26 volunteers went out to Kenya in July to support the recovery programme at the school from the floods, this included creating new dormitories for the students, helping the students and teachers over come the emotional challenges of the floods and restoring classrooms.

The volunteer trips are self-funding including the flights and accommodation.

Volunteers took old clothing, old mattresses, cupboards and games to help replace those lost during the floods.

Regular costs include food, hygiene items including nappy bags, rent and energy costs.

contribution made by volunteers.

Our activity is supported by volunteers who undertake activities in Kenya to support our programme of support for the school. This year 26 volunteers spent two weeks at Brainhouse, providing supporting following devastating floods which destroyed part of the school.

Summary of the main achievements of the charity during the year

Delivered the food programme which ensured that all orphans and teachers were fed every day and that all other students were fed three times a week.

Provided an exceptional level of support to the school when it was hit by floods in April 2024. Half of the school was washed away, including the dormitories and kitchen. ACEF raised exceptional funds to allow the school to find accommodation for the teachers and students, to replace lost food reserves, to replace equipment and rebuild buildings such as the kitchens.

Held fundraising events in the UK, which included an off road cycling sponsorship, a Bollywood Ball in Sheffield, a Mad Hatters tea party in Solihull and several fundraising events at schools in Birmingham.

Provided clinical psychological support and care to both teachers and students to help them overcome the trauma of coping with and surviving the floods.

Volunteers provided physical support in creating new dormitories for the students, restoring beds and equipment.

Volunteers took out clothing, educational supplies and games to help replace those lost during the floods.

Regular costs include food, hygiene items including ruby cups, rent and energy costs.
