STORM FAMILY CENTRE – ANNUAL REPORT

Executive Summary

This year has marked powerful growth, resilience, and transformation at STORM Family Centre. We remain dedicated to supporting women, families, and young people affected by domestic abuse, trauma, inequality, poverty, and social disadvantage. With more than 5,000 women and over 1,000 young people engaging in our services, STORM continues to be a trusted lifeline in the community.

We proudly celebrate the achievements of women who have completed accredited courses, progressed into employment, and entered university. We have stood alongside survivors in courtrooms, safeguarding meetings, and critical decision-making moments, ensuring no woman faces trauma alone.

Our youth programs have evolved significantly, building confidence, skills, and aspiration among young people aged 10–18 (and up to 25 for those with SEND). Through mentoring, life skills, creative industries, employment pathways and community engagement, we have helped shape safer, more hopeful futures.

We extend our heartfelt thanks to our Trustees, Patrons, partners, and supporters. We also celebrate the remarkable journey of our CEO, Marie Hanson MBE, who is already a UPF Ambassador and will be working closely with the Universal Peace Federation on joint events and advocacy. With her upcoming book release and invitations across four US states for readings and signings, STORM enters a new chapter of international visibility — amplifying the voices of women worldwide. A special thank you to Leon Butler, one of our long-time trustees who sadly resigned on the 13th of November this year 2025; and a welcome back to Joeline Garner Joel who was appointed on 21st November this year 2025 as an interim Chairperson until our next AGM where she will be appointed as a Chair and trustee full-time. It was unanimously agreed by all trustees for Joeline to be appointed.

Our message remains clear:

We will continue to stand for women, stand against violence, and “Stop the Silence — End Domestic Violence.”

Introduction

Founded in 2004 by Marie Hanson MBE, STORM Family Centre continues to make a meaningful impact by supporting individuals facing domestic abuse, mental health challenges, unemployment, poverty, and youth violence.

We are deeply connected to communities that are often underrepresented or misunderstood — particularly Black ethnic minority and Global Majority communities, lone parents, refugees and those living in some of Wandsworth’s most deprived wards.

Through a broad range of programs and a dedicated, trauma-informed team, STORM has empowered thousands of individuals by offering:

- Safety and emotional recovery
- Practical and legal support
- Education and skills development
- Community, connection, and hope

Mission & Values

S.T.O.R.M stands for:

- Support
- Trust
- Opportunity
- Rebuilding
- Motivation

Our mission is to support, rebuild, and motivate individuals to transform their lives through education, empowerment, and services that break down barriers.

These values underpin every program, every interaction, and every decision we make.

STORM FAMILY CENTRE LIMITED

Women’s Emotional Support & Domestic Abuse Services

Many women arrive at STORM carrying years of trauma, fear and silence. Time and again, they tell us that STORM is the first place they have truly felt heard, understood, and valued.

Over the past two years, we have been able to counsel and support over 100 women through:

- Twice-weekly emotional support and counselling
- One-to-one trauma-informed sessions
- Crisis intervention and advocacy
- Confidence-building and goal-setting
- Support with housing, benefits, immigration and practical issues
- Guidance around children, family, and parenting challenges
- Accompaniment and support at court hearings, safeguarding meetings and legal processes

Women repeatedly tell us that the support they receive at STORM feels more compassionate, responsive and effective than statutory counselling, where many felt rushed or unheard.

(2020 Campaign link): <https://www.youtube.com/watch?v=Yd1bWrXHnlg>

Our approach is holistic. We treat women as whole people — not just as “cases” or “victims” — helping them rebuild:

- Confidence and identity
- Emotional resilience
- Parenting and family dynamics
- Skills and aspirations for the future

Empower Lunch Club, Food Bank & Parenting Support

Alongside counselling, our practical and community-based services remain vital:

- The Empower Lunch Club supports around 38 women each week, providing a warm, non-judgmental space where women can talk, share food, build friendships and feel less alone.
- Our food bank supports approximately 35–40 women and families each week, helping to relieve the pressure of the cost of living crisis and ensuring no one is left without essentials.
- Our weekly parenting group engages around 30 mothers, offering practical strategies for routines, communication, boundaries, and strengthening family wellbeing.

Together, these services support emotional stability, household resilience, and safer, calmer homes for children.

Education, Courses & New Beginnings

Education is a key part of rebuilding life after trauma.

This year, women have successfully completed:

- Health & Social Care NVQ Level 2 & 3
- Other accredited and non-accredited learning and personal development courses

Many women have:

- Gone into paid employment, especially in health and social care
- Progressed into further training and university
- Taken on volunteering and leadership roles in the community

For many, this was their first return to learning after years of abuse or instability. Our on-site childcare — including support for children with additional needs — has removed barriers that would otherwise prevent mothers from taking these opportunities.

One woman said:

“They supported me to gain my Level 3, provided childcare for my child with additional needs, and were there during my darkest moments. They reminded me of my strength.”

These achievements demonstrate the power of combining emotional recovery with practical progression.

Youth Mentoring & Life Skills Program

(Ages 10–18, and up to 25 for those with SEND)

STORM FAMILY CENTRE LIMITED

STORM has continued to develop a structured, trauma-informed youth program focused on:

- Young people who are NEET (not in education, employment or training)
- Those at risk of exclusion, exploitation, youth violence or low aspiration
- Young people facing disadvantage, poverty, insecure housing or social isolation

Our youth offer includes:

- 1:1 and group mentoring with relatable role models
- Girls’ safety, confidence and empowerment sessions
- Life skills (cooking, budgeting, CV writing, teamwork)
- Exposure to the creative industries – film, music, podcasting, storytelling
- Employment pathways, including scaffolding and health & safety training through Stellar Scaffolding
- Giving Back Days – intergenerational volunteering, gardening, estate improvement
- Teamwork and wellbeing activities such as roller skating and outdoor sessions
- Educational trips including visits to the Old Bailey

A major highlight was when ITV visited STORM to interview one of our young men who had completed the scaffolding pathway. His story – from risk to opportunity – showed the power of targeted support and real work routes in changing a young person’s life.

