The church was granted separate charitable status on 22<sup>nd</sup> February 2011. All of the above-named Trustees are in possession of the Charity Commission guidance leaflet CC3 "What Trustees Need To Know".

The charity is a member church of the Baptist Union of Great Britain and its local division, the Central Baptist Association. It is affiliated to the UK Evangelical Alliance. It is also part of an inter- denominational "Christians Across Watford" group which co-ordinates town-wide activities.

The Trustees meet on a monthly basis to review and discuss various governance issues, e.g.: financial administration; facilities & property management; children's & youth work. Finance and Facilities teams, accountable to the Trustees, also exist to manage day-to-day aspects of these functions.

Children's and Vulnerable Adults Safeguarding Representatives are (re)-appointed annually at the Church AGM each November. Trustees actively undertake Safeguarding training to maintain appropriate oversight.

**Summary of the objects of the charity set out in its governing document**

The Charity is governed by an Approved Governing Document which states that its principal purpose is the advancement of the Christian faith according to the principles of the Baptist denomination; to include the advancement of education, community service and such other general charitable purposes in such parts of the United Kingdom and the world as the Church shall determine. The Church occupies premises which are held by the Baptist Union Corporation Ltd, on Trusts which are entirely compatible with the above object.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

In order to achieve the principal objective, which is set out above, the church provides a variety of activities both to its membership and to the community generally. The aim is to show the love of Jesus Christ in both word and deed and to bring people into a closer relationship with Him as living Lord.

Central to the work and witness of the church is the provision of a regular public service of Christian worship, taking place each Sunday morning at 10:00am. A separate children's programme is provided during this service. The church seeks to be a friendly and welcoming community, where all are free to attend these services.

We have also continued with alternative style church services these include Breakfast Church and Jimmy's Cafe; both are aimed at the local community for whom a "traditional" Sunday church service might not appeal. Breakfast Church is a communal-based form of church service and Jimmy's Café is a café styled service reaching out to another section of our local community.

The church runs a Toddler Group which meets in the Church Hall on Friday mornings; with the purpose of assisting the community and demonstrating the love of Jesus Christ. The church runs a fortnightly craft group on Wednesday Evenings.

The church operates systems to ensure that all people working with children and vulnerable adults are appropriately vetted by the Disclosure & Barring Service.

The church provides financial and prayer support for various individuals and organisations engaged in mission activities (including practical care and relief projects) locally in Watford, elsewhere in the UK, and overseas.

The Trustees are aware of the Charity Commission guidance on public benefit and are satisfied that the activities outlined above clearly demonstrate that the charity is providing a benefit to the public.

**Additional details of objectives and activities (Optional information)**

A number of church personnel receive remuneration: our Minister and cleaners. However, the vast majority of our activities are run by members giving freely of their time as volunteers.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

As a leadership team, we meet once a month, firstly to consider the programme of events, update us on financial matters, then consider any facility matters and also respond to any ongoing matters.

Our church membership has remained stable at twelve members during the year. The treasurer reported that total receipts for the year at £64.0K with a small surplus of £4.1K, this was primarily due to improved receipts from interest on general reserves.

We have continued to engage with our mission partners during the year to update us on their work. We keep under review our commitment to all of our partners in light of their current need. Also, we continue to make one-off donations for specific needs.

We continue with our close relationships with other churches in Watford to promote the Christian faith across our town.

Toddler Group, which meets on Friday mornings, is a place where the world comes into our church week! Many who come along are a long way from their families across the world. The sessions are a buzz of activity, with the opportunity to build relationships. Following Jesus' example of coming to people, we are able to support people in their difficulties and thus earn the right to move on to matters of faith. We can be Jesus' visible presence to people by serving them. The multicultural and multilingual integration at Toddlers had been recognised, described by one attender as "like heaven on earth".

As much as possible routine maintenance and safety tasks on the church, church hall and manse have continued throughout the year.

During this coming financial year, the amount and type of facilities work that will be undertaking will inevitable be influenced to a large degree by emerging demands and the ongoing work of ensure all properties are maintained and safe.

In addition to activities formally linked to the church, various members also served as volunteers in other local charities and organisations, e.g., Alternatives Watford and New Hope Trust.

In May 2024, a local Foodbank needed to relocate its operation and approached the church to see if they could base themselves once a week for a pop-up vegetarian foodbank which caters for up to 300 clients on a non-voucher basis. This has proved to be a great success and has widened its reach into the community and now operates in the name of the church.

