HOUSE OF REVIVAL

TRUSTEES' ANNUAL REPORT (continued)

YEAR ENDED 31 DECEMBER 2024

STRUCTURE, GOVERNANCE AND MANAGEMENT

Background

House of Revival Ministries is a non-Profitable organisation /registered charity (CRN 1141079) and a member of the Voluntary action attended by approximately three hundred members including children. Day to day management of the church is vested in the leadership/departmental team led by the senior pastor. We believe in inclusiveness and welcome all people who want to participate in our activities. The church is located in Coventry, West Midlands. House of Revival is a multicultural thriving church that operates throughout the week. The church has been in existence for over a decade. Leadership The leadership team is responsible for the administration and management of the local church, general purposes, finances, and personnel. Capital projects and expenditure require the approval of the leadership team. This team meets regularly to discuss and plan objectives and implementation thereof. All matters are subject to prayer and God's direction. Appointments of officers are governed by the constitution of the church. Trustee induction and training New trustees undergo orientation where they are briefed on their legal obligations under Charity Law, the content of the constitution and the processes on decision making within the organisation. The Charity encourages trustees to attend, at their discretion; appropriate external training events were these will be of use for the undertaking of the role.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The board of trustees actively review the major risks facing the charity on a regular basis and ensure measures are put in place to safeguard the charity's fund and assets. The trustees also ensure that legal advice is sought, when necessary, on crucial issues concerning the ministry.

Objectives and Activities

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. The vision of the church is "Saving souls and making them better through Christ." To help achieve this, the following objectives have been set:

To expand and develop the ministry of House of Revival through Sunday and mid-week worship services, children's ministries, youth ministries, prayer and ministry training, bible studies and small groups meetings. To minister to the congregation and the local community through family life, relationship, and other ministry programmes. To establish social programmes to provide food, clothes, and shelter for the needy and care for the sick. To educate and equip the congregation and other churches in the practice of ministry through House of Revival based conferences.

Achievements and Performance

-The church's activities are available to Christians and non-Christians, members, and non-members alike; there is no restriction to attendance. The community have been attracted to and enjoyed our weekly services, conferences, and programmes.

-The church is making strenuous effort to acquire its own premises to support the growth and development of the Ministry. The bid for a few properties during the year but unfortunately, we were unable to meet the asking price.

RESPONSIBILITIES OF THE TRUSTEES

The trustees are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Laws applicable to Charities in England and Wales requires trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently.
- observe the methods and principles in the Charities SORP.
- make judgements and estimates that are reasonable and prudent.
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with Charities Acts 2011. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

HOUSE OF REVIVAL
INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF HOUSE OF REVIVAL
YEAR ENDED 31 DECEMBER 2024

I report on the accounts of the charity for the year ended 31 December 2024 which are set out on pages 7 to 13.

Respective responsibilities of trustees and Examiner

The trustees (who are also the directors of House of Revival for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act.
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or

2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

1.2 Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. Voluntary income is received by way of donations, offerings and tithes and is included in full in the statement of financial activities when receivable.

OBJECTIVES AND ACTIVITIES

Structure, Governance, Management

Introduction

House of Revival Ministries is a Non-Profitable Organization/registered charity (registered number 1141079) and a member of the Voluntary Action, attended by approximately 205 adults and children, inclusive of various nationalities and growing. Day to day management is vested in the leadership/departmental team led by the senior pastor. We believe in inclusiveness and welcome all people who want to participate in our activities.

It is located in Coventry, West Midlands. House of Revival is a multi-cultural and thriving church that operates 2 days a week. We have been active in the local community for over 10 years. We are diverse and dynamic in running activities for the benefit of the members and the community, which over the years have been adapted and expanded to meet the changing needs.

Aims/Objective & Activities

The principal objectives of House of Revival, as set in our constitution, is the advancement of the Christian religion by the pronouncement of the gospel of Jesus Christ, and to play an integral and strategic role in sustainable development of people, partnership, structures, relationships, skills, and knowledge to help the community to meet its own needs. Through these various activities, support, and trainings we seek to advance the lives of young people and seek to benefit as wide a catchment or variety of people as possible.

