with those records; or

the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view, which is not a matter considered as part of an independent examination;

have not been prepared in accordance with the methods and principles set out in the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Signed:-

Susan Rickerby - Independent Examiner

The "SORP Ref" indicated above is the classification of Balance Sheet items as set out in the formal SORP documents. As required by paragraph 4.60 of the SORP, the brought forward and carried forward funds above have been agreed to the SOFA..

The directors are satisfied that the company is entitled to exemption from the requirement to obtain an audit under section 477 of the Companies Act 2006.

The members have not required the company to obtain an audit in accordance with section 476 of the Act.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The charity is subject to Independent Examination under charity legislation, and the report of the Independent Examiner is on page 8.

The financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006, applicable to companies subject to the small companies regime.

M NORRIS

Trustee

Approved by the board of trustees on 14 /10/ 2024

The notes attached on pages 15 to 28 form an integral part of these accounts.

Pomphrey Hill Community Sports Association

Notes to the Accounts for the year ended 31 March 2024

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Going Concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as trading revenues and hire fees. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. The Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers, work carried out in respect of services provided to customers, and grants and donations receivable.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Pomphrey Hill Community Sports Association

Notes to the Accounts for the year ended 31 March 2024

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated..

Policies relating to assets, liabilities and provisions and other matters.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Property improvements	15 % reducing balance
Plant and machinery	25 % reducing balance

A regular annual review of the likelihood of asset impairment is undertaken.

Accounting for capital grants and fixed asset funds.

Gifts of tangible fixed assets or grants of a capital nature, given for the purposes of acquiring specific assets to be fully utilised in the furtherance of the objects of the charity, are credited to fixed asset funds after the donated asset has been received or sums have been properly expended on the restricted purpose.

Where the terms of the gift require the charity to hold the asset on an ongoing basis for a specific purpose, then the fixed asset fund so created is categorised as a restricted fixed asset fund, and the relevant restrictions are noted in the fixed asset note 10.

Where the terms of the gift are met once the asset is acquired, so allowing the charity to use the asset on an unrestricted basis, including the right to receive the proceeds of any future sale of the asset on an unrestricted basis, then the fixed asset fund so created is categorised as a designated fixed asset fund.

The asset acquired is initially shown in the balance sheet at the full cost of acquisition or subsequent revaluation.

As the related assets are depreciated, in accordance with the depreciation policy, in order to reflect the diminution in the asset, a transfer is made from the relevant fixed asset funds to either unrestricted or restricted revenue funds, as appropriate to the terms of the original gift, if any.

This is only being applied to grant funded assets acquired since 1 April 2020.

Any residual liability to the donor arising from, for example, the asset's future sale, is disclosed as a contingent liability unless the event that would trigger repayment of the grant becomes probable in which case a liability for repayment is recognised.

Insofar as this policy relates to Government grants and to the extent that it may be a departure from the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019, applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), such departure is justified on the basis that it is in order to comply with the SORP.

Stocks and work in progress

Stock is valued at the lower of cost and net realisable value.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Pomphrey Hill Community Sports Association

Notes to the Accounts for the year ended 31 March 2024

Creditors and provisions

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

Cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

Leasing and hire purchase contracts and commitments

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

Pensions - defined contribution schemes

The charity operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal or as implied by law.

There are no endowment funds.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is recoverable by the charity, and is therefore not included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Net surplus before tax in the financial year

19 Details of transfers between funds in

The transfers shown in note 17 above are:-

	2024 £
To/(from) Unrestricted Revenue Funds in accordance with the accounting policy 'Accounting for capital grants and fixed asset funds'.	(3,809)
To/(from) Designated Fixed Asset Funds	(2,239)
To/(from) Restricted Revenue Funds	6,048
To/(from) Patio improvements, benches and bins	
Net transfers	-

Transfers comprise the release of fixed asset funds to unrestricted revenue funds representing an amount to offset the depreciation cost of assets funded by grants.

20 The purposes for which the funds as

Unrestricted and designated funds:-

Unrestricted Revenue Funds

These funds are held for the meeting the objectives of the charity, and to provide reserves for future activities, and , subject to charity legislation, are free from all restrictions on their use.

Designated Fixed Asset Funds

The purpose of these funds is described under the accounting policy 'Accounting for capital grants and fixed asset funds'.

Restricted funds:-

Restricted Fixed Asset Funds

The purpose of these funds is described under the accounting policy 'Accounting for capital grants and fixed asset funds'.

21 Ultimate controlling party

The charity is under the control of its legal members.

Every member of the charity is obliged to contribute such amount as may be required not exceeding £10 to the assets of the company in the event of its being wound up while he or she is a member, or within one year after he or she ceases to be a member.
