THE HANCOCKS TRUST
TRUSTEES' ANNUAL REPORT cont'd.
FOR THE YEAR ENDED 30TH SEPTEMBER 2022

Report of the Trustees for the year ended 30th September 2022

The Trustees present their report along with the financial statements of the charity for the year ended 30th September 2022. The financial statements have been prepared in accordance with the accounting policies set out on pages 7 and 8 and comply with the charity's Declaration of Trust, the Charities Act 2011 and the requirements of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

Structure, Governance and Management

The Charity was established by a Declaration of Trust dated 30th November 2010 by its founders, James Carl Hancocks and Antonia Rachel Hancocks. The Declaration of Trust does not restrict or exclude the exercise by the Trustees of the powers given by the Trustee Act 2000 as regards investment, the acquisition or disposal of land and the employment of agents, nominees and custodians.

Objectives and Activities

The Trustees must apply the income of the Charity to such charities or for such charitable purposes as the Trustees at their discretion each year (or more frequently) select. The words 'charitable' and 'purpose' have the meanings given to them in the Charities Act 2011. At their discretion, the Trustees may spend all or part of the capital of the Charity in furthering the objects.

Grant making policy

The annual income from the Charity and sometimes its capital are used to pay the annual charitable grants and expenses. The Trustees decide what grants they wish to make in accordance with the objectives and activities policy set out above.

As required by the Charities Act 2011, the Trustees have referred to the Charity Commission's general guidance on public benefit when formulating the grant making policy. In particular, the Trustees consider how grants can be made to ensure maximum benefit flows through to the intended beneficiaries. The grants benefit a number of public causes, as detailed in note 3. In shaping their objectives for the year and planning their activities, the Trustees have considered the Charity Commission's guidance 'public benefit: running a charity (PB2)'.

Achievements and Performance

The activities of the Charity remain satisfactory and the objects of the Charity were achieved during the year. All the funds of the Charity are considered to form part of one Unrestricted Fund, which may be used for the general furtherance of the Charity's objects. The Trustees are satisfied that the Charity's assets are available and adequate to fulfil the obligations of the Charity.

Financial Review

Total unrestricted income received during the year amounted to £24,295 (2021: £19,686). Total unrestricted expenditure, including grants amounted to £48,834 (2021: £33,000). The net outflow of funds after investment gains amounted to £197,865 (2021: net inflow of £242,113). The financial statements for the year are set out in pages 5 to 10.

Risk Management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operation and finances of the Trust, and are satisfied that systems are in place to manage these major risks.

Going Concern

The Trustees have concluded that there is reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

Investment Policy and Performance

In accordance with the Declaration of Trust, the Trustees have the power to invest in such stocks, shares, investments and property as they see fit. Majority of the Charity's cash deposits are invested and held on an execution only account. The Trustees are effectively acting as the Charity's investment manager.

Reserves Policy

According to the Charity Commissioner's guidance update in their Statement of Recommended Practice: Accounting and Reporting by Charities revised in January 2019, the Charity's expendable endowment is not considered part of the Charity's free reserves. However, this endowment is a considerable sum and the capital can be used at the discretion of the Trustees to fund any deficit on expenditure. It is therefore the view of the Trustees that the Charity does not need to hold any additional money in reserve.

At the year end total funds were £2,089,052 (2021: £2,286,917) and were all held on the expendable endowment fund.

THE HANCOCKS TRUST
TRUSTEES' ANNUAL REPORT cont'd.
FOR THE YEAR ENDED 30TH SEPTEMBER 2022

Statement of Trustees' responsibilities

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions, disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the charity's constitution.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**THE HANCOCKS TRUST
INDEPENDENT EXAMINER'S REPORT**

Independent Examiner's Report to the Trustees of The Hancocks Trust

I report on the accounts of the charity for the year ended 30th September 2022 which are set out on pages 5 to 10.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE HANCOCKS TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH SEPTEMBER 2022

1 ACCOUNTING POLICIES

(a) Basis of Preparation

These financial statements are prepared on a going concern basis, under the historical cost convention.

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The Charity is a public benefit entity for the purposes of FRS 102 and therefore the Charity also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP) and the Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

The principal accounting policies adopted in the preparation of the financial statements are set out below.

(b) Fund Structure

The Expendable Endowment Fund represents those assets which are held for the longer term of the Trust, in accordance with the terms of the Trust Deed. Income arising on the Expendable Endowment Fund can be used in the Unrestricted Funds. As an Expendable Endowment Fund can be used in accordance with the objects of the Trust, capital can also be spent in certain circumstances in fulfilment of the Trust's objects. Any capital gains or losses arising on the investments held in the Expendable Endowment Fund form part of that Fund.

(c) Income

All income is recognised in the Statement of Financial Activities (SOFA) when the conditions for receipt have been met and receipt is probable. Where a claim for repayment of income tax has been or will be made, such income is grossed up for the tax recoverable. The following accounting policies are applied to different categories of income:

Grants and Donations Receivable

Grants and donations are recognised in the SOFA when conditions for receipt have been complied with.

Investment Income

Interest receivable on deposit and securities is accounted for as it accrues. Dividend income receivable on securities is accounted for when received by the investment manager.

(d) Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. The following accounting policies are applied to the different categories of expenditure:

Costs of Raising Funds

The costs of raising funds consist of investment management and certain legal fees.

Charitable Activities

Donations payable are recognised when they are approved by the trustees and the recipient of the grant has been informed of the amount to be paid.

Governance Costs

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to statutory audit fees together with support costs.

THE HANCOCKS TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH SEPTEMBER 2022

1 ACCOUNTING POLICIES (Continued)

(e) Fixed Assets

Investments are stated at market value at the Balance Sheet date. The SOFA includes the net gains and losses on revaluation and disposals throughout the year.

(f) Realised and Unrealised Gains and Losses

All gains and losses are taken to the SOFA as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchased date if later).

(g) Going concern

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and have taken account of pressures on donation and investment income. After making enquiries the trustees have concluded that there is reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

(h) Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments. Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument. Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments.

(i) Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

(j) Key Estimates and Judgements

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have most significant effect on amounts recognised in the financial statements.

In the view of the trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.
