AIM/PURPOSE:

Grace Community Church aims to do this by:

- Propagating the gospel of salvation to advance God's kingdom, by reaching out to the unsaved.

- Fellowshiping with other believers, to promote and spread the love of Christ.

ACTIVITIES

Grace Community Church (GCC) holds regular Sunday worship services from 10:00 am to 12:30 pm, concluding with socialising over light refreshments. During the main service, children aged 3-12 participate in their own dedicated children's service.

Throughout the week, GCC offers additional opportunities for fellowship and spiritual growth. Homegroup services take place every Tuesday, providing members with a chance to come together, read the Word of God, and uplift and encourage one another. Every Friday, there is a prayer meeting and Bible study from 7:30 pm to 9:00 pm, both of which are currently conducted online via Zoom.

GCC boasts various ministries, including children's group, choir, outreach, prayer, and counselling. Each member actively contributes to their respective ministry, performing specific tasks crucial to the church's operation. Together, they function as one cohesive body, fostering love, unity, and the fulfilment of Christ's will.

The GCC choir ministry gathers every Saturday from 6:30 pm to 9:00 pm for their weekly rehearsal session, where they prepare the songs they will perform during the Sunday service. The focus of GCC is to support the continual improvement of choir members' skills and talents. To achieve this goal, GCC places a high priority on securing instrumentalists who can provide ongoing lessons for a variety of instruments, including drums, keyboard, and singing.

The youth group and GCC choir hold monthly fellowships, fostering relational and spiritual growth. During these gatherings, the teams reflect on their ministry's performance, engage in prayer, and socialise through games and shared meals.

Recognising the importance of corporate fellowship, GCC organises a regular church love fest quarterly and a church Christmas dinner towards the year's end. These events provide opportunities for the entire church community to come together, celebrate, and deepen their connections with one another.

And also the BGC Women meeting has been coming together where women meet to pray every last Friday of the month between the hours of 10pm to 11pm to give thanks to God almighty for what he has been doing in the midst of the children of God and also pray concerning whatever that concerns us as a church. And also come together to have a retreat once yearly

The church has also started holding holy communion service every last Friday of the month, where we all come together as a church in remembrance of our lord Christ Jesus

Pastoral Care

The pastoral care within a Christian church is always essential, as it is an active demonstration of concern for the wellbeing and development of the members.

Grace Community Church (GCC) has various ordained ministers, who have been trained to be effective in their role. The ministers in the church also have regular meetings, to ensure they are always focused on the main aims of the church, and to see if there is any improvement needed.

GCC provides free counselling to all members of the church, which is always available when needed. Furthermore, the church also ensures there is a follow-up process for all new believers as well as newcomers. This is ideal to ensure people are walking in the right path and are constantly growing whilst attending the church.

In addition, Grace Community Church provides a safe space for members to freely ask questions without feeling ostracized for it. During the Sunday School section within the main service, members are encouraged to ask questions and make contributions regarding the topic explored. Furthermore, members can privately ask questions by placing any questions or prayer requests within a box kept in the church. This is kept completely confidential and gives people the chance to freely express themselves and receive help, without feeling judged or condemned. Following from this, the church also holds a Q&A Sunday, quite regularly, which again gives people the chance to freely ask questions, without being judged – this is a great way the members learn and develop.

Outreach/Evangelism

Grace Community Church (GCC) recognises the significance of extending its impact beyond corporate worship and strives to serve, support, and minister to the community. The church aims to positively influence the lives of its neighbours by identifying spiritual, social, and environmental needs within the community. Throughout the year, GCC conducted numerous evangelical outreaches to share the love of Christ and reach out to those in need.

Every Saturday, the church engages in evangelism on the local high street, where members distribute tracts and share personal stories of how Christ has transformed their lives with people in the community. To ensure effective outreach, GCC has appointed an outreach coordinator who oversees various methods of engagement, providing structure to church evangelism and encouraging active participation from members. This approach has resulted in a more receptive attitude from the community, fostering openness to new and friendly faces.

Furthermore, Grace Community Church actively participates in 'Churches Together,' an organisation that promotes unity among churches through communal fellowship. Churches Together organises various community services, including the annual 'unity service,' aimed at spreading the love and kindness of God throughout the community and the participating churches.

