**Objectives and activities**

The objects and main activities undertaken to further the charity's purposes for the public benefit are: -

Reserves policy

The reserves of the company, comprising unrestricted funds, amounted to £27,816 at the year end, (2021: £27,183). These funds are intended to provide protection in the case of an unforeseen downturn in income, or additional expenditure, and also to fund future projects under consideration.

Future plans and strategic report.

The charity plans to continue to develop its fundraising activities and improve facilities to enable better care for the dogs under the care of the charity.

Asset cover for Funds

The Trustees confirm that there are adequate liquid assets to fulfil the obligations of the charity.

Trustees' responsibilities

The charity trustees are responsible for preparing a trustees' annual report, including the strategic report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure of the charitable company for the year.

In preparing the financial statements the trustees are required to:

- select suitable accounting policies and apply them consistently.
- observe the methods and principles in the Charities SORP and FRS 102.
- make judgements and estimates that are reasonable and prudent.
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will be able to continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to assure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of error, fraud and other irregularities.

The Trustees are also responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website.

This report has been prepared having taken advantage of the small companies exemption in the Companies Act 2006.
