**TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 MARCH 2021**

STRUCTURE, GOVERNANCE AND MANAGEMENT**Governing document**

The organisation is a charitable company limited by guarantee, incorporated on 14th February 2006 and registered as a charity on 1st April 2011. The company was established under a Memorandum and Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and appointment of trustees

The directors of the company are also charity Trustees for the purposes of charity law. Under the requirements of the Memorandum and Articles of Association the number of Trustees must be not less than three. All Trustees retire at each Annual General Meeting but they can be re-elected. The charity welcomes contact from individuals who are interested in joining the Trustee Board.

All Trustees give their time voluntarily and received no benefits from the charity. Any expenses reclaimed from the charity are set out in the notes to the accounts.

New Trustees are provided with an induction into the charity's work and the duties and responsibilities of the Trustee Board.

Organisational structure

The Trustee Board oversees the running of the charity. There was an employed cleaner for part of the financial year. A partner organisation, Newington Big Local (whose legal entity is Starlings Support CIC), assists in the day to day running of the centre in agreement with the charity. Newington Big Local provides paid and volunteer support for the charity.

Related parties

The charity has an arrangement with Newington Big Local (Starlings Support CIC) to assist with the day to day running of the centre. Newington Big Local has also provided grant funding for the charity for new equipment and associated running costs.

Risk management

The Trustees conduct regular reviews of the major risks to which the charity is exposed. Where appropriate, systems or procedures are established to mitigate the risks the charity faces. This year, these have included:

- a review and update of policies and procedures including a management agreement for the running of the Centre
- securing additional funding to build the charity's reserves to cover repairs, renewals and unforeseen expenditure

Purposes and activities

The charity's purpose is to manage and maintain Newington Community Centre, to provide facilities in the interest of social welfare for recreation and leisure time pursuits for the benefit of the inhabitants of Newington Ward, Ramsgate, Kent.

The charity took over the running of the community centre from Thanet District Council in July 2007. The centre is available for public hire and hosts a wide range of activities and projects.

**TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 MARCH 2021**

How our activities deliver public benefit

The Trustees confirm they have had due regard to the Charity Commission's public benefit guidance and are confident the objectives and activities undertaken provide significant benefit to the public and are in accordance with its charitable objects, as described in the following sections of the annual report.

Achievements and performance

During this year Newington Community Association has worked in partnership with Newington Big Local to manage the Community Centre, and has worked in partnership with statutory, private and civil society organisations to provide social, leisure and educational activities to ensure that residents can access advice, information and support that meets their needs.

The Centre has also continued to host two resident-led community projects, Newington Big Local and Creative Newington.

The community space is usually hired for group activities and clubs as well as private and community functions, but this year, due to the Covid-19 pandemic, the hall has been unavailable for public hire. Instead, the hall has been used as a food storage and distribution hub for Newington's Food Club. The Food Club, operated by Newington Big Local, supports more than 1,600 households, providing low-cost and free food, and also provides packed lunches, hot meals for children and family meal kits during school holidays. Food distribution sessions have taken place twice weekly throughout the year.

The charity was also able to support children and families with the provision of creative packs, distributed via the Food Club. This was thanks to a grant from Tesco Bags of Help.

The charity was able to access emergency government funding to cover running costs and to furlough staff where necessary.

FINANCIAL REVIEW**Financial position**

The financial overview for the year to 31 March 2021 is as follows:

Income: £29,045

Expenditure: £13,050

Net income: £15,995 (comprising unrestricted £14,829 and restricted £1,166)

Balance brought forward: £12,002

Balance carried forward: £27,997

The charity made an unrestricted (general) surplus of £14,829. This surplus was possible because the charity received additional funding arising from the Covid-19 pandemic, mainly from government, which enabled costs to be covered and reserves to be re-built.

During the financial year, an investigation took place regarding suspected fraud by a former Trustee, Michael Harrison. On 9th June 2021, Michael Harrison was convicted of Fraud by false representation at Canterbury Crown Court. A Compensation Order was awarded to the charity in the sum of £24,957.62 in respect of the fraudulently obtained funds, to be paid by the offender to the charity via the court. These funds are expected to be received during the financial year 2021/22 and 2022/23.

**TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 MARCH 2021**

Fundraising

In the year to 31st March 2021, the majority of the charity's income was secured from grant funding, with a small amount of donated and fundraised income, and room hire from project work funded through Newington Big Local. The unrestricted grants received were:

Thanet District Council (central government grants):

Retail, Hospitality and Leisure Grant £10,000 (first lockdown)

Local Restrictions Support grants £11,051 (second and third lockdowns and tier restrictions)

HMRC furlough grants (Coronavirus Job Retention Scheme) £833

Ramsgate Town Council £500

The charity also received two restricted grants, both from the Tesco Bags of Help fund, totalling £1,666. Of this, £1,166 remains unspent at 31st March 2021 and was provided for equipment.

The charity's income is usually generated from the hire of its premises for local residents and groups. The Trustees intend that the running of the Centre will be self-sufficient, with running costs met from self-generated hire income.

Investment policy

The Trustees operate a policy of holding any reserves held in an interest-bearing savings account.

Reserves Policy and going concern

The reserves of the charity are intended to cover fluctuations in income, unforeseen expenditure, the renewal of fixed assets and for expenditure on areas of the premises for which the charity has responsibility.

A designated fund has been created by the Trustees within the unrestricted funds, representing the net book value of the charity's fixed assets at the balance sheet date. This has been created because the assets cannot be utilised for future expenditure.

At 31st March 2021, the charity's funds were as follows:

Unrestricted general fund: £19,417 (£805 at 31st March 2020)

Designated fixed asset fund: £7,414 (£11,197 at 31st March 2020)

Restricted funds (Tesco grant): £1,166 (£0 at 31st March 2020)

It is the policy of the Trustees to hold reserves to equal 3-6 month's running costs, plus a fund for premises repairs and renewals. Reserves held in excess of this amount will cover the loss of income from hire as the impact of the Covid-19 pandemic continues.

The charity is considered to be a going concern. The running costs of the Association are met from hire income in normal operating circumstances, and grant funding is held in reserve to cover any losses of income arising in the future from the continued Covid-19 pandemic.

**TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 MARCH 2021**

PLANS FOR FUTURE PERIODS

The charity's long term aim is to take over the ownership of the building via a Community Asset Transfer. In order to achieve this, a feasibility study is being developed and a programme undertaken to strengthen the governance and management of the charity. This process has been delayed due to the Covid-19 national restrictions but it is hoped the Community Asset Transfer will continue during the financial year 2021-22.