## Section E Financial review

<b>Brief statement of the charity's policy on reserves</b>	The church aims to maintain sufficient reserves to enable us to meet our essential expenses for at least six months, plus large-scale facilities items, together with a general contingency fund for unseen expenditure.
<b>Details of any funds materially in deficit</b>	None

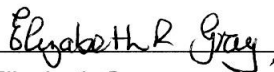

### Further financial review details (Optional information)

<p>You <b>may choose</b> to include additional information, where relevant about:</p> <ul style="list-style-type: none"> <li>• the charity's principal sources of funds (including any fundraising);</li> <li>• how expenditure has supported the key objectives of the charity;</li> <li>• investment policy and objectives including any ethical investment policy adopted.</li> </ul>	<p>The church continues to raise funds which it needs to carry on its activities from within its own membership and congregation. It is not our policy to raise funds via wider public appeal.</p> <p>The most significant expenses are the salary of a Minister (part-time), who leads and co-ordinates the church's activities including the Sunday Services and in mid-week; to provide pastoral care for the congregation and other people; and to equip and encourage the membership in their life, Christian witness, and service.</p> <p>The church expressed its part in the life of the wider church by making donations to local, national, and international Christian organisations and societies with aims and objectives compatible with the church's own charitable purpose.</p> <p>The church is heavily dependent on its membership working as volunteers in all aspects of the church's activities, many of which run with little or no impact on the church's expenditure but nevertheless contribute substantially to the achievement of the church's objectives.</p> <p>The financial results for the year, together with a summary of the accounting policies adopted are set out in the accompanying financial statements.</p> <p>The Trustees are satisfied that they have sufficient reserves at the Balance Sheet date, together with ongoing income anticipated, to enable the church to function effectively during the forthcoming year.</p>

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES & MEMBERS OF ST JAMES ROAD BAPTIST CHURCH**

I report on the accounts of the St James Road Baptist Church for the year ended 30th September 2024 as set out in pages 1 & 2.

**Respective responsibilities of trustees and examiner**

The St James Road Baptist Church trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

**It is my responsibility to:**

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the St James Road Baptist Church and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
- to keep accounting records in accordance with section 130 of the 2011 Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

As a leadership team, we meet once a month, firstly to consider the programme of events, update us on financial matters, then consider any facility matters and also respond to any ongoing matters.

Our church membership has increased from eleven members to twelve. The treasurer reported that total receipts for the year at £56.4K with a deficit of £13.2K, this was primarily due to one main item not included in our original budget. The church hall sustained rainwater damage, as a result of a roof leak in December 2022. This resulted in an unplanned repair cost totalling £16.8k.

We have continued to engage with our mission partners during the year to update us on their work. We keep under review our commitment to all of our partners in light of their current need. Also, we continue to make one-off donations for specific needs.

We continue with our close relationships with other churches in Watford to promote the Christian faith across our town.

In terms of our facilities the main items to report for the past year are as follows: Firstly, as detailed about major expenditure was incurred in resolving a roof leak in the church hall. Secondly, the membership took the decision to continue to refurbish the Manse in advance of our new Minister taking up their appointment from April 2023.

As much as possible routine maintenance and safety tasks on both the church and church hall have continued throughout the year.

During this coming financial year, the amount and type of facilities work that will be undertaking will inevitable be influenced to a large degree by emerging demands and the ongoing work of ensure all properties are maintained and safe.

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The church continues to raise funds which it needs to carry on its activities from within its own membership and congregation. It is not our policy to raise funds via wider public appeal.

The most significant expenses are the salary of a Minister (part-time), who leads and co-ordinates the church's activities including the Sunday Services and in mid-week; to provide pastoral care for the congregation and other people; and to equip and encourage the membership in their life, Christian witness, and service.

The church expressed its part in the life of the wider church by making donations to local, national, and international Christian organisations and societies with aims and objectives compatible with the church's own charitable purpose.

The church is heavily dependent on its membership working as volunteers in all aspects of the church's activities, many of which run with little or no impact on the church's expenditure, but nevertheless contribute substantially to the achievement of the church's objectives.

The financial results for the year, together with a summary of the accounting policies adopted are set out in the accompanying financial statements.