The program has:

- Improved confidence, communication, and decision-making
- Reduced isolation and negative peer influences
- Created real routes into training, apprenticeships, and work
- Built trust in adults and services among young people who previously felt abandoned or misunderstood

Community Events & Cultural Celebrations

STORM recognises that healing is not only individual — it is also cultural and collective. Our community events play a big role in building pride, connection, and belonging.

Black History Celebration

Our Black History event welcomed over 80 women and children in a powerful celebration of culture, identity and legacy.

The event included:

- Shared food and traditional dishes
- Music and cultural performances
- Personal stories and testimonies
- Traditional dress and displays

Women described the celebration as:

- “Empowering”
- “Emotional”
- “A reminder of who we are and what we bring to the world.”

It honored the strength and contributions of Black women past and present, while inspiring the next generation to walk proudly in their heritage.

2024 Peace Concert

In Memory of Our Friend and Corporate Supporter, David Ball

This year, we were deeply saddened by the passing of David Ball, a much-loved friend of STORM and a highly respected corporate partner. David was not only a CEO; he was a man of genuine humility, kindness, and integrity who treated everyone with dignity and warmth. He truly understood STORM’s mission and stood alongside us in our work to tackle gun and knife crime.

David played a key role in our **Peace Concert and panel discussion**, stepping in to chair the panel when no one else could be found. He led the discussion with professionalism, calmness, and heart, giving grieving parents the confidence to share their stories. When he interviewed two parents whose children were killed through knife crime, he made them feel safe, heard and respected — even moved to tears himself. His compassion that day left a lasting impact on everyone in the room and helped inspire others, including one father who later went on to start his own charity.

He also visited STORM during a particularly intense day, quietly observing as we supported a family fleeing domestic violence, welcomed guests from the USA, and provided counselling to another woman in crisis. Afterwards, he expressed his amazement at how much STORM does, and it was clear he saw himself not just as a sponsor, but as part of the STORM family.

Without David’s support, belief, and leadership, our Peace Concert and its powerful conversations would not have been the same. His legacy lives on in the lives he touched, the events he helped shape, and the ongoing work to end violence in our communities. He will be greatly missed and always remembered with gratitude and love.

🌟 Windrush Celebration – Bringing Kingston to Wandsworth 🌟

This year, STORM Family Centre proudly hosted a vibrant and unforgettable Windrush Celebration, welcoming over 200 people to honor the legacy, resilience, and cultural impact of the Windrush generation.

From the moment guests arrived, the atmosphere was alive with:

- Reggae music and classic anthems
- Laughter and conversation
- The aroma of traditional Caribbean food

Elders, Windrush pioneers, local leaders and community champions were treated like royalty. Many settled into familiar games of dominoes, shared memories, and enjoyed being recognised as the pillars of our community.

Young people from the community and from STORM’s programs served elders with pride, building intergenerational respect and connection. Our Golden Women’s Group and our “60+ Treasures” enjoyed music, food, and companionship in a safe, welcoming environment.

The celebration was brought to life by Windrush vibes that kept the crowd dancing, singing and smiling throughout the day. Children enjoyed free rides and entertainment, including a traditional merry-go-round – their excitement and joy were visible in every smile.

A beautiful part of the day was the multicultural unity it created. The Somali community joined in, cooking and sharing their own dishes with warmth and pride. Together, we celebrated shared values of family, respect, migration, and resilience.

This event reminded us that Windrush is not just history – it is living heritage. The spirit of Windrush continues to shape Wandsworth, and STORM is proud to honor that legacy.

STORM FAMILY CENTRE LIMITED

International Day, Christmas Appeal & Seasonal Engagement

Other key events included:

- International Day – where women from many cultures shared food, clothing, traditions and stories, strengthening unity and understanding.
- A Christmas Appeal supporting women and children in refuge and families facing hardship, including gifts and essential items.
- Family outings and festive activities that brought joy, rest and connection during a difficult economic period.

These events created joy, community and relief at times when families needed it most.

Survivor Voices – Real Stories of Change

The heart of STORM’s work is best expressed by the women themselves.

“I honestly don’t know where I would be today without STORM Family Centre. They helped me gain my functional skills and complete my Level 3 in Health and Social Care. They even provided free childcare for my three-year-old with additional needs so I could study. They were there in my darkest moments, listened when I was depressed and overwhelmed, and reminded me of the strength I carry as a mother. STORM is more than a service – they are a lifeline.”

Another woman shared:

“I was emotionally abused and isolated. The situation got worse after I had my son and then twins. The abuse turned physical, and I was left feeling hopeless, alone and unsafe. Marie and STORM took me seriously, supported me every single day, and helped me get a non-molestation order. We have now moved cities. Me and my four children are safe, happy and free. I am no longer a victim, but a survivor of domestic violence.”

These testimonies reflect the strength of the women we work with — and the role STORM plays as a bridge from crisis to safety, and from surviving to thriving.

