	Survivors Together	Charity No	1141487
	Chair's Report for the year ending 31st August 2023		

The trustees present their report and accounts for the year ended 31st August 2023

The accounts have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charities Act 2011 and the SORP "Accounting and Reporting by Charities" issued in March 2008.

Structure and Governance

Survivors Together is a small charity. The Trustees are responsible for the governance of the charity but the day to day management is undertaken by the Director and Development Worker who report to the steering committee.

The charity has two employees, pays for sessional and creche workers but relies heavily on volunteers

Risk

The trustees have given due consideration to the major risks to which the charity is exposed, and are satisfied that systems, policies and procedures are in place to mitigate exposure to major risks.

Objectives

The charity's objectives are

- (I) the preservation, development and protection of good mental and emotional health among victims of childhood sexual abuse, by the provision of mutual support, education and support groups
- (II) to advance the education of the public in matters relating to sexual abuse, including danger signs and how abuse can be identified and addressed

The charity provides support to women survivors of sexual abuse - providing a safe space, building friendships and being a place where women can build friendships with each other.

Work consists of group meetings and individual sessions. It operates predominantly in London Borough of Newham

Activity and Strategic Review

Survivors Together is a social support group with therapeutic themes in our work. We encourage healing journeys to enable what is a devastating and profound event or series of events on a life, to enable the ability to move from the position of victim to surviving and then thriving.

We have had a busy year with meetings, events and trips. We spent two days away in Othona, Essex for time away from the busyness of east London. For some this was the only opportunity to escape London life. We went to a concert, the beach, the cinema; as well as learning life coping skills such as Thi Chi, mindfulness and art therapy.

This year we have started a young women's group that meets once a month on a Tuesday. This has been a real success welcoming a dozen new clients between the ages of 16-25.

During the year the trustees decided to set up a Charitable Incorporated Organisation (CIO) and expand the membership of the board of trustees. The new CIO has mirrored the objectives of the charity and the Trustees agreed to transfer to the CIO the charity's assets at the point the new CIO became active

A more detailed annual report with reports from events, meetings and words from our clients is available from the charity.

	Survivors Together	Charity No 1141487
	Chair's Report for the year ending 31st August 2023	

Financial Review

Our income £ (2021: £66,832) is on target.

Our expenditure £, (2022: £59,662) represents a **32% decrease** on the previous year. Our free reserves position has improved as planned by the trustees. Our restricted fund reserves have reduced significantly due to the timing of the Covid service response as we spent down restricted funds received in the previous year.

The Charity's financial transactions during the year and the financial situation at the end of the year are set out in the following accounts. The trustees consider the financial position to be satisfactory,

Reserves Policy

The charity policy is to aim to hold free reserves equivalent to two months expenditure to give the trustees time to make and implement necessary actions should funding drop or come to an end. Based on the current year that figure is £12,000. The reserves position at the end of the year shows a balance of £38,616 of which £ 9,692 is restricted funds leaving free reserves at £28,9875. The Trustees acknowledge that current free reserves are therefore significantlt above this target but are aware that the funding climate has changed and these reserves will be used in the coming year to deliver services.

Post Year end events

There are no post-year events that affect the charity's financial security, activities nor an understanding of the accounts

Signed: *Hilary Colston*

 Survivors Together	Survivors Together	Charity No 1141487
Independent Examiner's Report		

To the Trustees.

I report on the accounts of the Trust for the year ended 31st August 2023, which are set out in the following pages.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011, "the 2011 Act", and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;

To follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and

To state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

Which gives me reasonable cause to believe that in any material respect the requirements:

To keep accounting records in accordance with section 386 of the companies Act 2011;
and

To prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities(2008);

have not been met; or

to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Section C		Notes to the accounts				

Note 1 Basis of preparation

1.1 Basis of accounting

These accounts have been prepared on the basis of historic cost in accordance with:

- Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005);
- and with the Charities Act.

Note 2 Accounting policies

INCOMING RESOURCES

Recognition of incoming resources These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees consider that receipt of funds is probable; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

Gifts in kind Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.
Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income This is included in the accounts when receivable.