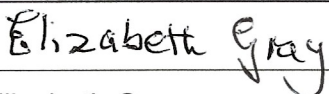

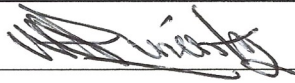

The Trustees are satisfied that they have sufficient reserves at the Balance Sheet date, together with ongoing income anticipated, to enable the church to function effectively during the forthcoming year.

REGISTERED CHARITY No. 1140528

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES & MEMBERS OF ST JAMES ROAD BAPTIST CHURCH**

I report on the accounts of the St James Road Baptist Church for the year ended 30th September 2023 as set out in pages 1 & 2.

**Respective responsibilities of trustees and examiner**

The St James Road Baptist Church trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

**It is my responsibility to:**

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the St James Road Baptist Church and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The church was granted separate charitable status on 22<sup>nd</sup> February 2011. All of the above-named Trustees are in possession of the Charity Commission guidance leaflet CC3 "What Trustees Need To Know".

The charity is a member church of the Baptist Union of Great Britain and its local division, the Central Baptist Association. It is affiliated to the UK Evangelical Alliance. It is also part of an inter- denominational "Christians Across Watford" group which co-ordinates town-wide activities.

The Trustees meet on a monthly basis to review and discuss various governance issues, e.g.: financial administration; facilities & property management; children's & youth work. Finance and Facilities teams, accountable to the Trustees, also exist to manage day-to-day aspects of these functions.

Children's and Vulnerable Adults Safeguarding Representatives are (re)-appointed annually at the Church AGM each November. Trustees actively undertake Safeguarding training to maintain appropriate oversight.

**Summary of the objects of the charity set out in its governing document**

The Charity is governed by an Approved Governing Document which states that its principal purpose is the advancement of the Christian faith according to the principles of the Baptist denomination; to include the advancement of education, community service and such other general charitable purposes in such parts of the United Kingdom and the world as the Church shall determine. The Church occupies premises which are held by the Baptist Union Corporation Ltd, on Trusts which are entirely compatible with the above object.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

In order to achieve the principal objective, which is set out above, the church provides a variety of activities both to its membership and to the community generally. The aim is to show the love of Jesus Christ in both word and deed and to bring people into a closer relationship with Him as living Lord.

Central to the work and witness of the church is the provision of a regular public service of Christian worship, taking place each Sunday morning at 10.00a.m. A separate children's programme is provided during this service. The church seeks to be a friendly and welcoming community, where all are free to attend these services.

We have also continued with alternative style church services these include Breakfast Church and Jimmy's Cafe; both are aimed at the local community for whom a "traditional" Sunday church service might not appeal. Breakfast Church is a communal-based form of church service and Jimmy's Café is a café styled service reaching out to another section of our local community.

The church runs a Toddler Group which meets in the Church Hall on Friday mornings; with the purpose of assisting the community and demonstrating the love of Jesus Christ. The church runs a fortnightly craft group on Wednesday Evenings.

Throughout the year we have invited many guest preachers to provide us with a service, as we are currently without a full-time minister.

The church operates systems to ensure that all people working with children and vulnerable adults are appropriately vetted, with regard to the Disclosure & Barring Service.

The church provides financial and prayer support for various individuals and organisations engaged in mission activities (including practical care and relief projects) locally in Watford, elsewhere in the UK, and overseas.

The Trustees are aware of the Charity Commission guidance on public benefit and are satisfied that the activities outlined above clearly demonstrate that the charity is providing a benefit to the public.

**Additional details of objectives and activities (Optional information)**

A number of church personnel receive remuneration: our Minister (office currently vacant) and cleaners. However, the vast majority of our activities are run by members giving freely of their time as volunteers.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

As a leadership team, we meet once a month, firstly to consider the programme of events, update us on financial matters, then consider any facility matters and also respond to any ongoing matters.

Our church membership has fallen from twenty members to eleven. The treasurer reported that total receipts for the year at £77.9K with a surplus of £32.6K, this was due to two main items not included in our original budget. One was a one-off gift of £20.0K received during the year and the other was the continuing vacant role of our minister.

We have continued to engage with our mission partners during the year to update us on their work. We have also completed a review of our partners and seen fit to revise the list according to their current need. Also, we continue to make one-off donations for specific needs.

We continue with our close relationships with other churches in Watford to promote the Christian faith across our town.

