Day to day management of the charity is delegated to the Chief Executive Officer, M Fearon.

The charity also operates under the shortened name of "Accrington Stanley Community Trust".

**ACCRINGTON STANLEY FOOTBALL IN THE
COMMUNITY TRUST LIMITED (REGISTERED NUMBER: 07369852)**

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH JUNE 2022**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30th June 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Memorandum of Association states that the charity's objects are to benefit the public and, in particular, the inhabitants of Accrington and the surrounding areas by:

1. Promoting community participation in healthy recreation in particular by the provision of facilities for the playing of association football and other sports capable of improving health ("facilities" in this clause means land, buildings, equipment and organising sporting activities);
2. Advancing the physical education of young people in Lancashire by coaching in and providing facilities for the game of football and other sporting activities so as to develop their physical, mental and spiritual capabilities to enable them to grow to full maturity as individuals and members of society;
3. Advancing and assisting in advancing the education of the general public, with a particular focus on that of children and young people attending schools in the Lancashire area by the provision at venues selected or approved by the charity of meetings, lectures, classes and activities for the benefit of such children and young people and by the provision of educational materials for distribution to such children and young people;
4. Providing and assisting in providing facilities for the game of football and other sporting activities, recreation or other leisure time occupation of such persons who have need for such facilities by reason of their youth, age, infirmity or disablement, poverty or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving their conditions of life;
5. Advancing racial and religious harmony and equality and diversity among children and young people by arranging activities (including activities connected with the game of football and other sporting activities) to encourage shared experiences and interests without reference to race, religion, belief, sex, disability, nationality, ethnic or national origin or social background; and
6. Advancing the education of children and young people through such means as the trustees shall think fit in accordance with charity law.

The charity's principal activity is the promotion of Sports Engagement and Education by using football as a vehicle for change, this is achieved through a number of sports based programmes delivered during the year.

Public benefit

In setting out the charity's objectives and planning of activities the trustees have given careful consideration to the Charity Commission's general guidance and section 17(5) of the Charities Act 2011. The trustees are confident that the charity offers services of real and practical use to the local population and therefore complies with the responsibility placed on all charities under the Charities Act 2011 to demonstrate a public benefit.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH JUNE 2022**

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity continues to deliver a range of projects in our key areas of Sport Participation, Community Engagement, Health and Education. Over 30 different projects are now delivered including some new ones added over the year. The charity engaged with 13,306 local people over the course of 2021/22. Adaptations to current projects were put in place as well as a host of new initiatives to support our community during the final parts of the covid-19 pandemic before all restrictions were lifted.

Sports Participation

Our Sports Development team focus on engaging with the community in order to raise the number of those engaging and participating in physical exercise. 2021/22 has seen partnerships strengthen with local schools, as we adapted our delivery to support them through the pandemic and beyond. The charity continues to expand delivery in this area and covers the boroughs of Hyndburn, Ribble Valley and Rossendale.

2021/22 was also the final year of the 3-year cycle of the Premier League Primary Stars programme, which provides fantastic provision in our local schools, offering a number of high-quality sessions over the year. The programme has since been funded until at least June 2023 by the Premier League.

The match day provision at Accrington Stanley Football Club resumed following the announcement that fans were now able to go back and watch football matches, after having a full season of behind closed doors fixtures due to the covid-19 pandemic. Over 40 grassroots teams enjoyed match day experiences.

The Football Development Centres has seen over 100 unique participants in the last 12 months.

Our adult 7-a-side league which sits under the banner of the 'Stanley Soccer League' sees us engage with over 400 adults on a weekly basis. Over 7,500 7-a-side football interactions with adults in 2021/22 through this project alone with 5,000 7-a-side fixtures taking place.

The Holiday Courses include more activities and multiple booking options to ensure participation is fun, accessible and affordable for all. 400+ unique participants have taken part in holiday courses during 2021/22. The Holiday Activity Fund (HAF) continued to provide children with free holiday provision and a nutritious meal each day during the holidays was launched on the back of the Marcus Rashford campaign for free school meals in the holidays. This was very well received and we delivered at numerous locations across Hyndburn.

The Stanley Kickers sessions for 2-4 year olds has seen around 100 participants take their first steps into football.

Community Engagement

The community engagement department has delivered an increased disability programme during 2021/22 following the easing of the Covid-19 restrictions which meant lots of our participants had to shield because of their health conditions.

The National Citizen Service (NCS) programme is hugely beneficial to the community of Hyndburn and surrounding areas. This project is now a major part of the organisations work. In 2021/22, 144 participants took part in NCS with the Charity.

2021/22 was also the final year of the 3-year cycle of the Premier League Kicks. Over 400 people have participated in 2021/22 and the programme has been funded until at least June 2023 by the Premier League.

