**Report of the Trustees
for the year ended 31st December 2025**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st December 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Advantage has been taken, in the preparation of this Report, of the special exemptions applicable to small companies.

OBJECTIVES AND ACTIVITIES

Aims and objectives

The objects of the Charity are governed by its memorandum of association. Its aims and objectives are to;

- Advance the education of children and young people in Africa through the provision of grants, scholarships and facilities for education and to;
- Relieve the needs of children and young people in Africa through the provision of food, clothing and accommodation.

The Charity was established in 2010 to take over the support of young people and their education in Africa which had to that date been undertaken for over 8 years as one of various charitable activities of the Parochial Church Council of St Barnabas Swanland. The decision to set up the Charity as a separate charity reflects that the activity then being undertaken by the Parochial Church Council of St Barnabas Swanland had a wider support than simply the membership of St Barnabas and it was felt appropriate to separate it from its church based roots.

The Directors of the Charity all have significant experience of working in Africa over a number of years having either regularly visited projects or having resided in Africa. The current focus of the activity is in Nairobi Kenya, but it is not restricted to one place and various projects have been examined or are being evaluated.

In past years the directors have made periodic visits to supported projects. The last such visit took place in 2024 by two of the directors as a monitoring visit. The cost of this visit was borne by the director personally. Further Trustee monitoring visits will be planned to provide assurance of safeguarding and operational activities in the schools.

The administration and day to day management during the year of report was carried out by the Directors and the secretary on a voluntary basis. There are no employees.

Activities

Since commencement the Charity's principal activities are the financial support of two schools: one located in a slum area of Nairobi and the other in the nearby settlement of Ngong. The financial support includes salary contributions, contribution to the rental of premises, academic teaching materials and equipment, uniforms and food. The provision of at least one good meal a day is a key part of the aim of the Charity. The first school has named itself the 'Swanland Village School' and the second was to set up a new Primary school for children of HIV affected families who would otherwise be denied access to the formal education system. The ongoing local management of the Swanland Village School continues to be performed by Chryspin and Flouridah Onkoba, two professionally trained individuals who furnish the Directors with regular and comprehensive management reports. Swanland Village School provides schooling at a primary level within the Kenyan education system for around 200 pupils.

The Ngong Primary school project ("Esther's School") is a work of a dynamic woman who has been known to the Directors for over 20 years, Esther Wanjiru, a professional teacher. She has founded and ran a series of projects aimed at supporting HIV affected families in the Masai and Ngong area community. At the year's end, Esther's School was well established and admitted around 450 children of primary age. The founder provides the Directors with comprehensive management reports.

The Directors require that there is, for all pupils, an element of cost sharing at a level which is affordable, to ensure that pupils and their parents and guardians have ownership of their schools.

for the year ended 31st December 2025**

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

Monthly grants were issued to each project which totalled £98,468 during the year (£112,102 in the previous accounting period).

A restricted fund (Jewellery Fund) had a nil balance brought forward and was credited with £2,416 from sales of jewellery and ornament items created by women associated with Esther's School. £2,357 was paid out to Esther which leaves the restricted fund with a balance carried forward of £59.

FINANCIAL REVIEW

Investment policy and objectives

The Charity's policy on reserves is to maintain sufficient funds to allow three months of grant making activity at the historic average rate.

The grant making policy is as determined by the objects of the Charity.

Surplus funds are held at Barclays Bank plc in non-interest bearing accounts. Whilst interest rates continue at such historically low rates the cost of switching relatively small amounts of cash outweigh the benefit to be derived.

The funds of the Charity are not sufficient to warrant the appointment of an investment adviser. In accordance with the Trustee Act 2000, the Charity's investment strategy and investment policy is to retain cash in reserves to allow three months of grant making as stated above.

Reserves policy

The policy of the charity is to have enough reserves for three months worth of grants to the school to continue operation. The charity ended the 24/25 financial year with £7,333 (2024 - £5,779) in reserves.

Going concern

The trustees have assessed the charity's financial position and its ability to continue operating for the foreseeable future. During 2024/2025, the charity has a positive reserves position and ended the financial year with a total reserves of £7,333 (2024- £5,779).

The Trustees have conducted reviews of the cash flow forecast, covering at least the next 12 months. Based on current financial performance, secured income streams, the Trustees have a reasonable expectation that the charity has adequate resources to continue to operate. Accordingly, the financial statements have been prepared on a going concern basis.

FUTURE PLANS

The directors have paid due regard to the guidance on public benefit in deciding what activities the Charity should undertake and are satisfied that the requirements are being complied with. The directors keep the guidance on public benefit under review.

