TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

The Trustees present their annual report together with the audited financial statements of the Charity for the year ended 31 December 2022. The Annual Report serves the purposes of both a Trustees' Report and a Directors' Report under company law. The Trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

The Charity is part of a global network of A21 Campaign (A21) charities operational in Australia, USA, Denmark, Greece, Ukraine, Bulgaria, Mexico, the UK, Norway, Sweden, Spain, South Africa, Poland, Thailand and Cambodia.

Objectives and activities

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

The principal objective of the Charity is abolishing injustice, in particular, human trafficking, through prevention and awareness, intervention, and aftercare. With offices in 14 countries, A21 aims to combat modern-day slavery through a multi-dimensional operational strategy: Reach, Rescue and Restore. With that strategy in mind, The A21 Campaign Limited provides intervention, repatriation and aftercare services to survivors. They also assist in the operation of national human trafficking hotlines in three countries and in conjunction with the Royal Thai Police. A21 focuses on raising awareness and educating the public in all locations, coordinates legal services for survivors in A21's care and provides repatriation services for any survivor of human trafficking. Through partnerships and the efforts of supporters all over the globe, A21 truly believes that human trafficking can be prevented, victims identified, perpetrators prosecuted, and more survivors can step into a life of independence.

Achievements and performance

a. Main achievements of the Charity

A21 UK continued its efforts to adapt and adjust their strategy and contextualise programs to combat human trafficking in the UK.

Despite the challenges and changes in UK legislation, A21 UK's prevention and awareness programs provided information on human trafficking in the UK through educational sessions both online and in person to schools, businesses, universities, targeted media campaigns and community-based awareness presentations to increase prevention and safeguard efforts within specific communities.

A21 also provided other educational materials, such as the 'Bodies Are Not Commodities curriculum' (BANC), Human Trafficking Awareness Program (HTAP), Parents Guides, Teen Guides and the 'Can You See Me?' Campaign, awareness videos and accompanying educational materials that were distributed to educators for use in their online or in person classes.

In 2022, A21 UK delivered both online and in person sessions on prevention and awareness activities to 13 UK schools, delivering over 67 sessions, educating over 7,000 students from ages ten to eighteen nationwide. Through the success of materials and resources provided, A21 UK was able to establish new partnerships with community groups and businesses enabling A21 to reach a variety of community groups in 2022.

THE A21 CAMPAIGN LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

Achievements and performance (continued)

In 2022 A21 UK established and developed several instrumental relationships with key organisations. One significant progression was the relationship with the Romanian Embassy, providing professional training and assistance in several survivor repatriation cases. A21 UK also introduced the Border Force Safeguarding Leads to the Police and Home Affairs Attache at the Embassy to ensure best practice for survivors of human trafficking.

A new relationship that was formed in 2022 was A21's partnership with the US Embassy. The partnership has been significant when it comes to assistance with victim identification operations. We have also continued to work in collaboration with the Met Police, providing an overview of our CYSM? Campaign which has been implemented into onboarding training for all new police officers.

A21 UK has continued to build upon several key frontline partnerships such as the UKBF (United Kingdom Border Force) by assisting in operations and delivering training to frontline professionals at Gatwick, Heathrow, Luton and Stansted Airport. A21 UK also built significant partnerships with the Sussex Police and Great Ormond Street Hospital, providing professional training to officers and frontline professionals.

In 2022 A21 UK launched the UK Counter Trafficking Toolkit, which was the first of its kind. The Toolkit is designed as a resource for frontline sectors, seeking to increase understanding of human trafficking in the UK. Through various tools provided in this Toolkit, frontline sectors can apply practical strategies in employing human trafficking intervention efforts and implement processes for identifying and engaging with victims of human trafficking. The UK Counter Trafficking Toolkit has been well received by frontline professionals; the offer was made by the National Safeguarding & Modern Slavery team to co-brand a version of the Toolkit for all UKBF (United Kingdom Border Force).

b. Key performance indicators

A21 UK continued to adapt programs to be delivered both virtually and in person to help expand our reach. These sessions were presented to students, businesses, community groups, professionals, and front-line professionals through various online platforms or in person to increase the understanding and education on human trafficking and encourage public reporting and partnerships.

A21 UK shared awareness materials, such as the online parents' guide, online primary school prevention guides, CYSM quizzes and the digital online safety brochure both in person and via social media channels to raise awareness of the dangers of online exploitation. A21 UK outworked various campaigns to increase engagement, education and partnerships nationwide such as the GUIC (Give It Up Challenge), My Freedom Day, 21k challenge, CYSM London Tube Campaign and the Christmas Hamper Campaign. The impact of these campaigns had an estimated reach of over 100 million people.

