### Structure, governance and management

The charity was established by a Trust Deed. The Trust derives its income from the donations and interest on the funds held.

### Objectives and activities

The Trustees must apply the income of the Charity in furthering the following objects ("The Objects"):

A) The object of Sephardi Voices UK is to advance education for the public benefit by carrying out a unique digital audio-visual history project which aims to document, preserve and archive, for the future generations, the testimonies of the Jews originating from the Middle East, North Africa and Iran who settled in the United Kingdom during the 20th Century and built-up new lives there. With memories fading and elderly people passing away each day, this project provides the last opportunity to capture this irretrievable era of Jewish history.

B) The other object of Sephardi Voices UK is to advance education for the public benefit by the provision of resources for teaching programmes at universities and schools catering to the historical need for more understanding and knowledge of these Jewish communities.

### Risk Management

The board of trustees has conducted a review of the major risks to which the charity is exposed. The major risks identified were current funding, obtaining new funding, financial procedures and health and safety. A health and safety policy will be produced and financial procedures will be written. The board of trustees will review the risks annually to ensure new risks are identified and measures are taken to mitigate both current and new risks.

### Public benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future services. In particular the board of trustees consider how our planned services will contribute to the aims and objectives they have set.

### Achievements and performance

Summary of main achievements of the charity during the year:

Since we started our activities, we have been able to purchase equipment and set up a small team of volunteers, which were trained to conduct, record, archive and transcribe filmed and audio interviews as well as historical documents and photos. This has enabled us to film and record the life stories of 116 individuals, prepare the data for archiving purposes, and start the process of transcribing. The majority of the interviews have been deposited at the British Library (London) and the ANU Museum of The Jewish People (Tel Aviv) for public access.

For our Outreach and Educational Programme, we have so far produced 13 Lives in Focus films (each based on one interview) and 10 thematic films, which introduce some of the issues relevant to the Sephardi/Mizrahi culture and history. These films have been shown at public events, academic conferences and are available on our website ([www.sephardivoices.org.uk](http://www.sephardivoices.org.uk)) and through all our Social Media channels. Our interviews are regularly featured in the Jewish Renaissance magazine.

We have launched our re-developed website which allows the users more access to the individual stories and photographs and also provides more information on the history of the Jewish communities in the Middle East, North Africa, and Iran.

Furthermore, we have provided material to interested researchers and the public and supplied oral history training to individuals and organisations (for example, to the Bevis Marks Heritage Foundation).

In 2021-22, in spite of lockdowns and other restrictions, we conducted 5 interviews and produced 5 films. We also held regular Zoom events and participated in live events featuring our interviewees and covering themes pertinent to Sephardi/Mizrahi heritage.

We successfully submitted a major grant application for the transcription of all our interviews and for cataloguing, captioning and subsequent uploading of all photographs and documents.

### Financial review

The Statement of Financial Activities shows a total income of £28,742 (2021 - £26,232) and total expenditure of £22,413 (2021 - £27,215). The net income for the year was £6,329 (2021 - £(983)). The charity has £25,295 (2021 - £18,966) of Unrestricted Funds as at the year end.

## **Independent Examiner's Report to the Trustees of Sephardi Voices UK**

**Year ended 31 March 2022**

---

I report to the trustees on my examination of the financial statements of Sephardi Voices UK ('the charity') for the year ended 31 March 2022.

### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements *(continued)*

**Year ended 31 March 2022**

---

### **1. General information**

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 15A Hendon Avenue, London, N3 1UL.

### **2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### **3. Accounting policies**

#### **Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### **Going concern**

There are no material uncertainties about the charity's ability to continue.

#### **Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### **Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

#### **Incoming resources**

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

### 3. Accounting policies *(continued)*

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.