- Increase digital and remote access (online sessions, check-ins, and workshops) for women who are isolated, in crisis or managing childcare and caring responsibilities.
- Launch sewing and empowerment groups, requested by women as therapeutic, confidence-building and potentially income-generating activities.
- Continue to strengthen youth employment pathways, including further collaboration with scaffolding, construction, care and creative industry partners.
- Work more closely with other domestic violence charities, sharing resources, referrals, and campaigns to empower each other and amplify survivor voices.
- Develop further our “Stop the Silence – End Domestic Violence” campaign locally, nationally and internationally.

As a UPF Ambassador, Marie Hanson MBE will continue working with the Universal Peace Federation on:

- Joint events in the UK and abroad

ACHIEVEMENTS AND PERFORMANCE

Combating domestic violence

Our counselling services thankfully continue for our service users as needed. We have one-to-one counselling, family counselling, sensory therapy and expressive art therapy, as all part of our services for help with healing from trauma. This year, we have helped over 40 individuals through our counselling sessions.

Our 'Stop the Silence, End Domestic Violence' campaign against Domestic Violence launched in October of 2020 is still in the process of gaining signatures. We are still pushing for attention with this initiative to get hotel rooms available for women fleeing domestic violence, please see link here: <http://chng.it/2w4zM7Tyqj>, and our campaign video here: ['Stop the Silence, End Domestic Violence'](#)

Our therapies carried out are listed below:

- Art therapy and Counselling for sufferers and survivors of domestic violence
- Support for people with concerns about their mental wellbeing
- Family counselling and support
- Sensory therapy

Differing services are as follows:

- Art therapy - 16
- Dance/movement therapy - 2
- One-to-one & Family therapy - 55

With our services we have collaborated with local organisations (signposting as well as partnerships) in carrying out our charity work - and with our counselling our aim has been to help as much as we can in every way. The benefits do present in many ways, and overall our clients do express gradual relief after receiving counselling and added help

With one case, we helped a client as they sought legal help alongside their counselling. They escaped domestic violence and honour based violence from their partner by relocation and made very active steps in rebuilding their life. Aside from the legal help, they are also receiving help with us with employability issues.

They expressed growing relief since coming to our charity though more steps were taken to help with current emotional stress and day-to-day matters such as work and finances.

We are seeing more and more women accessing our services going through domestic violence and we are finding out they are going through PTSD. (A lot of women also wish to leave their current homes as they are frightened of the perpetrators finding out where they live). We have been able to work with our local Borough Councillors to help them relocate and a lot of people feel isolated and find that STORM has a lot of services that help a lot.

With our partners we are able to help some of the ladies find work (e.g. with Wagamama, who are able to give them employment around their times of availability), as well as helping them taking up classes at STORM to improve their lives. One of the things we find, there have been extra women coming from referral agencies and we have been getting quite a lot of referrals - also from the Child and Adolescent Mental Health Services (CAMHS) for the young people for their families.

We are also getting a few women that go through Honour Based Violence (HBV) and we have been able to refer them to other services within Wandsworth Borough (London) when needed. Through signposting, several clients have also very thankfully received much needed goods for their homes such as beds, seating and even a cooker.

Youth work

Our Youth activities in 2024 included:

- Music studio sessions for complete music production including mastering
- Creative workshops/arts & crafts, including Photography classes
- Seasonal activities including trips, creative workshops and more
- Wagamama & STORM workshops on cooking and hospitality/job skills for young people
- Blue Guitar Project workshops – a project for encouraging young people everywhere;
<https://blueguitarproject.com/>
- See us at [Wandsworth Family Information Service](#) website (search 'STORM'), also see our 'Listening Day' site for youth wellbeing; www.listeningday.co.uk

And we continue to run our:

- **Food Bank** - Still in need and very much welcomed, we provide needed food for the vulnerable and those in need across the local community and further. We continue our work with [City Harvest](#), and [FareShare](#) - who help us with these gratefully received food donations for our Food Bank and also for special occasions
- **Befriending Lunch and Breakfast groups** - This year saw our Lunch Group continue with regular and new guests as usual. We also had our Breakfast Club on Saturdays as well. Both groups have healthy food served on the menus as we catered to our community members. Regular announcements are made on Nextdoor.com, alongside our usual social media platforms of Facebook, Twitter and Instagram, and all our dishes are prepared personally by our CEO Marie Hanson MBE.
- **NVQ courses** - These courses are in partnership with MI Compute Solutions and include Teaching Assistant courses, Childcare courses, Health & Social Care, ESOL and Early Years Education courses. The Education courses include Special Educational Needs (SEN) such as Dyslexia Awareness modules.
- **Information Advice and Guidance service** - with this provision we give help on matters such as employment, benefits and housing. *We continue to provide very necessary help and advice for domestic violence sufferers to escape from their abusers*

FINANCIAL REVIEW – FUNDING 2023/2024

We are deeply grateful for the continued financial support from our valued funders, including (but not limited to) the London Community Fund, Wandsworth Borough Council, The Albert Hunt Trust, Sport England, London Catalyst, The Community Fund, The Garfield Weston Foundation, and DDV. This is by no means an exhaustive list, but a heartfelt acknowledgment of just a few of the incredible partners who have stood by us. Thanks to their generosity, countless lives have been transformed, and we are honoured to play a role in making this change possible.

As we reflect on this year's finances, we must emphasize that demand for our services has significantly increase, particularly for counselling and support for those affected by the cost-of-living crisis. In addition, we have seen growing needs related to domestic violence (DV), and we have worked tirelessly to ensure that individuals and families affected by these issues receive the care and assistance they deserve.

We remain fully committed to raising even more funds to expand our services, especially in areas such as counselling and DV support, to meet the growing demand.

At STORM Family Centre, our passion and purpose are driven by the needs of our community. We are determined to continue growing, innovating, and finding new ways to serve, ensuring that no one in our community is left behind. Together, with the ongoing support of our funders and the dedication of our team, we will build an even brighter future for those we serve. The incoming restricted/unrestricted resources for the year totalled **£144,669**.