Toddler Group, which meets on Friday mornings, is a place where the world comes into our church week! Many who come along are a long way from their families across the world. The sessions are a buzz of activity, with the opportunity to build relationships. Following Jesus' example of coming to people, we are able to support people in their difficulties and thus earn the right to move on to matters of faith. We can be Jesus' visible presence to people by serving them. The multicultural and multilingual integration at Toddlers had been recognised, described by one attender as "like heaven on earth".

In terms of our facilities the main item to report for the past year is as follows: The membership took the decision to continue to refurbish the Manse (official residence of our Minister – the position currently being vacant). To ensure it was in a suitable state for a new minister or to be rented out during the year.

As much as possible routine maintenance tasks on both the church and church hall have continued throughout the year.

During this coming financial year, the amount and type of facilities work that will be undertaking will inevitable be influenced to a large degree by whether a new minister is appointed.

In addition to activities formally linked to the church, various members also served as volunteers in other local charities and organisations, e.g., Alternatives Watford and New Hope Trust.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

The church aims to maintain sufficient reserves to enable us to meet our essential expenses for at least six months, together with consideration over any ongoing pension deficit liabilities, large scale facilities items, together with a general contingency fund for unseen expenditure.

### Details of any funds materially in deficit

None

### Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The church continues to raise funds which it needs to carry on its activities from within its own membership and congregation. It is not our policy to raise funds via wider public appeal.

The most significant expenses are the salary of a Minister (office currently vacant), who leads and co-ordinates the church's activities including the Sunday Services and in mid-week; to provide pastoral care for the congregation and other people; and to equip and encourage the membership in their life, Christian witness and service.

The church expressed its part in the life of the wider church by making donations to local, national and international Christian organisations and societies with aims and objectives compatible with the church's own charitable purpose.

The church is heavily dependent on its membership working as volunteers in all aspects of the church's activities, many of which run with little or no impact on the church's expenditure, but nevertheless contribute substantially to the achievement of the church's objectives.

The financial results for the year, together with a summary of the accounting policies adopted are set out in the accompanying financial statements.

The Trustees are satisfied that they have sufficient reserves at the Balance Sheet date, together with ongoing income anticipated, to enable the church to function effectively during the forthcoming year.

Trustee selection methods

Trustees are elected by the Church Members’ Meeting; with the exception of the Minister, each Trustee’s term of office is of three years duration.

**Additional governance issues (Optional information)**

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity’s organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees’ consideration of major risks and the system and procedures to manage them.

The church was granted separate charitable status on 22<sup>nd</sup> February 2011. All of the above-named Trustees are in possession of the Charity Commission guidance leaflet CC3 “What Trustees Need To Know”.

The charity is a member church of the Baptist Union of Great Britain and its local division, the Central Baptist Association. It is affiliated to the UK Evangelical Alliance. It is also part of an inter- denominational “Christians Across Watford” group which co-ordinates town-wide activities.

The Trustees meet on a monthly basis to review and discuss various governance issues, e.g.: financial administration; facilities & property management; children’s & youth work. Finance and Facilities teams, accountable to the Trustees, also exist to manage day-to-day aspects of these functions.

Children’s and Vulnerable Adults Safeguarding Representatives are (re)-appointed annually at the Church AGM each November. Trustees actively undertake Safeguarding training to maintain appropriate oversight.

**Summary of the objects of the charity set out in its governing document**

The Charity is governed by an Approved Governing Document which states that its principal purpose is the advancement of the Christian faith according to the principles of the Baptist denomination; to include the advancement of education, community service and such other general charitable purposes in such parts of the United Kingdom and the world as the Church shall determine. The Church occupies premises which are held by the Baptist Union Corporation Ltd, on Trusts which are entirely compatible with the above object.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

In order to achieve the principal objective, which is set out above, the church provides a variety of activities both to its membership and to the community generally. The aim is to show the love of Jesus Christ in both word and deed and to bring people into a closer relationship with Him as living Lord.

Central to the work and witness of the church is the provision of a regular public service of Christian worship, taking place each Sunday morning at 10.00a.m. A separate children's programme is provided during this service. The church seeks to be a friendly and welcoming community, where all are free to attend these services.

We have also continued with alternative style church services these include Messy Church and Jimmy's Cafe; both are aimed at the local community for whom a "traditional" Sunday church service might not appeal. Messy Church is a craft-based form of church service and Jimmy's Café is a café styled service reaching out to another section of our local community.