EXPENDITURE AND LIABILITIES

Liability recognition Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters and the cost of E&PL insurances

Grants with performance conditions Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity These are capitalised if they can be used for more than one year, and cost at least £250. They are valued at cost or a reasonable value on receipt.

	Survivors Together	Charity No	1141487
	Chair's Report for the year ending 31st August 2022		

The trustees present their report and accounts for the year ended 31st August 2022

The accounts have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charities Act 2011 and the SORP "Accounting and Reporting by Charities" issued in March 2008.

Structure and Governance

Survivors Together is a small charity. The Trustees are responsible for the governance of the charity but the day to day management is undertaken by the Director and Development Worker who report to the steering committee.

The charity has two employees, pays for sessional and creche workers but relies heavily on volunteers

Risk

The trustees have given due consideration to the major risks to which the charity is exposed, and are satisfied that systems, policies and procedures are in place to mitigate exposure to major risks.

Objectives

The charity's objectives are

- (I) the preservation, development and protection of good mental and emotional health among victims of childhood sexual abuse, by the provision of mutual support, education and support groups
- (II) to advance the education of the public in matters relating to sexual abuse, including danger signs and how abuse can be identified and addressed

The charity provides support to women survivors of sexual abuse - providing a safe space, building friendships and being a place where women can build friendships with each other.

Work consists of group meetings and individual sessions. It operates predominantly in London Borough of Newham

Activity and Strategic Review

Survivors Together is a social support group with therapeutic themes in our work. We encourage healing journeys to enable what is a devastating and profound event or series of events on a life, to enable the ability to move from the position of victim to surviving and then thriving.

We have had a busy year with meetings, events and trips. We spent two days away in Othona, Essex for time away from the busyness of east London. For some this was the only opportunity to escape London life. We went to a concert, the beach, the cinema; as well as learning life coping skills such as Thi Chi, mindfulness and art therapy.

This year we have started a young women's group that meets once a month on a Tuesday. This has been a real success welcoming a dozen new clients between the ages of 16-25.

A more detailed annual report with reports from events, meetings and words from our clients is available from the charity.

	Survivors Together	Charity No 1141487
	Chair's Report for the year ending 31st August 2022	

Financial Review

Our income £66,832 (2021: £51,139) is on target.

Our expenditure £59,662, (2021: £78,828) represents a 32% decrease on the previous year. This is expected as the emergency programmes funded in response to Covid, come to an end. Our free reserves position has improved as planned by the trustees. Our restricted fund reserves have reduced significantly due to the timing of the Covid service response as we spent down restricted funds received in the previous year.

The Charity's financial transactions during the year and the financial situation at the end of the year are set out in the following accounts. The trustees consider the financial position to be satisfactory,

Reserves Policy

The charity policy is to aim to hold free reserves equivalent to two months expenditure to give the trustees time to make and implement necessary actions should funding drop or come to an end. Based on the current year that figure is £12,000. The reserves position at the end of the year shows a balance of £38,616 of which £ 9,692 is restricted funds leaving free reserves at £28,9875. The Trustees acknowledge that current free reserves are therefore significantly above this target but are aware that the funding climate has changed and these reserves will be used in the coming year to deliver services.

Post Year end events

There are no post-year events that affect the charity's financial security, activities nor an understanding of the accounts

Signed: *Hilary Colston*
Chair of Trustees

Date approved 21/04/2023

	Survivors Together	Charity No 1141487
Independent Examiner's Report		

To the Trustees.

I report on the accounts of the Fellowship for the year ended 31st August 2022, which are set out in the following pages.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011, "the 2011 Act", and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;

To follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and

To state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

Which gives me reasonable cause to believe that in any material respect the requirements:

To keep accounting records in accordance with section 386 of the companies Act 2011;
and

To prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities(2008);

have not been met; or

to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Section C		Notes to the accounts				

Note 1 Basis of preparation

1.1 Basis of accounting

These accounts have been prepared on the basis of historic cost in accordance with:

- Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005);
- and with the Charities Act.

Note 2 Accounting policies

INCOMING RESOURCES

Recognition of incoming resources These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees consider that receipt of funds is probable; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

Gifts in kind Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.
Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income This is included in the accounts when receivable.