Also, we aim to engage all members of the Church to be connected to each other in small groups (Cell groups), and to take personal responsibility to encourage people in their day-to-day life to serve in some capacity, both in the church and the community at large. Our strapline is: "Igniting Hearts, Unlocking Destinies & Changing Nations". Thus, we seek to serve and help meet the needs of our people in our locality through positive empowerment, training, and development.

Changes & Development Achievements

We are working very hard to acquire our own place of worship after securing a long-term lease last year. We are trusting God to make this happen as soon as possible.

During the course of the year there were several special services for Dedication of Children and Celebrations. Additional services are held on Good Friday, Autumn Half Term Conference and also at Christmas (Carols Service). These events were well attended by Church Members and the local community.

The church's ministry and new initiatives Performance

Advancing the Christian faith:

During the year House of Revival have had a special focus on frontline Christian ministry. One area for particular attention during the year has been the prayer life of the church, whereby, the pattern of a weekly Saturday evening prayer meeting was enhanced by a new rhythm of telephone monthly prayer times by every department of the church and a weekly prayer time by the leadership of the church as well. These prayer sessions have seen a considerable increase in the number of people involved in regular corporate prayer given the essence of prayer to the Christian faith. Also, as a church our teaching programmes has had a strong focus on discipleship with strong focus on discipleship with more attention given to home cell group through the provision of centrally prepared and printed resources, and training for study leaders before specific Bible passages are discussed. This area of ministry is something that we are looking to expand in the coming year.

- **Community**

Core to the pursuit of our objectives and mission statement, House of Revival served people of all ages and backgrounds, to grow in their faith and connect into the community, and increasing access to a thriving, supportive and accessible church community, through personal pastoral input and support, and have further extended our work to a greater and more diverse catchment area. Activities such as

departmental workshops, leadership conference and personal developments are ongoing and those who are part of HOUSE OF Revival have been trained and encouraged to identify various ways of contributing and building and serving the local community in their own way and time. During the week, the church provides activities for children and the youth such as mid-week club for various ages, several teenage groups meet for Bible studies and other activities. We have received positive reports throughout the year with regards to the inspiration, encouragement and the care people have accessed through the services provided.

Welfare Team

The church still runs a small-scale food bank system that delivers food to the people who need it most. The food is acquired through donation from members, much of which would otherwise be wasted. This helps in a way to break the cycle of poverty.

What needs are being met

- Giving children a head start in life
- Supporting families
- Reducing social isolation
- Helping both the aged and young families to live a healthy, better life
- Helping people to build skill sets to enhance their chances of getting a gainful employment
- Giving young people and young adults better opportunities and choices

Future Plans

- Having secured a long lease for a place of worship, House of Revival Ministries is looking to expand the range of its activities in the coming years to further its involvement in the community. We aim to make our building and services easily accessible to the general public in Coventry, especially to those with disabilities in the form of providing ramps for wheelchairs and flexible seating.
- We hope to engage more with the Coventry City Council as part of the church's response to local needs especially to the less privileged and the needy.
- Building a digital church: Through the use of digital technologies, we have a vision to connect with anyone anywhere to a life changing relationship with Jesus', and to grow an audience of people both in UK and internationally. This initiative would by far, be of public benefit to those unable to leave home on the grounds of health or care responsibilities, and to all who are unable to access our church locations but can connect with us digitally.
- Church recognizes it also needs to create ways for people to serve care for and positively contribute to the wider community, and leaders across the church are creating a sustainable voluntary team to help the vulnerable in our communities.

- To collaborate and build partnerships with other organisations in order to continue to expand our programmes in delivering a range of affordable and accessible services that create connections, opportunities and training events that seek to harness the skills and resources of our members.

