The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The promotion of religion and education within the principles of the Anglican Church, by means of academic research and curriculum development, publication and dissemination of education and research papers and materials, the training and education of professional and lay pastors, teachers and volunteers and the support of education providers.

The Charity has worked extensively in furthering its objects and, since its founding in 2010, has established a core staff and body of advisers with international reputations in the field of religious education. It has developed and maintained resources for the advancement of religious education available to both educational and research establishments and to the public generally. It has established and operates a Postgraduate Learning Community in Christian Education, supporting masters, professional doctorate and PhD level research, designed for religious educators and church leaders. It undertakes and publishes academic research, the useful products of which are available to the public generally.

The trustees and staff work together to draw up strategic plans, from which priorities are set and specific work plans devised. Throughout this process the trustees have regard to the Charity Commission's guidance on public benefit and ensure that services meet these criteria.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities - How our activities deliver public benefit

The charity has worked extensively in furthering its objectives since its founding in 2010, and has actively engaged for public benefit in the promotion of religion and education in accordance with the principles of the Anglican Church. It has done this by means of undertaking academic research, and ensuring that the findings of academic research have been well disseminated within the user communities. It has done so through the development of curriculum resources, and the dissemination of these resources for public benefit through activities engaged with by schools and churches. For example, the St Mary's Centre website provides publicly accessible and free of charge resources to enable schools in Wales to provide religious education. Relevant materials at both secondary and primary level are accessible through the website in the medium of Welsh as well as English. The charity has delivered public benefit by collaborating with the University of Warwick and Bishop Grosseteste University Lincoln to provide opportunities to enhance the professional competence of religious educators working both within schools and within churches. Research undertaken by the charity has delivered public benefit by providing research-based informed information for the Schools and Curriculum Review undertaken by the Welsh Government. The charity has delivered public benefit by collaborating with the Wales Association of SACREs and with the 22 individual SACREs within Wales, through research capability, to enhance their delivery of their statutory obligations.

FINANCIAL REVIEW

Overall the charity made a net surplus of £5,992 (2024 - deficit of £11,486) of which unrestricted funds made a surplus of £9,794 (2024 - deficit of £9,337) and restricted funds made a deficit of £3,802 (2024 - deficit of £2,149). Closing funds at 31 March 2025 were £30,213 (2024 - £24,221) of which £27,187 were unrestricted (2024 - £17,393) and £3,026 were restricted (2024 - £6,828).

Reserves policy

The trustees have examined the requirement for free reserves which are those unrestricted funds not designated for specific purposes or otherwise committed and consider it prudent to maintain a minimum amount of £20,000.

Principal funding sources

The charity's main funding sources are from other religious organisations in the form of grants or project fees along with symposium and conference fees.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025**

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE ST MARY'S AND ST GILES' CENTRE**

Independent examiner's report to the trustees of The St Mary's And St Giles' Centre ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until those conditions are met.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Allocation and apportionment of costs

Certain expenditure is directly attributable to specific activities and has been included in those cost categories. Certain other costs, which are attributable to more than one activity, are apportioned across cost categories on the basis of an estimate of the proportion of time spent by staff on those activities or estimated usage.

Tangible fixed assets

Individual assets costing less than £500 are included in the Statement of Financial Activities in the year that they are incurred. Individual assets greater than £500 are included in the balance sheet at cost and are depreciated at the following annual rates:

Computer Equipment - straight line over 4 years.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are unrestricted funds earmarked by the trustees for a particular purpose.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Objectives and aims

The promotion of religion and education within the principles of the Anglican Church, by means of academic research and curriculum development, publication and dissemination of education and research papers and materials, the training and education of professional and lay pastors, teachers and volunteers and the support of education providers.

The Charity has worked extensively in furthering its objects and, since its founding in 2010, has established a core staff and body of advisers with international reputations in the field of religious education. It has developed and maintained resources for the advancement of religious education available to both educational and research establishments and to the public generally. It has established and operates a Postgraduate Learning Community in Christian Education, supporting masters, professional doctorate and PhD level research, designed for religious educators and church leaders. It undertakes and publishes academic research, the useful products of which are available to the public generally.

