The Trustees submit their report and the financial statements of Kids Alive International for the year ended 31 December 2022 and confirm that they comply with the requirements of the Charities Act 2011, the trust deed and the Charities SORP (FRS 102). Please note that until October 1st 2021 Kids Alive International was called Hope for Kids International.

OUR AIMS

Kids Alive International is constituted by a Trust Deed dated 15th January 2011. Its objects are:

1. The relief and prevention of poverty in any part of the world, impacted by natural disaster, war, trouble or catastrophe, in particular but not exclusively by:

- Providing residential care for abandoned, abused and/or neglected children that have no other alternative means of support, as well as children referred to us by local courts in certain countries who have been victims of sexual assault;
- Assisting vulnerable children and their families and communities by providing access to, and/or development of health care, education and other activities that benefit communities;
- Supporting them in ways that will enable them to generate a sustainable income and become self-sufficient.

2. To advance the education of the public regarding the nature, causes and effects of poverty, particularly for orphans and vulnerable children and their families, and how appropriate solutions can be found and applied.

3. The advancement of the Christian faith in particular but not exclusively by actively following the call of the Bible to care for the needs of the poor and promoting the engagement of the Church to provide help to orphans and vulnerable children and their families.

Whilst we are a Christian organisation, we serve children and their families of any or no faith. All projects serve non-Christian children and their families and in some cases these make up the majority of the children we serve.

The Trustees have had due regard to the Charity Commission's guidance on public benefit when reviewing the charity's aims, objectives and activities, when planning future activities and when considering how these activities will achieve Kids Alive's charitable purposes (set out above) and are content that Kids Alive continues to meet its public benefit duty.

OUR STRATEGY AND HOW WE WORK

Our strategy

Kids Alive International is the UK-based partner of the Kids Alive International global family of charities. With a base in the USA, the organisation exists to serve vulnerable children and where possible strengthen families throughout the world. Kids Alive oversees approximately 40 projects in seven developing countries, which in turn are implemented by affiliated Kids Alive partners in the respective country. These countries include Zambia, Kenya, Lebanon, Dominican Republic, Guatemala, Haiti and Peru.

To achieve its objectives, Kids Alive International's strategy is to raise funds and awareness for these projects in the UK, with particular emphasis amongst trusts and foundations, major donors, churches and interested individuals.

Some of the children we serve

<p>We specifically target the most vulnerable children in the countries where we work and provide a unique model of all round loving care for each and every one of them, as if they are our own. Here are some examples of the children we serve.</p>	<p>In Guatemala, the worst cases of child sexual assault are referred to us by the courts. Traumatized girls as young as 5 come into our custody where we love and care them for a season, as well as seek justice.</p>
<p>In Lebanon, we care for impoverished and traumatised Syrian refugee children and their families, most of whom live in desperate conditions in a country where they are not welcome.</p>	<p>In Kenya, we care for orphaned impoverished children who have no choice but to work long, mind-dumbing hours in the dangerous quarries of Karundas.</p>
<p>In Peru our work includes remote jungle areas where impoverished children are often victims of sexual and physical violence, with no recourse to justice or care.</p>	<p>In Zambia, we care for children who are raised in terrible prison conditions through no fault of their own, including toddlers, babies, and unaccompanied refugees.</p>

How we work – our unique holistic model of care

Our unique all round model of care hinges on four main goals that we have for each and every child in our care.

- i. To enjoy a vibrant, life-changing relationship with God.
- ii. To experience emotional and physical well-being.
- iii. To be equipped for a life of independence and service.
- iv. To live in family and community, free of fear and violence.

To achieve these goals, we have a wide range of all round holistic interventions. Here are just some of them:

Christian input. Most of our projects have some sort of Christian element. It is such a joy to see children and their families in our care come to know the Lord.

Education is undoubtedly one of the best tools to get kids out of poverty. We provide an education plan for all the children in our care, as well as actually owning and running a number of schools.

Justice. Where a child has been abused, we will often seek justice in the law courts, which not only brings about long-term change, but also helps with the child's healing process.

Whatever else it takes. Food, life skills, fostering, mentoring, independent living programmes (to help young adults transition to adulthood), livelihood support programmes, etc - whatever it takes to achieve our four global goals, we will do it!

Trauma care. Just about all of the children in our care have suffered trauma of some sort. Our programmes are designed to identify signs of trauma and come up with a plan to deal with it.

Family strengthening. We believe all children are best cared for in a safe loving family, even if they sometimes have to stay with us for a short period of time for their own safety.

Systems change. We also advocate with local authorities, communities and governments, to encourage and empower them to better serve the vulnerable children in their county.