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st December 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Independent Examiner's Report to the Trustees of Swanland Education Africa Trust

Independent examiner's report to the trustees of Swanland Education Africa Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st December 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Swanland Education Africa Trust

Report of the Trustees

for the year ended 31st December 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Advantage has been taken, in the preparation of this Report, of the special exemptions applicable to small companies.

OBJECTIVES AND ACTIVITIES

Aims and objectives

The objects of the Charity are governed by its memorandum of association. Its aims and objectives are to;

- Advance the education of children and young people in Africa through the provision of grants, scholarships and facilities for education and to;
- Relieve the needs of children and young people in Africa through the provision of food, clothing and accommodation.

The Charity was established in 2010 to take over the support of young people and their education in Africa which had to that date been undertaken for over 8 years as one of various charitable activities of the Parochial Church Council of St Barnabas Swanland. The decision to set up the Charity as a separate charity reflects that the activity then being undertaken by the Parochial Church Council of St Barnabas Swanland had a wider support than simply the membership of St Barnabas and it was felt appropriate to separate it from its church based roots.

The Directors of the Charity all have significant experience of working in Africa over a number of years having either regularly visited projects or having resided in Africa. The current focus of the activity is in Nairobi Kenya but it is not restricted to one place and various projects have been examined or are being evaluated.

In past years the directors have made periodic visits to supported projects. The last such visit took place in 2023 by one of the directors as a monitoring visit. The cost of this visit was borne by the director personally. A further Trustee monitoring visit is planned for 2024.

The administration and day to day management during the year of report was carried out by the Directors and the secretary on a voluntary basis. There are no employees.

There were no changes in those who are Directors of the Charity in the year of report.

Activities

Since commencement the Charity's principal activities are the financial support of two schools: one located in a slum area of Nairobi and the other in the nearby settlement of Ngong. The financial support includes salary contributions, contribution to the rental of premises, academic teaching materials and equipment, uniforms and food. The provision of at least one good meal a day is a key part of the aim of the Charity. The first school has named itself the 'Swanland Village School' and the second was to set up a new Primary school for children of HIV affected families who would otherwise be denied access to the formal education system. The ongoing local management of the Swanland Village School continues to be performed by Chryspin and Flouridah Onkoba, two professionally trained individuals who furnish the Directors with regular and comprehensive management reports. Swanland Village School provides schooling at a primary level within the Kenyan education system for around 200 pupils.

The Ngong Primary school project ("Esther's School") is a work of a dynamic woman who has been known to the Directors for over 17 years, Esther Wanjiru, a professional teacher. She has founded and runs a series of projects aimed at supporting HIV affected families in the Masai and Ngong area community. At the year's end, Esther's School was well established and admitted around 450 children of primary age. The founder provides the Directors with comprehensive management reports.

The Directors require that there is, for all pupils, an element of cost sharing at a level which is affordable, to ensure that pupils and their parents and guardians have ownership of their schools.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Monthly grants were issued to each project which totalled £108,106 during the year (£103,203 in the previous accounting period).

A restricted fund (Jewellery Fund) had a balance brought forward of £160 and was credited with £1,200 from sales of hand made jewellery and ornament items created by women associated with Esther's School. £1,000 was paid out to Esther in November 2023 which leaves the restricted fund with a balance carried forward of £360.

A further restricted fund (Bursary Fund) is held to support students graduating from each school for their set up costs on entering High School places. A total of £2,500 was issued from this Bursary Fund in 2023 allocated by the schools on a needs basis.

FINANCIAL REVIEW

Investment policy and objectives

The Charity's policy on reserves is to maintain sufficient funds to allow three months of grant making activity at the historic average rate.

The grant making policy is as determined by the objects of the Charity.

Surplus funds are held at Barclays Bank plc in non-interest bearing accounts. Whilst interest rates continue at such historically low rates the cost of switching relatively small amounts of cash outweigh the benefit to be derived.

The funds of the Charity are not sufficient to warrant the appointment of an investment adviser. In accordance with the Trustee Act 2000, the Charity's investment strategy and investment policy is to retain cash in reserves to allow three months of grant making as stated above.

FUTURE PLANS

The directors have paid due regard to the guidance on public benefit in deciding what activities the Charity should undertake and are satisfied that the requirements are being complied with. The directors keep the guidance on public benefit under review.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Swanland Education Africa Trust is a registered charity, number 1140208, and a company limited by guarantee, number 07418210, which is governed by its memorandum and articles of association.

Recruitment and appointment of new trustees

Recruitment of trustees is undertaken by the personal recommendation of an existing trustee. Appointment is made through an election by trustees.