Reserve Policy

At STORM Family Centre, we are committed to maintaining unrestricted reserves to address unforeseen circumstances and ensure the sustainability of our vital services. However, due to the ongoing cost-of-living crisis and limited resources, we were unable to maintain reserves this year. As a result, the balance of unrestricted funds at the end of the year did not meet our reserve target.

The Work We Do

Despite these financial constraints, STORM Family Centre has been able to support even more individuals and families this year. The rising cost-of-living crisis has increased demand for our services, and we are proud to have extended our reach to help those most in need. Our work goes beyond immediate support; we continue to empower our community and make a lasting impact.

PLANS FOR THE FUTURE

Our plans include:

- Continue with our peer-mentoring service within our counselling provision for our clients; this helps with building a 'buddy-counselling' aspect to our work. The peer-mentors are qualified individuals who have themselves survived domestic abuse; we believe that this will greatly help with encouragement and support
- To re-start our coffee mornings for women who have survived domestic violence, a safe and quiet place where women can talk casually about day-to-day experiences that would help with general counselling sessions that we provide
- To further promote our new shop – this outlet sells clothing and a variety of accessories. All items are made in Ghana, West Africa by women in impoverished community and who have also experienced trauma. The items are sold here in the UK with all proceeds going back to Ghana to help the women improve their lives, one day at a time
- To further expand on our youth work with more partnerships; local organisations that not only focus on recreation, but also rehabilitation and mentoring
- We are so grateful to have Lux Luz candles now with us at our offices, we have worked together for many years and now continue at the same site - holding days of candle-making workshops and more

SPECIAL THANKS

Thank you to US Ambassador to the UK Jane D. Hartley, Mayor of Wandsworth Sana Jafri, Cllr. Simon Hogg, Cllr. Juliana Annan, Marion Hardman of Hardman Communications, Roxy Lee (Blue Guitar Project), and our volunteers SJ Heany, Louise Schaffer, and Rose Murray-Dudgeon; and to our counsellor Carrie Burns

We thank all our Trustees for the invaluable services and selfless efforts in ensuring the smooth running of the organization - Leon Butler, Tanya Silchenstedt, Osbourn Binns, Tina Clark, and Marie de la Calva, to all our funders for all their great generosity, our community members for all their support, and of course – to our Patron **Sabrina Elba** and Ambassadors **Will Poulter** and **Chukwudi Iwuji**. Thanks to our partners in our work, especially Wandsworth Borough Council - to each and every one we say a big and heartfelt thank you as we could not have made this year's achievements without you. All our work throughout our years is owed to you.

NOTABLE EVENTS OF 2024

Women's Conference

Held on International Women's Day (March 8th), our annual conference provided a space for the support, empowerment, and encouragement of women and girls from all walks of life. This inspiring event brought together voices of strength and resilience, celebrating the achievements and contributions of women everywhere.

Summer BBQ Party

On July 6th, we hosted a vibrant Summer BBQ Party, featuring special guests who shared stories and insights about Black History, including celebrations of the Windrush generation. The event was a lively celebration of culture, history, and community.

Summer Fun 2024

Our seasonal youth activities, sponsored by Wandsworth Council and the Department for Education, brought joy and excitement to young people throughout late July and most of August. Highlights included:

- Horse-riding, water park adventures, and go-karting
- Indoor and outdoor games
- A photography workshop
- A trip to Hyde Park
- A day out at the O2, complete with a scenic riverboat ride and cable car journey

These activities not only created lasting memories but also fostered growth, creativity, and community engagement for our youth.

STORM and Amaya Clothing Store Fashion Show

On August 17th, we hosted a dazzling fashion show in collaboration with Amaya Clothing Store. The event showcased handmade clothing and accessories created by women in Africa, with proceeds supporting communities in Ghana. This initiative continues to empower women, foster entrepreneurship, and create opportunities for a brighter future.

AMAYA FOR AFRICA: EMPOWERING WOMEN GLOBALLY

STORM Family Centre's partnership with **Amaya for Africa** empowers women in Ghana who have experienced domestic abuse. These women create handmade clothing and baskets, sold in STORM's charity shop in Walton-on-Thames, with all proceeds sent back to Ghana to support their self-sufficiency.

The shop also provides local women in the UK with valuable volunteering opportunities to gain job and life experience, bridging communities and fostering empowerment. In 2025, we aim to expand this partnership, connecting women in the UK and Ghana to build a global network of resilience and support. Together, we can transform lives and inspire brighter futures.

We also have a new ladies-only Gym this year, as we endeavour to help with overall wellbeing for our community through physical exercise as well as emotional support.

Royal Visit

As part of S.T.O.R.M's 2023 events, we could not have been happier than to kick start the year with a very special Royal visit by Her Majesty The Queen Consort on [Thursday 9th February 2023 at STORM's HQ](#).

STORM was delighted to have Bishop Rose Hudson-Wilkin as a guest heading up the welcoming team on Her Majesty's arrival into the building.

Her Majesty took her time to have conversations with all the invited guests and of course in private conversation with STORM's Domestic Violence Survivors or, as Marie prefers to call them, Superwomen! The visit

was an important reminder of how many people in our communities are vulnerable and need warm, friendly and supportive centres like STORM.

Gathering in the main room Her Majesty took part in some of the creative activities that the centre provides, including candle making, thanks to Lux Luz candle makers, art classes with Felicity Prazak, and STORM now has its very own royal painting, finished and signed by Her Majesty. Other activities included computer skills training, DJing and baking and cookery classes in the kitchen.