Operation Divert continues to go from strength to strength since it was launched in 2020/21, working in partnership with Lancashire Constabulary to tackle re-offending and integration back into the community from those who find themselves on probation. We are one of 7 Lancashire Football Club Community Trust's that are now providing this unique peer mentored support package to residents of our area, focused on strategies that mitigate the risk of re-offending after release from prison and working with people who have just moved to the country. Our project mentors begin by making an assessment of the participant needs, steering them towards other projects and opportunities that will benefit them. We provide them with a vital support network as they begin to re-establish their place in the community.

**ACCRINGTON STANLEY FOOTBALL IN THE
COMMUNITY TRUST LIMITED (REGISTERED NUMBER: 07369852)**

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH JUNE 2022**

We launched a new Veterans project in 2021/22 which sees us engage with local people who served in the armed forces. A mixture of coffee mornings, gatherings and sports sessions has been delivered with aims to increase engagement in future years.

Health

2021/22 has seen numerous health awareness campaigns with the charity linking in with various other organisations to support their work. A key area was our support of the Hyndburn Hub Covid-19 response.

The Walking Football project for over 50's also resumed following disruptions due to the pandemic. In 2021/22 we have had over 40 unique participants, as many returned who were forced to shield due to their age or health conditions.

Funding was once again secured in 2021/22 to continue a health project called Joy of Moving. A school-based educational programme for children aged 9-10 years old. It aims to encourage physical activity, promote nutritional education and build awareness of the importance of a healthy diet and active lifestyle. In 2021/22 over 900 children took part in the 6-week programme which was adapted to fit in with government restrictions.

All of the above has allowed the charity to raise its profile within this field and reach out to those specialist partners across the community. Our aim is to develop this area further in the coming years.

Education

2021/22 has been another successful year for the education department, continuing to establish itself as one of the charities flagship areas.

The Work Experience with the local high schools and colleges offer a great insight into the sports industry for pupils.

The Football Education programme has 49 students that will gain an NCFE Level Two or BTEC Level Three Extended/Diploma in Sport as well as compete in the 11-a-side CEFA League for two to three years. Since starting in 2010 this project has now seen over 100 student's progress to various universities directly after completing this course. The Charity also entered into the third year of delivery of a Foundation Degree, in partnership with the University of South Wales. 14 students enrolled in September 2021 and the third year of the project was a huge success. Our education programmes were impacted by Covid-19 and we had to go to online learning for a small part of the year.

We delivered a series of targeted interventions for local Primary schools in 2021/22. These aim to support small groups of pupils and enhance their learning across the curriculum. Our 'Talk a Good Game' PSHE workshops focus on effective communication and encourage children to practice the different styles of communication. The project is part of our ever-growing Premier League Primary Stars provision. After consultation with a group of local primary schools we identified a need for local children to think more about the way they communicate, particularly those children who are soon to join high school. The sessions can be adapted for years 3-6 and use football, Accrington Stanley and friendly competitions to engage children in the topic. We use a mixture of self-reflection, paired work and full group activities to highlight key areas such as listening, clarity and body language.

Achievements and Performance

This financial year has seen the versatility of charity's activities put to the test as we navigated through the Covid-19 pandemic which impacted our face-to-face delivery. During the year, the charity engaged with over 13,000 individuals, including 3,000 coming from local primary schools. 1,400 free Accrington Stanley shirts were given away to all Year 3 children in Hyndburn. The charity delivers over 30 community projects in Hyndburn and the surrounding areas.

The opening of the new £2m Stanley Sports Hub facility in March 2020 is the biggest achievement of the Charity to date and we had to manage a difficult year of stop start provision on site due to the pandemic. The Stanley Sports Hub has become a thriving community facility that Accrington can be proud of for many years to come. We are now averaging around 150,000 visits per year now all restrictions are removed as well as providing numerous job opportunities for people in the local area with vacancies such as receptionists, caterers, coordinators and other key roles.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH JUNE 2022**

A new 3-year strategy was launched on 1st July 2019, and we entered the final year of it in 2021/22. Our strategy has been developed through detailed consultation both internally and externally with local, regional and national organisations and policies. We have collated feedback from key stakeholders, participants, parents and our workforce using several methods such as surveys, meetings and strategy focus groups. The strong foundations that were first established in 2010 when Accrington Stanley Community Trust were formed has enabled us to identify key areas to focus on in order to make a difference to our community. This Strategy comes at a key time in our development and provides a platform for positive change and modernisation going forward. It builds on some significant achievements to date and on the good progress already made against our initial objectives.

Strategic Aims

1 Deliver a High-Quality Service

Our strategic objectives:

- Ensure all participants receive a positive, enjoyable and safe experience.
- Develop and deliver a quality assurance framework across all programmes and invest in workforce development.
- Measure impact through different techniques and publicise an impact report annually to all stakeholders.