Provision of pastoral care

The charity puts the welfare of its congregation and the community it serves at the heart of its yearly objectives. During the course of the year, the House of Revival in collaboration with the founder and senior pastor visited members who have not attended services for some time. The church also organised intercessory prayers for the community and the nation at large. The church also played a pivotal role during the peak of the global pandemic (Covid 19) by allowing its premises to be used as a test centre. Some of our members also acted as Covid 19 volunteers by directing people and advising them on Covid 19 protocols. The church also offers employment and immigration advice to its members and the wider public who need such advice.

Empowerment through collaboration with other churches

Through active evangelism and effective networking approach, House of Revival has over the years have managed to form and maintained a meaningful joint working relationship with other ministries that has similar objectives for the purpose of empowering people in the community.

These prayer sessions have seen a considerable increase in the number of people involved in regular corporate prayer given the essence of prayer to the Christian faith.

Also, as a church our teaching programmes has had a strong focus on discipleship with strong focus on discipleship with more attention given to home cell group through the provision of centrally

prepared and printed resources, and training for study leaders before specific Bible passages are discussed. This area of ministry is something that we are looking to expand in the coming year.

- **Community**

Core to the pursuit of our objectives and mission statement, House of Revival served people of all ages and backgrounds, to grow in their faith and connect into the community, and increasing access to a thriving, supportive and accessible church community, through personal pastoral input and support, and have further extended our work to a greater and more diverse catchment area.

Activities such as departmental workshops, leadership conference and personal developments are ongoing and those who are part of HOUSE OF Revival have been trained and encouraged to identify various ways of contributing and building and serving the local community in their own way and time.

During the week, the church provides activities for children and the youth such as mid-week club for various ages, several teenage groups meet for Bible studies and other activities. We have received positive reports throughout the year with regards to the inspiration, encouragement and the care people have accessed through the services provided.

Welfare Team

The church still runs a small-scale food bank system that delivers food to the people who need it most. The food is acquired through donation from members, much of which would otherwise be wasted. This helps in a way to break the cycle of poverty

What needs are being met

- Giving children a head start in life
- Supporting families
- Reducing social isolation
- Helping both the aged and young families to live a healthy, better life
- Helping people to build skill sets to enhance their chances of getting a gainful employment
- Giving young people and young adults better opportunities and choices

Future Plans

- Having secured a long lease for a place of worship, House of Revival Ministries is looking to expand the range of its activities in the coming years to further its involvement in the community. We aim to make our building and services easily accessible to the general public in Coventry, especially to those with disabilities in the form of providing ramps for wheelchairs and flexible seating.
- We hope to engage more with the Coventry City Council as part of the church's response to local needs especially to the less privileged and the needy.

- Building a digital church: Through the use of digital technologies, we have a vision to connect with anyone anywhere to a life changing relationship with Jesus', and to grow an audience of people both in UK and internationally. This initiative would by far, be of public benefit to those unable to leave home on the grounds of health or care responsibilities, and to all who are unable to access our church locations but can connect with us digitally.
- Church recognizes it also needs to create ways for people to serve care for and positively contribute to the wider community, and leaders across the church are creating a sustainable voluntary team to help the vulnerable in our communities.
- To collaborate and build partnerships with other organisations in order to continue to expand our programmes in delivering a range of affordable and accessible services that create connections, opportunities and training events that seek to harness the skills and resources of our members.

Provision of pastoral care

The charity puts the welfare of its congregation and the community it serves at the heart of its yearly objectives. During the course of the year, the House of Revival in collaboration with the founder and senior pastor visited members who have not attended services for some time. The church also organised intercessory prayers for the community and the nation at large.

The church also played a pivotal role during the peak of the global pandemic (Covid 19) by allowing its premises to be used as a test centre. Some of our members also acted as Covid 19 volunteers by directing people and advising them on Covid 19 protocols. The church also offers employment and immigration advice to its members and the wider public who need such advice.

Empowerment through collaboration with other churches

Through active evangelism and effective networking approach, House of Revival has over the years have managed to form and maintained a meaningful joint working relationship with other ministries that has similar objectives for the purpose of empowering people in the community .