A plaque was unveiled in honour of the Royal visit, to mark this momentous occasion and a cake was cut by Her Majesty and shared amongst all the guests. Wonderfully, Her Majesty took a special picture with Marie and her family (above right).

"A huge thank you to you for all you are doing for domestic abuse and these women being abused. I have been to a lot of centres all around the country, and I seldom come to one like this where there is so much going on to help the local community, helping these ladies.

I have talked to quite a lot of them just now and heard their stories and they are all so indebted to the wonderful job you do - and I said before you need to be cloned.

Thank you to everybody who has been part of Marie's mission and her wonderful family, and I feel very privileged and honoured to come and visit you all today."

- Her Majesty The Queen Consort, 9 Feb 2023

US Ambassador Visit

also planted a tree in our roof garden.

On May 8th, we were very honoured to have a special visit from US Ambassador Jane D. Hartley.

Ambassador Hartley joined us as part of The Big Help out 2023 and got to know more about STORM Family Centre and our work for the community. Ms. Hartley met members of the local community as she joined us for tea and

We were also joined by MP for Battersea Marsha De Cordova, Deputy leader of Wandsworth Council Kemi Akinola and the then Wandsworth Mayor Councillor Jeremy Ambache, who all joined Ambassador Hartley on planting trees too in our roof garden.

We give our thanks to the **Doddington and Rollo Community Roof Garden** for their support with this visit and a special thanks to Nina von der Werth of Wandsworth Council for her tireless work in supporting STORM Family Centre and for her part in organizing this wonderful visit.

Peace Concert

Our thanks to everyone who sponsored, performed, spoke at, attended, helped organise, promoted, and supported our 17th Annual Peace Concert, in conjunction with Black History Month 2023.

This Concert for the help, support and improving of young lives by inspiring them to stay away from negative lifestyles and crime was once again warmly received. With 2023's event, we called on everyone to help support us with this initiative by providing their thoughts on how we all can help combat street crime together though positive ideas; and inspire our youth in future life choices.

Thanks to our attendee's ideas on the day; and please feel free to still add to them by getting in contact with STORM Family Centre.

With this year's event, as with every concert, we are sincerely and deeply grateful; it was a great occasion once again and thanks to all who made it possible - a special thank you to **Idris Elba** (right) as he partnered with us again through his **Don't Stop Your Future' (DSYF)** anti-violence initiative, and we also say thank you for his generous donation of his brand's DSYF t-shirts and hoodies, many thanks. Special thanks to **Enable Leisure and Culture** for their invaluable funding, and support for the concert and making this year's event realised. Special thanks to Lauren Robbin of **Wagamama**, (one of our charity partners) who gave an impassioned talk about her life and career at the restaurant chain - to whom we also give a big thank you to.

With our 17th Concert, we asked the community to share their ideas with us on how we can make life better for our young people, with suggestions on how we can support them in staying away from anti-social behaviour and negative lifestyles.

We had a very good response and will be passing the ideas to the government to continue working together as community bodies for our youths' wellbeing.

This concert is for all our youth everywhere, to let them know that there is a better way to live; a life that does not involve violence of any sort whether by knife, gun and even a physical attack. It seeks to bring youth together in peace and provide intervention for those on the periphery of criminality or those already involved in crime by showing them the avenues of positive living through talks, testimonials, interactive activities, and music.

Our thanks to Roxy Lee of the Blue Guitar Project for her wonderful partnership with STORM, and to the Metropolitan Police for their funding, great support, talk and contribution, thank you to speaker Jerome Harvey-Agyei (*Youth Participation Lead The Mayor Of London's violence reduction unit*), and of course, thank you to each and every attendee and supporter of the Concert and of STORM Family Centre overall – (*all thanks further below*)

Throughout the year we saw an array of warm invitations, activities and very welcome honours:

- Our **Women's Conference** was another good occasion in Spring; and on the very same day for **International Women's Day**, CEO Marie and STORM event co-ordinator Sarah Jane attended a wonderful IWD event at **Buckingham Palace** by special invite from **Her Majesty the Queen** - we were very honoured that her Majesty stated that STORM was one of her top 3 charities in the UK. (*Below: at the 2023 Women's Conference*)

Group photo of community group representatives from around the UK, including STORM CEO Marie and event co-ordinator Sarah Jane, with HM the Queen on [International Women's Day 2023 at Buckingham Palace](#)

- Thanks to [Black History 365](#) for their support for our great Roof Garden BBQ in the summer
- Also for **Windrush 75**, we thank [Enable](#) and BHM365 for our Windrush anniversary party in Battersea Park, and a second Windrush event at the Pump House Gallery (also in Battersea Park) later in October - Black History month
- Marie gave a talk and took part in panel discussions at a day organised by the [London Community Foundation](#) discussing the **Cost-of-Living crisis** in Central London. The crisis affecting so many of us was talked about in depth and how it has especially affected the most vulnerable in our society, our thanks to LCF
- Our youth work continued with our **summer projects**; with fun trips including going to Mottingham Farm Riding Centre, Capital Karts, and also to Bournemouth Beach
- More with our youth work, our thanks to [Wagamama](#) for the new partnership with them as they carried out great workshops on catering and employability for young people, and their great contribution with our Peace Concert – thank you to **Alice** and **Lauren** of Wagamama for their brilliant work and support
- And of course, special thanks to **Roxy Lee** (right) of the **Blue Guitar Project**. We are very happy to have collaborated with this project. This initiative is all about encouraging and helping disadvantaged youth all around the world. They have a 'Strike 4' motto - (Unity, Equality, Freedom and Justice). The Blue Guitar Project founder and CEO Roxy Lee is committed to helping young people realise their dreams, she has stated that she is aiming to have the Project's live events be the next 'Live Aid'. At STORM we ran a series of workshops with our young people contributing to the anthem 'Rise Up' - a song that young people all around the world are adding their voices to for the encouragement of children and youth everywhere

