**OBJECTIVES AND ACTIVITIES**

**a. POLICIES AND OBJECTIVES**

The objectives of the church are:

- Preaching the Gospel with the aim of transforming the lives of the public/believers
- Helping the public to live peacefully with one another, redirecting their focus to personal and community development and abstaining from lives of crime, violence and other sins as stated in the Bible

Each year our trustees review our objectives and activities to ensure they continue to reflect our aims.

In carrying out this review the trustees have considered the Charity Commission's general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

**b. STRATEGIES FOR ACHIEVING OBJECTIVES**

The church has adopted the following strategies for achieving the above objectives:

- organisation of seminars and events to address issues of relevance to the relief of poverty and provision of care and support for the needy as appropriate;
- planting of churches; and
- support for other charities and events with similar objectives.
- social action initiatives in the community

**c. ACTIVITIES FOR ACHIEVING OBJECTIVES**

The main activities of the church are as follows:

- Sunday service
- Weekly night Bible Studies and house fellowships at various centres

**d. VOLUNTEER MANAGEMENT**

The church is grateful for the unstinting efforts of its volunteers who are involved in service provision, office work and administration.

**e. INVESTMENT POLICY AND PERFORMANCE**

**f. VULNERABLE BENEFICIARIES**

The church works with vulnerable groups including children and make sure users are safe and protected from harm. Volunteers, employees and trustees have the right checks and assessments before they can work with a church. **g. CONFLICT OF INTERESTS**

No trustee is in a position where their duty as a trustee will conflict with any personal interest they may have.

We are committed to ensuring that people have all necessary support required to make a complaint. Complaints are accepted verbally or in writing, and can be formal or informal.

Anyone wishing to make a complaint will be provided with a Complaints Handling Statement, which summarises how a complaint about our service can be made.

### TRUSTEES' REPORTS (continued) FOR THE YEAR ENDED 31 DECEMBER 2021

---

#### FINANCIAL REVIEW

##### a. RESERVES POLICY

Members of the church have been generous this year. The statement of the financial activities shows net unused resources for the year of £27,292 and our net asset stand at £99,154.

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the church should be 3 months of annual expenditure. At this level, the trustees feel that they would be able to continue the current activities of the church in the event of a significant drop in funding.

##### b. PRINCIPAL FUNDING

This is provided mainly through voluntary tithes and offerings by the church members.

#### PLANS FOR THE FUTURE

##### a. FUTURE DEVELOPMENTS

We are hoping to acquire a building of our own and we are also praying that God will help us establish another parish with its own place of worship.

#### STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;  
Easter Outreach
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees on 14th Oct 2022 and signed on their behalf, by:

**Note 2 Accounting policies**

*This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.*

**INCOMING RESOURCES****Recognition of incoming resources**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

**Incoming resources with related expenditure**

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

**Grants and donations**

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

**Tax reclaims on donations and gifts**

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

**Contractual income and performance related grants**

This is only included in the SoFA once the related goods or services have been delivered.

**Gifts in kind**

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

**Donated services and facilities**

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

**Volunteer help**

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

**Investment income**

This is included in the accounts when receivable.

**Investment gains and losses**

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

**EXPENDITURE AND LIABILITIES****Liability recognition**

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

**Governance costs**

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

**Grants with performance conditions**

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

**Grants payable without performance conditions  
Support Costs**

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

**ASSETS****Tangible fixed assets for use by charity**

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

**Investments**

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

**Stocks and work in progress**

These are valued at the lower of cost or market value.