The church also runs a series of midweek small groups in individuals' homes for the growth of faith and discipleship, most groups meeting on a fortnightly basis. These provide a basis for pastoral care of the individuals who attend.

The church runs a Toddler Group which meets in the Church Hall on Friday mornings; with the purpose of assisting the community and demonstrating the love of Jesus Christ. The church runs a fortnightly craft group on Wednesday Evenings.

**Please note:** - All of the above activities have been affected by the impact of COVID-19. As a church we have managed some services either, in the church hall or at the church, having made both premises COVID-19 secure. However, as restrictions have varied throughout the year, most of the activities where feasible have also been undertaken virtually via the internet on Zoom.

We have invited many guests ministers to provide us with a service as we are currently without a full-time minister, either in person or via Zoom.

The church operates systems to ensure that all people working with children and vulnerable adults are appropriately vetted with regard to the Disclosure & Barring Service.

The church provides financial and prayer support for various individuals and organisations engaged in mission activities (including practical care and relief projects) locally in Watford, elsewhere in the UK, and overseas.

The Trustees are aware of the Charity Commission guidance on public benefit and are satisfied that the activities outlined above clearly demonstrate that the charity is providing a benefit to the public.

#### **Additional details of objectives and activities (Optional information)**

A number of church personnel receive remuneration: our Minister (office currently vacant) and cleaners. However, the vast majority of our activities are run by members giving freely of their time as volunteers.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

As a leadership team, we meet once a month, firstly to consider the programme of events, update us on financial matters, then consider any facility matters and also respond to any ongoing matters.

Our church membership has fallen slightly from twenty-three members to twenty. This is a result of three members leaving during the year. The treasurer reported that total receipts for the year at £54.5K with a surplus of £9.8K, this was due to two main items not included in our original budget. One was the ongoing impact from COVID-19 on activities during the year and the other was the continuing vacant role of our minister.

We have continued to engage with our mission partners during the year to update us on their work. We have also taken a review of our partners and seen fit to revise the list according to their current need. Also, we have added one-off donations for specific needs.

We continue with our close relationships with other churches in Watford to promote the Christian faith across our town. We also continue with a pulpit exchange.

Toddler Group, which meets on Friday mornings, is a place where the world comes into our church week! Many who come along are a long way from their families across the world. The sessions are a buzz of activity, with the opportunity to build relationships. Following Jesus' example of coming to people, we are able to support people in their difficulties and thus earn the right to move on to matters of faith. We can be Jesus' visible presence to people by serving them. The multicultural and multilingual integration at Toddlers had been recognised, described by one attender as "like heaven on earth".

In terms of our facilities, the main item to report for the past year is as follows: The membership took the decision to refurbish the Manse (official residence of our Minister – the position currently being vacant). To ensure it was in a suitable state for a new minister or to be rented out at a later date.

As much as possible routine maintenance tasks have continued throughout the year despite the obvious impacts that COVID-19 has caused.

A large amount of specialist work was carried out to continue to navigate us through the safety regulations in order to make the church and hall buildings ready and COVID-19 secure, as required by the evolving regulations updated throughout the year.

During this coming financial year, the amount and type of facilities work that will be undertaking will inevitable be influenced to a large degree by COVID-19 and the revolution of restrictions.

In addition to activities formally linked to the church, various members also served as volunteers in other local charities and organisations, e.g., Alternatives Watford, Watford Schools Trust, YMCA, Peace Hospice and one member is a trained Hope UK facilitator.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

The church aims to maintain sufficient reserves to enable us to meet our essential expenses for at least six months, together with consideration over any ongoing pension deficit liabilities, large scale facilities items, together with a general contingency fund for unseen expenditure.

### Details of any funds materially in deficit

None

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The church continues to raise funds which it needs to carry on its activities from within its own membership and congregation. It is not our policy to raise funds via wider public appeal.

The most significant expenses are the salary of a Minister (office currently vacant), who leads and co-ordinates the church's activities including the Sunday Services and in mid-week; to provide pastoral care for the congregation and other people; and to equip and encourage the membership in their life, Christian witness and service.

The church expressed its part in the life of the wider church by making donations to local, national and international Christian organisations and societies with aims and objectives compatible with the church's own charitable purpose.