Impact in 2023

Future plans

Our plans include:

- Establishing a peer-mentoring service within our counselling provision for our clients; this will help with building a 'buddy-counselling' aspect to our work. The peer-mentors will be qualified individuals who have themselves survived domestic abuse; we believe that this will greatly help with encouragement and support
- To still expand our training and employability partnerships so we can work more effectively in collaboration with local organisations, contributing to an even wider network within our borough and beyond to help those in need of career support
- English and Maths classes from entry level to level 2 to continue helping community members with education prospects and more
- To further expand on our youth work with more partnerships; local organisations that not only focus on recreation, but also rehabilitation and mentoring

Change in basis of accounting or to previous accounts

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

Fund accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Revaluation funds	These are unrestricted funds which include a revaluation reserve representing the restatement of investment assets at their market values.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

Income

Recognition of income	Income is included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to, and virtually certain to receive, the income and the amount of the income can be measured with sufficient reliability.
Income with related expenditure	Where income has related expenditure the income and related expenditure is reported gross in the SoFA.
Donations and legacies	Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.
Tax reclaims on donations and gifts	Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.
Donated services and facilities	These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.
Volunteer help	The value of any volunteer help received is not included in the accounts.
Investment income	This is included in the accounts when receivable.
Gains/(losses) on revaluation of fixed assets	This includes any gain or loss resulting from revaluing investments to market value at the end of the year.

STORM FAMILY CENTRE LTD

Notes to the Accounts

Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

Stocks

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

STORM FAMILY CENTRE LTD

Notes to the Accounts

Research and development

Expenditure on research and development is written off in the year in which it is incurred.

Foreign currencies

Monetary assets and liabilities denominated in currencies other than the functional currency of the charity are translated at the rates of exchange prevailing at the end of the reporting period.

Transactions in currencies other than the functional currency of the charity are recorded at the rate of exchange on the date that the transaction occurred.

All exchange differences are taken into account in arriving at net income/expenditure.

Leased assets

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term. In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.

Pension costs

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

2 Company status

The company is a private company limited by guarantee and consequently does not have share capital.

Trustees Report 2022

Introduction

STORM Family Centre is a Domestic Violence charity that also has a focus on Youth Work and general wellbeing; the acronym S.T.O.R.M stands for: Support, Trust, Opportunity, Rebuilding and Motivation. Founded by Marie Hanson MBE in 2004, the vision was, and remains, to help people in need of support; particularly focusing on members of the local population within the black ethnic minority community as well as hard-to-engage groups. S.T.O.R.M is committed to addressing social issues such as sexual violence, sexual exploitation, domestic abuse, poverty, long-term unemployment, and youth crime.

The charity works hard to provide empowerment and opportunities for people to gain education and build confidence and has an open-door policy for our service users which we know helps as it breaks down barriers.

S.T.O.R.M works to help:

- **Anyone suffering from Domestic Violence**
- **Individuals suffering from low levels of depression, anxiety, or other mental health issues**
- **Single mothers gain the confidence and support they need to find their way into the workforce**
- **People who have been dependent on benefits for many years, to access the education and support necessary to get into employment and reach their goals**
- **Young people; to steer them away from knife and gun crime and give them the opportunity and motivation to change their lives**
- **Create community cohesion**
- **Raise awareness of local services**
- **Refugees and the Homeless**

We provide:

- One-to-one support with counselling, employability help and mentoring
- Information, Advice and Guidance regarding matters with employment
- Onsite childcare
- A variety of different accredited vocational training courses

A very Special Thanks to all our funders and supporters through 2022 as without their help we could not continue to do the important community work that supports so many people.

New initiatives:

This year, S.T.O.R.M. launched its Just Giving page to receive donations. We are also glad to say that it includes the option for donors to Gift Aid their contributions; with this we hope to raise more funds for our work.

We have a new campaigner with our charity this year as well; we are very happy to have 'Peacemaker' actor Chukwudi Iwujii join us as an Ambassador. He now joins fellow Ambassador, fellow actor and friend Will Poulter alongside our Patron **Sabrina Elba**.

Services:

S.T.O.R.M. Family Centre continues providing valuable core services to residents within the Wandsworth and surrounding boroughs. The organisation continues to expand its services, to meet the needs of the people accessing its services.

Combating domestic violence

Our counselling services thankfully continue for our service users as needed. We have one-to-one counselling, family counselling, sensory therapy and expressive art therapy, as all part of our services for help with healing from trauma. This year, we have helped 58 individuals through counselling.

