Recruitment and appointment of trustees

The power to appoint new trustees rests with the existing trustees of the charity.

Induction and training of trustees

On appointment, the decision making process of the charity is explained to new trustees by one of the existing Trustees who also provide an overview of the administrative procedures employed by the Foundation.

BANHAM FOUNDATION LIMITED
REPORT OF THE TRUSTEES (Continued)
FOR THE YEAR ENDED 31 DECEMBER 2022

Grant-making policies

Currently the Trustees' policy is to accumulate all written appeals received and to consider them on their individual merits at each Trustee meeting. Applicants are notified of the Trustees' decision.

The use of volunteers

The charity has no paid staff, however administration is provided on a voluntary and pro-bono basis by the Banham Group.

Achievements and performance

The charity's objects are raising and collecting money and donations to charities registered with the Commission or any successor regulators.

In line with these objects, during the year the charity gave grants to other British charities. Excess of income over expenditure in 2022 was £271,020 (2021: excess of income over expenditure was £149,401).

The fund balance at 31 December 2022 was £3,188,118 (2021:£2,917,098).

Plans for future periods

Aims and key objectives for future periods

The charity will continue to provide funding to other British registered charities in future periods. The Trustees shall hold the Funds upon trust to apply donations to such charitable bodies or institutions at such times and in such manner as the Trustees may, in their absolute discretion, think fit, within the remit of the charity's objects.

Risks

The Trustees have not identified any major risks and they will continue to monitor the adequacy of their system.

Reserves policy

The Charity is a grant-making company and its income-generating assets are therefore held as cash deposits. The Trustees apply the income derived to giving grants in accordance with the objects of the company. In any given year, a surplus or deficit on net resources will arise; its size, whether surplus or deficit, will fluctuate and be largely dependent on the timing of donations received and grant payments made.

As its income is liable to fluctuation each year, the Trustees are concerned that sufficient reserves are retained to ensure it can meet the objectives of the Charity for a minimum of twelve months ahead. 2022: Unrestricted £3,088,118; Restricted £100,000 (2021: Unrestricted £2,917,098)

BANHAM FOUNDATION LIMITEDSTATEMENT OF TRUSTEE'S RESPONSIBILITIESFOR THE YEAR ENDED 31 DECEMBER 2022

The trustees (who are also the directors for the purpose of company law) are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the charity trustees to prepare financial statement for each financial year. Under the law the trustees must prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- a) select suitable accounting policies and then apply them consistently;
- b) observe the methods and principles in the Charities SORP;
- c) make judgements and accounting estimates that are reasonable and prudent;
- d) state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue to operate.

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and the group and hence taking the reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 29th Aug 2023 and signed on its behalf by:

Mr T Ward

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
BANHAM FOUNDATION LIMITED

I report to the trustees (who are also Directors for the purpose of company law) on my examination of the financial statements of the Banham Foundation Limited ('the charitable company') for the year ended 31 December 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and related notes.

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the trustees of the charitable company you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the financial statements of the charitable company are not required to be audited under Part 16 of the Act and are eligible for independent examination, I report in respect of my examination of the charitable company's financial statements carried out under section 145 of the Charities Act 2011 ('the 2011 Act') and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OFBANHAM FOUNDATION LIMITED (Continued)**Independent Examiner's Statement**

Since the charitable company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charitable company as required by section 386 of the 2006 Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination.
- the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

BANHAM FOUNDATION LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

1. **Accounting Policies**

Summary of significant accounting policies and key accounting estimates

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Basis of Preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (2nd Edition, effective January 2019) - (Charities SORP FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Banham Foundation Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

At the time of preparing the financial statements the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

Income

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources.

BANHAM FOUNDATION LIMITED**NOTES TO THE FINANCIAL STATEMENTS (Continued)****FOR THE YEAR ENDED 31 DECEMBER 2022****1. Accounting Policies - (continued)****Charitable activities**

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grant Provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including independent examination, strategic management and trustees' meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of loans which are subsequently measured at amortised cost using the effective interest method.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

BANHAM FOUNDATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS (Continued)FOR THE YEAR ENDED 31 DECEMBER 20221. Accounting Policies - (continued)**Fund accounting**

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity. All funds for this and the previous period are unrestricted.

2. **Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for income and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. In the Trustees' opinion there are no significant judgements or key sources of estimation uncertainty.
