## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

### REDEEMED CHRISTIAN CHURCH OF GOD – VICTORY CENTRE

I report on the accounts of the charity for the year ended 31<sup>ST</sup> December 2023, which are set out below and notes to the financial statements on pages 7 to 19

#### **Respective responsibilities of Trustees and Examiners**

As the Charity's Trustees, you are responsible for the preparation of the accounts; you consider that an audit is not required for this year (under section 144(2) of the Charity Act 2011(the 2011 act) and that an independent examination is needed. It is my responsibility to

Examine the account (under section 145 of the Act);

- follow the procedures laid down in the General Directions given by the Charity;
- Commission (under section 145(5) (b) of the 2011 Act and
- State whether particular matters have come to my attention.

#### **Basis of Independent Examiner's report**

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes review of the accounting records kept by the Charity and a comparison of the accounts presented with those records.

It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as the Trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

#### **Independent Examiner's Statements**

In connection with the examination, no matter has come to my attention: -

- 1) Which give me reasonable cause to believe that in any material respect the requirements

- To keep accounting records in accordance with section 130 of the 2011 Act;
  - To prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met
- or

To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

---

**Note 2      Accounting policies**

**2.1 RECONCILIATION WITH PREVIOUS GENERALLY ACCEPTED  
ACCOUNTING PRACTICE**

There is no change in accounting policy in this period

**2.2 INCOME**

This standard list of accounting policies has been applied by the charity except for those ticked No or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

**Recognition of income**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

**Offsetting**

There has been no offsetting of assets and liabilities, or income and expenses.

**Grants and donations**

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

**Legacies**

There is no legacy received during this period.

**Government grants**

No government grant was received during this period.

**Tax reclaims on donations and gifts**

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

**Contractual income and performance related grants**

This is not applicable

**Donated goods**

There is no donated good.

**Donated services and facilities**

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

**Support costs**

The charity has incurred expenditure on support costs.

**Volunteer help**

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

**Income from interest, royalties and dividends**

Not applicable during this period.

**Income from membership subscriptions**

Tithes and offering received from the members are in the nature of a gift are recognised as Donations and Legacies

**Settlement of insurance claims**

Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP) and are included as an item of other income in the SoFA.

**Investment gains and losses**

This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

**2.3 EXPENDITURE AND LIABILITIES****Liability recognition**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

**Governance and support costs**

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

**Grants with performance conditions**

The Charity is not awarding grant to any organisation

**Grants payable without performance conditions**

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

**Redundancy cost**

The charity made no redundancy payments during the reporting period.

**Deferred income**

No material item of deferred income has been included in the accounts.

**Creditors**

The charity has creditors which are measured at settlement amounts less any trade discounts

**Provisions for liabilities**

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date

**Basic financial instruments**

The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS 102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS 102 SORP.

Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments

### **Debtors**

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.