In the year 2024 GCC has taken intentional steps to support other charities and organisations, such as the 'Living Joy Foundation,' 'The Chosen Ministries,' 'Hutton Community Centre,' and 'Warehouse Worship,' among others. The church demonstrates its commitment by donating funds to further the impact of these organisations and help reach marginalised groups within society.

INTRODUCTION:

The annual report has been created by Grace Community Church to share information about the church's activities during the year 2022. Furthermore, this is a legal demand, whereby every registered charity must submit their reports and accounts to the Charity Commission. This report will be separated into two sections.

The first part of this report will explain how the church is structured and financed. This portion will entail information on how the church is able to reach its aims through several activities which the church gets involved in.

The second section of this report will shed light on the type of events the church has organised and been involved in, throughout the year 2022. This portion of the report will present in detail how the church has positively impacted both its members and the community, by adding value.

ACTIVITIES

Grace Community Church (GCC) holds regular Sunday worship services from 10:30 am to 12:30 pm, concluding with socialising over light refreshments. During the main service, children aged 3-12 participate in their own dedicated children's service.

Throughout the week, GCC offers additional opportunities for fellowship and spiritual growth. Homegroup services take place every Tuesday, providing members with a chance to come together, read the Word of God, and uplift and encourage one another. Every Friday, there is a prayer meeting and Bible study from 7:30 pm to 9:00 pm, both of which are currently conducted online via Zoom.

GCC boasts various ministries, including children's group, choir, outreach, prayer, and counselling. Each member actively contributes to their respective ministry, performing specific tasks crucial to the church's operation. Together, they function as one cohesive body, fostering love, unity, and the fulfilment of Christ's will.

The GCC choir ministry gathers every Saturday from 6:30 pm to 9:00 pm for their weekly rehearsal session, where they prepare the songs they will perform during the Sunday service. The focus of GCC is to support the continual improvement of choir members' skills and talents. To achieve this goal, GCC places a high priority on securing instrumentalists who can provide ongoing lessons for a variety of instruments, including drums, keyboard, and singing.

The youth group and GCC choir hold monthly fellowships, fostering relational and spiritual growth. During these gatherings, the teams reflect on their ministry's performance, engage in prayer, and socialise through games and shared meals.

Recognising the importance of corporate fellowship, GCC organises a regular church love fest quarterly and a church Christmas dinner towards the year's end. These events provide opportunities for the entire church community to come together, celebrate, and deepen their connections with one another.

Pastoral Care

The pastoral care within a Christian church is always essential, as it is an active demonstration of concern for the wellbeing and development of the members.

Grace Community Church (GCC) has various ordained ministers, who have been trained to be effective in their role. The ministers in the church also have regular meetings, to ensure they are always focused on the main aims of the church, and to see if there is any improvement needed.

GCC provides free counselling to all members of the church, which is always available when needed. Furthermore, the church also ensures there is a follow-up process for all new believers as well as newcomers. This is ideal to ensure people are walking in the right path and are constantly growing whilst attending the church.

In addition, Grace Community Church provides a safe space for members to freely ask questions without feeling ostracized for it. During the Sunday School section within the main service, members are encouraged to ask questions and make contributions regarding the topic explored. Furthermore, members can privately ask questions by placing any questions or prayer requests within a box kept in the church. This is kept completely confidential and gives people the chance to freely express themselves and receive help, without feeling judged or condemned. Following from this, the church also holds a Q&A Sunday, quite regularly, which again gives people the chance to freely ask questions, without being judged – this is a great way the members learn and develop.

Outreach/Evangelism

Grace Community Church (GCC) recognises the significance of extending its impact beyond corporate worship and strives to serve, support, and minister to the community. The church aims to positively influence the lives of its neighbours by identifying spiritual, social, and environmental needs within the community. Throughout the year, GCC conducted numerous evangelical outreaches to share the love of Christ and reach out to those in need.

Every Saturday, the church engages in evangelism on the local high street, where members distribute tracts and share personal stories of how Christ has transformed their lives with people in the community. To ensure effective outreach, GCC has appointed an outreach coordinator who oversees various methods of engagement, providing structure to church evangelism and encouraging active participation from members. This approach has resulted in a more receptive attitude from the community, fostering openness to new and friendly faces.

Furthermore, Grace Community Church actively participates in 'Churches Together,' an organisation that promotes unity among churches through communal fellowship. Churches Together organises various community services, including the annual 'unity service,' aimed at spreading the love and kindness of God throughout the community and the participating churches.