Risk assessment

In the year the Charity reviewed its exposure to risk and adopted a detailed risk assessment with steps taken or to be taken to mitigate risk.

Safeguarding

After the year-end the Charity reviewed its safeguarding policies and procedures and in the absence of a formal written policy adopted a formal Safeguarding Policy and communicated this to the schools being supported by the Charity. The Charity also required those schools to adopt safeguarding policies compliant with local laws and with the Charity's Policy.

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Swanland Education Africa Trust

Report of the Trustees

for the year ended 31st December 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Advantage has been taken, in the preparation of this Report, of the special exemptions applicable to small companies.

OBJECTIVES AND ACTIVITIES

Aims and objectives

The objects of the Charity are governed by its memorandum of association. Its aims and objectives are to;

- Advance the education of children and young people in Africa through the provision of grants, scholarships and facilities for education and to;
- Relieve the needs of children and young people in Africa through the provision of food, clothing and accommodation.

The Charity was established in 2010 to take over the support of young people and their education in Africa which had to that date been undertaken for over 8 years as one of various charitable activities of the Parochial Church Council of St Barnabas Swanland. The decision to set up the Charity as a separate charity reflects that the activity then being undertaken by the Parochial Church Council of St Barnabas Swanland had a wider support than simply the membership of St Barnabas and it was felt appropriate to separate it from its church based roots.

The Directors of the Charity all have significant experience of working in Africa over a number of years having either regularly visited projects or having resided in Africa. The current focus of the activity is in Nairobi Kenya but it is not restricted to one place and various projects have been examined or are being evaluated.

In past years the directors have made periodic visits to supported projects. The last such visit took place in 2019 by two of the directors as a monitoring visit. The cost of this visit was borne by the directors personally. Due to travel restrictions from the COVID pandemic it has not been possible to carry out a more recent monitoring visit in person. The Trustees, in lieu of being able to make a personal monitoring visit, have commissioned an independent inspection report on the schools from a local professional contact in Nairobi. A further Trustee monitoring visit is planned for 2023.

The administration and day to day management during the year of report was carried out by the Directors and the secretary on a voluntary basis. There are no employees.

There were no changes in those who are Directors of the Charity in the year of report.

Swanland Education Africa Trust

Report of the Trustees

for the year ended 31st December 2022

OBJECTIVES AND ACTIVITIES

Activities

Since commencement the Charity's principal activities are the financial support of two schools: one located in a slum area of Nairobi and the other in the nearby settlement of Ngong. The financial support includes salary contributions, contribution to the rental of premises, academic teaching materials and equipment, uniforms and food. The provision of at least one good meal a day is a key part of the aim of the Charity. The first school has named itself the 'Swanland Village School' and the second was to set up a new Primary school for children of HIV affected families who would otherwise be denied access to the formal education system. The ongoing local management of the Swanland Village School continues to be performed by Chryspin and Flouridah Onkoba, (formerly Directors of CEPACET) two professionally trained individuals who furnish the Directors with regular and comprehensive management reports including detailed financial statements. Swanland Village School provides schooling at a primary level within the Kenyan education system for around 250 pupils.

The Ngong Primary school project ("Esther's School") is a work of a dynamic woman who has been known to the Directors for over 16 years, Esther Wanjiru, a professional teacher. She has founded and runs a series of projects aimed at supporting HIV affected families in the Masai and Ngong area community. At the year's end, Esther's School was well established and admitted around 450 children of primary age. The founder provides the Directors with comprehensive management reports, including financial statements.

The Directors require that there is, for all pupils, an element of cost sharing at a level which is affordable, to ensure that pupils and their parents and guardians have ownership of their schools.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Monthly grants were issued to each project which totalled £103,203 during the year (£112,308 in the previous accounting period).

A further restricted fund (Bursary Fund) is held to support students graduating from each school for their set up costs on entering High School places. A total of £2,000 was issued from this Bursary Fund in 2022 allocated by the schools on a needs basis.

FINANCIAL REVIEW

Investment policy and objectives

The Charity's policy on reserves is to maintain sufficient funds to allow three months of grant making activity at the historic average rate.

The grant making policy is as determined by the objects of the Charity.

Surplus funds are held at Barclays Bank plc in non-interest bearing accounts. Whilst interest rates continue at such historically low rates the cost of switching relatively small amounts of cash outweigh the benefit to be derived.

The funds of the Charity are not sufficient to warrant the appointment of an investment adviser. In accordance with the Trustee Act 2000, the Charity's investment strategy and investment policy is to retain cash in reserves to allow three months of grant making as stated above.