Our 'Stop the Silence, End Domestic Violence' campaign against Domestic Violence launched in October of 2020 is still in the process of gaining signatures. We are still pushing for attention with this initiative to get hotel rooms available for women fleeing domestic violence, please see the link here: <http://chnng.it/2w4zM7Tyqj>, and also our campaign video here: <https://www.youtube.com/watch?v=Yd1bWrXHnlg>

Our therapies carried out are listed below:

- Art therapy and Counselling for sufferers and survivors of domestic violence
- Support for people with concerns about their mental wellbeing
- Family counselling and support
- Sensory therapy

Childcare provision

Has continued to support our Ofsted registered Nursery, funding 15-to-30-hour placements for children aged 2 to 4 years, whilst parents' study at our centre or go to work. Our nursery is now term-time, and we cater for SEN and children who have suffered abuse

E.S.O.L Classes & Back to Work IAG support (Information Advice and Guidance)

- **Building Better Opportunities** - which supports us with running our ESOL classes and IAG workshops, this particular work is all about helping refugees and asylum seekers. This year we have mainly helped individuals from Somalia and Ukraine

Employability

- **Job shop** - This year we continued to help people in need of work and training. With our Information, Advice and Guidance sessions we tailored CVs and helped our clients in applying for work. We provide training and employment support with the support of our local partners which include; BUPA, Waitrose and Tesco
- This year we saw an average of 30% of all our clients gain employment as we constantly work to help those who have suffered job-loss

And we continue to run our:

- **Food Bank** - Still in need and gratefully welcomed, we prepare and pack much needed food parcels for the vulnerable and those in need across the local community and further. We continue our work with [City Harvest](#), and [FareShare](#) - who help us with these gratefully received food donations for our Food Bank and special occasions
- **Befriending Lunch group** - This year saw our Lunch Group continue with regular and **new** guests as usual. Healthy food was once again on the menu as we catered to our community members. Regular announcements are made on Nextdoor.com, alongside our usual social media platforms of Facebook, Twitter and Instagram, and all our dishes are prepared by CEO Marie Hanson MBE herself

Courses:

This year we have launched into providing **Levels 3 to 5** with accredited courses for Childcare, Teaching Assistant and the full Teacher Diploma (DET). - **Continuous Professional Development for TA learners through helping secure placements regarding courses**

Our special events in 2022

Women's Conference

Our Annual Women's Conference took place on March 10th this year, and it was at the wonderful venue of the [Hotel Rafayel](#) in Battersea by the river. There to empower women and girls, this event features encouraging talks each year from people with lived experience or simply at the forefront of campaigning for safety and freedom from abuse.

This year we had presentations from **Chris Steven Green OBE** - Founder of the [White Ribbon Campaign](#), **Shaun Bailey MP** - MP for West Bromwich West, **Margaret Keverian Ali** - UK Director of the [Universal Peace Federation](#), and **Robin Marsh** UK Secretary General for the UPF.

Our warm thanks to [SJ Heany](#) and her brilliant **Jazz Band** for a great performance on the day, as well as to [Lux Luz Candles](#) for once again doing their marvellous candle making workshop, and to [LUSH Cosmetics](#) for their kind donations again as well.

Our CEO Marie Hanson led out a moving tribute to **Jamal Edwards**, who we sadly lost this year – as we played the video that he contributed to for STORM's 2020 'End Domestic Violence' Campaign. This year's Conference was entitled 'Woman of Power' and each year we hope to encourage women and girls to become stronger individuals.

Fundraising event

In August, our CEO Marie Hanson MBE did the very daring task of skydiving. Considering that she suffers anxiety, hates flying and is scared of heights, this was an extra special feat.

With the strapline of 'Face the Fear' she leapt from 10,000 feet over Cambridge Airfield for everyone we endeavour to help - for all the sufferers and survivors of abuse and trauma.

The day was a great success, thank you to **North London Skydiving Centre** for their wonderful support, training and carrying out of the activity. Thank you to **Eddie Nestor** and all at **BBC Radio London** for the coverage and thank you to Sabrina once again for joining Marie in the lovely interview. The skydive was an extra special moment.

Peace Concert

This year saw a welcome return of our Peace Concert. Once again taking place at the **Clapham Grand**, we held the event in October half-term as opposed to being in the summer. This still proved good for our young people as we had an array of great artists perform, including Risky, Jah Digga, Alesha Warren, Cherri V, Jodian Natty, Gersham Allen, J Clark, Brixton Dance School and DJvine.

It was once again hosted by the wonderful Chris Preddie OBE with a special talk from Faron Alex Paul, who gave a great presentation in combatting knife crime featuring his new product of knife-proof clothing. Along with the talks we had a moving segment showing the sad loss of the young lives lost during 2022 in London because of knife crime. This particular slide show showed the teenagers we lost, though all in all, there were over 30 people who were killed because of knife and gun crime in London in 2022. A special heartfelt thanks to **Patrick Boyce** for his moving testimony about the loss of his son dear **Jamel**, because of knife crime.

Our very special thanks goes to actor **Idris Elba** for the great interview he took part in - as one of our young ambassadors asked him questions about life, career and promoting peace. His talk for the young people was very encouraging, and we also say thank you for his generous donation of his anti-violence brand '**Don't Stab Your Future**' t-shirts and hoodies, many thanks.

This concert is for all our youth everywhere, to let them know that there is a better way to live; a life that does not involve violence of any sort whether by knife, gun and even a physical attack. It seeks to bring youth together in peace and provide intervention for those on the periphery of criminality or those already involved in crime by showing them the avenues of positive living through talks, testimonials, interactive activities, and music. A big thank you to **Niall Paterson** and everyone at **SKY TV** for the great interview and promotion of the Concert where Marie was also joined by one of our Ambassadors **Chukwudi Iwuji**; *our kindest thanks to Chuk as well for joining Marie all the way from New York, USA by video link*

National Listening Day

Listening Day was a great success this year, only being our 2nd Listening event, our young people had a good time at our Main Offices as the day coincided with our Friday Youth Club.

The aim of national listening day is to not only shine a spotlight on how much our young people need to have their voices heard, but also to raise awareness regarding the overall delicate issue of mental health with young people.

This day is for encouraging our young people to speak about their wellbeing while letting them know that we as adults are here to listen, a day to encourage young people how to ask for support as well as obtain vital information about therapy and general restorative avenues for healing. We once again partnered with [Georgia's Voice](#) - the charity in Cornwall founded by Sophie Alway after one of her daughters tragically ended her life in July 2020. We have more plans for next years event, including interactive displays for our young people to express what they may be going through.

