## Atwell Wilson Motor Museum

### Report of the Trustees for the Year Ended 31 March 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and aims**

The Charity's purpose, as set out in the objects contained in the company's Memorandum of Association is:

To maintain a museum for the public display of a collection of cars, motorcycles and additions for the purpose of promoting public education, interpretation, appreciation and knowledge in the historical development and evolution of the motor car, other vehicle and their parts, design and technology.

The aims of our charity are:

- To ensure that the collection is maintain in a material state sufficient to permit members of the public to view the collection safely and in relative comfort;
- To present the collection for viewing in an arrangement, and accompanied with sufficient historical and technical information, that permits the public to appreciate both the vehicles and the origins;
- To adjust the collection periodically, through loans, donations, and purchases, to incorporate a balance of vehicles and exhibits with will continue to capture public interest; and
- To contribute to the local community by supporting relevant exhibitions, shows and activities through the display of appropriately selected items at such events.

Ensuring our work delivers our aims:

We review the material state of out collection, out infrastructure, safety and out involvement in local and national motor vehicle events continuously throughout the year. In these reviews we assess what went well for the museum and for our stakeholders and what areas merit improvement or enhancement. Subsequently we prioritise and implement any changes that are necessary following these reviews to improve delivery of our aims. Safety issues have the highest priority, we review our loan vehicle stock annually and, where appropriate to maintaining a good balance of exhibits and public interest, we introduce changes accordingly.

##### **Public benefit**

Our purpose, and the focus of all out charitable activities, is to provide the public with regular and affordable access to a collection of motor vehicles for their information, education and enjoyment. We have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission and, in particular, that guidance contained in the Charity Commission's document 'Charities and Public Benefit' Dated January 2008 and as amended December 2011.

##### **Beneficiaries of our Museum**

Our museum is open from 1st April to 31st October, Tuesdays to Sundays inclusive from 11am to 5 pm including Bank Holidays and in the winter from 1st November to 31st March, Thursdays to Sundays inclusive from 11am to 4pm including Bank Holidays. (In December and January, it is open Thursdays and Fridays by appointment only). During 2020 and the first part of 2021 we were closed due to Covid 19 Pandemic but were fortunate to received Government Grants to the value of £39,393.

In addition to examining the exhibits and their written histories and technical details, visitors may also consult supporting manuals, handbooks and associated publications that are available in our library on site.

Knowledgeable, volunteers are on-site to provide a welcome and information. Children are catered for, both inside and out, with suitable activities to engage them and school visits are encouraged.

### Report of the Trustees for the Year Ended 31 March 2021

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Charitable activities**

###### **General**

We have continued to develop the Motor Museum and its infrastructure in accordance with objectives that we set ourselves last year.

We have continued to enhance the mix of vehicles on display in the Museum with some new acquisitions.

We continue to take steps to increase the diversity of the sources of motorcycles on loan for display at the museum to reduce our current dependency on a small number of donors and have installed cycle stands to enable better display.

We continue to donate free admission passes (maximum of 10 per year) to local schools to assist with their fundraising and have partnered with a number of local firms to give their staff special entry terms.

#### **FINANCIAL REVIEW**

##### **Principal funding sources**

The principal sources of income of the Charitable Company are (not in order of value):

- Donations from the general public
- Donations from the Supporters of the Atwell Wilson Motor Museum, including promotion of Annual Draw for a prize car
- Donations from Atwell Wilson Motor Museum Enterprises Limited (Wedding hire)
- Museum admission charges
- Rental income from Brook House
- Rental Income from agricultural land
- Fees from the storage of loan vehicles
- Sale of vehicles and associated memorabilia
- Income from events such as car club rallies
- Sales from the museum shop and from the bungalow tea room

##### **Financial focus this year**

The financial focus this year, as in previous years, has been to maintain the safety availability and material state of the collection and its infrastructure and to ensure the purpose and aims of the Charity are sustained as we continue to develop and improve the site, its facilities and the collections in order to enhance the experience on offer to the public.

##### **Investment Plans for the next period**

Our financial focus during 2021 will be:

To continue with the programme of investment in the museum's buildings and grounds to improve visitors' accessibility to exhibits, to improve their layout and to enhance the décor of the exhibition halls.

To try to re-vitalise the wedding hire business to bring extra income

To recuperate across the whole business following the pandemic suffered during most of 2020.

##### **Reserves policy**

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding they will be able to continue that charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The Atwell Wilson Motor Museum is a charitable company limited by guarantee, incorporated on 22nd September 2010 as amended by special resolution on 9th January 2011, and registered as a charity on 20th January 2011. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £10.

**Report of the Trustees**  
**for the Year Ended 31 March 2021**

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Related parties**

During 2018, the Trustees and the Friends agreed that the Friends of the Atwell Wilson Motor Museum would be disbanded and the volunteers would become direct volunteers of the charity, known as Supporters.

The Supporters of the Atwell Wilson Motor Museum has 80 or so members, who raise money to support the museum's aims. The Supporters also assist the Officers of the museum to staff the reception, move and relocate vehicles, clean and refurbish vehicles, keep the museum infrastructure in a presentable condition, maintain the library and to carry out a plethora of other tasks. Like the Trustees, the Supporters provide their time and efforts voluntarily and receive no financial benefits from the charity.

The Trustees are very grateful to the Friends (formerly) and the Supporters for their exceptional fundraising efforts over the year and for their unceasing support in assisting to keep the museum's fabric and collection in good order.

**Risk management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

**Independent Examiner's Report to the Trustees of**  
**Atwell Wilson Motor Museum**

**Independent examiner's report to the trustees of Atwell Wilson Motor Museum ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2021.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Atwell Wilson Motor Museum

### Notes to the Financial Statements for the Year Ended 31 March 2021

#### 1. ACCOUNTING POLICIES

##### **Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

##### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- Not provided
Improvements to property	- Not provided
Plant and machinery	- 25% on reducing balance
Fixtures and fittings	- 33% on reducing balance
Motor vehicles	- 10% on reducing balance

The value of the plant and machinery is reviewed by the trustees on an annual basis.

##### **Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

##### **Taxation**

The charity is exempt from corporation tax on its charitable activities.

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