2 Govern and Lead Effectively

Our strategic objectives:

- Ensure financial sustainability.
- Ensure there is an appropriate governance and leadership structure to support the strategy and deliver the charitable aims and objectives.
- Ensure compliance with relevant legislation and regulation.

3 Improve Inclusion, Health and Wellbeing, Sport Participation and Education

Our strategic objectives:

- Provide a variety of inclusive projects that deliver positive change to disadvantaged and disabled people in Hyndburn.
- Build strong relationships with other organisations to make a positive impact on health, well-being and inclusion in our community.
- Instil aspects of health, well-being and inclusion into the culture of the organisation to create a lasting legacy.
- Increase Sport Participation rates in Hyndburn.
- Provide high quality education and expand current provision.

4 Create a Community Sports Hub Facility

Our strategic objectives:

- Work with key stakeholders to design, develop and create a community sports hub facility in Hyndburn.
- Provide a core base for the charity to use as its headquarters to deliver our charitable aims and objectives.
- Create a sustainable state of the art sports and education facility for the local community, grassroots clubs and voluntary sector organisations.

At the year end, the charity employed over 20 members of staff and has further established a strong team of skilled individuals to develop the work of the charity further.

Facilities

The Charity finally opened the new multi-million-pound community sports hub in March 2020, which is now the home of the Charity and a base for its projects.

The aims of the sports hub are to increase participation in sport, improve health and exercise levels and provide more opportunities for disabled people to access vital sport and education activities. The Sports Hub hosts many projects that develop skills for people out of work, create new job opportunities, inspire people to become volunteers for local sports organisations, sports clubs and charities, and provide a pathway for gifted and talented young people into elite sport.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH JUNE 2022**

FINANCIAL REVIEW

Financial position

The trustees are pleased to report that the charity has generated net income of £366,054 in the year to the 30th of June 2022, being similar to the net income recognised in the prior year (£365,839).

Income from charitable activities has increased significantly to £1,040,502 (2021: £654,008), mainly due to additional funding received for running the NCS and football education programmes and also due to an increase in revenue from the operation of the Stanley Sports Hub.

Expenditure has also increased, and by a similar amount, as a consequence of the increased service delivery above.

The surplus arising on charitable activities only is £123,215 (2021: £84,380). The extra net income is largely generated from donations and grants awarded to the charity. This net income is being re-invested to extend the Stanley Sports Hub to enable further charitable activities to be delivered.

The free reserves of the charity (excluding amounts held as fixed assets) have increased from £195,322 to £503,167. This is equivalent to approximately 6.5 months of operating expenditure, which the trustees are satisfied with.

As at the year end, the total funds of the charity stand at £2,748,124 (2021: £2,382,070), the majority of which is invested in the Sports Hub facility to ensure the sustainability and continuity of the charity for many years to come.

Reserves policy

The objective of having unrestricted funds in reserve, is to enable the charity to cope with unplanned events. Very often, the effects of an unplanned event can be managed in the long-term, but the charity needs reserves in the meantime.

The trustee directors' have set an overall target level for free reserves based on 12 months' net operating costs. This is over and above those reserves represented by fixed assets on the balance sheet.

The directors acknowledge that the level of reserves changes during the year and could either be a good indicator of the underlying financial health of the charity; or could be an indicator of potential problems.

The directors must monitor and review the level of reserves annually, in line with the guidance issued by the Charity Commission; however, the level of reserves is monitored throughout the year as part of the normal monitoring and budgetary reporting processes.

The current level of unrestricted, free reserves is sufficient at approximately 6.5 months of operating expenditure. We aim to continue building reserves closer towards a level that is equivalent to 12 months of expenditure, to provide stability within the charity and reduce any risk of closure due to insufficient funding.

FUTURE PLANS

2021/22 is the final year of the charities new three-year business plan which is reviewed and updated annually, in order to achieve its objectives. The charity plans to continue the activities outlined above in the forthcoming years subject to funding arrangements. The education programme will aim to expand to over 50 full time students as well as the further development of the new foundation degree.

The Stanley Sports Hub facility will be a key area of growth for the Charity, establishing a base to expand current provision as well as providing a top-class sports facility for the community of Hyndburn. Plans were created for a further £1m building extension and £250,000 investment in the grass pitches. These are set to be completed in 2023.

The Charity also plans to deliver new projects as it continues to grow year on year.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is governed by its Memorandum and Articles of Association, last updated on the 18th of April 2017, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH JUNE 2022**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

New trustees are recruited and appointed by existing trustees to ensure the board maintains an appropriate spread of knowledge and skills to enable them to deliver the charity's aims and objectives.