The trustees and staff work together to draw up strategic plans, from which priorities are set and specific work plans devised. Throughout this process the trustees have regard to the Charity Commission's guidance on public benefit and ensure that services meet these criteria.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

ACHIEVEMENT AND PERFORMANCE

Charitable activities - How our activities deliver public benefit

The charity has worked extensively in furthering its objectives since its founding in 2010, and has actively engaged for public benefit in the promotion of religion and education in accordance with the principles of the Anglican Church. It has done this by means of undertaking academic research, and ensuring that the findings of academic research have been well disseminated within the user communities. It has done so through the development of curriculum resources, and the dissemination of these resources for public benefit through activities engaged with by schools and churches. For example, the St Mary's Centre website provides publicly accessible and free of charge resources to enable schools in Wales to provide religious education. Relevant materials at both secondary and primary level are accessible through the website in the medium of Welsh as well as English. The charity has delivered public benefit by collaborating with the University of Warwick and Bishop Grosseteste University Lincoln to provide opportunities to enhance the professional competence of religious educators working both within schools and within churches. Research undertaken by the charity has delivered public benefit by providing research-based informed information for the Schools and Curriculum Review undertaken by the Welsh Government. The charity has delivered public benefit by collaborating with the Wales Association of SACREs and with the 22 individual SACREs within Wales, through research capability, to enhance their delivery of their statutory obligations.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2024**

FINANCIAL REVIEW

Overall the charity incurred a net deficit of £11,486 (2023 - £55,045) of which unrestricted funds made a deficit of £9,337 (2023 - £52,772) and restricted funds made a deficit of £2,149 (2023 surplus - £2,273).

Closing funds at 31 March 2024 were £24,221 (2023 - £35,707) of which £ 17,393 were unrestricted (2023 - £20,079) and £6,828 were restricted (2023 - £15,628).

Reserves policy

The trustees have examined the requirement for free reserves which are those unrestricted funds not designated for specific purposes or otherwise committed and consider it prudent to maintain a minimum amount of £20,000. Although current free reserves do not reach this, they are still within the Charity Commissions recommendation of three months operating costs.

Principal funding sources

The charity's main funding sources are from other religious organisations in the form of grants or project fees along with symposium and conference fees.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is a company limited by guarantee and is governed by its Memorandum and Articles of Association dated 14 June 2010. It is registered with the Charity Commission.

Any organisation or individual over the age of 16 can become a member of the charity at the discretion of the Trustees and there are currently 3 members (3 in 2023), each of whom agreed to contribute £1 in the event of the company being wound up.

Recruitment and appointment of new trustees

The operation of the charity is managed by a board of Trustees.

The Trustees of the Charity are directors of the Company for the purpose of the Companies Act 2006 and charity trustees of the Company for the purpose of the Charities Act.

There is presently no restriction on the maximum number of Trustees but there is a minimum three.

Trustees are appointed in accordance with the Charity's Articles of Association. In considering the appointments, the trustees will comply with the Charity Commission's guidance as set out in Charity Commission Booklet CC30 - Finding New Trustees - What charities need to know.

Membership of the board of Trustees will accurately as possible reflect the membership and objects of the Company as is current at the time.

Related Parties

Due to the nature of the charity's operations and the composition of the board of Trustees it is inevitable that transactions will take place with organisations in which a member may have an interest. All transactions involving organisations in which a Trustee may have an interest are conducted at arm's length.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE ST MARY'S AND ST GILES' CENTRE**

Independent examiner's report to the trustees of The St Mary's And St Giles' Centre ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until those conditions are met.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Allocation and apportionment of costs

Certain expenditure is directly attributable to specific activities and has been included in those cost categories. Certain other costs, which are attributable to more than one activity, are apportioned across cost categories on the basis of an estimate of the proportion of time spent by staff on those activities or estimated usage.

Tangible fixed assets

Individual assets costing less than £500 are included in the Statement of Financial Activities in the year that they are incurred. Individual assets greater than £500 are included in the balance sheet at cost and are depreciated at the following annual rates:

Computer Equipment - straight line over 4 years.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are unrestricted funds earmarked by the trustees for a particular purpose.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
