Report on Charitable Activities

Throughout the year, the charity has diligently pursued its mission to uplift the underprivileged in Bangladesh. International funds were channeled into impactful projects, including the Tubewell Project, ensuring access to clean water, and initiatives focusing on education to empower individuals for a brighter future. The construction of houses has provided shelter to those in need, addressing a critical aspect of poverty alleviation.

Moreover, the charity has extended its reach by distributing food packs, offering essential sustenance to vulnerable communities. The provision of special Ramadan Packages has brought joy and relief during the holy month.

The implementation of the Qardhe Hasna program has been instrumental in providing interest-free loans, promoting financial stability among the less fortunate.

In conclusion, the trustees express gratitude for the support that has enabled the successful execution of these impactful initiatives, aligning with the charity's core objectives and significantly contributing to the betterment of lives in Bangladesh.

Statement of trustees' responsibilities

The Charities Act 2011 requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the surplus of the Charity for that period.

In preparing those financial statements the trustees are required to

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the accounts comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities..

4.1 INCOME

Recognition of income	<p>These are included in the Statement of Financial Activities (SoFA) when:</p> <ul style="list-style-type: none"> the charity becomes entitled to the resources; it is more likely than not that the trustees will receive the resources; and the monetary value can be measured with sufficient reliability.
Offsetting	<p>There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.</p>
Grants and donations	<p>Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).</p>
Legacies	<p>In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).</p> <p>Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.</p>
Government grants	<p>The charity has received government grants in the reporting period</p>
Tax reclaims on donations and gifts	<p>Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.</p>
Contractual income and performance related grants	<p>This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.</p>
Donated goods	<p>Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.</p> <p>The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.</p> <p>Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.</p> <p>Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.</p> <p>Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.</p>
Donated services and facilities	<p>Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.</p> <p>Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.</p>
Support costs	<p>The charity has incurred expenditure on support costs.</p>

UMMAH HANDS
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 5 APRIL 2025

Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

4.2 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	<p>Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.</p> <p>Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.</p>
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

Investments	<p>Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.</p> <p>Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments</p>
Stocks and work in progress	<p>Stocks held for sale as part of non-charitable trade are measured at the lower of cost or net realisable value.</p> <p>Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.</p>
Debtors	<p>Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.</p>
Current asset investments	<p>The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.</p>

- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