In 2022 A21 UK assisted in 11 operations and provided training to over 400 front line professionals, including front-line professionals in various sectors such as UKBF (United Kingdom Border Force), GOSH (Great Ormond Street Hospital), Royal Free Hospital, Met Police. A21 UK also established key partnerships with Abercrombie and Fitch, Doc Martens, BCD Travel, Stewardship, WeWork, Ancoris, the Romanian Embassy, the US Embassy and many more. A21 UK also signed agreements or MOU's with key partners, provided expertise and reviews for training and safeguarding content, advised and delivered training to teams and assisted on projects such as onboarding protocols and social justice initiatives.

c. Review of activities

A21 UK routinely supports identification operations and screenings as part of their partnership with local law enforcement. These operations and screenings seek to establish whether or not a situation constitutes a possible exploitative situation, to identify potential victims, to assess the need for care and coordinate any necessary services. Screenings often reveal certain vulnerabilities and safeguarding concerns that help to determine elements of force, fraud or coercion.

THE A21 CAMPAIGN LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

Achievements and performance (continued)

A21 UK also regularly provides trained interpreters at no cost during these operations, to both interact directly with the potential victim and to provide interpretation for law enforcement. Interpretation continues to be an important part of safeguarding efforts in providing the opportunity for individuals to speak in their preferred first language, as many potential victims are foreign nationals.

A21 UK delivers extensive professional training to frontline professionals in various industries such as law enforcement, aviation, travel and tourism, medical and hospitality. The training delivered provides a holistic overview of trafficking in the UK and A21's approach to combat the issue through partnerships and collaboration. Training is provided via invitations to conferences, intensives and individual sessions which enables A21 UK to provide expertise to a specific cohort of professionals and establish the profile and level of work being achieved by the organisation globally and locally.

A21 UK works actively in schools to present the topic of human trafficking to both students, facilitators, and educators across various levels of education. Due to A21's strong partnerships with local schools, there was an opportunity to deliver in-person and online sessions to both small and large groups.

d. Factors relevant to achieve objectives

A21 UK had a strong collaboration with local law enforcement in 2021 to identify possible victims of exploitation and human trafficking. A21 UK historically has provided training to the UK Border Force as well as a number of healthcare providers. In 2022, A21 UK continued to provide training as part of mandatory Safeguarding Level 3 training across the health-care sector. In addition to continuing to provide training for new UK Border Force recruits, A21 UK also trained new law enforcement partners based across various major UK airports and transportation hubs. This training, coupled with hands-on operations and the launch of the UK Counter Trafficking Toolkit has been vital in assisting frontline professionals to be informed of new safeguarding legislation and to best assist Potential Victims of Trafficking in various capacities. The strength of these existing relationships was paramount in the outworking and development of new initiatives such as the launch of the UK Toolkit, CYSM expansion with new scenarios and increased training to both professionals and front-line professionals.

e. Fundraising activities and income generation

A21 UK actively pursues grants and corporate engagement leading to relationship and financial support, individual giving and fundraising campaigns through external activities and events.

In 2022 A21 UK saw an increase in interest around partnership with a focus and alignment on social justice and responsibility. Through the creation and implementation of structured volunteer days, we saw engagement increase as the inclusion of teams in a practical way helped promote education on Human Trafficking and Modern-Day Slavery within corporate teams. This avenue created opportunity for A21 by opening conversation, increasing the success of the relationship with the goal of financial support and ongoing partnership.

With the strong foundational programs in our operating countries, we have also seen success in grant funding and project specific funding, highlighting the care that organisations have for "giving back" to the surrounding communities.

Through Reach and the delivery of our curriculum and training, we continue to see an increase in campaigns and self-started fundraisers. A21 UK also works to host multiple events each year such as a challenge event where we fundraise individually and at the same time raise awareness of A21's mission throughout our sphere of influence. This then leads to further engagement and donation. A21 UK hosted the London Walk For Freedom which leads to an increase in awareness, education and donations from people who attend and believe in our mission to end slavery everywhere, forever.

THE A21 CAMPAIGN LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Financial performance review

Total incoming resources increased by 47.8% (2021: 14.4%) to £896,748 (2021 - £606,631) predominately due to an increase of fundraising efforts.

Total expenditure increased by 58.5% (2021: 2.1%) to £796,748 (2021 - £502,825) predominately due to the increase of operational support.

