FINANCIAL REVIEW

Total income for the year was £44,632 (2020: £3,353) of which Nil (2020: £Nil), related to funding for projects upon which restrictions are placed.

Total expenditure for the year was £46,039 (2020: £7,976), leaving a deficit for the year of £1,407 (2020: deficit £4,623)

At 30th November 2021 the charitable company's reserves stood at £1,785 (2020: £3,192) of which Nil (2020: £Nil) represented restricted funds.

RISK MANAGEMENT

The main risks, to which the charitable company is exposed, as identified by the Trustees, have been considered and systems established to mitigate those risks.

MAST are very conscious of the need to manage our financial resources with care and prudence. In order to achieve that governance all our projects are financially planned before the activity commences and are regularly reviewed by the Trustees. From 2020 MAST are, in addition to this, financial planning to establish a contingency fund from which expenditure has to be approved by the Trustees. The Charitable Company has limited fixed cost liabilities, for example website, and no employees or assets that require regular expenditure. The financial risk to the Charity is therefore easily managed and not regarded by the Trustees as significant.

RESERVES POLICY

It is the policy of the charity to maintain unrestricted funds, which are free reserves at a level to allow the charity to continue its activities for three months should no further funding be received.

As at the end of the financial year the unrestricted funds totalled £1,785. The charity requires £3,270 for three months' running costs.

The development of new mission relevant commercial products is enabling MAST to access new markets. We are now particularly focused on building commercial relationships with corporate, educational and charitable partners alongside our long-established activities with the general public.

PLANS FOR THE FUTURE

- Developing maritime educational and research programmes
- To expand the Apprenticeship Cup into a new event, the Tall Ship Experience
- Establish a long term structure for the Charity

IMPACT OF COVID-19

During 2020/1 the decision was taken to scale back on some of our activities including our work on Ocean Literacy with local schools. We have not sought or received any financial support and continue to adjust our programme based on what is achievable within the current guidelines. Most activities have been deferred until 2021/2.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

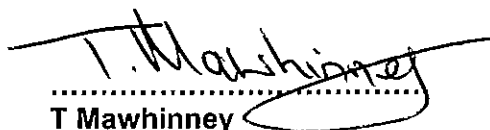

Company law requires the Trustees (who are also the directors for the purposes of company law), to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the company will continue on that basis

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial statements have been prepared in accordance with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published (FRS 102) (effective 1st January 2019).

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
MERSEYSIDE ADVENTURE SAILING TRUST**

Respective
responsibilities of
trustees and examiner

I report on the accounts of the charity for the year ended 30th November 2021 which are set out on pages 7 to 14.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention:

Independent examiner's
statement

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act;
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

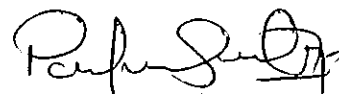

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
