**Responsibilities of the Trustees**

Charity Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the Balance Sheet Date, and of its incoming resources, including income and expenditure for the financial year.

In preparing those financial statements, the Trustees should follow best practice and

- a. Select suitable accounting policies and apply them consistently.
- b. Make judgments and estimates that are reasonable and prudent.

**Independent Examiner's Report to the Trustees**

I report on the financial statements of Zichron Zvi Trust for the year ended 31 January 2021.

**Respective Responsibilities of Governors and Examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and to state whether particular matters have come to my attention.

**Basis of Independent Examiner's Report**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention;

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
  - to keep accounting records in accordance with section 130 of the Charities Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**Notes To The Accounts**

**1) Principal Accounting Policies**

Basis of Accounting

The Accounts have been prepared under the historical cost convention in accordance with the Charities Act (Accounts and Reports) 2011, and the Financial Reporting Standard for Smaller Entities (Effective April 2008), and follow the recommendations in Accounting and Reporting by Charities: Statement of Recommended Practice (Issued March 2005).

Cash Flow

The accounts do not include a cash flow statement because the charity as a small reporting entity is exempt from the requirement to prepare such a statement.

Donations and Fund Accounting

Rental Income received for the general and main purposes of the Charity is included as unrestricted funds in the Statement of Financial Activities when receivable.

Donations and Grants for activities restricted by the donors are taken to restricted funds if the wishes and conditions of the donor are legally binding on the Trustees.

Resources Expended

Resources expended are accounted for on an accruals basis. Certain expenditure is apportioned to cost categories based on estimated amount attributable to that activity in the year. These estimates are based on the time and level of activity as appropriate.

Management and administration costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

The irrecoverable element of VAT is included with the item of expense to which it relates.

Depreciation

Depreciation on tangible assets is calculated at 15% reducing balance.

Support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

**2) Turnover**

The total turnover of the company for the year has been derived from its principal activity wholly undertaken in the UK.