The church is heavily dependent on its membership working as volunteers in all aspects of the church's activities, many of which run with little or no impact on the church's expenditure, but nevertheless contribute substantially to the achievement of the church's objectives.

The financial results for the year, together with a summary of the accounting policies adopted are set out in the accompanying financial statements.

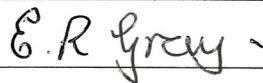

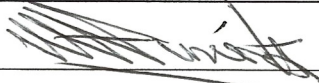

The Trustees are satisfied that they have sufficient reserves at the Balance Sheet date, together with ongoing income anticipated, to enable the church to function effectively during the forthcoming year.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES & MEMBERS OF ST JAMES ROAD BAPTIST CHURCH**

I report on the accounts of the St James Road Baptist Church for the year ended 30th September 2021 as set out in pages 1 & 2.

**Respective responsibilities of trustees and examiner**

The St James Road Baptist Church trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

**It is my responsibility to:**

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the St James Road Baptist Church and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The church runs a Toddler Group which meets in the Church Hall on Monday & Friday mornings; with the purpose of assisting the community and demonstrating the love of Jesus Christ. The church runs a fortnightly craft group on Wednesday Evenings.

**Please note:** - All of the above activities have been affected by the COVID-19. As a church we have managed some services either, in the church hall or at the church, having made both premises COVID-19 secure. However, as restrictions have developed through the year, most of the activities are now undertaken via the internet on Zoom.

We have invited many guest ministers to provide us with a service as we are currently without a full-time minister, either in person or via Zoom.

The church provides financial and prayer support for various individuals and organisations engaged in mission activities (including practical care and relief projects) locally in Watford, elsewhere in the UK, and overseas.

The Trustees are aware of the Charity Commission guidance on public benefit and are satisfied that the activities outlined above clearly demonstrate that the charity is providing a benefit to the public.

**Summary of the main achievements of the charity during the year**

As a leadership team, we meet once a month, firstly to consider the programme of events, update us on financial matters, then consider any facility matters and also respond to any ongoing matters.

Our church membership has fallen slightly from 25 members to 23. This is a result of two members leaving during the year. The treasurer reported that total receipts for the year at £70.2K with a deficit of £7.8K, this was due to two items not included in our original budget. One was the purchase of a new projector for the church which was approximately £7k and the other was £2k given to, one of the local charities we support, New Hope, to help their work through the first lockdown period.

We have continued to engage with our mission partners, some of whom have visited us during the year to update us on their work. We have also taken a review of our partners and seen fit to revise the list according to need and included a new locally focused resource within our community. Also, we have added one-off donations for specific needs.

We continue with our close relationships with other churches in Watford to promote the Christian faith across our town. We also continue with a pulpit exchange.

Toddler Group, which meets on Monday & Friday mornings, is a place where the world comes into our church twice a week! Many who come along are a long way from their families across the world. The multicultural and multilingual integration at Toddlers had been recognised, described by one attender as "like heaven on earth."

In terms of our facilities, the main items to report for the past year are as follows: As part of the Baptist Insurance requirements early in the year fire safety surveys were carried out for the church and hall, with their recommendations being implemented.

As much as possible routine maintenance tasks have been continued throughout the year despite the obvious impacts that COVID-19 has caused.

Following approval at the church meeting earlier this year a new projector for the church was purchased. Also; work on renewing our telephone and broadband agreement with BT was completed.

A large amount of specialist work was carried out to navigate us through the safety regulations in order to make the church and hall buildings ready and COVID-19 secure, as required by the evolving regulations introduced throughout the year. So that we will be able to resume physical services when restrictions permitted.

During this coming financial year, the amount and type of facilities work that will be undertaking will inevitable be influenced to a large degree by COVID-19 and the restrictions.

In addition to activities formally linked to the church, various members also served as volunteers in other local charities and organisations, e.g., Alternatives Watford, Watford Schools Trust, YMCA, Peace Hospice and one member is a trained Hope UK facilitator.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES & MEMBERS OF ST JAMES ROAD BAPTIST CHURCH**

I report on the accounts of the St James Road Baptist Church for the year ended 30th September 2020 as set out in pages 1 & 2.

**Respective responsibilities of trustees and examiner**

The St James Road Baptist Church trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

**It is my responsibility to:**

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the St James Road Baptist Church and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
