Structure, governance and management

Wethersfield Pre-School is a charitable Company Limited by Guarantee, incorporated on 12 November 2010, re-registered as a Charity on 11 January 2011 and is registered with Ofsted (registration number 404874) and a member of the Pre-School Learning Alliance.

The company was established under a Memorandum of Association which established the objects and the powers of the Charitable Company and is governed under its Articles of Association.

The Directors of the Company are also Charity trustees for the purposes of Charity Law and are voted for at the Annual General Meeting. All Directors give their time voluntarily and receive no benefits from the Charity. We have a childcare protection policy in place by carrying our Disclosure and Barring Service (DBS) checks and comply with the Ofsted regulation by completing their suitability checks. Every member of our nursery team has been fully trained, or is undergoing training.

Objects and activities

The objects of the Pre-School are to enhance the development and education of children under statutory school age by encouraging parents to understand and provide for the needs of their children through community groups Pre-School Learning Alliance. By offering appropriate play, education and care facilities.

The Pre-School is open to all children, both from the village and surrounding areas, age 2 to rising 5 years old.

It is open 38 weeks each year and is closed in the school holidays. But we are looking into opening up in the holiday for fun activities and play also starting a breakfast club for all children ages from 2 to 11 years old.

Achievements and Performance

Once again the Pre-School continues to attract new members from the local and surrounding villages. We have become closer to our Primary Schools and Churches, although the Coronavirus pandemic has prevented us from attending any sports day or other activities and events. It is hoped that, with the removal of the pandemic restrictions, activities will resume.

Responsibilities of the Directors

Company Law requires the Directors to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the charitable Company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial period ending 30 November 2021.

In preparing those Financial Statements the Directors should follow best practice and;

- a) Select suitable accounting policies and then apply them consistently
- b) Make judgements and estimates that are reasonable and prudent; and
- c) Prepare the Financial Statements on the going concern basis unless it is not appropriate to assume that the Company will continue on that basis.

The Directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charitable Company and to enable them to ensure that the Financial Statements comply with the Companies Act 2006. The Directors are also responsible for safeguarding the assets of the Charitable Company and hence for taking steps for the prevention and detection of fraud and other irregularities.