The impact of these changes was that total funds increased by 52% (2021: 117.2%) to £292,370 (2021 - £192,370) and that total cash increased by 196.6% (2021 decreased 21.3%) to £245,596 (2021 - £82,797).

c. Reserves, investment policy and risk review

The Board of Trustees and Management deem it to be prudent to hold the equivalent of at least 3 months fixed costs in reserve to secure continuity of operations. This provides sufficient funds to cover administration and support costs on an ongoing basis. It is believed that this is in the best interest of the Charity in light of its rapid growth. As such, it is deemed most prudent to keep the bulk of funds on deposit until the Trustees and leadership direct them to be spent on projects throughout Europe. For sustainability, our policy is to not commence new programmes until we have secured reserves equivalent to the new program's first year budget. The Board regularly review investment of funds and consider the return to be satisfactory.

As of the year end, our reserves position had increased to £292,730 (2021 - £192,370) and this did meet our policy.

d. Sources of funding and nature of expenditure

The principal source of funding is donations. Expenditure is focused on the three core activities that constitute our efforts in achieving the overall objective of abolishing the injustice of human trafficking. Over 93% of total expenditure is directly attributable to these three activities of Reach, Rescue and Restore, with the remaining expenditure providing the fundraising and administration activities vital to ensuring the Charity can operate at its full potential.

e. Principal risks and uncertainties

In relation to COVID-19 and the governmental restrictions imposed, the Trustees have assessed that revenue streams have to date not been significantly impacted by COVID-19.

Structure, governance and management

a. Constitution

The A21 Campaign Limited is registered as a charitable company limited by guarantee and is governed by its Memorandum of Association.

.

THE A21 CAMPAIGN LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

b. Organisation

The Charity was managed and run during the year by a team of staff and volunteers. Strategic, financial and technical management is exercised by the Directors and A21 Global Management Team. No key management personnel were employed by The A21 Campaign Limited.

c. Methods of appointment or election of Trustees

All Directors of the Company are also Trustees of the Charity and there are no other Trustees. At each Annual General Meeting, one-third of the Directors (the longest serving) are obliged to retire from office. Each Director so retiring is eligible for re-election. The Board has the power to appoint additional Directors; any Director co-opted during the year must stand for election at the next annual general meeting. Trustees with relevant experience or expertise are sought through canvassing and newly appointed Trustees are provided with relevant training where required

d. Pay policy for key management personnel

No key global management personnel were employed by The A21 Campaign Limited.

e. Related party relationships

The Trustees consider the related parties to be those listed in note 24, who form part of the wider global A21 network.

f. Trustees' indemnities

There were no qualifying third-party indemnities in place during the year.

g. Risk Management

The Trustees have a duty to identify and review the risks to which the Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems are in place to manage our exposure to the major risks.

Plans for future periods

We will continue to promote A21's prevention and awareness programs which provide information on human trafficking in the UK through educational sessions in schools, targeted media campaigns and community-based awareness presentations to increase prevention and safeguarding efforts within specific communities.

We will continue to work actively in schools to present the topic of human trafficking to both students and educators across various levels of education. We will distribute and deliver several of A21's educational materials such as "Bodies Are Not Commodities" curriculum (BANC), Human Trafficking Awareness Program (HTAP) and the Can You See Me? campaign videos and accompanying educational material.

We are working to launch trials of the Primary Prevention Programme (PPP) in the UK. The content has been adapted to align with UK standards and our strategy to adhere to UK school's curriculums. This content will be delivered to facilitators once the trials have taken place and the content finalised for the UK school system.

THE A21 CAMPAIGN LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

Plans for future periods (continued)

The Global Freedom Summit was a success this year and therefore we will focus on improving the event in the face of a post pandemic environment. The primary focus will remain on a unified day of action to increase awareness about human trafficking in local communities around the world.

We are very excited to see the impact of all of our future plans as we believe the topic of human trafficking is under explored in the UK and so we are hoping for increased awareness and more individuals safeguarded as a result in 2023 and beyond.

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE A21 CAMPAIGN LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

Disclosure of information to auditor

Each of the persons who are Trustees at the time when this Trustees' Report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditor is unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

Auditor

The auditor, Crowe U.K. LLP, has indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditor at a meeting of the Trustees. Approved by order of the members of the board of Trustees on 30 August 2023 and signed on their behalf by:

N J Caine
Trustee

INDEPENDENT AUDITORS' REPORT TO THE A21 CAMPAIGN LIMITED

Opinion

We have audited the financial statements of The A21 Campaign Limited ('the charitable company') for the year ended 31 December 2022 which comprise of a Statement of Financial Activity, Statement of Financial Position, Statement of Cash Flows and Notes to the Financial Statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2022 and of income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Charities and Trustee Investment (Scotland) Act 2005 and Regulations 6 and 8 of the Charities Accounts (Scotland) Regulations 2006 (amended).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT TO THE A21 CAMPAIGN LIMITED (CONTINUED)

Other information

The trustees are responsible for the other information contained within the annual report. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion based on the work undertaken in the course of our audit:

- the information given in the trustees' report, which includes the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included within the trustees' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the charitable company and their environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the trustees' directors' report and from the requirement to prepare a strategic report.