In the year 2022, GCC has taken intentional steps to support other charities and organisations, such as the 'Living Joy Foundation,' 'The Chosen Ministries,' 'Hutton Community Centre,' and 'Warehouse Worship,' among others. The church demonstrates its commitment by donating funds to further the impact of these organisations and help reach marginalised groups within society.

ACTIVITIES

Grace Community Church (GCC) carries out regular Sunday worship services, which start from 10:30am-12:30pm, followed by socialising over light refreshments at the end of service. During the main service, the children aged 3-12, have their own children's service.

During the week GCC has homegroup services, every Tuesdays. This allows for members to fellowship together, whilst reading the Word of God, uplifting, encouraging, and motivating one another to grow spiritually. Every Friday members of GCC also meet up for prayer meeting/bible study, from 7:30pm-9:00pm – except the last Friday of each month, which is the night vigil service, starting from 10:30pm.

In addition, Grace Community Church has various ministries, such as children's group, GCC choir, outreach, prayer, and counselling. Every member has a big role to play within the church, carrying out the specific tasks needed in their ministry. Everyone functions together as one body, to help the church grow in love and unity, whilst carrying out the will of Christ.

The youth group in GCC regularly hold a youth retreat, during both their summer and Christmas break. With their busy lifestyles, they use this time to relax and refresh themselves from the ever-evolving society, by drawing closer to God and each other in fellowship. In addition, they also use this time to learn new life-skills and other things they do not usually learn in school. For example, etiquette training, handling money, recruitment skills and how to invest wisely.

GCC also finds fellowshiping with one another and extremely important role within the church. Therefore, the church organises a regular church communion meetings, several times within the year, and a church Christmas dinner towards the end of the year. The GCC choir also meet regularly to fellowship with each other and do fun activities which help to build stronger relationships within the team.

- Creating different prayer groups, which allows members to meet up together during the week either in person or via video/phone call and speak about their challenges/successes and pray for each other and the community.
- Many members within GCC have signed up with compassion, to be monthly sponsors for children in need of financial support, worldwide.

Outreach/Evangelism

Over the year Grace Community Church (GCC) carried out many evangelical outreaches, to spread the love of Christ and reach out to those in need within the community.

Every Saturday the church has evangelism on the local high street, whereby members give out tracts, and talk about how Christ has changed their lives to people in the community. The church has created a system to help with church evangelism, whereby each member has their turn to go out and spread the gospel on Saturdays. This encourages our church members to join in with outreaching to the community, as we have been commissioned to do. This has also helped members of the community to be more open to fresh and friendly faces.

In addition, Grace Community Church is a part of 'Churches Together', an organisation which seeks to reveal Christ to the community through all churches communing and fellowshiping with each other. Churches Together annually hold many services for the community, such as the 'unity service' which aims to spread the love and kindness of God throughout the community and the various churches within.

This year GCC has also been more intentional with supporting other charities and organisations, such as 'Living Joy Foundation', 'The Chosen Ministries', and 'Hutton Community Centre' by donating money to further their impact and help reach the marginalized groups within society.

INTRODUCTION:

The annual report has been created by Grace Community Church to share information about the church's activities during the year 2020. Furthermore, this is a legal demand, whereby every registered charity must submit their reports and accounts to the Charity Commission. This report will be separated into two sections.

The first part of this report will explain how the church is structured and financed. This portion will entail information on how the church is able to reach its aims through several activities which the church gets involved in.

The second section of this report will shed light on the type of events the church has organised and been involved in, throughout the year 2020. This portion of the report will present in detail how the church has positively impacted both its members and the community, by adding value.

During 2020 Grace Community Church had to make regular adaptations to respond to the restrictions of the Covid-19 pandemic, which will be explained further within the necessary sections of the report. However, the mission of the church – to proclaim Christ – has and will always remain the same.

AIM/PURPOSE:

The main purpose of this charity is to represent Christ by becoming like Him, both within the body and to the wider community.

Grace Community Church aims to do this by:

- Propagating the gospel of salvation to advance God's kingdom, by reaching out to the unsaved.
- Ministering to the needs of the community, giving both social and spiritual supports to people.
- Fellowshiping with other believers, to promote and spread the love of Christ.
- Providing sound biblical theology to aid and encourage believers to grow upright.