Throughout the year we saw an array of warm invitations and very welcome honours:

- STORM CEO Marie was a winner at the **Neurodiversity Awards 2022** from **Genius Within CIC**
- We were honoured guests of **Kemi Badenoch MP** for a special talk on the '**Inclusive Britain**' report at the **Royal Society of Arts** - a report that Marie herself had input with by contributions and feedback on key points for its compilation
- Marie and her Son **Elijah** were special guests at **Number 10 Downing Street** for Elijah's talk on mental health and wellbeing - as he is one of our own young ambassadors
- We also attended the International Leadership Conference with the **Universal Peace Federation (UPF)** - of which Marie is also an **Ambassador of Peace** with, and she also did an interview for the promotion of peace, as well as joining in signing a document for peace in the **Korean Peninsula**; the theme of the day
- Marie was also a finalist with the **London Impact Awards** in the 'Standout Women's Champion' category. The Awards were supported by the **London Community Foundation** and **CtitBank**
- We were also guests of the **Wimbledon Foundation** as they thanked community groups and charities that they have supported over many years with a wonderful tea party evening at **The All England Lawn Tennis and Croquet Club SW19**. Marie was also a special guest at Wimbledon for an afternoon of High Tea earlier in the year

- We partnered with the UPF for youth work, where several youths took part in gardening activities at STORM Main Office's roof garden. Thank you to **Melissa** at the Community Gardens for her support - thanks also for the wonderful **Community BBQ** that took place in our roof garden during the summer, it was a pleasure for STORM to be cooking for the event, thank you to **London Square** for their kind donation too
- Our CEO was also given the honour of turning on the Christmas Lights at Clapham Junction, this was a wonderful evening of fun and entertainment - we give our thanks **Roz Williams** and all at the [Junction BID](#) for the invite to turn on the lights and for all their support for STORM Family Centre
- The UPF also held an evening in the **House of Lords at Parliament** with a range of moving talks from various guests talking about **Violence Against Women and Girls** and how to combat it; our thanks to **Margaret Ali** and **Robin Marsh** at the UPF and **Barroness Verma** for this most touching evening. Marie spoke about her own life story of how she and her family overcame suffering from domestic violence, and about petitioning Parliament for greater action in helping children who have suffered abuse, and how to protect our young ones from suffering abuse and harm
- And at the end of this year, Marie was one of many special guests at the **Black Conference** - a two day event with a further afterparty hosted by the [Black British Network](#). Our thanks to its CEO **Cephas Williams** for the invitation to such a good event and for his great hospitality. We hope to work even more with Cephas and the BBN in the coming years, and Marie personally thanks STORM Ambassador **Will Poulter** for the introduction to Mr. Williams of the BBN

Future plans:

Our plans include

- We endeavour to still launch our 'School of Excellence' - our project to teach young people all aspects of the Film & Television industry
- Expanding our partnerships so we can work more in collaboration with local organisations, creating an even more successful wrap-around service
- Getting more people into sustainable Employment/Higher Education which will in turn lead to employment
- Upgrading our technology systems to create a better learning environment for our service users - as well as expanding our services through social media/technology

Thank you

All this work has not been done on our own, and so it is with thanks to one and all mentioned in this report that we express our warmest gratitude

A very special Thank You to our Patron **Sabrina Elba**, and to all our **Trustees** for their tireless work placed into STORM Family Centre; thank you to **Leon Butler, Tanya Silchenstedt, Osbourn Binns, and Tina Clark** - and also to **Keely Mitz**. Huge thanks to Sabrina's husband **Idris Elba** for his kind support - especially for this year's Peace Concert. Thank you to our Ambassadors **Will Poulter** and **Chukwudi Iwuji** for their amazing support as well.

Our Patron Sabrina Elba

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Change in basis of accounting or to previous accounts

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

Fund accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Revaluation funds	These are unrestricted funds which include a revaluation reserve representing the restatement of investment assets at their market values.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

Income

Recognition of income	Income is included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to, and virtually certain to receive, the income and the amount of the income can be measured with sufficient reliability.
Income with related expenditure	Where income has related expenditure the income and related expenditure is reported gross in the SoFA.
Donations and legacies	Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.
Tax reclaims on donations and gifts	Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.
Donated services and facilities	These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.
Volunteer help	The value of any volunteer help received is not included in the accounts.
Investment income	This is included in the accounts when receivable.
Gains/(losses) on revaluation of fixed assets	This includes any gain or loss resulting from revaluing investments to market value at the end of the year.
Gains/(losses) on investment assets	This includes any gain or loss on the sale of investments.

STORM FAMILY CENTRE LTD

Notes to the Accounts

Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Tangible fixed assets and depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

STORM FAMILY CENTRE LTD

Notes to the Accounts

Intangible fixed assets and amortisation

Intangible fixed assets (including purchased goodwill, patents and trademarks) are carried at cost less accumulated amortisation and impairment losses.

Stocks

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Research and development

Expenditure on research and development is written off in the year in which it is incurred.

Foreign currencies

Monetary assets and liabilities denominated in currencies other than the functional currency of the charity are translated at the rates of exchange prevailing at the end of the reporting period.

Transactions in currencies other than the functional currency of the charity are recorded at the rate of exchange on the date that the transaction occurred.

All exchange differences are taken into account in arriving at net income/expenditure.

STORM FAMILY CENTRE LTD

Notes to the Accounts

Leased assets

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.

Pension costs

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

2 Company status

The company is a private company limited by guarantee and consequently does not have share capital.