EXPENDITURE AND LIABILITIES

Liability recognition Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters and the cost of E&PL insurances

Grants with performance conditions Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity These are capitalised if they can be used for more than one year, and cost at least £250. They are valued at cost or a reasonable value on receipt.

	Survivors Together	Charity No	1141487
	Chair's Report for the year ending 31st August 2021		

The trustees present their report and accounts for the year ended 31st August 2021

The accounts have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charities Act 2011 and the SORP "Accounting and Reporting by Charities" issued in March 2008.

Structure and Governance

Survivors Together is a small charity. The Trustees are responsible for the governance of the charity but the day to day management is undertaken by the Director and Development Worker who report to the steering committee.

The charity has two employees, pays for sessional and creche workers but relies heavily on volunteers

Risk

The trustees have given due consideration to the major risks to which the charity is exposed, and are satisfied that systems, policies and procedures are in place to mitigate exposure to major risks.

Objectives

The charities objectives are

- (I) the preservation, development and protection of good mental and emotional health among victims of childhood sexual abuse, by the provision of mutual support, education and support groups
- (II) to advance the education of the public in matters relating to sexual abuse, including danger signs and how abuse can be identified and addressed

The charity provides support to women survivors of sexual abuse - providing a safe space, building friendships and being a place where women can build friendships with each other.

Work consists of group meetings and individual sessions. It operates predominantly in London Borough of Newham

Activity and Strategic Review

Survivors Together is a social support group with therapeutic themes in our work. We encourage healing journeys to enable what is a devastating and profound event or series of events on a life, to enable the ability to move from the position of victim to surviving and then thriving.

We have had a busy year with meetings, events and trips. We spent two days away in Othona, Essex for time away from the busyness of east London. For some this was the only opportunity to escape London life. We went to a concert, the beach, the cinema; as well as learning life coping skills such as Thi Chi, mindfulness and art therapy.

This year we have started a young women's group that meets once a month on a Tuesday. This has been a real success welcoming a dozen new clients between the ages of 16-25.

A more detailed annual report with reports from events, meetings and words from our clients is available from the charity.

	Survivors Together	Charity No 1141487
	Chair's Report for the year ending 31st August 2021	

Financial Review

Our income £ 51,139 (2020: £110,401) is on target, The reduction represents covid response funding from MOPAC and The National Lottery that is not recurring.

Our expenditure £78,828, (2020: £60,845) represents a 28% increase on the previous year. This is the additional costs related to covid delivery, expansion of our client support during these difficult times. Our free reserves position has improved as planned by the trutees. Our restricted fund reserves have reduced significantly due to the timing of the Covid service response as we spent down restricted funds received in the previous year.

The Charity's financial transactions during the year and the financial situation at the end of the year are set out in the following accounts. The trustees consider the financial position to be satisfactory,

Reserves Policy

The charity policy is to aim to hold free reserves equivalent to two months expenditure to give the trustees time to make and implement necessary actions should funding drop or come to an end. Based on the current year that figure is £12,000. The reserves position at the end of the year shows a balance of £31,446 of which £ 20,431 is restricted funds leaving free reserves at £11,015. The Trustees acknowledge that current free reserves are therefore below this target but are keen to deliver sevices to clients as much as possible.

Post Year end events

There are no post-year events that affect the charity's financial security, activities nor an understanding of the accounts

Signed: *Hilary Cobston*

 Survivors Together	Survivors Together	Charity No 1141487
Independent Examiner's Report		

To the Trustees.

I report on the accounts of the Fellowship for the year ended 31st August 2021, which are set out in the following pages.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011, "the 2011 Act", and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;

To follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and

To state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

Which gives me reasonable cause to believe that in any material respect the requirements:

To keep accounting records in accordance with section 386 of the companies Act 2011;
and

To prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities(2008);

have not been met; or

to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

D Gyateng

	Survivors Together	Charity No	1141487
	Chair's Report for the year ending 31st August 2020		

The trustees present their report and accounts for the year ended 31st August 2020

The accounts have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charities Act 2011 and the SORP "Accounting and Reporting by Charities" issued in March 2008.

