The Club provides recreational sailing for service personnel and service veterans and co-operates with the ASA on training courses. Facilities are provided for service sailing activities and events.

The Club actively encourages local as well as more distant members to participate in sailing. It provides training and courses, both on the water and shore based to meet all levels of experience.

The club runs numerous sail training events for children and young people with the aim of them achieving recognised RYA levels.

All Trustees have copy of PB1 – Public benefit; the public benefit requirement.

Summary of the main achievements of the charity during the year

The Charity continues to run sailing courses for both children and adults. These are formal RYA courses run by qualified but volunteer Dinghy Instructors and cover different levels and stages of the RYA syllabus.

This year we also ran a series of training days for children using the Club boats and member's own boats.

The Club also has a number of Power Boat Instructors, and it runs Power Boat Level 2 and Safety Boat Operator courses so that the sailing club can be self sufficient and be supported by qualified safety boat operators within the membership.

This year we held our annual 'Junior Week' which was attended by nearly 75 children, all members of the club. These weeks are run entirely by volunteers – members of the club who have qualified as instructors or safety boat operators through the RYA Schemes at the club and suitable DBS Checked adult volunteers assisting on land and on the water. Several of the instructors are youngsters who have previously been through our Junior Programme and now enjoy giving back to the club by instructing the younger members during Junior Week and other training days.

More informally, there were sailing sessions run roughly fortnightly in the safe area in front of the club on the high tide. While there is some instruction, particularly if there are adults, it is an opportunity for the children to gain water experience and confidence, play games and capsize, which the children enjoy. It is also an opportunity for less experienced sailors to sail while there are safety boats on the water. These are very well attended by all ages.

In addition to the long course races that the club holds, a number of 'Short Course Races' are run which are three half hour races in close proximity to the clubhouse in Thorney Channel. Additionally, 'Plastic Fantastic', aimed at our beginners and improvers is evening training in our club boats throughout the summer and then progress to take part in Plastic Fantastic races, shorter and in the Thorney Channel.

As before, the Club facilities have been used by the Armed Forces for team building and other events. The Army Inshore Sail Training Centre also sometimes use our club boats if they don't have sufficient or suitable vessels for the activity they may be running. Recently we have encouraged a forces veterans group using our facilities for regular meetings, establishing a forum for discussion and learnings.

**Charity no

Set out on pages

(remember to include the page numbers of additional sheets)

**Respective
responsibilities of
trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

In connection with my examination, no material matters have come to my attention (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Charities Act or
- the accounts do not accord with the accounting records

I have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

** Please delete the words in the brackets if they do not apply.*
