Activities

Objects: TO ADVANCE THE EDUCATION OF THE PUBLIC IN THE SUBJECT OF MUSIC AND HEALTH AND WELLBEING

Activities: The charity's work involves teaching the public how song, and music as a whole, can either enhance or undermine the well-being both of individuals and the wider community. Music and song can be used in any situation, regardless of the person's state of health. Activities are largely based on Giving Voice (GV), an educational and self-directed tool developed by the NFGV's founder Jill Rakusen.