INDEPENDENT AUDITORS' REPORT TO THE A21 CAMPAIGN LIMITED (CONTINUED)

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 7, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with the Acts and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Details of the extent to which the audit was considered capable of detecting irregularities, including fraud and non-compliance with laws and regulations are set out below.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the charitable company operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Companies Act 2006, the Charities Act 2011 and The Charities and Trustee Investment (Scotland) Act 2005 together with the Charities SORP (FRS 102). We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

INDEPENDENT AUDITORS' REPORT TO THE A21 CAMPAIGN LIMITED (CONTINUED)

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charitable company's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charitable company for fraud. The laws and regulations we considered in this context for the UK operations were General Data Protection Regulation (GDPR), Health and safety legislation and Employment legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the timing of recognition of income, and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management and the trustees about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with the Charity Commission, reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

An audit is required in accordance with section 144 of the Charities Act 2011 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005.

The Trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and preparation of financial statements.

The financial statements were approved and authorised for issue by the Trustees on 30 August 2023 and signed on their behalf by:

N J Caine
Trustee

THE A21 CAMPAIGN LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

1. COMPANY INFORMATION

The Charity is a company limited by guarantee, registered in England, Scotland and Wales. The Charitable Company does not have share capital and each of the members is liable to contribute an amount not exceeding £10 towards the assets of the Charity in the event of liquidation. The registered address of the Charity is given on the Reference and Administrative Details page.

2. ACCOUNTING POLICIES

a) Basis of accounting

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The accounts have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

The financial statements are prepared in pound sterling (£) and the figures are rounded to the nearest £1.

The A21 Campaign Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

b) Going concern

Although there were reserves at 31 December 2022 of £292k, in December 2022 there was approximately £246k of liquid cash available. The Charity can draw on reserve balances through an agreement with the US and AU affiliates to cover any shortfall of program expenses, so it is unlikely that the Charity would be unable to meet its liabilities as they fall due. Revenue has increased during the 2022 period and fixed overheads can be reduced if necessary.

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The trustees believe that whilst there is uncertainty, this does not pose a material uncertainty on the charity's ability to continue as a going concern. The trustees therefore believe that it is appropriate to prepare the accounts on a going concern basis.

c) Income

All income is included in the Statement of Financial Activities when the Charity is legally entitled to the income, the amount can be quantified with reasonable accuracy and there is probability of receipt.

THE A21 CAMPAIGN LIMITED
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

2. ACCOUNTING POLICIES (Continued)

d) Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. When cost cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources. Expenditure is recognised once an obligation is established without conditions outside the control of the Charity.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading. Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Support costs, which are costs incurred in activities that do not in themselves constitute a charitable activity but instead enable output-creating activities to be undertaken, are allocated to charitable activities on a pro rate basis according to the proportional salary costs of staff involved in or supported by the support activity.

All expenditure is inclusive of irrecoverable VAT.

e) Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

f) Intangible assets and amortisation

Intangible assets are initially recognised at cost. After recognition, under the cost model, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Amortisation is provided on intangible assets at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life.

The estimated useful lives are as follows:

Amortisation is provided on the following basis:

Website - 5% straight line

THE A21 CAMPAIGN LIMITED
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

g) Tangible fixed assets and depreciation

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

The Charity operates a policy of capitalising items of £300 or more.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Fixtures and fittings	-	20% straight line
Computer equipment	-	33% straight line

h) Investments

Investments in subsidiaries are valued at cost less provision for impairment.

The Charity does not prepare consolidated accounts including their wholly owned subsidiary as this is considered insignificant as the company is dormant. More details of this can be found in note 12.

i) Stock

Food is valued at cost. Stocks are valued at the lower of cost and estimated net realisable value.

j) Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

k) Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

l) Creditors

Creditors are recognised when there is an obligation at the Statement of Financial Position date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Creditors are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

m) Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

THE A21 CAMPAIGN LIMITED
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

n) Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

o) Pensions

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

p) Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

3. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Fixed assets

Fixed assets are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. In reassessing asset lives, factors such as economic conditions are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of the asset and projected disposal values.