ACTIVITIES

Grace Community Church (GCC) carries out regular Sunday worship services, which start from 10:30am-12:30pm, followed by socialising over light refreshments at the end of service. However, during the periods of lockdown, this changed slightly as our services moved from being in person, to meeting online via Zoom meetings. When lockdown restrictions were eased the church was able to join again, and provided pre-packaged refreshments, to avoid the spread of cross-contamination.

During the week GCC has weekly bible study every Tuesday, online via Zoom. This allows for members to fellowship together, whilst reading the Word of God, uplifting, encouraging, and motivating one another to grow spiritually. Every Friday members of GCC also join online for prayer meeting, from 7:30pm-9:00pm.

In addition, Grace Community Church has various ministries, such as children's group, GCC worship team, prayer, and counselling. Every member has a big role to play within the church, carrying out the specific tasks needed in their ministry. Everyone functions together as one body, to help the church grow in love and unity, whilst carrying out the will of Christ.

Unfortunately, due to the pandemic, the youth group in GCC were not able to hold their annual youth retreat, during both their summer and Christmas break. However, they were able to have weekly meetings online every Wednesdays, to spend time together in fellowship and learn practical skills that can be applied to their daily lives, such as finances, saving, social media presence, and marketing et cetera. The youth were also gifted takeaway, which was delivered to their homes, as a kind gesture for complying to the government restrictions for COVID-19 by staying home, during a difficult season of not being able to meet with friends and family.

GCC also finds fellowshiping with one another and extremely important role within the church. Therefore, the church organises a regular church love fest, several times within the year. This again was done differently due to the pandemic, and the food was delivered out to members.

Achievements/Performance

Throughout the year 2020, Grace Community Church undertook many valuable activities, which positively impacted both the church and the community. This was majorly done through sowing into ministries online, as we could not physically go out to participate in activities.

Such activities included:

- Being a part of Churches Together – Hutton and Shenfield – which creates a space for churches of different denominations within Hutton and Shenfield, to join closely together to make the gospel of Christ known in both our community and nation.
- Corporate prayer session held both on Friday's during prayer meeting (*as mentioned in the activities section*), and on Sundays, right at the beginning of the main service.
- Supporting and helping with missionary work in Uganda, which aids the lives of several individuals who live in deprived areas and need food/clothing et cetera.
- Offering drumming, keyboard and singing lessons for interested members through the GCC Worship Team, to learn and improve their skills.
- Creating different prayer groups, which allows members to meet up together during the week either in person or via video/phone call and speak about their challenges/successes and pray for each other and the community.
- Many members within GCC have signed up with compassion, to be monthly sponsors for children in need of financial support, worldwide.

Pastoral Care

The pastoral care within a Christian church is always essential, as it is an active demonstration of concern for the wellbeing and development of the members.

Grace Community Church (GCC) has various ordained ministers, who have been trained to be effective in their role. The ministers in the church also have regular meetings, to ensure they are always focused on the main aims of the church, and to see if there is any improvement needed.

GCC provides free counselling to all members of the church, which is always available when needed. Furthermore, the church also ensures there is a follow-up process for all new believers as well as newcomers. This is ideal to ensure people are walking in the right path and are constantly growing whilst attending the church.

Grace Community Church also has a WhatsApp group chat, which complies with the GDPR regulations. This allows members to regularly be updated with important information, and with biblical materials that will help them to grow more as believers. In this community members are also encouraged to share their thoughts, questions, or encouragement.

In addition, Grace Community Church provides a secure box for the members, whereby they can place any questions or prayer requests within. This is kept completely confidential and gives people the chance to freely express themselves and receive help, without feeling judged or condemned. Following from this, the church also holds a Q&A Sunday, quite regularly, which again gives people the chance to freely ask questions, without being judged – this is a great way the members learn and develop.

Outreach/Evangelism

Over the year Grace Community Church (GCC) carried out many evangelical outreaches online, to spread the love of Christ and reach out to those in need within the community.

Grace Community Church is a part of 'Churches Together', an organisation which seeks to reveal Christ to the community through all churches communing and fellowshiping with each other. Churches Together annually hold many services for the community, such as the 'unity service' which aims to spread the love and kindness of God throughout the community and the various churches within.

In addition, the church focused more on building an online presence, which would help reach out to others, evangelize, and spread the word of God from social media. The youth group in GCC also has an Instagram page, whereby they upload prayers, scriptures and invite their friends and other youth to join in their weekly zoom meetings.
