Harbour Community Church Folkestone

Trustees' Report For the Year Ended 30 June 2024

Constitution and Charitable Objectives

The Church was constituted by a trust deed dated 20 May 2007 with the charitable objectives to:

Advance the Christian faith in accordance with the Statement of Beliefs in such ways and in such parts of the United Kingdom or the world as the Trustees from time to time may think fit,

Relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, goods, or services of any kind, including through the provision of counselling and support in such parts of the United Kingdom or the world as the Trustees from time to time may think fit,

Advance education in such ways and in such parts of the United Kingdom or the world as the Trustees from time to time may think fit.

When planning activities for the period, the Trustees have considered the Charity Commission's guidance on public benefit and in particular the specific guidance for the advancement of religion. The charity promotes the Christian faith by providing regular public worship and teaching for all; providing training, nurture and activities for children and young people; serving the community through giving pastoral care and support to members and others in need, particularly those in sickness, distress or poverty and providing premises and resources for community groups and activities.

Financial Period

The Financial Period was 1 July 2023 to 30 June 2024.

Premises

The Church operates out of Harbour Church, formally St. Saviours.

Church Activities

Coffee Morning

A weekly coffee morning, an outreach to the community, staffed by church volunteers. We take a voluntary donation for cake and coffee. The coffee morning runs every Thursday morning 10am – 12pm and we welcome in both church members and people from the wider community. The team leaders have been trained by the Trussell trust food bank to issue food bank vouchers when necessary.

Church Weekly Service

A relaxed, welcoming time with contemporary worship and engaging and relevant preaching, followed by refreshments and fellowship. There is a crèche available throughout the service and a Sunday School for primary school aged children during the latter part of the service.

Trustees' Report For the Year Ended 30 June 2024

Play Cafe

An opportunity for younger children to play, do crafts, sing, and interact together in a relaxed and safe atmosphere and where parents and carers can enjoy a cup of coffee and spend time with other parents.

Harbour Kids

A weekly children's club for primary school age children. Kids love the fast-moving programme that teaches them about God and the Bible in a fun way. Songs, stories, quizzes, memory verses, videos, and games make Harbour Kids the best place to be on a Wednesday night. We have attendance of between 50 and 60 per week.

Harbour Youth

This is another opportunity for young people to hang out with friends but with a more spiritual focus as they engage in group activities and hear and discuss the big questions of life as they discover God's amazing plan for their lives.

Youth Connect

A group for teens wanting to go deeper in their faith, and for those curious about getting to know God better. The Bible and faith are discussed in a frank and open manner. Primarily, Youth Connect is about spending time together and having loads of fun about being a young Christian.

Connect Groups

An opportunity to build friendships with others from church. It's where members of the church come to share life, to talk about what God is doing in our lives and pray for one another. These small mid-week gatherings are open to all and are a vital part of our church.

Community Events

As part of its commitment to the local community, the church organises two major events each calendar year: A Family Funday in June called 'Harbour Church Fun Day' which attracts over 1500 people for an afternoon of food, fun, creative activities, and music.

Support to Local Schools

Experienced children's workers from the Church support local schools and teachers in preparing assemblies, with their RE curriculum and pastoral care of children.

Summer Camp

The Youth Team took a group of over 25 young people to Limitless Festival in the Summer.

Connecting and Conferences

Another unique aspect of Harbour Church is its ability to generate and host gatherings of different groups within the local community for both short and long-term purposes. Harbour Crochet has been meeting monthly since 2014. Harbour Church regularly provides regular meetings and activities for both men and women to connect and grow socially and spiritually.

Baby Basics Folkestone

During the year Harbour Church partnered with Baby Basics, this involves assisting with finance and storage to enable Baby Basics to fulfil their aims. Baby Basics is a volunteer-led project aiming to support new mothers and families who are struggling to meet the financial and practical burden of looking after a new baby.

Wider Folkestone Community

Churches Together Folkestone

The church is an active member of the wider Christian presence in Folkestone through Folkestone Churches Together (CTF), with members of Harbour Church's leadership being part of CTF's management and planning committees. CTF organise public acts of worship at Christmas and Easter, a variety of social activities for children, youth and older folk and encourage prayerful support for the civic life in Folkestone as well as many other practical and social activities.

Folkestone Charities

Harbour Church also financially supports other local Christian charities who share its aims and charitable objectives and encourages its members to participate in their activities. Organisations include the Folkestone Rainbow Centre, Operation Sunshine, Shepway Food Bank.

Winter Shelter

Church members participate in the Folkestone Churches 'Winter Shelter' programme for people who are homeless, which is run in conjunction with Shepway Council and other local agencies. During the winter months, different churches in Folkestone open their doors for one night each week to provide food, shelter, and a bed for the night, ensuring there is shelter and support for each day of the week. This ministry has developed into a broader referral and advice service for those using these facilities.

The Wider World

In addition to its focus on the local community, Harbour Church also encouraged its members, youth, and children to engage with the wider world in mission and community development. The church commits a percentage of its unrestricted income to world mission which included support for people working in Romania and South Africa as well as activities with a more local focus.

Members of Harbour Church have worked alongside members of another church in Folkestone to raise money to build and support a primary school in Burkina Faso. Harbour Church also has links with Mission Aviation Fellowship who have their main offices in the town.

Volunteer Support

The trustees are extremely grateful to the dozens of volunteers from the church who give generously of their time, as without this very little of the activities outlined above would happen.

Building Repairs and Improvements

During the accounting period, various building and roof works were made to repair or improve the building. The Trustees will look at fundraising options for future building works. New toilets and a new heating system was implemented in the year.

Financial Review.

The income for the year was £192,166 which was £25,325 more than the previous period. The church has enjoyed seeing growth during this period as well as receiving a couple of grants towards roof works. Total costs of £189,852 are £36,769 lower than the previous periods figure of £153,083. Free Reserves of £38,931 amount to 2.81 months of unrestricted expenditure. The Trustees aim to hold between three- and six-months' worth of expenditure.

At the period end the Property Fund held £280,776 in comparison to the previous period end figure of £263,003. The Property Fund represents the Net Book Value of properties held and cash from the sale of premises.

Harbour Church aim to give 10% of the general income to missionaries and missions, overseas and in the UK. This provides long term support for people working overseas and finance for short term missions' projects and capital projects. Also, we often raise additional money for specific projects, e.g. school building construction. At the period end there was £2,000 in the Missions Fund, in comparison to £1,073 at the last period-End.

The Buildings Fund, had a balance of £5,000 at the year end, compared to £8,170 last year.

Hardship Fund

Trustees and Spiritual leadership agreed to initiate a Hardship fund in March 2020. The Hardship fund exists to help people in need within the Harbour Church family and anyone who approaches the church for assistance. Alongside the assistance from the fund all other avenues of aid will be signposted to the person receiving the help, such as: Foodbank, benefits, and local hot meals.

Church Affiliation

Harbour Community Church is affiliated to the Assemblies of God.

Trustee Appointments

New trustees are appointed by the Spiritual Leadership. All trustees must subscribe and adhere to, in belief and lifestyle, the Statement of Beliefs.