New trustees are typically already aware of the charity and are introduced further by the board and the employees of the charity.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of Accrington Stanley Football in the Community Trust Limited for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

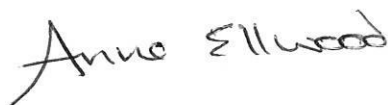

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, Ainsworths Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Approved by order of the board of trustees on 15th March 2023 and signed on its behalf by:

A Ellwood - Trustee

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF ACCRINGTON STANLEY FOOTBALL IN THE COMMUNITY TRUST LIMITED

Opinion

We have audited the financial statements of Accrington Stanley Football in the Community Trust Limited (the 'charitable company') for the year ended 30th June 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30th June 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
ACCRINGTON STANLEY FOOTBALL IN THE
COMMUNITY TRUST LIMITED**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF ACCRINGTON STANLEY FOOTBALL IN THE COMMUNITY TRUST LIMITED

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Identifying and assessing potential risks related to irregularities

In identifying and assessing risks of material misstatement in respect of irregularities, we considered the following:

- the nature of the industry and sector, control environment and business performance including the key drivers for directors' remuneration and dividend levels;
- results of our enquiries of management about their own identification and assessment of the risks of irregularities;
- any matters we identified having made enquiries of management about their policies and procedures relating to:
 - > identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of noncompliance;
 - > detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud;
 - > the internal controls established to mitigate risks of fraud or non-compliance with laws and regulations;
- the matters discussed among the audit engagement team regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory frameworks that the company operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act and local tax legislation.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements, but compliance with which may be fundamental to the company's ability to operate.

Audit response to risks identified

As a result of performing the above our procedures to respond to the risks identified included the following:

- reviewing the financial statements disclosure and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- enquiring of management about actual and potential litigation and claims;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risk of material misstatement due to fraud;
- obtained an understanding of provisions and held discussions with management to understand the basis of recognition or non-recognition of tax provisions; and
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

There are inherent limitations in the audit procedures described above and the further removed the non-compliance with laws and regulations is from events and transactions reflected in the financial statements the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
ACCRINGTON STANLEY FOOTBALL IN THE
COMMUNITY TRUST LIMITED**

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Other matter

Comparative information in the financial statements is derived from the company's prior period financial statements which were not audited.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**ACCRINGTON STANLEY FOOTBALL IN THE
COMMUNITY TRUST LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE 2022**

1. STATUTORY INFORMATION

Accrington Stanley Football in the Community Trust Limited is a charitable company, limited by guarantee, registered in England and Wales. The charity and company registered numbers and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Accrington Stanley Football in the Community Trust Limited meets the definition of a public benefit entity under FRS 102.

Critical accounting judgements and key sources of estimation uncertainty

Preparation of the financial statements requires management to make significant judgements and estimates. The main area of estimation is in respect of the useful lives of fixed assets. The depreciation rates used can be identified in the fixed asset accounting policy below.

Income

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Grants receivable, donations and income from charitable activities are accounted for when due. Income is deferred when it is received in advance of the period to which it relates.

Legacies are recognised at the earlier of: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the charitable company that a distribution will be made, or when a distribution is received from the estate.

Investment income is recognised on a receivable basis.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required, and the amount of the obligation can be measured reliably. Expenditure is classified under charitable activities and their associated supports.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Short leasehold	- 2% on cost and Straight line over 10 years
Plant and machinery	- Straight line over 5 years
Fixtures and fittings	- 15% on reducing balance
Motor vehicles	- 25% on reducing balance
Computer equipment	- Straight line over 3 years

Additional building works, such as extensions to existing leasehold property, are only depreciated once completed and brought into use.

**ACCRINGTON STANLEY FOOTBALL IN THE
COMMUNITY TRUST LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 30TH JUNE 2022**

2. ACCOUNTING POLICIES - continued

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Creditors

Short term creditors are measured at transaction price.

20. MOVEMENT IN FUNDS - continued

Transfers between funds

Transfers are all to the designated fixed assets fund representing assets purchased from general funds.

21. CONTINGENT LIABILITIES

The charity received grant funding of £1m from the Football Foundation to construct the Stanley Sports Hub from which the charity operates. A charge is registered in favour of the Football Foundation over the Stanley Sports Hub in case conditions attached to the grant are breached. The charge is to last for a period of 21 years, expiring on the 5th of May 2041. The carrying amount of the asset secured at 30th June 2022 is £2,187,967 (2021: £2,128,374). There have been no breaches to date and the trustees do not foresee that any such breach will occur.

22. CAPITAL COMMITMENTS

	30.6.22	30.6.21
	£	£
Contracted but not provided for in the financial statements	853,522	-

During the year, the charity entered into an agreement to extend their current facilities at Thorneyholme Road and contracted to construction work amounting to £853,522, with the construction work not commencing until September 2022. As a result, no amounts have been recognised in these financial statements.

23. RELATED PARTY DISCLOSURES

There were no related party transactions for the year ended 30th June 2022.