FUTURE PLANS

The directors have paid due regard to the guidance on public benefit in deciding what activities the Charity should undertake and are satisfied that the requirements are being complied with. The directors keep the guidance on public benefit under review.

Independent Examiner's Report to the Trustees of Swanland Education Africa Trust

Independent examiner's report to the trustees of Swanland Education Africa Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st December 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Report of the Trustees

for the year ended 31st December 2021.

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Advantage has been taken, in the preparation of this Report, of the special exemptions applicable to small companies.

OBJECTIVES AND ACTIVITIES

Aims and objectives

The objects of the Charity are governed by its memorandum of association. Its aims and objectives are to:

- Advance the education of children and young people in Africa through the provision of grants, scholarships and facilities for education and to;
- Relieve the needs of children and young people in Africa through the provision of food, clothing and accommodation.

The Charity was established in 2010 to take over the support of young people and their education in Africa which had to that date been undertaken for over 8 years as one of various charitable activities of the Parochial Church Council of St Barnabas Swanland. The decision to set up the Charity as a separate charity reflects that the activity then being undertaken by the Parochial Church Council of St Barnabas Swanland had a wider support than simply the membership of St Barnabas and it was felt appropriate to separate it from its church based roots.

The Directors of the Charity all have significant experience of working in Africa over a number of years having either regularly visited projects or having resided in Africa. The current focus of the activity is in Nairobi Kenya but it is not restricted to one place and various projects have been examined or are being evaluated.

In past years the directors have made periodic visits to supported projects. The last such visit took place in 2019 by two of the directors as a monitoring visit. The cost of this visit was borne by the directors personally. Due to travel restrictions from the COVID pandemic it has not been possible to carry out a more recent monitoring visit in person. The Trustees, in lieu of being able to make a personal monitoring visit, have commissioned an independent inspection report on the schools from a local professional contact in Nairobi.

The administration and day to day management during the year of report was carried out by the Directors and the secretary on a voluntary basis. There are no employees.

There were no changes in those who are Directors of the Charity in the year of report.

OBJECTIVES AND ACTIVITIES

Activities

Since commencement the Charity's principal activities are the financial support of two schools: one located in a slum area of Nairobi and the other in the nearby settlement of Ngong. The financial support includes salary contributions, contribution to the rental of premises, academic teaching materials and equipment, uniforms and food. The provision of at least one good meal a day is a key part of the aim of the Charity. The first school has named itself the 'Swanland Village School' and the second was to set up a new Primary school for children of HIV affected families who would otherwise be denied access to the formal education system. The ongoing local management of the Swanland Village School continues to be performed by Chryspin and Flouridah Onkoba, (formerly Directors of CEPACETI) two professionally trained individuals who furnish the Directors with regular and comprehensive management reports including detailed financial statements. Swanland Village School provides schooling at a primary level within the Kenyan education system for around 250 pupils.

The Ngong Primary school project ("Esther's School") is a work of a dynamic woman who has been known to the Directors for over 16 years, Esther Wanjiru, a professional teacher. She has founded and runs a series of projects aimed at supporting HIV affected families in the Masai and Ngong area community. At the year's end, Esther's School was well established and admitted around 450 children of primary age. The founder provides the Directors with comprehensive management reports, including financial statements.

The Directors require that there is, for all pupils, an element of cost sharing at a level which is affordable, to ensure that pupils and their parents and guardians have ownership of their schools.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Monthly grants were issued to each project which totalled £112,308 during the year (£101,507 in the previous accounting period).

A further restricted fund (Bursary Fund) is held to support students graduating from each school for their set up costs on entering High School places. A total of £6,938 was issued to a total of forty eight from this Bursary Fund in 2021.

FINANCIAL REVIEW

Investment policy and objectives

The Charity's policy on reserves is to maintain sufficient funds to allow three months of grant making activity at the historic average rate.

The grant making policy is as determined by the objects of the Charity.

Surplus funds are held at Barclays Bank plc in non-interest bearing accounts. Whilst interest rates continue at such historically low rates the cost of switching relatively small amounts of cash outweigh the benefit to be derived.

The funds of the Charity are not sufficient to warrant the appointment of an investment adviser. In accordance with the Trustee Act 2000, the Charity's investment strategy and investment policy is to retain cash in reserves to allow three months of grant making as stated above.

FUTURE PLANS

The directors have paid due regard to the guidance on public benefit in deciding what activities the Charity should undertake and are satisfied that the requirements are being complied with. The directors keep the guidance on public benefit under review.

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st December 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

for the year ended 31st December 2021

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice: applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)' (effective 1 January 2019), 'Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure; it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor on when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.
