SECTION C

OBJECTIVES AND ACTIVITIES

Summary of the objects of the charity set out in its governing document

The object of the association is to advance the education of pupils in the school in particular by (1) developing effective relationships between the staff, parents and others associated with the school and (2) engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils.

Summary of the main activities undertaken for the public benefit in relation to these objects

Our main activities, running throughout the school year, are the daily after school clubs and the Friday *Boulangerie*. The after-school clubs run from 3:40-5pm each weekday, except Wednesday when they run from 1:20-2:45pm.

The Amicale is committed to enabling as many students of the school to engage in sports, arts, theatre and cultural activities thus advancing their education. These activities further benefit the children by developing self-confidence, and social skills. Our school is a French school, and follows the French curriculum, with French as the main teaching language. However, as it is based in the U.K., improving English language skills for all pupils is a big part of the curriculum. The after-school clubs run in French can thus be used by English speakers to improve their French skills whereas many families where only French is spoken will happily resort to English-run clubs to improve their children's English language skills.

For term 1 & 2, there has been between 326 and 332 registrations to Amicale clubs. Unfortunately, we could not run the clubs during Term 3 due to COVID. The feedback from the parents of the school is that the after-school activities provided by the Amicale is becoming an essential service that gives the children a great opportunity to explore, learn and have fun in a familiar environment. We continue to keep in mind the Charity Commission's guidance of public benefit and each project was thoroughly scrutinised in order to benefit as many children as possible in the school. Demand for places at our clubs remains high. In normal times, we are fortunate to have access to Hanwell Community Centre where our basketball club can take full benefit of a covered well-lit basketball court allowing us to accept more children in this activity. Due to the increase in number of children attending the after-school activities, 2 activities supervisors are present in the school on a daily basis and a caretaker is at the gate to control entrances and exits for security reasons. Although, this

Additional details of objectives and activities (Optional Information)

increases our expenditures, it allows us to run the after-school activities more efficiently.

Every other Friday, we have a bakery products sale. The *Boulangerie* also offers an annual "Galette des Rois" sale to give the school community a taste of French cultural tradition. This contributes to the social aspect of the association's objects. Unfortunately we had to cancel partially bakery activities due to COVID.

A great contribution is made by member volunteers. We are grateful for the many hours' volunteers have spent contributing to the smooth running and success of all of the association's projects and events. Without the valuable contribution of time, energy and expertise we would not have been able to achieve so much.

SECTION D

ACHIEVEMENTS AND PERFORMANCE

Summary of the main achievements of the charity during the period

September 2020 to June 2021 - After school clubs

The number of activities offered was diminished for a part of the year with 17 activities offered, accommodating all age groups each day due to COVID and the necessity to respect bubbles established by the school. The activities took place in the school for Term 1 ; online during Term 2 and during Term 3 ; to revert to school during Term 3. We did not have access to neither the gymnasium nor the Hanwell Community Centre during Term 1. This meant we had to lower the number of activities. Pupils could enrol in afterschool activities as various as *Drama, Bozart Club, Create art studio, Debating club, Coding, Football, MiniMovers, English, Mini ballet, Backgammon, Dance fitness, Group percussions, Rollerskating, Street dance, Chess*. These clubs are run by professionals. They give the children the opportunity to learn, have fun and socialise.

Friday *Boulangerie*

Every other Friday at pick-up time, parents and staff get a chance to purchase bread, croissants and other French bakery specialties. It is a popular social event that everyone looks forward to in the school. Due to COVID the *boulangerie* had to cease its activity.

School planner

We offer a customized school planner for our children. These planners are given to the school to distribute to the children from CE1 to CM2 (eq. year 3 to year 7). We work closely with the teacher's to make this planner a helpful tool for the children. This year we had an art competition to illustrate the school planner. The theme was "The Tree of Life".

School directory (October 2020)

Upon written authorisation of publication by the parents (with the insurance of non-commercial use of their details), a school directory was compiled with all contact details per class to facilitate the organisation of school runs, play dates, sleepovers and homework catch up. Printing costs were covered by the sale of the directory at a small price and announcers could purchase advertising space in it thus enabling the association to raise funds.

Children's Xmas

Xmas time is a festively busy time at school and l'Amicale provided for most events and expenditure. A volunteer father played Father Christmas, visiting each class and distributing class presents and goodies. The Amicale funded a Xmas tree which was decorated by the children. For the Xmas show, the Amicale offered to pupils the projection of « Des rêves dans le sable » by Lorene Bihorel, followed by an online conference.

Quiz Night 2020 for parents

The Quiz night is usually organised in the Spring. Volunteer parents team up to organise and run the evening. Unfortunately due to COVID, we could not run the Quiz night this year.

Fête de la musique talent show

In France, each year since 1982, on June 21st, music is played everywhere in streets to celebrate the arrival of Summer. We have maintained this tradition by holding a "fête de la musique" at school and organising a day where all children could demonstrate their musical skills to their friends in the audience. The purpose of it is to keep valuing music and the children's multiple talents. Our young musicians received medals and diplomas and after playing in front of the pupils.

Yearbook 2020

As the school had stopped providing a yearbook, we had re-introduced it a few years ago. Two volunteer parents prepared each yearbook: one school-wide sold to all the parents at cost price and a customised one offered to the graduating CM2 class. It is a good way to remind the children of the school, their friends and events.

Teacher's fund

The Amicale continues to separately manage the Teacher's fund (Amicale 2 bank account). Money raised comes from the Kermesse (school fair), the money raised by the teachers from the Christmas cards and parents from the school photos and events around Young Voices. Transactions relating to the Teachers' fund are shown as restricted funds. This year, due to COVID,

we could not have the school fair, so the Teacher's fund has been diminished.

The school grant was spent on the following items:

- school planners
- Fish tank
- Twinkl membership
- Christmas tree, show for children, and cards
- CM2 graduating class yearbook and hoodies
- School books project (Equipment for classrooms, Books such as Max l'Ecole des Loisirs)
- Investment in the after-school activities

SECTION E

FINANCIAL REVIEW

Brief statement of the charity's policy on reserves

At the yearend, we held unrestricted reserves

The reserve was designated for:

- Equipment for the library (books)
- Investment in the after-school activities
- See future plans
- School furniture and equipment (lockers, bike and scooter racks)

Additional reserves are held in order to meet any unforeseen expenditure that may occur as well as being able to set up activities in the following year before funds can be raised.

Unfortunately during these Covid yearsx we could not invest in the school as much as previous years because all school projects were put on hold but we hope to resume next year.

Details of any funds materially in deficit

Not applicable

**Further financial
review details
(Optional
Information)**

Funds were mainly raised through the afterschool clubs' fees, the Red noses, Momo and Lolotte project by CE2, Bottles of Maternelles, and class photos. Our main costs are the fees of the instructors running the after-school activities and the supplies required to run the activity. The funds that are not used to run the activities are granted to the School for the purchase of equipment and the financing of projects benefiting the children. We aim to keep the cost of the activities to parents affordable and for the surplus generated to be spent during the school year within the limit of our reserves policy stated above. We try to keep running costs down by relying on volunteers wherever possible.

SECTION F