REVIEW OF ACTIVITIES AND ACHIEVEMENTS

1. Reaching the "hardest kids in the hardest places"

The Kids Alive family has been serving some of the world's most vulnerable children for over 100 years now. In 2022 we felt God's calling to focus even more on "the hardest kids in the hardest places" and to evolve our projects to have an impact on the even more vulnerable. Child victims of sexual assault and child marriage. Babies and toddlers raised in prisons. The traumatised. The abandoned. Orphans. Refugees. The impoverished.

2. Some of the highlights

Thanks to the remarkable generosity and kindness of our supporters, in 2022 we were able to fund a wide range of projects and initiatives to enable us to fulfil our ministry. Here is a selection of some of them.

<p>Kenya: Laptops for students</p>  <p>Our supporters helped us fund over 15 laptops for impoverished young Kenyan adults, as they progressed from our care to further education. A real blessing and confidence-booster for them.</p>	<p>Zambia: Launch Care & Justice</p>  <p>This far-reaching project addresses the tragic endemic issue of child sexual abuse in Zambia, providing both Care and Justice for the victims. Our supporters funded a pilot project to start in 2023.</p>	<p>Peru: Family mentorship</p>  <p>We were very proud to support this programme, connecting loving families to abused and abandoned children who do not have one. We are praying that they will lead to long-term foster placements.</p>
--	---	--

<p>Global: Trauma care for the children</p>  <p>A number of our supporters help us to fund specialist care for traumatised children, including victims of sexual abuse. This is now being applied in a number of our other projects.</p>	<p>Lebanon: A refurbished centre for the mums</p>  <p>Our Lebanon family strengthening project for vulnerable refugees and their families has gone from strength to strength, including one kind supporter funding a centre for them to meet.</p>	<p>Zambia: Toilets and showers at our school</p>  <p>Our supporters have also funded a new shower and toilet block – with running water! Lack of hygiene facilities is cited as main reason why 44% of Zambian girls drop out of school.</p>
<p>Zambia: Babies and toddlers in prison</p>  <p>Our supporters have also helped us to fund the early stages of some exciting new projects, including a ministry to serve under 4s who are brought up in prison, as well as vulnerable street girls and victims of sexual assault.</p>	<p>Lebanon: More care for vulnerable Syrian refugees</p>  <p>Despite things being really tough for the most marginalised refugees in this troubled country, our supporters have enabled us to continue to provide an education, family support, trauma care, life skills, and more to hundreds of the most vulnerable children there.</p>	<p>Guatemala: justice for child victims of sexual assault</p>  <p>Not only do we care for child victims of sexual assault in Guatemala, but we also seek to get justice for them. Our supporters kindly funded a solicitor to help us do this.</p>

“He heals the broken-hearted and binds up their wounds.” Psalm 147:3 (NIV)

3. Fundraising and awareness-building here in the UK

- We were so grateful for our many supporters who kindly gave over £280,000 to us in 2022.
- Donations were given to us by our kind supporters, including 100 child sponsors, 34 site supporters, 200 other donors, as well as six church partners and some generous donations from trusts and foundations.
- We are also extremely grateful for the prayer support we have received from many of our supporters.
- We were also thrilled to have over 4,000 Facebook users sign our petitions.

4. Financial review

During the year, we received £130,123 (2021: £177,930) from donations and £150,500 (2021: £94,500) from grants. The primary use of our funds was to fund charitable projects overseas and we spent £188,553 (2021 - £191,418) on programme expenditure this year.

Overall there was a net deficit of £6,808 (2021: deficit £16,368).

OUR FUTURE PLANS

Over the next few years, Kids Alive International would like to see its fundraising and awareness amongst UK Christians grow considerably. There are three key areas where we will focus:

- Growing awareness about our work with churches and other Christian organisations, especially through online platforms such as Facebook.
- Evolving our website and working on projects that drive new visitors into it.
- Increasing our applications with trusts and grant making foundations.

We will also focus on:

- Encouraging more prayer support for our work within the UK as a whole.
- Working with the trustees to ensure we have excellent and Godly governance.

We are also delighted to announce that in 2023 we will be piloting an exciting new initiative to raise funds for KAI globally through a central UK-based trusts and foundations unit. We are grateful for our colleagues in the USA for helping us to fund this initiative.