Structure and Governance

Survivors Together is a small charity. The Trustees are responsible for the governance of the charity but the day to day management is undertaken by the Director and Development Worker who report to the steering committee.

The charity has two employees, pays for sessional and creche workers but relies heavily on volunteers

Risk

The trustees have given due consideration to the major risks to which the charity is exposed, and are satisfied that systems, policies and procedures are in place to mitigate exposure to major risks.

Objectives

The charity's objectives are

- (I) the preservation, development and protection of good mental and emotional health among victims of childhood sexual abuse, by the provision of mutual support, education and support groups
- (II) to advance the education of the public in matters relating to sexual abuse, including danger signs and how abuse can be identified and addressed

The charity provides support to women survivors of sexual abuse - providing a safe space, building friendships and being a place where women can build friendships with each other.

Work consists of group meetings and individual sessions. It operates predominantly in London Borough of Newham

Activity and Strategic Review

Survivors Together is a social support group with therapeutic themes in our work. We encourage healing journeys to enable what is a devastating and profound event or series of events on a life, to enable the ability to move from the position of victim to surviving and then thriving.

We have had a busy year with meetings, events and trips. We spent two days away in Othona, Essex for time away from the busyness of east London. For some this was the only opportunity to escape London life. We went to a concert, the beach, the cinema; as well as learning life coping skills such as Thi Chi, mindfulness and art therapy.

This year we have started a young women's group that meets once a month on a Tuesday. This has been a real success welcoming a dozen new clients between the ages of 16-25.

A more detailed annual report with reports from events, meetings and words from our clients is available from the charity.

	Survivors Together	Charity No	1141487
	Chair's Report for the year ending 31st August 2020		

Financial Review

Our income £110,401 (2019: £58,690) is on target, The increase represents additional covid response funding from MOPAC and The National Lottery plus funding from The National Lottery for the Young Womens group

Our expenditure £60,845, (2019: £52,024) represents a 17% increase on the previous year. This is the additional costs related to covid delivery, expansion of our client support during these difficult times. Our free reserves position has improved as planned by the trutees. Our restricted fund reserves have increased significantly but this is due to the timing of the Covid service response. We do not expect to maintain restricted reserves at this level.

The Charity's financial transactions during the year and the financial situation at the end of the year are set out in the following accounts. The trustees consider the financial position to be satisfactory,

Reserves Policy

The charity policy is to aim to hold free reserves equivalent to two months expenditure to give the trustees time to make and implement necessary actions should funding drop or come to an end. Based on the current year that figure is £10,000. The reserves position at the end of the year shows a balance of £59,135 of which £51,005 is restricted funds leaving free reserves at £8,130. The Trustees acknowledge that current free reserves are therefore below this target but are keen to deliver sevicees to clients as much as possible.

Post Year end events

In March 2020 the covid-19 pandemic swept across the globe. Responses from the public and the UK government have impacted the charities activities. However we have adapted our regular group meetings to on-line and regular phone are made to clients. Clients report increased anxiety and have also requested food support. We have responded in providing these services. The pandemic has not affected our fundraising negatively, and we were sucessful in applying for specifc funds to cover our increased costs.

Signed: *Hilary Colston*

Independent Examiner's Report		

To the Trustees.

I report on the accounts of the Fellowship for the year ended 31st August 2020, which are set out in the following pages.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011, "the 2011 Act", and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;

To follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and

To state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

Which gives me reasonable cause to believe that in any material respect the requirements:

To keep accounting records in accordance with section 386 of the companies Act 2011;
and

To prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities(2008);

have not been met; or

to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

D Gyateng

Section C		Notes to the accounts				

Note 1 Basis of preparation

1.1 Basis of accounting

These accounts have been prepared on the basis of historic cost in accordance with:

- Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005);
- and with the Charities Act.

Note 2 Accounting policies

INCOMING RESOURCES

Recognition of incoming resources These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees consider that receipt of funds is probable; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

Gifts in kind Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.
Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income This is included in the accounts when receivable.

EXPENDITURE AND LIABILITIES

Liability recognition Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters and the cost of E&PL insurances

Grants with performance conditions Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity These are capitalised if they can be used for more than one year, and cost at least £250. They are valued at cost or a reasonable value on receipt.