VALUES AND POLICIES

1. Our values

We are:

- *Faith Based* – As we serve children-in-crisis, we submit to the Lordship of Jesus Christ, depend on the power of the Holy Spirit, accept the authority of the scriptures, and make prayer central to our ministry.
- *Action-Oriented* – We follow the example of Jesus Christ. We work to build just societies as we respond with sacrificial love to the world's suffering children.
- *Child-Focused* – We believe children should have opportunity to mature and develop their full potential. We care for the whole child by providing quality programmes that meet their educational, social, physical, spiritual and emotional needs.
- *An International Team* – We co-operate closely with Christians and churches in the countries we operate in to develop culturally relevant, caring communities for children and their families.
- *Committed to Excellence* – We intend to be known for our determined pursuit of quality, the integrity of our relationships, the clarity of our communication, and our accountability with the human and financial resources entrusted to us.
- *Family-Centred* – We believe in the nurturing power of the family. We strengthen existing families so they are empowered to care for their vulnerable children, which may include foster or adoptive families. We also prepare these children to, one day, lead healthy families of their own.
- *Thankful* – We are thankful to be sharing this journey with our gracious God; for being able to partner with the vulnerable from whom we can learn so much; for committed supporters that have a common vision for transformation in this broken world.

2. Investment policy

As a small charity whose aim is primarily to provide funds for the valuable work being undertaken overseas Kids Alive International has, to date, made no investments and at this stage our policy is to pass on as much of the funds raised as possible to support this work.

3. Reserves

In accordance with UK Charity law, Kids Alive International Trustees closely monitor the disbursement of funds and the levels of financial reserves held by the organisation. It is the policy of the Trustees that a reasonable level of financial reserves be maintained that will protect the charity against any dramatic

fall in income or unexpected rise in expenditure. As a general principle, the Trustees consider that reserves should be maintained at three months of budgeted expenditure of funds associated with unrestricted income, ie overhead and other costs that cannot be recovered against restricted income.

The UK arm of Kids Alive International has a policy of having 3 months' worth of budgeted UK operating costs in reserve, which we believe is sufficient to give us time to take remedial action or an alternative approach in the event of something unexpected happening.

Between 2022-2025, we will use our reserves to invest in growth activity. In 2023-2025 KAI USA is helping us to fund this activity. We will monitor our free reserves figure closely with them over these years, so we have robust plans in place should we need additional unrestricted funds for whatever reason. At the end of 2022, we had unrestricted and free reserves of £2,547 (2021: £29,021) and £52,294 (2021: £32,628) restricted reserves.

4. Risk management

The Trustees undertake regular and ongoing assessments to monitor the various risks that the organisation faces and have developed risk registers and action plans to mitigate such risks. In particular, the Trustees have paid particular attention to risks encountered by charities working overseas and have developed processes that help to ensure the appropriate and effective use of funds and the safety and security of personnel, teams and volunteers.

5. Child and Vulnerable Adult Protection

Kids Alive International has zero tolerance for any activity that harms or puts a child in danger and has developed a comprehensive Child and Vulnerable Adult Protection Policy. This, as for all policies, is kept under review to reflect best practice in the UK, which is also reflected in the policies and procedures adopted by the Kids Alive global network. Our Child and Vulnerable Adult Protection Policy can be viewed and downloaded from our website at www.kidsalive.co.uk/safeguarding. Kids Alive International is a member of *thirtyone:eight* (formerly Churches Child Protection Advisory Service) and follows their guidance.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Board of Trustees oversees the work of the Executive Director and staff team. The Trustees delegate responsibility for day-to-day decision-making to the Executive Director who implements the strategy and policies approved by the Board of Trustees, together with operational planning and decision-making.

The Trustees listed on page 3 are those who have served throughout the year or for a shorter period where indicated. The Trust Deed of the charity governs the appointment of Trustees. The Board of Trustees is authorised to appoint new Trustees to fill vacancies arising through resignation or death of an existing Trustee.

The Board of Trustees regularly reviews the skills and experience required to carry out its duties. New Trustees are provided with orientation to the work of Kids Alive International, including a copy of the Trust deed and the organisation's latest accounts and reports. Other induction and training is provided to Trustees as needed, e.g. Charity Commission guidance and approved literature.

The Board of Trustees takes ultimate responsibility for directing the affairs of Kids Alive International and ensuring that the organisation is solvent, well run, and delivers the charitable outcomes for the benefit of the public for which it has been set up.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

In addition, the trustees:

- Ensure that the Mission, Vision and Core Values of Kids Alive International are followed.
- Ensure that the organisation complies with Charity Commission requirements, in particular ensuring that the organisation prepares reports on achievements, Annual Returns and accounts.
- Ensure that the organisation does not breach any of the requirements or rules set out in its governing document and that it remains true to the charitable purpose and objects.
- Work with the Executive Director to ensure effective strategic and operational planning for the organisation.
- Ensure that charitable funds and assets are used reasonably and only in furtherance of the charity's objects.
- Oversee the development of operational policies.
- Ensure that the organisation is well led and manages the performance of the Executive Director.
- Avoid undertaking activities that might place funds, assets or reputation at undue risk.
- Enhance the organisation's public relations and fundraising by clearly articulating Kids Alive International's mission, accomplishments and goals to the public.
- Consider obtaining external professional advice on all matters where there may be material risk to the charity, or where Trustees may be in breach of their duties.

The Board met four times in 2022, with one of these meetings taking place online.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2022 which are set out on pages 12 to 22.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

Having satisfied myself that the accounts of the Charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Kids Alive International

ACCOUNTING POLICIES

For the year ended 31 December 2022

Basis of accounting

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Kids Alive International meets the definition of a public benefit entity under FRS 102. The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The following accounting policies have been applied consistently in dealing with items, which are considered material to the financial statements.

Exemption from preparing a cash flow statement policy

As allowed by the Charities SORP (FRS 102) the trustees have opted not to include a statement of cash flows due to the size of the charity.

Going concern

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the Charity.

Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Foreign exchange

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

Unrestricted funds

General fund: The use of this fund has not been restricted to any particular purpose by the donors or their representatives.

Restricted funds

Restricted funds are those which are required to be used for specific purposes as set out by the donors. These funds are not available for the general use of the charity.

In terms of the donated funds that have restrictions placed on them by the donor, e.g. sponsorship and project funds, that are thus 'Restricted', a proportion of such funds (no greater than 20%) is allocated to the UK-based expenditure (see the 'Expenditure Categories' section below) that facilitates the overseas charitable activity. Management and Governance costs of the charity are funded from general, unrestricted funds.

Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Kids Alive International

ACCOUNTING POLICIES

For the year ended 31 December 2022

Taxation

As a registered charity Kids Alive International is exempt from taxation in respect of income or capital gains to the extent that such income or gains are applied exclusively to charitable purposes. The charity receives no similar exemption for VAT as noted above.

Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Office equipment	25% reducing balance

Pensions and other post retirement obligations

The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

Financial instruments

The charity only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the charity and their measurement basis are as follows;

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

Expenditure categories

Our expenditure, as with most charities, breaks down into three main categories:

1. Programme expenditure – expenditure on Charitable Activities
2. Fundraising costs
3. Management and governance costs

1. Resources expended on Charitable Activities: These are what we spend on the delivery of programmes and services associated with the charitable objects. They include:

- Money sent to beneficiary programmes in the ministry countries;
- Costs associated with the UK office staff overseeing and monitoring the efficient delivery of child sponsorship, education, advanced education and field project programmes; providing timely and informative feedback to partners, sponsors and supporters as to how their donations have been used; facilitating supporter-beneficiary interactions; communications with partner organisations in the overseas ministry countries; and supporter database administration;

Kids Alive International

ACCOUNTING POLICIES

For the year ended 31 December 2022

- Cost of activities associated with raising awareness and educating the public within the UK (both charitable activities), but not for those situations where we also ask for donations – this would be covered under ‘fundraising’. Thus, visits to schools and theological colleges, and press releases are examples of educating/raising awareness.

2. Fundraising costs: This is what we spend to raise money and includes:

- Printing, publicity, mailing costs, travel expenses and staff time associated with those activities that are fundraising-specific, e.g. campaign appeals, fundraising events, etc.
- Membership subscriptions for on-line fundraising.
- Costs associated with the UK staff receipting donations, making grant applications, administering Gift Aid reclaims and a proportion of the costs of administering the ‘prospective supporter’ database. There are some expenses and activities that are hybrid ‘education /fundraising’ in nature, e.g. staff effort in updating the website and social media. For convenience, we allocate such expenditure evenly between the two categories.
- Paying the cost of a freelance specialist to assist the Executive Director in applying for funding and managing relationships with trusts and foundations.

3. Management and Governance costs: These include the costs of arrangements associated with general running of the charity, not allocated to specific programme expenditure. The governance costs provide for the governance infrastructure that allows the charity to operate and to produce the necessary information required for public accountability. Governance costs include:

- Accountancy
- Legal matters
- Trustee meeting expenses
- Trustee training
- Reporting to the Charity Commission.

In attributing costs between activity categories, the following principles have been applied:

- (a) Where appropriate, expenditure is allocated directly to an activity cost category.
- (b) Items of expenditure that contributes directly to the output of more than one activity cost category, for example, the cost of a staff member whose time is divided between a fundraising activity and working on a charitable project, are apportioned on a reasonable, justifiable and consistent basis. The executive’s salary is apportioned 50% to charitable expenditure, 25% to fundraising and 25% to Management and support costs.
- (c) For staff who work from home, reasonable travel expenses are paid should they need to travel to the registered office address or to represent the charity elsewhere either in the UK or overseas.
